Re: Salary Review: Nurse Chandra Williams, RN

Nurse Chandra Williams has been a nurse for 13 years, 8 of those years with Harvey School District. Her current salary is \$39,593.10, which is well below the average salary for a registered nurse within the area; therefore, I am requesting that her salary be reviewed and considered for an increase. An appropriate salary increase range for a staff member with her experience and credentials would be between \$52,000 and \$60,000. Nurse Williams is a tremendous asset to this district and our District would suffer a great and substantial deficit if she left. Thank you in advance for your consideration in increasing Nurse Williams' salary.
