LIBRARY NEWS

Oregon **Battle of the Books** regional competition will be March 17th at North Medford High School. Go LSMS Tigers!

We have access to the **OverDrive** ebook program from our school's home page. Just click on the "Library Resources" tab and you will see OverDrive. Once you click in, use the drop down menu to find Three Rivers School District. Please have your student use his/her regular first.last username and password that is used during school hours. You can checkout ebooks, audio books, and explore what is there to offer as an alternative to reading in school. Go to: <https://soesdor.libraryreserve.com>

Please clear up any fines or lost book issues you have on your library account from LSMS, or from your previous TRSD schools. These fines will follow you all the way through high school unless resolved. Students are reminded by the librarian on a weekly basis during library class checkouts of any outstanding books/fines.

First Book—we have the opportunity to register with First Book as a means to receive FREE books for our library. This is made available through AFT/OSEA union and we need 2,000 people to sign up to put it into effect. We only have a couple months to do this. Please contact our school librarian for more information on how you can make this happen for our school:

brenda.haberman@threerivers.k12.or.us. Forms are available in the library for anyone affiliated with our school that is 18 years or older. We will also have them available at conferences this spring. You may also sign up online at firstbook.org/aft, but you will need information before doing so on how to fill out the form with specific items about our school's demographics, so please ask first.
