Coaches' Corner: Andrea Evans and Genevieve Wilson

Our instructional coaches continued the work they were doing in November. They have been working to help get all of our assessments completed. Mrs. Bragg has been working with our long-term substitute while Mrs. Racine is on maternity leave. She has helped set up Google Classroom lessons and has helped with grading. Both coaches have also helped individual teachers as needed. Mrs. Sheila Hall has been busy working with the IC's by coordinating all of the testing by helping out as needed, and making sure test tickets, are printed and available on top of all of her other duties.

EVENTS:

In December we had our 5 days of Christmas dress up days. It started off slow, but we had many participants for the final 3 days. On December 19th staff had their advisory/powerblock parties in the morning. In the afternoon we had an assembly/social dance/toys for tots gift give away. All of the students and staff enjoyed themselves and there was plenty of laughs and smiles.
