The district issued a request for proposal for Miscellaneous Retail Goods & Services RFP 25-002 – Extended Response and was originally awarded/approved on June 19, 2025. The purpose of this proposal is to identify and select qualified vendor(s) to provide miscellaneous retail goods and services on an as-needed basis. Product and service categories can range from groceries, instructional materials, office supplies, clothing, home goods, arts & crafts, games, health and beauty, miscellaneous seasonal items, and other general retail items/services as needed districtwide.

Under the Extended Response Proposal process, additional vendors may be evaluated and awarded throughout the solicitation period on a rolling basis. The solicitation remains open year-round until the final renewal option expires. Responses are reviewed as they are received, and vendors are notified of the district's decision accordingly. Vendors approved during this period are listed below under "Supplemental Vendors Awarded Throughout the Year," and their awards are being formally reported as part of this renewal documentation.
