EXPLANATION OF ACTIVITIES:

Southwest HS NJROTC would like to take a trip to Memphis, TN to explore US Navy heritage, receive a brief from Navy Personnel/Recruiting Command, and tour other local venues. We would visit University of Texas- Austin NROTC, Cadets will learn about NROTC and NPP (scholarship) opportunities available in Texas, and around the country. Once in the Memphis, TN area we will visit Naval Support Activity- Southwest, where cadets will learn about the recruiting and technical specialty assignment process, receive briefs from the Chaplain Corps, and see Navy Working Dogs. We plan to go to the National Civil Rights Museum, a local Coast Guard buoy tender, the USAF 164th Air Wing (C-17 cargo aircraft), the Memphis Fire Museum, and the Stax Museum of American Soul Music. As I am still in the planning stages, stops may be modified to participate in cultural activities if/when time allows
