Discussion and Possible Action: Item #1
Bus Driver Hourly Pay

Question 1: *What is the current rate of pay for bus drivers without a CDL?*

Answer: Currently all bus drivers are CDL certified.

Question 2: *Is there a similar school district table, as in Action Item #2, for this agenda item?*

Answer: No

Question 3: *What is the approximate cost of implementing this increase?*

Answer: There is no additional cost. This will actually save the district money because we will be able to hire drivers that are not CDL certified to drive the smaller buses and pay a lower hourly rate.

Question 4: *Will this increase eventually require a Budget Amendment?*

Answer: There is no increase, so no budget amendment will be required.
