DISCLAIMER 1: This handbook now encompasses both PLC and BHS. Previously PLC had their own handbook which was very similar to BHS. With PLC coming into the BHS building, it was decided to adopt one handbook.

DISCLAIMER 2: A COVID-19 addendum is being worked on. This will be a supplemental piece to our main handbook. Included within the addendum will be an updated daily schedule (including how it will affect BASE time and Advisory) and expectations regarding visitors, lockers, Wright Technical Center, and attendance procedures.
