State Accountability Overview

**A-F accountability ratings released
August 15, 2024**

A-F ratings are based on:

Domain 1: Student Achievement

Measures whether students met state standardized (STAAR/End of Course) test expectations. Also, measures graduation rates and how prepared students are for success after high school (CCMR).

Domain 2: School Progress

Shows how students perform over time and how the school's performance compares to other schools with similar economically disadvantaged student populations.

Domain 3: Closing the Gaps

Shows how well a school or district is ensuring all student groups are successful.

AUSTIN, Texas – September 12, 2023 – The Texas Education Agency (TEA) today announced a temporary delay in the release of 2023 *A-F accountability ratings* for districts and campuses, originally scheduled for September 28th.
