**Re:** High School Principal Report September 2025

---

Greetings from HHS!

We are off and running. The first three weeks of school have been very smooth here at the high school. We feel that it is a great deal to do with our spring registration and the ability to get right into the swing of things from the first day of school. We are already coming up on Homecoming week this month and we look forward to a spirited time here at the high school as we do each and every year.

Starting September 8th, we will be starting our Tier time here at the High School. This time is designated time for our students to gain skills based on their assessments in Math, ELA and Reading. They will have 24 minutes every day to work on these skills and to gain critical knowledge to help them be successful in their core classes as well as assessments this school year.

We wanted to make sure and give a huge shout out to Mrs. Forsberg in her IAEA Art Educator of the year for the entire state of Idaho! This is a huge recognition for Mrs. Forsberg, our school and community! We have a great staff here at the high school and this is just further proof of the quality of educators we have here in Homedale.

As always, we are truly blessed to be here and to be a part of HHS!

Matt Holtry
