

Middle School Board Report

November 2023

SCHOOL \$ENSE OPEN FOR BUSINESS

Royal Credit Union has returned for another year. Six middle school students were “hired” to work for the credit union for the school year. These students went through training and have been working as school tellers, during the regular lunch period. Student workers complete transactions for credit union members. Each transaction counts towards the cumulative goal of 250 transactions, at which point RCU will donate money back to Unity School district. This continues to be a great learning experience for the student workers and an amazing opportunity to strengthen community relationships.

GIVING BACK

Unity Middle School Student Council held a fundraiser for *HEROIC EXPEDITIONS INC.* to raise important funds to support veterans with mental health concerns. To kick off the fundraiser, members of the organization shared their powerful story with middle school students and staff to understand the purpose of their cause.

In total, the middle school raised over \$1,000 to donate to this great cause!

CHARLIE BROWN THANKSGIVING

To celebrate the end of a great trimester, students in 5th grade enjoyed making a “Charlie Brown Thanksgiving” meal and enjoyed a PBIS reward of watching the Charlie Brown movie.

SCIENCE OLYMPIAD SUCCESS!

19 students from the middle school attended the Science Olympiad tournament on Saturday, December 2nd, held in Boyceville. Of those students, 18 received an individual medal in one or more events. The students competing on Team A, also placed 3rd overall as a team. It was a great day to be an Eagle!

FIRST TRIMESTER WRAPS UP

Staff and students completed a successful 1st Trimester on Friday, December 1st. 116 middle school students were named to the Trimester 1 Honor Roll.

To be part of this esteemed honor means that students achieved a GPA of 3.5 or higher!

STUDENTS OF THE WEEK

	5TH	6TH	7TH	8TH	E TEAM
