**Dear Parents and Families:**

Get ready! The 2023 Scholastic Book Fair is coming our way. Choosing their own books empowers kids and inspires them to become Bolder, Prouder, and Stronger Readers.

AND—as

always—every book they buy earns rewards for our school.

Here's what you need to know about the Fair, which will take place from February 13, through

the 16th in the Fort Vannoy Library.

This year, you can say goodbye to cash and hello to eWallet—your child's digital payment account, <https://www.scholastic.com/bf/fortvannoyelemschool1> . Before the Fair,

set up eWallet for worry-free, cash-free purchases. Anyone can contribute! Share each child's

eWallet so friends and family can add funds and give your kids more books to enjoy. We still accept cash and checks too! Please make your check payable to: Fort Vannoy Elementary School.

If you can't make it to the Fair, then shop at our school's Online Book Fair. All orders ship directly to your home, and shipping is free for book orders over \$25. Your online orders will also benefit our school.

Happy reading!

# DESTINATION IMAGINATION

We attended the Instant Challenge Fair on Saturday up in Pleasant Hill. Both Ms. Evans team the "Un-DI-ified Potatoes" and Mr. Kriz's team the "DI-sney Brownies" worked on 8 Instant Challenges.

An Instant Challenge is a chance for teams to show off their creative problem solving skills in a short amount of time (usually 4 - 6 minutes). These Challenges can range from building a structure/object, to a performance, to a mix of both. During a tournament the Instant Challenge is completely confidential, only the team and their team manager are in the Instant Challenge as it is the same challenge that is done by students worldwide at their level. The Instant Challenge Fair we attended gave parents and siblings a chance to watch as teams worked together to solve each Instant Challenge.

Thanks!

Dear Families,

Are you looking for a quick and easy way to support our school?

Box Tops for Education has been around for over 25 years, and it really can make a difference. In fact, the Box Tops program has helped give almost one billion dollars to schools since 1996.

The Box Tops app gives participants the ability to earn for any school across the country with just the touch of a button. Plus, the Box Tops app allows you to search for schools that could use a little extra help, so you can help give students in low-income schools the opportunity to succeed.

**HERE'S HOW IT WORKS:** Buy participating products and use the Box Tops app to scan your store receipt. The app identifies eligible products and earnings are credited to your designated school online. Even if you're shopping online or doing grocery pickup, you can still submit your digital or email receipt with the Box Tops app and earn. Twice a year, our school gets a check!

See a list of participating products at  
[BTFE.COM/PRODUCTS](https://www.btfec.com/products)

Box Tops earnings really add up, and the more people that participate, the bigger the impact we can make. So let's give our teachers the support they need and give more kids the opportunity to succeed. Together, we can help make a big difference
