

(LOCAL) Policy Comparisons

These documents are generated by an automated process that compares the updated policy to the current policy as found in TASB records.

In this packet, you will find:

- Policies being recommended for revision (annotated)
- New policies (not annotated)
- Policies recommended for deletion (annotated in PDF; not shown in Word)

Annotations are shown as follows:

- Deletions are in a red strike-through font: ~~deleted text~~.
- Additions are in a blue, bold font: **new text**.
- Blocks of text that were moved without changes are shown in green, with double underline and double strike-through formatting to distinguish the text's new placement from its original location: ~~moved text~~ becomes moved text.
- Revision bars appear in the right margin to show sections with changes.

Note: While the annotation software competently identifies simple changes, large or complicated changes—as in an extensive rewrite—may be more difficult to follow. In addition, TASB's recent changes to the policy templates to facilitate accessibility sometimes make formatting changes appear tracked, even though the text remains the same.

For further assistance in understanding policy changes, please refer to the explanatory notes in your Localized Policy Manual update packet or contact your policy consultant.

DGBA
(LOCAL)

Informal resolution shall be encouraged but shall not extend any deadlines in this policy, except by mutual written consent.

Direct
Communication with
Board Members

Employees shall not be prohibited from communicating with a member of the Board regarding District operations except when communication between an employee and a Board member would be inappropriate because of a pending hearing or appeal related to the employee.

Formal Process

An employee may initiate the formal process described below by timely filing a written complaint form.

Even after initiating the formal complaint process, employees are encouraged to seek informal resolution of their concerns. An employee whose concerns are resolved may withdraw a formal complaint at any time.

The process described in this policy shall not be construed to create new or additional rights beyond those granted by law or Board policy, nor to require a full evidentiary hearing or "mini-trial" at any level.

**Freedom from
Retaliation**

Neither the Board nor any District employee shall unlawfully retaliate against an employee for bringing a concern or complaint.

**Whistleblower
Complaints**

Whistleblower complaints shall be filed within the time specified by law and may be made to the Superintendent or designee beginning at Level Two. Scheduling Conferences	The District shall make reasonable attempts to schedule conferences at a mutually agreeable time. If the employee fails to appear at a scheduled conference, the District may hold the conference and issue a decision in the employee's absence.
Response	At Levels One and Two, "response" shall mean a written communication to the employee from the appropriate administrator. Responses may be hand-delivered, sent by electronic communication to the employee's email address of record, or sent by U.S. Mail to the employee's mailing address of record. Mailed responses shall be timely if they are postmarked by U.S. Mail on or before the deadline.
Days	"Days" shall mean District business days, unless otherwise noted. In calculating timelines under this policy, the day a document is filed is "day zero." The following business day is "day one."
Representative	<p>"Representative" shall mean any person who or an organization that does not claim the right to strike and is designated by the employee to represent him or her in the complaint process.</p> <p>The employee may designate a representative through written notice to the District at any level of this process. The representative may participate in person or by telephone conference call. If the employee designates a representative with fewer than three days' notice to the District before a scheduled conference or hearing, the District may reschedule the conference or hearing to a later date, if desired, in order to include the District's counsel. The District may be represented by counsel at any level of the process.</p>

Untimely Filings	<p>All time limits shall be strictly followed unless modified by mutual written consent.</p> <p>If a complaint form or appeal notice is not timely filed, the complaint may be dismissed, on written notice to the employee, at any point during the complaint process. The employee may appeal the dismissal by seeking review in writing within ten days from the date of the written dismissal notice, starting at the level at which the</p>

complaint was dismissed. Such appeal shall be limited to the issue of timeliness.

Costs Incurred

Each party shall pay its own costs incurred in the course of the complaint.

Complaint and Appeal Forms

Complaints and appeals under this policy shall be submitted on the form at DGBA(EXHIBIT) or in writing in narrative form providing the same information requested in DGBA(EXHIBIT).

Copies of any documents that support the complaint should be attached to the complaint form. If the employee does not have copies of these documents, they may be presented at the Level One conference. After the Level One conference, no new documents may be submitted by the employee unless the employee did not know, or with reasonable diligence could not have known, the documents existed before the Level One conference.

A complaint or appeal form that is incomplete in any material aspect may be dismissed but may be refiled with all the required information if the refiled is within the designated time for filing.

Audio Recording

As provided by law, an employee shall be permitted to make an audio recording of a conference or hearing under this policy at which the substance of the employee's complaint is discussed. The employee shall notify all attendees present that an audio recording is taking place.

Level One

Complaint forms must be filed:

1. Within 15 days of the date the employee first knew, or with reasonable diligence should have known, of the decision or action giving rise to the complaint or grievance; and
2. With the lowest level administrator who has the authority to remedy the alleged problem.

In most circumstances, employees on a school campus shall file Level One complaints with the campus principal; other District employees shall file Level One complaints with their immediate supervisor.

If the only administrator who has authority to remedy the alleged problem is the Superintendent or designee, the complaint may begin at Level Two following the procedure, including deadlines, for filing the complaint form at Level One.

If the complaint is not filed with the appropriate administrator, the receiving administrator must note the date and time the complaint

form was received and immediately forward the complaint form to the appropriate administrator.

The appropriate administrator shall investigate as necessary and schedule a conference with the employee within ten days after receipt of the written complaint. The administrator may set reasonable time limits for the conference.

Absent extenuating circumstances, the administrator shall provide the employee a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the administrator may consider information provided at the Level One conference and any other relevant documents or information the administrator believes will help resolve the complaint. All documents relied upon by the Level One administrator in reaching the Level One decision shall be provided to the employee along with the written decision.

Level Two

If the employee did not receive the relief requested at Level One or if the time for a response has expired, the employee may request a conference with the Superintendent or designee to appeal the Level One decision.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level One response or, if no response was received, within ten days of the Level One response deadline.

After receiving notice of the appeal, the Level One administrator shall prepare and forward a record of the Level One complaint to the Level Two administrator. The employee may request a copy of the Level One record.

The Level One record shall include:

1. The original complaint form and any attachments.
2. All other documents submitted by the employee at Level One.
3. The written response issued at Level One and any attachments.
4. All other documents relied upon by the Level One administrator in reaching the Level One decision.

The Superintendent or designee shall schedule a conference within ten days after the appeal notice is filed. The conference shall be limited to the issues and documents considered at Level One. At the conference, the employee may provide information concerning any documents or information relied upon by the administration

for the Level One decision. The Superintendent or designee may set reasonable time limits for the conference.

The Superintendent or designee shall provide the employee a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the Superintendent or designee may consider the Level One record, information provided at the Level Two conference, and any other relevant documents or information the Superintendent or designee believes will help resolve the complaint.

Recordings of the Level One and Level Two conferences, if any, shall be maintained with the Level One and Level Two records.

Level Three

If the employee did not receive the relief requested at Level Two or if the time for a response has expired, the employee may appeal the decision to the Board.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level Two response or, if no response was received, within ten days of the Level Two response deadline.

The Superintendent or designee shall inform the employee of the date, time, and place of the Board meeting at which the complaint will be on the agenda for presentation to the Board.

The Superintendent or designee shall provide the Board the record of the Level Two appeal. The employee shall be provided with a copy of the Level Two record at least three days before the Level Three hearing.

The Level Two record shall include:

1. The Level One record.
2. The notice of appeal from Level One to Level Two.
3. The written response issued at Level Two and any attachments.
4. All other documents relied upon by the administration in reaching the Level Two decision.

The District shall determine whether the complaint will be presented in open or closed meeting in accordance with the Texas Open Meetings Act and other applicable law. [See BE]

The presiding officer may set reasonable time limits and guidelines for the presentation, including an opportunity for the employee and administration to each make a presentation and provide rebuttal

and an opportunity for questioning by the Board. The Board shall hear the complaint and may request that the administration provide an explanation for the decisions at the preceding levels.

In addition to any other record of the Board meeting required by law, the Board shall prepare a separate record of the Level Three presentation. The Level Three presentation, including the presentation by the employee or the employee's representative, any presentation from the administration, and questions from the Board with responses, shall be recorded by audio recording, video/audio recording, or court reporter.

The Board shall then consider the complaint. It may give notice of its decision orally or in writing at any time up to and including the next regularly scheduled Board meeting. If the Board does not make a decision regarding the complaint by the end of the next regularly scheduled meeting, the lack of a response by the Board upholds the administrative decision at Level Two.

General Education

Documentation of Services

The District shall maintain full documentation about students receiving homebound services, in accordance with administrative procedures, the *SAAH*, and a student's individualized education program ~~(IEP)~~, as applicable.

ADDITIONAL REVISIONS to U123: 6.25.2024

Note: For information related to the accounting of instructional materials, as this term is defined by state law and rule, see CMD.

For information related to the selection process of library materials, see EFB.

The District shall provide instructional materials designed to teach the Texas Essential Knowledge and Skills and further the District's educational mission. Although the Superintendent shall ensure that professional staff select instructional materials in accordance with District policy and administrative regulations, the ultimate authority for determining and approving the curriculum and instructional program of the District lies with the Board.

Objectives

In this policy, "instructional materials" may include textbooks, supplementary resources for classroom use, and any other instructional resources, including electronic resources, used for formal or informal teaching and learning purposes. The primary objectives of instructional materials are to implement, enrich, and support the District's educational program.

Selection

Instructional materials that are textbooks and related supplemental materials, which may include items from the list of resources adopted by the State Board of Education, shall be chosen in accordance with administrative regulations and the objectives above.

The Board shall rely on District professional staff to select and acquire instructional materials that:

1. Enrich and support the curriculum consistent with the general educational goals of the state and District, the aims and objectives of individual schools and specific courses, and the District and campus improvement plans.
2. Are appropriate for the subject area and for the age, ability level, learning styles, interests, and social and emotional development of the students for whom they are selected.
3. Meet high standards for artistic quality, literary style, authenticity, educational significance, factual content, physical format, presentation, readability, and technical quality.
4. Present various sides of controversial issues so that students have an opportunity to develop, under guidance, skills in critical analysis and in making informed judgments in their daily

lives. [See also EMB regarding instruction about controversial issues.]

5. Promote literacy.

District professional staff may select additional instructional materials in accordance with administrative regulations and the criteria above.

Administrators, teachers, other District personnel, parents, and community members, as appropriate, may recommend instructional materials for selection. Gifts of instructional materials shall be evaluated according to these criteria and accepted or rejected in accordance with CDC(LOCAL).

Selection of instructional materials is an ongoing process that includes the removal of materials no longer appropriate and the periodic replacement or repair of materials that still have educational value.

Reconsideration of Instructional Materials

A District employee, ~~or~~ a parent or guardian of a District student, **or a community member** may request reconsideration of instructional material used in the District's educational program on the basis that the instructional material fails to meet the standards set forth in this policy.

Guiding Principles

The following principles shall guide the Board and staff in responding to a request of reconsideration of instructional materials:

1. A complainant may raise an objection to an instructional material used in a school's educational program, despite the fact that the professional staff selecting the materials were qualified to make the selection, followed the proper procedure, and adhered to the objectives for instructional materials set out in this policy.
2. A parent's ability to exercise control over instruction extends only to his or her own child as set forth in Education Code Chapter 26.
3. Access to a challenged material shall not be restricted during the reconsideration process, except the District may deny access to a child if requested by the child's parent.

The major criterion for the final decision on challenged instructional materials is the appropriateness of the material for its intended educational use. No challenged instructional material shall be removed solely because of the ideas expressed therein.

Informal
Reconsideration

When the District or a campus receives an objection to the appropriateness of an instructional material, the appropriate administrator shall try to resolve the matter informally. The administrator shall explain the selection process and discuss the intended educational purpose for the instructional material. If appropriate, the administrator may offer a concerned parent an alternative instructional material to be used by that parent's child in place of the challenged material.

If the complainant wishes to make a formal challenge, the administrator shall provide the complainant a copy of this policy and a form to request a formal reconsideration of the instructional material.

Formal Request for
Reconsideration

A complainant shall make any formal request to reconsider an instructional material on the form provided by the District and shall submit the completed and signed form to the District's central office. Upon receipt of the form, the curriculum, instruction, and staff development department shall appoint a reconsideration committee.

The reconsideration committee shall include at least one member of the instructional staff who has experience using the challenged material with students or is familiar with the challenged material's content. Other members of the committee may include District-level staff, secondary-level students, parents, and any other appropriate individuals.

All members of the committee shall review the challenged instructional material in its entirety. As soon as reasonably possible, the committee shall meet and determine whether the challenged material conforms to the principles of selection set out in this policy and whether the challenged material will continue to be used in the educational program. The committee shall prepare a written report of its findings. The Superintendent, other appropriate administrators, and the complainant shall receive copies of the report.

*Frequency of
Review*

After an instructional material has been reviewed through formal reconsideration, it shall not be reviewed again until it is evaluated in the periodic local selection process.

Appeal

The complainant may appeal the decision of the reconsideration committee in accordance with appropriate complaint policies, starting at the appropriate level. [See DGBA, FNG, and GF]

ADDITIONAL REVISIONS to U123: 6.25.2024

Note: For information related to the selection of instructional materials, see EFA.

Collection Development Policy

The purpose of this policy is to ensure that the District provides a wide range of library materials for students and faculty that support student achievement and present varying levels of difficulty, diversity of appeal, and a variety of points of view. This policy also provides standards for collection development and the selection and evaluation of library materials.

In this policy, "library materials" may include printed and electronic library acquisitions, including online catalogs, and other ancillary or supplementary materials maintained in a campus library.

The library collection development standards shall apply to all library materials available for use or display, including material contained in school libraries, classroom libraries, and online catalogs.

In developing library collections, the District shall consider the age groups, grade levels, and access to library material by all students on a campus.

Responsibility

The District shall ensure librarians, professional library staff, and other designated professional staff trained on the proper collection development standards select and acquire library materials in accordance with state law and rules, this collection development policy, and administrative procedures.

The Superintendent shall develop administrative procedures to ensure that library collections comply with applicable law and the District's collection development purpose and goals.

Collection Development Goals

In addition to the requirements in state law and rules, the District's library collections shall:

1. Present multiple viewpoints related to controversial issues [see EMB regarding instruction about controversial issues].
2. Provide a wide range of background information that will enable students to make intelligent decisions in their daily lives.
3. Include accurate and authentic factual content from authoritative sources.
4. Have a high degree of potential user appeal and interest.

5. Offer a global perspective that promotes equity of access, including print and nonprint materials such as electronic and multimedia, to meet the needs of individual learners.
6. Represent diverse viewpoints and cultures appropriate to each campus to ensure the collection embodies the unique background of its student population.

Selection and
Evaluation of
Materials

Library materials shall be selected and acquired in accordance with guidelines adopted by the Texas State Library and Archives Commission and the District standards and priorities expressed in this policy.

When selecting, acquiring, and evaluating library materials, librarians and other professional staff shall ensure that the materials:

1. Enrich and support the TEKS and the state and local curriculum, taking into consideration students' varied interests, maturity levels, abilities, and learning styles.
2. Foster growth in factual knowledge, literary appreciation, aesthetic values, and societal standards.
3. Encourage the enjoyment of reading, foster high-level thinking skills, support personal learning, and encourage discussion based on rational analysis.
4. Represent ethnic, religious, and cultural groups of the state and their contributions to the state, the nation, and the world.

The Superintendent shall ensure that administrative procedures regarding the selection of library materials consider at least two of the following factors:

1. Recommendations from students, parents or guardians, teachers, and District community members.
2. Consultation with District teachers and library staff.
3. Consultation with library staff from other districts.
4. Extensive review of the library material.
5. Context of the library material, including overall fit within the existing collection and support of District curriculum.
6. Reviews of the library material from sources such as professional journals in library science, recognized professional education or content journals with book reviews, national and state award recognition lists, library science field experts, and highly acclaimed author and literacy expert recommendations.

7. Coverage of topics, authors, series, or genres that fill gaps in the school library collection.

Access Plan

The District shall allow efficient parental access to the District's library and any available online catalogs.

Online catalogs shall be publicly available. The District shall publish information about library material titles, including how and where material can be accessed.

Each campus shall communicate the following to parents and guardians:

- Access to policies relating to school libraries and library materials;
- Consistent access to library materials and resources; and
- Opportunities for students, parents and guardians, educators, and community members to provide feedback on library materials and services.

Parental
Involvement

Parents and guardians are the primary decision makers regarding their student's access to library material. In general, a student is afforded the opportunity to self-select library materials as part of literacy development and the library program. District staff may assist a student in selecting library material; however, the ultimate determination of appropriateness remains with the student and parent or guardian. Parents and guardians are encouraged to communicate with the campus librarian and their child's teacher about special considerations regarding library materials self-selected by their student.

In accordance with state law and administrative procedures, parents or guardians may select alternative library materials for their student. [For information on parental rights regarding instructional materials and other instructional resources, see EFA(LEGAL).]

The District shall focus on maximizing transparency with parents while meeting student needs and providing enrichment opportunities with library materials. Parental involvement in library acquisition, maintenance, and campus activities is encouraged.

*Informal
Reconsideration*

When the District or a campus receives an objection to the appropriateness of a library material, the appropriate librarian or administrator shall try to resolve the matter informally. The librarian or administrator shall explain the selection process and discuss the intended purpose for the library material.

The librarian or administrator shall offer a concerned parent or guardian an alternative library material to be used by the child in place of the material and, if requested, shall restrict the child's access to the material objected to by the parent or guardian.

If the individual wishes to make a formal challenge, the administrator shall make available to the individual a copy of this policy and a form to request a formal reconsideration of the library material.

*Formal Request

Reconsideration*

The District shall make a form to request reconsideration of library material available in the District's administrative office.

If an employee, ~~or~~ a parent or guardian of a District student, **or community member** wishes to request reconsideration of a library material, they shall follow the procedures to complete and submit the request for reconsideration form.

After a request for reconsideration form is submitted, the form shall be provided to the Superintendent. Copies of the form shall be provided to the school librarian, the Board, and any other staff designated in administrative procedures.

*Reconsideration
Committee*

For purposes of this policy, "days" shall mean District business days, unless otherwise noted.

The principal shall appoint a reconsideration committee and notify committee members within 10 days of receiving the request for reconsideration form.

The reconsideration committee shall include the librarian and at least one member of the instructional staff who is familiar with the material's content. Other members of the committee may include District-level staff, secondary-level students, parents or guardians, and any other appropriate individuals.

Within 10 days of appointment of the committee the District shall provide members of the committee the relevant materials to review. If additional time is required to obtain and distribute the materials for review, all members of the committee shall be informed that a reasonable extension of time is needed.

All members of the committee shall review the challenged library material in its entirety and determine whether the material conforms to this policy and whether the material will continue to be

An extension of any deadline shall be promptly communicated to the individual who submitted the request for reconsideration.

The Superintendent, the school librarian, the individual submitting the request for reconsideration, and any other appropriate administrators shall receive a copy of the committee’s report.

Maintenance of Library Materials

In accordance with state guidelines and District administrative procedures, collections shall be evaluated and updated regularly based on the collections’ age, relevance, diversity, and variety. The Superintendent shall ensure administrative procedures are established for regular maintenance of the library collection on each campus. Notice to Students and Parents

The District shall inform students and parents of this policy through appropriate District publications.

Guiding Principles

Informal Process

The Board encourages students and parents to discuss their concerns with the appropriate teacher, principal, or other campus administrator who has the authority to address the concerns. Concerns should be expressed as soon as possible to allow early resolution at the lowest possible administrative level.

Informal resolution shall be encouraged but shall not extend any deadlines in this policy, except by mutual written consent.

Formal Process

A student or parent may initiate the formal process described below by timely filing a written complaint form.

Even after initiating the formal complaint process, students and parents are encouraged to seek informal resolution of their concerns. A student or parent whose concerns are resolved may withdraw a formal complaint at any time.

The process described in this policy shall not be construed to create new or additional rights beyond those granted by law or Board policy, nor to require a full evidentiary hearing or "mini-trial" at any level.

Freedom from Retaliation

Neither the Board nor any District employee shall unlawfully retaliate against any student or parent for bringing a concern or complaint.

Filing

Complaint forms and appeal notices may be filed by hand-delivery, by electronic communication, including email and fax, or by U.S. Mail. Hand-delivered filings shall be timely filed if received by the appropriate administrator or designee by the close of business on the deadline. Filings submitted by electronic communication shall be timely filed if they are received by the close of business on the deadline, as indicated by the date/time shown on the electronic communication. Mail filings shall be timely filed if they are post-marked by U.S. Mail on or before the deadline and received by the appropriate administrator or designated representative no more than three days after the deadline.

Scheduling
Conferences

The District shall make reasonable attempts to schedule conferences at a mutually agreeable time. If a student or parent fails to appear at a scheduled conference, the District may hold the conference and issue a decision in the student's or parent's absence.

Response

At Levels One and Two, "response" shall mean a written communication to the student or parent from the appropriate administrator. Responses may be hand-delivered, sent by electronic communication to the student's or parent's email address of record, or sent by U.S. Mail to the student's or parent's mailing address of record. Mailed responses shall be timely if they are postmarked by U.S. Mail on or before the deadline.

Level One

Complaint forms must be filed:

1. Within 15 days of the date the student or parent first knew, or with reasonable diligence should have known, of the decision or action giving rise to the complaint or grievance; and
2. With the lowest level administrator who has the authority to remedy the alleged problem.

In most circumstances, students and parents shall file Level One complaints with the campus principal.

If the only administrator who has authority to remedy the alleged problem is the Superintendent or designee, the complaint may begin at Level Two following the procedure, including deadlines, for filing the complaint form at Level One.

If the complaint is not filed with the appropriate administrator, the receiving administrator must note the date and time the complaint

form was received and immediately forward the complaint form to the appropriate administrator.

The appropriate administrator shall investigate as necessary and schedule a conference with the student or parent within ten days after receipt of the written complaint. The administrator may set reasonable time limits for the conference.

Absent extenuating circumstances, the administrator shall provide the student or parent a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the administrator may consider information provided at the Level One conference and any other relevant documents or information the administrator believes will help resolve the complaint. All documents relied upon by the Level One administrator in reaching the Level One decision shall be provided to the student or parent along with the written decision.

Level Two

If the student or parent did not receive the relief requested at Level One or if the time for a response has expired, the student or parent may request a conference with the Superintendent or designee to appeal the Level One decision.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level One response or, if no response was received, within ten days of the Level One response deadline.

After receiving notice of the appeal, the Level One administrator shall prepare and forward a record of the Level One complaint to the Level Two administrator. The student or parent may request a copy of the Level One record.

The Level One record shall include:

1. The original complaint form and any attachments.
2. All other documents submitted by the student or parent at Level One.
3. The written response issued at Level One and any attachments.
4. All other documents relied upon by the Level One administrator in reaching the Level One decision.

The Superintendent or designee shall schedule a conference within ten days after the appeal notice is filed. The conference shall be limited to the issues and documents considered at Level One. At the conference, the student or parent may provide information

concerning any documents or information relied upon by the administration for the Level One decision. The Superintendent or designee may set reasonable time limits for the conference.

The Superintendent or designee shall provide the student or parent a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the Superintendent or designee may consider the Level One record, information provided at the Level Two conference, and any other relevant documents or information the Superintendent or designee believes will help resolve the complaint.

Recordings of the Level One and Level Two conferences, if any, shall be maintained with the Level One and Level Two records.

Level Three

If the student or parent did not receive the relief requested at Level Two or if the time for a response has expired, the student or parent may appeal the decision to the Board.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level Two response or, if no response was received, within ten days of the Level Two response deadline.

The Superintendent or designee shall inform the student or parent of the date, time, and place of the Board meeting at which the complaint will be on the agenda for presentation to the Board.

The Superintendent or designee shall provide the Board the record of the Level Two appeal. The student or parent shall be provided with a copy of the Level Two record at least three days before the Level Three hearing.

The Level Two record shall include:

1. The Level One record.
2. The notice of appeal from Level One to Level Two.
3. The written response issued at Level Two and any attachments.
4. All other documents relied upon by the administration in reaching the Level Two decision.

The District shall determine whether the complaint will be presented in open or closed meeting in accordance with the Texas Open Meetings Act and other applicable law. [See BE]

The presiding officer may set reasonable time limits and guidelines for the presentation, including an opportunity for the student or par-

ent and administration to each make a presentation and provide rebuttal and an opportunity for questioning by the Board. The Board shall hear the complaint and may request that the administration provide an explanation for the decisions at the preceding levels.

In addition to any other record of the Board meeting required by law, the Board shall prepare a separate record of the Level Three presentation. The Level Three presentation, including the presentation by the student or parent or the student's representative, any presentation from the administration, and questions from the Board with responses, shall be recorded by audio recording, video/audio recording, or court reporter.

The Board shall then consider the complaint. It may give notice of its decision orally or in writing at any time up to and including the next regularly scheduled Board meeting. If the Board does not make a decision regarding the complaint by the end of the next regularly scheduled meeting, the lack of a response by the Board upholds the administrative decision at Level Two.

Complaints

In this policy, the terms “complaint” and “grievance” shall have the same meaning.

Other Complaint Processes

Complaints by members of the public shall be filed in accordance with this policy, except as required by the policies listed below. Some of these policies require appeals to be submitted in accordance with GF after the relevant complaint process:

Costs Incurred

Each party shall pay its own costs incurred in the course of the complaint.

Complaint and
Appeal Forms

Complaints and appeals under this policy shall be submitted in writing on the form at GF(EXHIBIT) or in writing in narrative form providing the same information requested in GF(EXHIBIT).

Copies of any documents that support the complaint should be attached to the complaint form. If the individual does not have copies of these documents, they may be presented at the Level One conference. After the Level One conference, no new documents may be submitted by the individual unless the individual did not know, or with reasonable diligence could not have known, the documents existed before the Level One conference.

A complaint or appeal form that is incomplete in any material aspect may be dismissed but may be refiled with all the required information if the refiling is within the designated time for filing.

Level One

Complaint forms must be filed:

1. Within 15 days of the date the individual first knew, or with reasonable diligence should have known, of the decision or action giving rise to the complaint or grievance; and
2. With the lowest level administrator who has the authority to remedy the alleged problem.

If the only administrator who has authority to remedy the alleged problem is the Superintendent or designee, the complaint may begin at Level Two following the procedure, including deadlines, for filing the complaint form at Level One.

If the complaint is not filed with the appropriate administrator, the receiving administrator must note the date and time the complaint form was received and immediately forward the complaint form to the appropriate administrator.

The appropriate administrator shall investigate as necessary and schedule a conference with the individual within ten days after receipt of the written complaint. The administrator may set reasonable time limits for the conference.

Absent extenuating circumstances, the administrator shall provide the individual a written response within ten days following the conference. The written response shall set forth the basis of the deci-

sion. In reaching a decision, the administrator may consider information provided at the Level One conference and any other relevant documents or information the administrator believes will help resolve the complaint. All documents relied upon by the Level One administrator in reaching the Level One decision shall be provided to the individual along with the written decision.

Level Two

If the individual did not receive the relief requested at Level One or if the time for a response has expired, he or she may request a conference with the Superintendent or designee to appeal the Level One decision.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level One response or, if no response was received, within ten days of the Level One response deadline.

After receiving notice of the appeal, the Level One administrator shall prepare and forward a record of the Level One complaint to the Level Two administrator. The individual may request a copy of the Level One record.

The Level One record shall include:

1. The original complaint form and any attachments.
2. All other documents submitted by the individual at Level One.
3. The written response issued at Level One and any attachments.
4. All other documents relied upon by the Level One administrator in reaching the Level One decision.

The Superintendent or designee shall schedule a conference within ten days after the appeal notice is filed. The conference shall be limited to the issues and documents considered at Level One. At the conference, the individual may provide information concerning any documents or information relied upon by the administration for the Level One decision. The Superintendent or designee may set reasonable time limits for the conference.

The Superintendent or designee shall provide the individual a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the Superintendent or designee may consider the Level One record, information provided at the Level Two conference, and any other relevant documents or information the Superintendent or designee believes will help resolve the complaint.

Recordings of the Level One and Level Two conferences, if any, shall be maintained with the Level One and Level Two records.

Level Three

If the individual did not receive the relief requested at Level Two or if the time for a response has expired, he or she may appeal the decision to the Board.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level Two response or, if no response was received, within ten days of the Level Two response deadline.

The Superintendent or designee shall inform the individual of the date, time, and place of the Board meeting at which the complaint will be on the agenda for presentation to the Board.

The Superintendent or designee shall provide the Board the record of the Level Two appeal. The individual shall be provided with a copy of the Level Two record at least three days before the Level Three hearing.

The Level Two record shall include:

1. The Level One record.
2. The notice of appeal from Level One to Level Two.
3. The written response issued at Level Two and any attachments.
4. All other documents relied upon by the administration in reaching the Level Two decision.

The District shall determine whether the complaint will be presented in open or closed meeting in accordance with the Texas Open Meetings Act and other applicable law. [See BE]

The presiding officer may set reasonable time limits and guidelines for the presentation, including an opportunity for the individual and administration to each make a presentation and provide rebuttal and an opportunity for questioning by the Board. The Board shall hear the complaint and may request that the administration provide an explanation for the decisions at the preceding levels.

In addition to any other record of the Board meeting required by law, the Board shall prepare a separate record of the Level Three presentation. The Level Three presentation, including the presentation by the individual or his or her representative, any presentation from the administration, and questions from the Board with responses, shall be recorded by audio recording, video/audio recording, or court reporter.

The Board shall then consider the complaint. It may give notice of its decision orally or in writing at any time up to and including the next regularly scheduled Board meeting. If the Board does not make a decision regarding the complaint by the end of the next regularly scheduled meeting, the lack of a response by the Board upholds the administrative decision at Level Two.
