**Members Present: Sheila Baumgardner, Charlene Failla, Dina Weathers, Marci Reschke, Lydia Boultinghouse, Lisa Miller**

**Public Input/Agenda Topic:**

We welcomed our new members, Lydia Boultinghouse and Lisa Miller. We reviewed the goals of CEC: filtering and approving building use and engaging the community at large with the community at Scholls Heights.

One idea for engaging the community is tapping into the resource of volunteerism from retirees. Lydia will contact Hearthstone at Murrayhill and explore the possibility of monthly senior help in the Scholls Heights library. More will be discussed and brainstormed concerning this at the next meeting.

Sheila is collaborating with other local principals as they brainstorm a 'community star card' concept. This would be a card that vendors in the community would hand out to children in their stores or place of business when they see students having outstanding behaviors. This is still in the brainstorming and planning stage concerning who in the community would have these cards to pass out and what the students could exchange the cards for within the school. More will be discussed on this in future meetings.

Approved and pending building use requests follow.

**Facility and Equipment Use Application for 2011-12**

Pending applications will be looked at in future CEC meetings.
