2015-2016 Application for Ed-Flex Schoolwide Eligibility Waiver for Lee Elementary

According to the Division of Federal and State Education Policy, “the Board of Trustees shall approve the Supplement to WV4004 – Ed-Flex – Title I, Part A Schoolwide Eligibility.” Lee Elementary is seeking schoolwide status for Title I, Part A programming for the 2015-2016 school year.

Lee Elementary acquiring schoolwide status will allow them to use their federal funds to serve all learners in need on their campus rather than the ones classified as having free and reduced status. This will also eliminate any segregation in grouping of learners receiving services paid for with Title I, Part A funding.

The WV4004 – Ed-Flex – Title I, Part A Schoolwide Eligibility Waiver for Richard J. Lee is submitted for your approval.
