**Description:** Browning High School would like to recognize Talvin Champ for his invaluable support in making our Western A Divisional Wrestling Tournament & home Basketball Games truly come alive. We are grateful for Talvin's dedication and his partnership with Ray Champ as together your contributions have been an exciting and engaging environment-one that thrives on energy, creativity, and a deep understanding of connection through sound. Beyond the games, your role as our mix master at pep rallies has been nothing short of incredible. With just a switch of a dial and the perfect song choice, you have the ability to transform the atmosphere and bring people together through music. Your talent is a gift that we all get to experience and appreciate. Thank you for sharing your sound, your artistry, your vibe with us. We are grateful for everything you do.
