Note: Trustees will remember and note there, most likely, will be additional August budget workshops related to adoption of the 2016-17 budget and tax rate. The times and dates of these meetings is to be determined.

B. Accountability Report Amended Timelines

Per Texas Education Agency correspondence of July 8th, a number of accountability timelines have shifted. This series of shifts have been largely as a result of recent testing issues related to the new testing service provided by ETS. A link to this information can be found here:

http://tea.texas.gov/About_TEA/News_and_Multimedia/Correspondence/TAA_Letters/Correction_Window_for_STAAR_Results_and_Changes_to_the_2016_State_Accountability_Ratings_Release_Schedule/

As you will see the release of the TAPR report will be held until a December timeframe. This will, necessitate the Board's consideration of a move to the Superintendent evaluation to a month later in the upcoming school year. A final decision related to this decision will be discussed as the Board works through the agenda item on tonight's agenda about the annual board calendar.
