

Montana Gear Up

March 11 – April 10, 2019

Dorrina Patacsil

Number of Activities: For most of the month I had to keep up on GEARS to make sure GEAR UP program GEARS was updated with our school numbers. I input all the grades into GEARS and added and dropped students within our GEARS program. I worked on creating a summer IP and budget and now that is done. Helping Olson with getting everything ready for the summer Yellow Stone trip in the first week of June. I'm getting stuff ready for the SKC and Missoula college visit and we received a response so we will go on April 24, 2019. I, Rachel, and Carletta will be traveling to Bozeman on April 29 – May 1, 2019 for our spring planning meeting. The EYH girl's science trip was awesome the girls liked that they made new friends from other schools. We did the ACT testing on April 2, 2019 and we had a good turnout we had taken the test at the catholic church. During testing I helped with all the makeup testing and that went well everyday we would catch a student that needed to complete the test. April 26, 2019, I had taken students to the SCC career fair even though we had one day notice, so I just would like to thank carter for having a bus for us during this time.
