RE: Update on FOIA Requests and Responses

DATE: October 13, 2015

On September 16, 2015, Patrick McCraney from the Better Government Association requested the following information via email:

- “1.) Collective Bargaining Agreements:** Any and all current collective bargaining agreements, including but not limited to union contracts with teachers. If a union is currently operating under an expired contract, please include it.
- 2.) Administrator Contracts:** Any and all employment/personnel agreements and contracts with current administrators, including but not limited to superintendents and principals.
- 3.) Budget:** The approved operating and capital budgets for the 2015-16 school year.
- 4.) Legal Settlements:** Any and all legal settlements entered into, signed, or otherwise adopted from January 1, 2014 to present.
- 5.) Payroll:** Documents sufficient to show the **names and corresponding job titles and salaries of any and all district employees and board members** as of today (In other words, the current payroll records that include names, positions and pay for all employees, **not just teachers and administrators**).”

On September 18, 2015, we emailed Mr. McCraney to inform him that, as is permissible under FOIA, we were extending the time to respond to his request by five business days. Based on this extension, we issued our final response to Mr. McCraney on September 30, 2015.
