Re: Superintendents Board Report

Updates

- Kurt and I have signed the paperwork on behalf of the district to allow two guests per player to attend home and away games. That is assuming that the away team is following the new guidelines as well and not continuing to follow the original Stage 2 Order with no fans attending.
- Southwest District Health (SWDH) has asked for a total number of staff members for possible vaccines. Those should be available in February for school staff. The vaccine is not required.
- The legislative session will officially begin on Monday, January 11th.
