Re: Board Recognition of EPHS Aerospace Scholars  
DATE: January 02, 2022

I would like to officially request that Eagle Pass High School students Itzel Fuentes, Devante Monsivais, and Chloe Rodriguez be recognized for their nomination into the Texas High School Aerospace Scholars. Highest achieving students receive an invitation to a five-day gamified virtual summer experience (Moonshot) mentored by NASA scientists and engineers. During the virtual summer experience, students work in teams to plan an Artemis-themed mission to the Moon and Mars. Top teams from the virtual summer experience are invited to attend a two-day residential experience at NASA's Johnson Space Center in Houston. HAS is an authentic learning experience for Texas high school juniors to engage with NASA's missions and become the next generation of explorers.

Please help me in recognizing Itzel Fuentes, Devante Monsivais, and Chloe Rodriguez for their academic accomplishments in receiving this incredible nomination.
