# KNIGHTLINE NEWS

## Principal Misner's Message.....

Now that the first semester is in the books, it is time for us to refocus our efforts to give our students what they need to graduate. Please take time to review your student's report card in detail and set continued goals for high achievement. Our teachers and classified staff will be reviewing the progress of every student to keep them online to graduate.

Our teachers will soon be working on our master schedule for next year. We have made significant progress on our career pathways project and we hope to have several choices when they sign up for classes early in May. Your engagement with your students about their future is a prominent influence on their choices for their future.

We are trying to complete 2 major renovation projects before the end of June. We have a new front curtain and valance on our stage. We would like to upgrade lighting and all the backstage curtains that help showcase our productions and concerts. Secondly, we would like to re-landscape the median coming up the driveway. If you would like to contribute time, effort or money to support these projects, we would be most appreciated of your generosity.

Thank you for sending your kids to North Valley. We are enjoying a remarkable set of students. Everyday is an enjoyable day to work in our school.

Sincerely,  
Dennis Misner

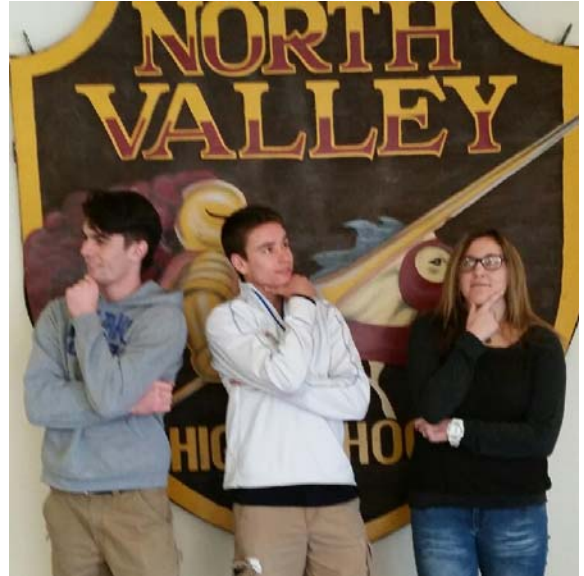

# Class of 2016

You did it!  
*Congratulations*

Co-Valedictorian—Jacob Roberts

Co-Valedictorian—Jordan Lauby

Salutatorian—Brianna Anders

---

We are excited to have our WEBSTORE up and running again

You can pay your fees and purchase items on-line using a credit/debit card.  
Please visit our webstore at [www.nvknightswebstore.com](http://www.nvknightswebstore.com)

You don't need to create a new account as your student(s) already have one.

Parents—Log directly into your student's account by entering the following information in the username and password fields.

Username= Student ID#

Password= first initial & last name (all lowercase letters and no spaces)

---

Examples: John Smith = jsmith Adam Jones-Santos = ajones-santos

Once logged in, please change your password and enter that one going forward. If you have any questions, please contact Michelle Duncan in bookkeeping.

## GRAND OPENING OF THE NEW

### KNIGHTS CLOSET

Wednesday, March 16<sup>th</sup>  
Room B6

My name is Jewel Shane and I am the family advocate here at NVHS. My job as family advocate is to help students that are homeless or in transition succeed in school. One of the ways I do this is to maintain a resource room that provides clothing and other essentials. With the generous help of the Josephine County Foundation we have been able to update our room and have renamed it Knights Closet! The students and volunteers have worked hard to make this a more welcoming place for our students. One thing we have added is a food pantry and are looking for donations such as; juice boxes, peanut butter, crackers, easy open canned foods, small fruit bowls, mac-n-cheese, breakfast bars, granola bars etc. We are looking for foods that are easy for an on the go life style. Please join us to see the result of all the hard work and to see what we are all about.

We will hold an Open House during both lunches and after school on Wednesday, March 16th from 4:00 until 6:00 pm.

## State Testing Dates

Students in grade 11 will be taking the State Standard test on the following dates:

English Language Arts Smarter Balance—March 29<sup>th</sup> and 30<sup>th</sup> with make-ups the following week

Math Smarter Balance—April 26<sup>th</sup> and 27<sup>th</sup> with make-ups the following week.
