Re: Consideration of Sale of Property

As a follow up to the September 16 Committee of the Whole discussion and the October 7 Study Session conversation regarding the Board's consideration of the sale of property, I would like to have further discussion with the Board on their consideration to sell the property known as the former Wilson Elementary School, 28400 W. Chicago, Livonia. Please add this agenda item to the October 14, 2019 Board of Education Committee of the Whole Meeting. Thank you.
