## Special Meeting Notice and Agenda Tour in Onaway

Date: Monday, June 15, 2015, 10:00 AM

Location: Moran Iron Works - Industrial Arts Institute \*  
20902 Washington Ave., Onaway, MI

### NO Regular Business Meeting

10:00 a.m.

### Moran Iron Works – Industrial Arts Institute Tour

The Industrial Arts Institute (IAI) offers a premier comprehensive welding program that prepares students for a successful and rewarding career in the welding and manufacturing industry. The 15 week program offers basic through intermediate welding instruction in the classroom and in our state of the art welding lab facility. We also offer instruction in blueprint reading, career enhancement, personal development, and critical thinking techniques. Students will be introduced to various industry leaders and they will have an opportunity to exhibit their talents at a final IAI Talent Expo at the end of the 15 week course. Students will also be expected to pass certification testing at the completion of the course. Graduates will be prepared to enter the welding and manufacturing industry with expanded knowledge, skills and a work ethic comprehension to become an outstanding employee with exemplary talent.
