**Date of Board Meeting:** August 16, 2022

**Subject:** Reject all offers from 2018 to construct a circle drive at the Duson Hansen Fine Arts Building and readvertise the project to get sealed bids with current pricing for the circle drive project.

**Recommendation:** Reject all offers from 2018 to construct a circle drive at the North Entrance to the Duson Hansen Fine Arts Building and readvertise the project to get sealed bids with current pricing for the circle drive project.

**Background and Rationale:** The Wharton County Junior College Foundation has expressed an interest in revisiting the construction of a circle drive leading to the north entrance of the Fine Arts Building. Any bids that were received in 2018 are stale, and out of date with regard to construction costs. The Foundation has expressed a desire to fund this project and will need accurate cost commitments in order to do so. This agenda item seeks permission to reject any offers from 2018 and rebid this project with the existing architectural plans.

**Cost and Budgetary Support:** \$230,000.00  
Funds donated to the College from the Foundation

**Strategic Priority Alignment:**

Student Success                       Community Impact  
 Resource Optimization               Institutional Excellence
