**SUBJECT: Annual Education Report Presentation to the Board of Education**

The month of September brings the annual presentation of the district's Annual Education Report to our Board of Education and to our community. I would like to request an opportunity for Kathy Maxwell and I to present essential elements of the district's 2012-13 Annual Education Report. Please consider adding this agenda item to the September 16, Board of Education Meeting.

Thank you for your consideration of this request.
