Re: TASB Update 117

TASB Update 117 includes four recommended local policy revisions that originated from either the 86th Legislative Session or through recent changes to the Administrative Code rules that are now in effect. One example within the update includes the board's delegation of authority to the superintendent to approve purchases or construction in the event of an emergency.

These local policy revisions are in alignment with the legal policies provided by TASB in Update 117 and are in legal compliance. Each department that would be impacted by any change had the opportunity to review the suggested changes, give feedback and approve the policy updates proposed. Additionally, the four local policies within Update 117 that were provided to the Board prior to tonight's meeting for review.

CH(LOCAL): PURCHASING AND ACQUISITION

CHE(LOCAL): PURCHASING AND ACQUISITION - VENDOR DISCLOSURES AND CONTRACTS

CV(LOCAL): FACILITIES CONSTRUCTION

DEC(LOCAL): COMPENSATION AND BENEFITS - LEAVES AND ABSENCES

RECOMMENDATION: Board approval of the TASB Update 117 local revisions to policy is recommended.
