Update 112 focuses on updating (LEGAL) policies that were affected by changes in administrative rule and commissioner of education rulings. Several (LOCAL) policies have been updated as well to better align with these changes or for organization and restructuring purposes.

Board Ethics

Two legal policies have been revised regarding board member ethics—BBFA(LEGAL) and BBFB(LEGAL). Revisions to BBFA(LEGAL) reflect amended Administrative Code rules addressing financial accountability ratings. Formatting changes were made to BBFB(LEGAL) for accessibility purposes, and existing statutory provisions have been added. Additionally, provisions addressing conflicts of interest for depository contracts were removed, as they are addressed in BDAE(LEGAL).

Superintendent

Minor formatting changes were made to BJA(LOCAL) to improve accessibility for individuals with disabilities, and changes to BJCD(LEGAL) were made to include an existing provision in statute that requires the board to adopt a policy stating that the board employs and evaluates the superintendent.

Business Operations

Extensive revisions were made to several policies in the C section of the manual, which required revisions to the table of contents to add two new codes—CCGA and CCGB—and to rename policies in the CO series.

State and Federal Revenue

Revisions to CBB(LEGAL) were based on changes to federal law increasing certain thresholds under the Education Department General Administrative Regulations (EDGAR) procurement rules and to include links to resources that provide additional information on the issue.

Ad Valorem Taxes

Significant restructuring of CCG(LEGAL) breaks up the content on ad valorem taxes into multiple policy codes, leading to two new policies: CCGA, Exemptions and Payments, and CCGB, Economic Development. CCG(LEGAL) now focuses on adoption of the tax rate and conducting an election to ratify taxes.

CCG SERIES (LOCAL) POLICY CONSIDERATIONS

The district's local policy provisions on exemptions and payments of ad valorem taxes have been moved from CCG to CCGA, and districts with provisions on economic development now have that language coded at CCGB.

Financial Accountability

Revisions to CFA(LEGAL) were made to reflect amended Administrative Code rules that revised the notice provisions for the public hearing on the Financial Management Report.

Additionally, the amended rules allow for the commissioner to change a financial accountability rating in disaster situations, which is reflected in CFC(LEGAL).

Purchasing and Construction

References to COA(LEGAL) have been added to CH(LEGAL) to align with newly added material on food purchases, and the board delegation provision applicable in disaster circumstances has been updated.

CH(LOCAL) AND CV(LOCAL) POLICY CONSIDERATIONS

Recommended revisions to CH(LOCAL) and CV(LOCAL) add a cross-reference to CBB(LEGAL), which addresses procurement requirements for federal awards, as a reminder that other requirements may be applicable if federal funds are involved in a purchase or contract.

We also recommend an adjustment in CH(LOCAL) to acknowledge that any rejection of bids or proposals will be in accordance with state or federal law, as some purchases with federal funds may require a sound, documented reason for rejecting a bid.

Student Transportation

New Administrative Code rules have been added to CNA(LEGAL). The rules include definitions, eligibility and local policy requirements, and reporting requirements for districts seeking additional funds for transportation of students living within two miles of school. Please note that if your district will seek transportation funds for these students or if your district has a community walking transportation program but does not have policy provisions at CNA(LOCAL), then the district should contact its TASB policy consultant for adjustments to the policy.

Food and Nutrition Management

Existing federal and state provisions have been added to the CO(LEGAL) series to provide more thorough coverage of school nutrition compliance and professional standards, fundraiser standards, unpaid meal policy requirements, food procurement, and the Community Eligibility Provision program.

Technology Resources

CQ(LOCAL) POLICY CONSIDERATIONS

Districts may accept electronic signatures in accordance with state law; however, the rules adopted by the board for allowing such signatures must be consistent, to the extent practicable, with rules from the Department of Information Resources. In order to be in compliance with these rules and to align with most districts' practice of accepting electronic signatures, new language on electronic signatures has been recommended for CQ(LOCAL).

Personnel

Details on the bloodborne pathogen exposure control plan from the Texas Department of State Health Services has been added to DBB(LEGAL).

DP(LEGAL) has been revised in accordance with new rules from the State Board for Educator Certification regarding principal certification.

Term Contracts

Included in DCB(LEGAL) are provisions from a commissioner of education decision explaining that if a district requires a person—by policy, job description, or contract—to hold certification, the district must employ that person under a Chapter 21 contract.

DCB(LOCAL) POLICY CONSIDERATIONS

Reorganization of this local policy on term contracts is recommended to better distinguish the provisions applicable when SBEC requires certification versus when the district requires certification. An adjustment clarifies that only full-time professional employees in positions for which the district requires SBEC certification are entitled to a term contract.

Employee Standards of Conduct

Amended Administrative Code rules have been included in DFE(LEGAL) to clarify that a principal is subject to sanctions for failing to notify the superintendent within seven days after an educator resigns following an alleged incident of misconduct.

DIA(LOCAL) AND DH(LOCAL) POLICY CONSIDERATIONS

We recommend moving to DH(LOCAL) a provision previously at DIA(LOCAL) subjecting employees to discipline for making false claims of discrimination, harassment, and retaliation or refusing to participate in an investigation. Placement of this provision in DH(LOCAL), which addresses the broader topic of employee standards of conduct, clarifies that the district may discipline employees for such conduct in any circumstance, not just in relation to claims of discrimination, harassment, and retaliation.

Additional revisions to DIA(LOCAL) add the word “sex” to the statement of nondiscrimination and to the definition of discrimination for a complete listing of all the protected categories under law and for consistency throughout the policy manual.

Alcohol and Drug Testing

Added provisions at DHE(LEGAL) clarify that Department of Transportation (DOT) alcohol and drug testing must be completely separate from non-DOT testing.

Instruction

New Administrative Code rules addressing the required instruction on proper interaction with a peace officer have been added to EHAC(LEGAL).

The policy on elective instruction, EHAD(LEGAL), has been updated to include provisions permitting districts to offer courses in cybersecurity and other elective classes a student would need to obtain an industry-recognized credential or certificate.

Amended Administrative Code rules resulted in revisions to dyslexia provisions in EHB(LEGAL), including those regarding screening, parental notification, parent education programs, and access to appropriate programs.

Provisions in EHBC(LEGAL) regarding the Optional Extended Year Program have been deleted, as the program has not been funded for several years, and additional details have been added regarding the Optional Flexible School Day Program.

Extensive revisions to EHBE(LEGAL) on bilingual education are from amended Administrative Code rules that were revised to align with TEA practice and the Every Student Succeeds Act (ESSA) State Plan.

Credit By Examination

The State Board of Education changed the rules regarding credit by examination without prior instruction to include audit and annual reporting requirements. Language has been revised in EHDC(LEGAL) to reflect these recent changes.

Academic Achievement

Amended rules required changes to EI(LEGAL) regarding notations on a student's transcript. Changes to EIF(LEGAL) were made in accordance with amended Administrative Code rules that permit a student to satisfy one of the two credits required in a language other than English by completing a dual language immersion program.

Students

Health

There were several revisions made to the policy on medical treatment for students, FFAC(LEGAL). The revisions cover existing statutory provisions and provisions from new Administrative Code rules regarding the maintenance and administration of unassigned epinephrine auto-injectors.

School-Sponsored Publications

FMA(LOCAL) POLICY CONSIDERATIONS

Recommended revisions to FMA(LOCAL) clarify that district and campus publications are under the district’s control and school-sponsored publications approved by a principal and published by students are part of the instructional program. We also recommend adding a Note pointing to GKB for relevant advertising provisions and deleting the unnecessary complaint provision.

Juvenile Justice Alternative Education Program

Newly adopted Administrative Code provisions regarding juvenile justice alternative education programs (JJAEPs) incorporated in FODA(LEGAL) include requirements for a JJAEP to develop entry and exit transition plans for a student, file the annual memorandum of understanding with the district and county juvenile board by a certain date, and provide a copy of the JJAEP’s performance report to the district superintendent.

Community Relations

Conduct on District-Controlled Property

Revisions to GKA(LEGAL) stem from a commissioner of education rule addressing Education Code 37.105, which authorizes district officials to refuse entry to or eject a person from property under the district’s control in certain circumstances. The new rule also requires the board to adopt a policy that allows a person refused entry to or ejected from the property to appeal using the district’s current grievance process and permits a person appealing to address the board in person within 90 days of filing the complaint unless the complaint is resolved before reaching the board. Another revision to GKA(LEGAL) adds the separate trespass provision from the Education Code to distinguish the district’s authority to pursue trespass charges from the Education Code 37.105 provisions.

FNG(LOCAL), GF(LOCAL), GKA(LOCAL) POLICY CONSIDERATIONS

The new rule at GKA(LEGAL) also affects FNG, GF, and GKA(LOCAL). Revisions to GKA(LOCAL) clarify that a district official will give a person refused entry to or ejected from property under the district’s control written information explaining the right to appeal and explain the relevant complaint timeline. A paragraph addressing the 90-day timeline to address the board has been added to FNG(LOCAL) and GF(LOCAL).

District Speech

A recent U.S. Supreme Court case clarifies that the district’s statements and actions that take the form of speech do not create a forum for private speech and a district does not engage in unconstitutional viewpoint discrimination by sharing its viewpoints on permissible goals. These revisions have been added to GKB(LEGAL).

Advertising

GKB(LOCAL) POLICY CONSIDERATIONS

In line with current case law, recommended revisions to the advertising provisions in GKB(LOCAL) specify when a district may reject advertising. New provisions are also recommended to clarify that a district's acknowledgment of sponsorships and donations may be in the manner the district deems appropriate and that the district retains full editorial control.

**CPS
Investigations**

Finally, GRA(LEGAL) has been updated to add details on Department of Family and Protective Services investigations regarding allegations of child abuse or neglect in schools.

CBB(LEGAL) STATE AND FEDERAL REVENUE SOURCES: FEDERAL

Based on changes in federal law that increased the micro-purchase and simplified acquisition thresholds for small purchases under the EDGAR procurement rules, this legally referenced policy has been updated to delete the old threshold amounts and include links to an Office of Management and Budget memorandum and a TEA [To the Administrator Addressed letter](#) dated August 28, 2018, which provide additional information on this issue.

CCGA(LEGAL) AD VALOREM TAXES: EXEMPTIONS AND PAYMENTS

As mentioned above, provisions on exemptions and payments of ad valorem taxes have been updated and moved from CCG to CCGA. In addition, two constitutional amendments have been added:

- As allowed by Senate Joint Resolution 1 and Senate Bill 15 (85th Texas Legislative Session), voters approved an exemption of all or part of the value of the residence homestead of the surviving spouse of a first responder who is killed or fatally injured in the line of duty. See Surviving Spouse of First Responder.
- As allowed by House Joint Resolution 21 and House Bill 150, voters approved an exemption of part of the value of the residence homestead of a partially disabled veteran or surviving spouse if the homestead was donated to the veteran by a charitable organization for less than market value. See Veteran Exemptions.

Please note that the board of a district that adopted a local option homestead exemption for all taxpayers under Tax Code 11.13(n) may not reduce or repeal the exemption before December 31, 2019.

CH(LOCAL) PURCHASING AND ACQUISITION

At Purchasing Method, we recommend adding a reference to CBB(LEGAL), addressing procurement requirements for federal awards, as a reminder that other requirements may be applicable if federal funds are involved in a purchase.

Likewise, at Competitive Bidding and Competitive Sealed Proposals, we recommend an adjustment to acknowledge that any rejection of bids or proposals shall be in accordance with state or federal law, as some purchases with federal funds may require a sound, documented reason for rejecting a bid.

Please note: We have retained unchanged your locally developed provisions permitting the superintendent to approve purchases, regardless of the amount, made through a cooperative program or for utility services.

CHF(LEGAL) PURCHASING AND ACQUISITION: PAYMENT PROCEDURES

This legally referenced policy on payment procedures has been revised to reorder provisions and better match statutory text.

COB(LEGAL) FOOD AND NUTRITION MANAGEMENT: FREE AND REDUCED-PRICE MEALS

CQ(LOCAL) TECHNOLOGY RESOURCES

State law permits a district to accept electronic signatures that comply with rules adopted by the board. The board's rules, to the extent practicable, must be consistent with rules adopted by the Department of Information Resources. To comply with state law and align with most districts' practice of accepting electronic signatures, we recommend new policy language permitting electronic signatures as outlined in the policy.

CV(LOCAL) FACILITIES CONSTRUCTION

At Construction Contracts, we recommend adding references to CBB(LEGAL), addressing purchasing requirements for federal awards, as a reminder that if federal funds are involved in the contract other requirements may be applicable.

DBB(LEGAL) EMPLOYMENT REQUIREMENTS AND RESTRICTIONS: MEDICAL EXAMINATIONS AND COMMUNICABLE DISEASES

Details on the bloodborne pathogen exposure control plan developed by the Texas Department of State Health Services have been added.

- Revisions to better match statutory wording.

DCB(LOCAL) EMPLOYMENT PRACTICES: TERM CONTRACTS

Reorganization of provisions in this local policy on term contracts is recommended to better distinguish the provisions applicable when SBEC requires certification versus when the district requires certification. An adjustment clarifies that, when the district requires SBEC certification for a position, only full-time professional employees in those positions are entitled to a term contract.

DFE(LEGAL) TERMINATION OF EMPLOYMENT: RESIGNATION

Revisions at Report by Principal reflect amended Administrative Code rules, effective March 8, 2018, providing that a principal is subject to sanctions for failing to notify the superintendent within seven days after an educator resigns following an alleged incident of misconduct as required by law.

DH(LOCAL) EMPLOYEE STANDARDS OF CONDUCT

So as not to deter reports of discrimination, harassment, and retaliation, we recommend moving to DH(LOCAL) a provision previously at DIA(LOCAL) subjecting employees to discipline for making false claims of discrimination, harassment, and retaliation or refusing to participate in an investigation. Placement at DH(LOCAL), addressing the broader topic of employee standards of conduct, makes it clear that the district may discipline employees for such conduct in any circumstance, not just in relation to claims of discrimination, harassment, and retaliation. See Violations of Standards of Conduct.

Explanatory Notes

TASB Localized Policy Manual Update 112

South San Antonio ISD

No other changes have been made to the district's current policy provisions.

DH(EXHIBIT) EMPLOYEE STANDARDS OF CONDUCT

Amendments effective October 21, 2018, to the Educators' Code of Ethics have been incorporated. The amendments:

DHB(LLEGAL) EMPLOYEE STANDARDS OF CONDUCT: REPORTS TO STATE BOARD FOR EDUCATOR CERTIFICATION

In accordance with Administrative Code changes effective October 21, 2018, evidence of an educator's solicitation of a romantic relationship with a student may consist of the educator violating written directives from school administrators regarding the educator's behavior toward a student.

DHE(LLEGAL) EMPLOYEE STANDARDS OF CONDUCT: SEARCHES AND ALCOHOL/DRUG TESTING

The addition of an existing statutory provision clarifies that Department of Transportation (DOT) alcohol and drug testing must be completely separate from non-DOT testing.

DIA(LLEGAL) EMPLOYEE WELFARE: FREEDOM FROM DISCRIMINATION, HARASSMENT, AND RETALIATION

This legally referenced policy has been revised to add an existing statutory provision on official oppression and to better match statutory text.

DIA(LOCAL) EMPLOYEE WELFARE: FREEDOM FROM DISCRIMINATION, HARASSMENT, AND RETALIATION

Two revisions are recommended to this local policy on discrimination, harassment, and retaliation:

- We have added the word "sex" to the statement of nondiscrimination and to the definition of discrimination for a complete listing of all the protected categories under law and for consistency throughout the policy manual.
- So as not to deter reports of discrimination, harassment, and retaliation, we have moved to DH(LOCAL) the provision subjecting employees to discipline for making false claims of discrimination, harassment, and retaliation or refusing to participate in an investigation. EHDC(LLEGAL)

ALTERNATIVE METHODS FOR EARNING CREDIT: CREDIT BY EXAMINATION WITHOUT PRIOR INSTRUCTION

Revisions to this legally referenced policy include rule changes from the State Board of Education (SBOE) on credit by examination (CBE) effective August 27, 2018. The rules include a new requirement for districts and assessment providers to audit their CBE assessments. The district board of trustees must approve an audit process for all CBE assessments used for kindergarten–grade 5 acceleration, whether district-developed or developed by another provider, and for all district-developed assessments to be used in grades 6–12. However, a board that adopts examinations from the University of Texas at Austin or Texas Tech University for kindergarten–grade 5 does not need to create a separate audit process for those examinations and may adopt the provider’s audit process. The rules also include changes to the validation requirements and new annual reporting requirements.

TASB Policy Service sent [Policy Alerts](#) regarding these changes on August 15 and 30, 2018, and TASB Legal Services’ [Frequently Asked Questions on Credit by Exam](#) addresses what districts need to know about the CBE assessment process, including the validation and audit requirements for district-created examinations.

EI(LLEGAL)

ACADEMIC ACHIEVEMENT

- Demonstrating proficiency in speech;
- Completing instruction in CPR;
- Completing instruction on proper interaction with peace officers; and

EIF(LLEGAL)

FFAC(LEGAL) WELLNESS AND HEALTH SERVICES: MEDICAL TREATMENT

Revisions to this legally referenced policy on medical treatment include the following additions:

- Existing statutory provisions on nursing peer review committees;
- An existing statutory provision prohibiting a district employee from making a report of neglect based solely on a parent's refusal to administer or consent to the administration of a psychotropic drug or psychological testing, except in certain circumstances;
- Provisions on opioid antagonist medication (naloxone); and
- Provisions on maintenance and administration of epinephrine auto-injectors from new Administrative Code rules effective August 1, 2018.

TASB Legal Services' article [What Do School Districts Need to Know About Epinephrine Auto-Injectors?](#) discusses use of epinephrine to treat anaphylaxis on a school campus, including the legal requirements for a district with a policy that authorizes staff or volunteers to administer an unassigned epinephrine auto-injector.

FMA(LOCAL) STUDENT ACTIVITIES: SCHOOL-SPONSORED PUBLICATIONS

Recommended revisions to this local policy clarify that district and campus publications are under the district's control and school-sponsored publications approved by a principal and published by students are part of the instructional program. The provision outlining the principal's administrative responsibilities for publications is recommended for deletion, as such a statement need not be included in board policy.

We also recommend:

- Replacing the text on advertising with a Note pointing to GKB, to consolidate and eliminate duplication of advertising provisions; and
- Deleting the unnecessary complaint provision.

FNG(LOCAL) STUDENT RIGHTS AND RESPONSIBILITIES: STUDENT AND PARENT COMPLAINTS/GRIEVANCES

A new commissioner of education rule effective August 26, 2018, addresses Education Code 37.105, which authorizes district officials to refuse entry to or eject a person from property under the district's control in certain circumstances. See GKA(LEGAL), below.

The recommended revision to this grievance policy at Complaints is to address new board policy requirements in the rule, which requires a board to adopt a policy that will allow a person refused entry to or ejected from property under the district's control to appeal by using the district's current grievance process and to permit a person appealing to address the board in person within 90 days of filing the complaint, unless the complaint is resolved before the board considers the complaint.

Update 58 to the [Regulations Resource Manual](#) includes at GKA updated exhibits in response to the new rule. TASB Legal Services' article "[Visitors to School Property and School Events](#)" provides further information on Education Code 37.105.

No other changes have been made to the district's current policy provisions.

FODA(LEGAL) EXPULSION: JUVENILE JUSTICE ALTERNATIVE EDUCATION PROGRAM

PUBLIC COMPLAINTS

A new commissioner of education rule effective August 26, 2018, addresses Education Code 37.105, which authorizes district officials to refuse entry to or eject a person from property under the district's control in certain circumstances. See GKA(LEGAL), below.

The recommended revision to this grievance policy at Complaints is to address new board policy requirements in the rule, which requires a board to adopt a policy that will allow a person refused entry to or ejected from property under the district's control to appeal by using the district's current grievance process and to permit a person appealing to address the board in person within 90 days of filing the complaint, unless the complaint is resolved before the board considers the complaint.

Update 58 to the [Regulations Resource Manual](#) includes at GKA updated exhibits in response to the new rule. TASB Legal Services' article "[Visitors to School Property and School Events](#)" provides further information on Education Code 37.105.

No other changes have been made to the district's current policy provisions.

COMMUNITY RELATIONS: CONDUCT ON SCHOOL PREMISES

A new commissioner of education rule effective August 26, 2018, addresses Education Code 37.105, which authorizes district officials to refuse entry to or eject a person from property under the district's control in certain circumstances.

As reflected in this legally referenced policy, the rule requires each board to adopt a policy that will allow a person refused entry to or ejected from property under the district's control to appeal by using the district's current grievance process and must permit a person appealing to address the board in person within 90 days of the individual filing the appeal, unless the appeal is resolved before the appeal reaches the board level. Local policy recommendations are addressed at FNG(LOCAL), GF(LOCAL), and GKA(LOCAL). In addition, Update 58 to the [Regulations Resource Manual](#) includes at GKA updated exhibits in response to the new rule.

Another revision to this policy adds the separate trespass provision from the Education Code to distinguish the district's authority to pursue trespass charges from the Education Code 37.105 provisions.

TASB Legal Services' article "[Visitors to School Property and School Events](#)" provides further information on the district's authority.

Finally, federal and state provisions on drones have been added, beginning on page 11.

COMMUNITY RELATIONS: ADVERTISING AND FUNDRAISING

We have added a recent U.S. Supreme Court case to this legally referenced policy to clarify that the district's statements and actions that take the form of speech do not create a forum for private speech and the district does not engage in unconstitutional viewpoint discrimination by advancing its viewpoints on permissible goals, even if advancing those goals discourages alternative goals. (See District Communications.)

GKB(LOCAL)

COMMUNITY RELATIONS: ADVERTISING AND FUNDRAISING

Recommended revisions to the advertising provisions in this local policy are to keep the text current with evolving case law. The revisions add several new circumstances under which a district may reject advertising, including when advertising:

- Is inappropriate in the school setting;
- Presents a health hazard; or
- Adds to the district's administrative burden by exposing the district to complaints, controversy, or litigation.

Likewise, new provisions are recommended to clarify that a district's acknowledgment of sponsorships and donations may be through whatever means the district deems appropriate and the district retains full editorial control, even if donors may suggest text for the acknowledgment.

(LOCAL) Policy Comparison Packet

This packet is generated by an automated process that compares the updated policy to the district's current policy as found in TASB records.

In this packet, you will find:

- Policies being recommended for revision (annotated)
- New policies (not annotated)

Policies recommended for deletion are not included. If you want to include the text of these policies in the information given to the Board, you may download them from *Policy On Line*.

Annotations are shown as follows.

- *Deletions* are shown in a red strike-through font: ~~deleted text~~.
- *Additions* are shown in a blue, bold font: **new text**.
- Blocks of text that have been *moved* without alteration are shown in green, with double underline and double strike-through formatting to distinguish the text's destination from its origin: ~~moved text~~ becomes moved text.
- *Revision bars* appear in the right margin, as above.

Note: While the annotation software competently identifies simple changes, large or complicated changes—as in an extensive rewrite—may be more difficult to follow. In addition, TASB's recent changes to the policy templates to facilitate accessibility sometimes makes formatting changes appear tracked, even though the text remains the same.

For further assistance in understanding policy changes, please refer to the explanatory notes in your Localized Policy Manual update packet or contact your policy consultant.

Examples of retaliation may include termination, refusal to hire, demotion, and denial of promotion. Retaliation may also include threats, unjustified negative evaluations, unjustified negative references, or increased surveillance.

Prohibited Conduct

In this policy, the term "prohibited conduct" includes discrimination, harassment, and retaliation as defined by this policy, even if the behavior does not rise to the level of unlawful conduct.

Reporting Procedures

An employee who believes that he or she has experienced prohibited conduct or believes that another employee has experienced prohibited conduct should immediately report the alleged acts. The employee may report the alleged acts to his or her supervisor or campus principal.

Alternatively, the employee may report the alleged acts to one of the District officials below.

Notice to Students and Parents

The District shall inform students and parents of this policy through appropriate District publications.

Guiding Principles

Informal Process

The Board encourages students and parents to discuss their concerns with the appropriate teacher, principal, or other campus administrator who has the authority to address the concerns. Concerns should be expressed as soon as possible to allow early resolution at the lowest possible administrative level.

Informal resolution shall be encouraged but shall not extend any deadlines in this policy, except by mutual written consent.

Formal Process

A student or parent may initiate the formal process described below by timely filing a written complaint form.

Even after initiating the formal complaint process, students and parents are encouraged to seek informal resolution of their concerns. A student or parent whose concerns are resolved may withdraw a formal complaint at any time.

The process described in this policy shall not be construed to create new or additional rights beyond those granted by law or Board policy, nor to require a full evidentiary hearing or “mini-trial” at any level.

Freedom from Retaliation

Neither the Board nor any District employee shall unlawfully retaliate against any student or parent for bringing a concern or complaint.

General Provisions

Filing

Complaint forms and appeal notices may be filed by hand-delivery, by electronic communication, including ~~email~~ and fax, or by U.S. Mail. Hand-delivered filings shall be timely filed if received by the appropriate administrator or designee by the close of business on the deadline. Filings submitted by electronic communication shall be timely filed if they are received by the close of business on the deadline, as indicated by the date/time shown on the electronic

(LOCAL)

communication. Mail filings shall be timely filed if they are post-marked by U.S. Mail on or before the deadline and received by the appropriate administrator or designated representative no more than three days after the deadline.

Scheduling
Conferences

The District shall make reasonable attempts to schedule conferences at a mutually agreeable time. If a student or parent fails to appear at a scheduled conference, the District may hold the conference and issue a decision in the student's or parent's absence.

Response

At Levels One and Two, "response" shall mean a written communication to the student or parent from the appropriate administrator. Responses may be hand-delivered, sent by electronic communication to the student's or parent's ~~email-mail~~ address of record, or sent by U.S. Mail to the student's or parent's mailing address of record. Mailed responses shall be timely if they are postmarked by U.S. Mail on or before the deadline.

Days

"Days" shall mean District business days. In calculating ~~timelines-time lines~~ under this policy, the day a document is filed is "day zero." The following business day is "day one."

Representative

"Representative" shall mean any person who or organization that is designated by the student or parent to represent the student or parent in the complaint process. A student may be represented by an adult at any level of the complaint.

The student or parent may designate a representative through written notice to the District at any level of this process. If the student or parent designates a representative with fewer than three days' notice to the District before a scheduled conference or hearing, the District may reschedule the conference or hearing to a later date, if desired, in order to include the District's counsel. The District may be represented by counsel at any level of the process.

Consolidating
Complaints

Complaints arising out of an event or a series of related events shall be addressed in one complaint. A student or parent shall not file separate or serial complaints arising from any event or series of events that have been or could have been addressed in a previous complaint.

Untimely Filings

All time limits shall be strictly followed unless modified by mutual written consent.

If a complaint form or appeal notice is not timely filed, the complaint may be dismissed, on written notice to the student or parent, at any point during the complaint process. The student or parent may appeal the dismissal by seeking review in writing within ten days from the date of the written dismissal notice, starting at the

level at which the complaint was dismissed. Such appeal shall be limited to the issue of timeliness.

Costs Incurred

Each party shall pay its own costs incurred in the course of the complaint.

Complaint and Appeal Forms

Complaints and appeals under this policy shall be submitted in writing on a form provided by the District.

Copies of any documents that support the complaint should be attached to the complaint form. If the student or parent does not have copies of these documents, copies may be presented at the Level One conference. After the Level One conference, no new documents may be submitted by the student or parent unless the student or parent did not know the documents existed before the Level One conference.

A complaint or appeal form that is incomplete in any material aspect may be dismissed but may be refiled with all the required information if the refiling is within the designated time for filing.

Level One

Complaint forms must be filed:

1. Within 15 days of the date the student or parent first knew, or with reasonable diligence should have known, of the decision or action giving rise to the complaint or grievance; and
2. With the lowest level administrator who has the authority to remedy the alleged problem.

In most circumstances, students and parents shall file Level One complaints with the campus principal.

If the only administrator who has authority to remedy the alleged problem is the Superintendent or designee, the complaint may begin at Level Two following the procedure, including deadlines, for filing the complaint form at Level One.

If the complaint is not filed with the appropriate administrator, the receiving administrator must note the date and time the complaint form was received and immediately forward the complaint form to the appropriate administrator.

The appropriate administrator shall investigate as necessary and schedule a conference with the student or parent within ten days after receipt of the written complaint. The administrator may set reasonable time limits for the conference.

Absent extenuating circumstances, the administrator shall provide the student or parent a written response within ten days following the conference. The written response shall set forth the basis of the

decision. In reaching a decision, the administrator may consider information provided at the Level One conference and any other relevant documents or information the administrator believes will help resolve the complaint.

Level Two

If the student or parent did not receive the relief requested at Level One or if the time for a response has expired, the student or parent may request a conference with the Superintendent or designee to appeal the Level One decision.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level One response or, if no response was received, within ten days of the Level One response deadline.

After receiving notice of the appeal, the Level One administrator shall prepare and forward a record of the Level One complaint to the Level Two administrator. The student or parent may request a copy of the Level One record.

The Level One record shall include:

1. The original complaint form and any attachments.
2. All other documents submitted by the student or parent at Level One.
3. The written response issued at Level One and any attachments.
4. All other documents relied upon by the Level One administrator in reaching the Level One decision.

The Superintendent or designee shall schedule a conference within ten days after the appeal notice is filed. The conference shall be limited to the issues and documents considered at Level One. At the conference, the student or parent may provide information concerning any documents or information relied upon by the administration for the Level One decision. The Superintendent or designee may set reasonable time limits for the conference.

The Superintendent or designee shall provide the student or parent a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the Superintendent or designee may consider the Level One record, information provided at the Level Two conference, and any other relevant documents or information the Superintendent or designee believes will help resolve the complaint.

Recordings of the Level One and Level Two conferences, if any, shall be maintained with the Level One and Level Two records.

Level Three

If the student or parent did not receive the relief requested at Level Two or if the time for a response has expired, the student or parent may appeal the decision to the Board.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level Two response or, if no response was received, within ten days of the Level Two response deadline.

The Superintendent or designee shall inform the student or parent of the date, time, and place of the Board meeting at which the complaint will be on the agenda for presentation to the Board.

The Superintendent or designee shall provide the Board the record of the Level Two appeal. The student or parent may request a copy of the Level Two record.

The Level Two record shall include:

1. The Level One record.
2. The notice of appeal from Level One to Level Two.
3. The written response issued at Level Two and any attachments.
4. All other documents relied upon by the administration in reaching the Level Two decision.

The appeal shall be limited to the issues and documents considered at Level Two, except that if at the Level Three hearing the administration intends to rely on evidence not included in the Level Two record, the administration shall provide the student or parent notice of the nature of the evidence at least three days before the hearing.

The District shall determine whether the complaint will be presented in open or closed meeting in accordance with the Texas Open Meetings Act and other applicable law. [See BE]

The presiding officer may set reasonable time limits and guidelines for the presentation, including an opportunity for the student or parent and administration to each make a presentation and provide rebuttal and an opportunity for questioning by the Board. The Board shall hear the complaint and may request that the administration provide an explanation for the decisions at the preceding levels.

In addition to any other record of the Board meeting required by law, the Board shall prepare a separate record of the Level Three presentation. The Level Three presentation, including the presentation by the student or parent or the student's representative, any

presentation from the administration, and questions from the Board with responses, shall be recorded by audio recording, video/audio recording, or court reporter.

The Board shall then consider the complaint. It may give notice of its decision orally or in writing at any time up to and including the next regularly scheduled Board meeting. If the Board does not make a decision regarding the complaint by the end of the next regularly scheduled meeting, the lack of a response by the Board upholds the administrative decision at Level Two.

Complaints

In this policy, the terms “complaint” and “grievance” shall have the same meaning.

Other Complaint Processes

Complaints by members of the public shall be filed in accordance with this policy, except as required by the policies listed below. Some of these policies require appeals to be submitted in accordance with GF after the relevant complaint process:

1. Complaints concerning instructional resources shall be ~~filed~~ ~~submitted~~ in accordance with EF.
2. Complaints concerning a commissioned peace officer who is an employee of the District shall be filed in accordance with CKE.

Complaints regarding refusal of entry to or ejection from District property based on Education Code 37.105 shall be filed in accordance with this policy. Complaint and Appeal Forms

Complaints and appeals under this policy shall be submitted in writing on a form provided by the District.

Copies of any documents that support the complaint should be attached to the complaint form. If the individual does not have copies of these documents, they may be presented at the Level One conference. After the Level One conference, no new documents may be submitted by the individual unless the individual did not know the documents existed before the Level One conference.

A complaint or appeal form that is incomplete in any material aspect may be dismissed but may be refiled with all the required information if the refiling is within the designated time for filing.

Level One

Complaint forms must be filed:

1. Within 15 days of the date the individual first knew, or with reasonable diligence should have known, of the decision or action giving rise to the complaint or grievance; and
2. With the lowest level administrator who has the authority to remedy the alleged problem.

If the complaint is not filed with the appropriate administrator, the receiving administrator must note the date and time the complaint form was received and immediately forward the complaint form to the appropriate administrator.

The appropriate administrator shall investigate as necessary and schedule a conference with the individual within ten days after receipt of the written complaint. The administrator may set reasonable time limits for the conference.

Absent extenuating circumstances, the administrator shall provide the individual a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the administrator may consider information provided at the Level One conference and any other relevant documents or information the administrator believes will help resolve the complaint.

Level Two

If the individual did not receive the relief requested at Level One or if the time for a response has expired, he or she may request a conference with the Superintendent or designee to appeal the Level One decision.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level One response or, if no response was received, within ten days of the Level One response deadline.

After receiving notice of the appeal, the Level One administrator shall prepare and forward a record of the Level One complaint to the Level Two administrator. The individual may request a copy of the Level One record.

The Level One record shall include:

1. The original complaint form and any attachments.
2. All other documents submitted by the individual at Level One.
3. The written response issued at Level One and any attachments.
4. All other documents relied upon by the Level One administrator in reaching the Level One decision.

The Superintendent or designee shall schedule a conference within ten days after the appeal notice is filed. The conference shall be limited to the issues and documents considered at Level One. At the conference, the individual may provide information concerning any documents or information relied upon by the administration for the Level One decision. The Superintendent or designee may set reasonable time limits for the conference.

The Superintendent or designee shall provide the individual a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the Superintendent or designee may consider the Level One record, information provided at the Level Two conference, and any other relevant documents or information the Superintendent or designee believes will help resolve the complaint.

Recordings of the Level One and Level Two conferences, if any, shall be maintained with the Level One and Level Two records.

Level Three

If the individual did not receive the relief requested at Level Two or if the time for a response has expired, he or she may appeal the decision to the Board.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level Two response or, if no response was received, within ten days of the Level Two response deadline.

The Superintendent or designee shall inform the individual of the date, time, and place of the Board meeting at which the complaint will be on the agenda for presentation to the Board.

The Superintendent or designee shall provide the Board the record of the Level Two appeal. The individual may request a copy of the Level Two record.

The Level Two record shall include:

-The District shall determine whether the complaint will be presented in open or closed meeting in accordance with the Texas Open Meetings Act and other applicable law. [See BE]

The presiding officer may set reasonable time limits and guidelines for the presentation, including an opportunity for the individual and administration to each make a presentation and provide rebuttal and an opportunity for questioning by the Board. The Board shall hear the complaint and may request that the administration provide an explanation for the decisions at the preceding levels.

In addition to any other record of the Board meeting required by law, the Board shall prepare a separate record of the Level Three presentation. The Level Three presentation, including the presentation by the individual or his or her representative, any presentation from the administration, and questions from the Board with responses, shall be recorded by audio recording, video/audio recording, or court reporter.

The Board shall then consider the complaint. It may give notice of its decision orally or in writing at any time up to and including the next regularly scheduled Board meeting. If the Board does not

make a decision regarding the complaint by the end of the next regularly scheduled meeting, the lack of a response by the Board upholds the administrative decision at Level Two.

A document provided to TEA remains confidential unless the document becomes part of the record in a contested case under the Administrative Procedure Act, Government Code Chapter 2001.

Except as provided by a court order prohibiting disclosure, a document provided to TEA may be used in a disciplinary proceeding against a superintendent if the document may be admitted under rules of evidence applicable to a contested case under Government Code 2001.081.

FEDERAL

CBB
(LEGAL)

| | |
|-----------------------------|--|
| Oversight | The district must maintain oversight to ensure that contractors perform in accordance with the terms, conditions, and specifications of their contracts or purchase orders. |
| Conflicts of Interest | The district must maintain written standards of conduct covering conflicts of interest and governing the actions of its employees engaged in the selection, award, and administration of contracts. No employee, officer, or agent may participate in the selection, award, or administration of a contract supported by a federal award if he or she has a real or apparent conflict of interest. A conflict of interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization that employs or is about to employ any of these parties, has a financial or other interest in or a tangible personal benefit from a firm considered for a contract. The officers, employees, and agents of the district must neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts. However, districts may set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value. The standards of conduct must provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the district. [See BBFA, CAA(LOCAL), CB(LOCAL), DBD] |
| Records | The district must maintain records sufficient to detail the history of procurement. These records will include, but are not necessarily limited to the following: rationale for the method of procurement, selection of contract type, contractor selection or rejection, and the basis for the contract price. [See Pre-procurement Review and Contract Cost and Price, below] <i>2 C.F.R. 200.318</i> |
| <i>Financial Management</i> | The district's financial management systems, including records documenting compliance with federal statutes, regulations, and the terms and conditions of the federal award, must be sufficient to permit the preparation of reports required by general and program-specific terms and conditions; and the tracing of funds to a level of expenditures adequate to establish that such funds have been used according to the federal statutes, regulations, and the terms and conditions of the federal award. The district's financial management system must comply with 2 C.F.R. 200.302(b). <i>2 C.F.R. 200.302 [see also 2 C.F.R. 200.333 (Retention Requirements for Records), .334 (Requests for Transfer of Records), .335 (Methods for Collection, Transmission and Storage of Information),</i> |

.336 (Access to Records), and .337 (Restrictions on Public Access to Records)]

Internal Controls

The district must:

1. Establish and maintain effective internal control over the federal award that provides reasonable assurance that the district is managing the award in compliance with federal statutes, regulations, and the terms and conditions of the award. These internal controls should be in compliance with guidance in “Standards for Internal Control in the Federal Government” issued by the Comptroller General of the United States or the “Internal Control Integrated Framework” issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO).
2. Comply with federal statutes, regulations, and the terms and conditions of the award.
3. Evaluate and monitor the district’s compliance with statutes, regulations and the terms and conditions of federal awards.
4. Take prompt action when instances of noncompliance are identified including noncompliance identified in audit findings.
5. Take reasonable measures to safeguard protected personally identifiable information and other information the federal awarding agency or pass-through entity designates as sensitive or the district considers sensitive consistent with applicable federal, state, local, and tribal laws regarding privacy and obligations of confidentiality.

2 C.F.R. 200.303

“Internal controls” means a process, implemented by a district, designed to provide reasonable assurance regarding the achievement of objectives in the following categories:

1. Effectiveness and efficiency of operations;
2. Reliability of reporting for internal and external use; and
3. Compliance with applicable laws and regulations.

2 C.F.R. 200.61

Competition

All procurement transactions must be conducted in a manner providing full and open competition consistent with the standards of 2 C.F.R. 200.319. In order to ensure objective contractor performance and eliminate unfair competitive advantage, contractors that develop or draft specifications, requirements, statements of work,

or invitations for bids or requests for proposals must be excluded from competing for such procurements.

The district must conduct procurements in a manner that prohibits the use of statutorily or administratively imposed state, local, or tribal geographical preferences in the evaluation of bids or proposals, except in those cases where applicable federal statutes expressly mandate or encourage geographic preference. Nothing in this provision preempts state licensing laws. When contracting for architectural and engineering services, geographic location may be a selection criterion provided its application leaves an appropriate number of qualified firms, given the nature and size of the project, to compete for the contract.

The district must have written procedures for procurement transactions. These procedures must ensure that all solicitations meet the requirements of 2 C.F.R. 200.319(c). [See above at General Procurement Standards]

The district must ensure that all prequalified lists of persons, firms, or products which are used in acquiring goods and services are current and include enough qualified sources to ensure maximum open and free competition. Also, the district must not preclude potential bidders from qualifying during the solicitation period.

2 C.F.R. 200.319

*Procurement
Methods*

The district must use one of the following methods of procurement.
2 C.F.R. 200.320

Note: For information on the amounts of the micro-purchase threshold and the simplified acquisition threshold, see [OMB Memorandum M-18-18⁵](#) and TEA's [To the Administrator Addressed letter⁶](#) (August 28, 2018). For information regarding these thresholds and school nutrition purchases, contact the Texas Department of Agriculture.

Micro-
Purchases

Procurement by micro-purchase is the acquisition of supplies or services, the aggregate dollar amount of which does not exceed the micro-purchase threshold. To the extent practicable, the district must distribute micro-purchases equitably among qualified suppliers. Micro-purchases may be awarded without soliciting competitive quotations if the district considers the price to be reasonable. *2 C.F.R. 200.320(a)*

“Micro-purchase” means a purchase of supplies or services using simplified acquisition procedures, the aggregate amount of which does not exceed the micro-purchase threshold. Micro-purchase

procedures comprise a subset of a district's small purchase procedures. The district uses such procedures in order to expedite the completion of its lowest-dollar small purchase transactions and minimize the associated administrative burden and cost. The micro-purchase threshold is set by the Federal Acquisition Regulation at 48 C.F.R. Subpart 2.1 Definitions. *2 C.F.R. 200.67*

Small Purchases

Small purchase procedures are those relatively simple and informal procurement methods for securing services, supplies, or other property that do not cost more than the simplified acquisition threshold. If small purchase procedures are used, price or rate quotations must be obtained from an adequate number of qualified sources. *2 C.F.R. 200.320(b)*

"Simplified Acquisition Threshold"

"Simplified acquisition threshold" means the dollar amount below which a district may purchase property or services using small purchase methods. Districts adopt small purchase procedures in order to expedite the purchase of items costing less than the simplified acquisition threshold. The simplified acquisition threshold is set by the Federal Acquisition Regulation at 48 C.F.R. Subpart 2.1 Definitions and in accordance with 41 U.S.C. 1908. *2 C.F.R. 200.88*

Sealed Bids

Bids are publicly solicited and a firm fixed price contract (lump sum or unit price) is awarded to the responsible bidder whose bid, conforming with all the material terms and conditions of the invitation for bids, is the lowest in price. The sealed bid method is the preferred method for procuring construction, if the conditions set out below apply.

In order for sealed bidding to be feasible, the following conditions should be present:

1. A complete, adequate, and realistic specification or purchase description is available;
2. Two or more responsible bidders are willing and able to compete effectively for the business; and
3. The procurement lends itself to a firm fixed price contract and the selection of the successful bidder can be made principally on the basis of price.

If sealed bids are used, the following requirements apply:

1. Bids must be solicited from an adequate number of known suppliers, providing them sufficient response time prior to the date set for opening the bids, for local governments, the invitation for bids must be publicly advertised;

2. The invitation for bids, which will include any specifications and pertinent attachments, must define the items or services in order for the bidder to properly respond;
3. All bids will be opened at the time and place prescribed in the invitation for bids, and for local governments, the bids must be opened publicly;
4. A firm fixed price contract award will be made in writing to the lowest responsive and responsible bidder. Where specified in bidding documents, factors such as discounts, transportation cost, and life cycle costs must be considered in determining which bid is lowest. Payment discounts will only be used to determine the low bid when prior experience indicates that such discounts are usually taken advantage of; and
5. Any or all bids may be rejected if there is a sound documented reason.

2 C.F.R. 200.320(c)

Competitive
Proposals

The technique of competitive proposals is normally conducted with more than one source submitting an offer, and either a fixed price or cost-reimbursement type contract is awarded. It is generally used when conditions are not appropriate for the use of sealed bids. If this method is used, the following requirements apply:

1. Requests for proposals must be publicized and identify all evaluation factors and their relative importance. Any response to publicized requests for proposals must be considered to the maximum extent practical;
2. Proposals must be solicited from an adequate number of qualified sources;
3. The district must have a written method for conducting technical evaluations of the proposals received and for selecting recipients;
4. Contracts must be awarded to the responsible firm whose proposal is most advantageous to the program, with price and other factors considered; and
5. The district may use competitive proposal procedures for qualifications-based procurement of architectural/engineering (A/E) professional services whereby competitors' qualifications are evaluated and the most qualified competitor is selected, subject to negotiation of fair and reasonable compensation. The method, where price is not used as a selection factor, can only be used in procurement of A/E professional

services. It cannot be used to purchase other types of services though A/E firms are a potential source to perform the proposed effort.

2 C.F.R. 200.320(d)

Sole Source

Procurement by noncompetitive proposals is procurement through solicitation of a proposal from only one source and may be used only when one or more of the following circumstances apply:

1. The item is available only from a single source;
2. The public exigency or emergency for the requirement will not permit a delay resulting from competitive solicitation;
3. The federal awarding agency or pass-through entity expressly authorizes noncompetitive proposals in response to a written request from the non-federal entity; or
4. After solicitation of a number of sources, competition is determined inadequate.

2 C.F.R. 200.320(f)

Cooperative Purchasing

To foster greater economy and efficiency, and in accordance with efforts to promote cost-effective use of shared services across the federal government, the district is encouraged to enter into state and local intergovernmental agreements or inter-entity agreements where appropriate for procurement or use of common or shared goods and services. *2 C.F.R. 200.318(e)*

Affirmative Steps

The district must take all necessary affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used when possible. Affirmative steps must include:

1. Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
2. Assuring that small and minority businesses and women's business enterprises are solicited whenever they are potential sources;
3. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;
4. Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises;

STATE AND FEDERAL REVENUE SOURCES
FEDERAL

CBB
(LEGAL)

5. Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and
6. Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in paragraphs (1) through (5) above.

2 C.F.R. 200.321

*Pre-procurement
Review*

The district must make available upon request, for the federal awarding agency or pass-through entity pre-procurement review, procurement documents, such as requests for proposals or invitations for bids, or independent cost estimates, when:

1. The district's procurement procedures or operation fails to comply with the procurement standards in 2 C.F.R. Part 200;
2. The procurement is expected to exceed the simplified acquisition threshold and is to be awarded without competition or only one bid or offer is received in response to a solicitation;
3. The procurement, which is expected to exceed the simplified acquisition threshold, specifies a "brand name" product;
4. The proposed contract is more than the simplified acquisition threshold and is to be awarded to other than the apparent low bidder under a sealed bid procurement; or
5. A proposed contract modification changes the scope of a contract or increases the contract amount by more than the simplified acquisition threshold.

2 C.F.R. 200.324(b)

*Contract Cost
and Price*

The district must perform a cost or price analysis in connection with every procurement action in excess of the simplified acquisition threshold including contract modifications. The method and degree of analysis is dependent on the facts surrounding the particular procurement situation, but as a starting point, the district must make independent estimates before receiving bids or proposals.

The district must negotiate profit as a separate element of the price for each contract in which there is no price competition and in all cases where cost analysis is performed. To establish a fair and reasonable profit, consideration must be given to the complexity of the work to be performed, the risk borne by the contractor, the contractor's investment, the amount of subcontracting, the quality of its record of past performance, and industry profit rates in the surrounding geographical area for similar work.

Costs or prices based on estimated costs for contracts under the federal award are allowable only to the extent that costs incurred or cost estimates included in negotiated prices would be allowable for the district under 2 C.F.R. Part 200, Subpart E—Cost Principles. The district may reference its own cost principles that comply with the federal cost principles.

The cost plus a percentage of cost and percentage of construction cost methods of contracting must not be used.

2 C.F.R. 200.323

Contract Provisions

The district's contracts must contain the applicable provisions described in 2 C.F.R. Part 200, Appendix II—Contract Provisions for non-Federal Entity Contracts Under Federal Awards. *2 C.F.R. 200.326*

Suspension and Debarment

Non-federal entities are subject to non-procurement debarment and suspension regulations at 2 C.F.R. Part 180. These regulations restrict awards, subawards, and contracts with certain parties that are debarred, suspended, or otherwise excluded from or ineligible for participation in federal assistance programs or activities. *2 C.F.R. 200.213*

Remedies for Noncompliance

If a district fails to comply with federal statutes, regulations, or the terms and conditions of a federal award, the federal awarding agency or pass-through entity may impose additional conditions, as described in 2 C.F.R. 200.207 (Specific Conditions). If the federal awarding agency or pass-through entity determines that non-compliance cannot be remedied by imposing additional conditions, the federal awarding agency or pass-through entity may take one or more of the following actions, as appropriate in the circumstances:

1. Temporarily withhold cash payments pending correction of the deficiency by the district or more severe enforcement action by the federal awarding agency or pass-through entity.
2. Disallow (that is, deny both use of funds and any applicable matching credit for) all or part of the cost of the activity or action not in compliance.
3. Wholly or partly suspend or terminate the federal award.
4. Initiate suspension or debarment proceedings as authorized under 2 C.F.R. Part 180 and federal awarding agency regulations (or in the case of a pass-through entity, recommend such a proceeding be initiated by a federal awarding agency).
5. Withhold further federal awards for the project or program.

6. Take other remedies that may be legally available.

2 C.F.R. 200.338

Travel Costs

Travel costs are the expenses for transportation, lodging, subsistence, and related items incurred by employees who are in travel status on official business of the district. Such costs may be charged on an actual cost basis, on a per diem or mileage basis in lieu of actual costs incurred, or on a combination of the two, provided the method used is applied to an entire trip and not to selected days of the trip, and results in charges consistent with those normally allowed in like circumstances in the district's non-federally funded activities and in accordance with the district's written travel reimbursement policies.

In the absence of an acceptable, written district policy regarding travel costs, the rates and amounts established under 5 U.S.C. 5701-11 (Travel and Subsistence Expenses; Mileage Allowances), or by the administrator of general services, or by the president (or his or her designee) pursuant to any provisions of such subchapter must apply to travel under federal awards (48 C.F.R. 31.205-46(a)).

**Athletic Stadium
Authority**

If the boards of two districts find that it is to the best interest of the districts to create an athletic stadium authority to include the districts, each board shall adopt a resolution creating an authority and designating the name by which it shall be known. An authority is a body politic and corporate. It must have a seal, may sue and be sued, and may make, amend, and repeal its bylaws. *Education Code 45.152*

An authority may construct, enlarge, furnish, and equip stadia, purchase existing stadia, furnishings, and equipment for its stadia, and operate and maintain stadia. A stadium need not be located inside a district creating the authority. *Education Code 45.154*

For the purpose of carrying out any power conferred by Education Code Chapter 45, Subchapter F, an authority may acquire the fee simple title to land and other property and easements by condemnation in the manner provided by Property Code Chapter 21. An authority is a municipal corporation within the meaning of Property Code 21.021(c). The bonds shall be payable from and secured by a pledge of all or any part of the revenue to be derived from the operation of the stadium and any other revenues resulting from the ownership of stadium properties. The bonds may be additionally secured by a mortgage or deed of trust on property of the authority.

The bonds must be authorized by resolution adopted by a majority vote of a quorum of the board of directors of the authority and shall be signed by the president or vice-president and countersigned by the secretary, or either or both of their facsimile signatures may be printed on the bonds. The seal of the authority shall be impressed or printed on the bonds. The bonds shall mature serially or otherwise in not more than 40 years.

Tax Rate Adoption

Maintenance Taxes

The board may levy, assess, and collect annual ad valorem taxes for the maintenance of the district's schools. Taxes may not be levied unless authorized by a majority of the qualified voters of the district, voting at an election called for that purpose. *Education Code 45.002, .003(a)*

Maximum Tax Rate

For any year, the maintenance tax rate per \$100 of taxable value adopted by the district may not exceed the rate equal to the sum of \$0.17 and the product of the state compression percentage, as determined under Education Code 42.2516, multiplied by \$1.50.

A rate that exceeds the maximum rate for the year in which the tax is to be imposed is void. A district with a tax rate that is void under this provision may, subject to requirements imposed by other law, adopt a rate for that year that does not exceed the specified maximum rate for that year.

Notwithstanding any other law, a district that levied a maintenance tax for the 2005 tax year at a rate greater than \$1.50 per \$100 of taxable value in the district as permitted by special law may not levy a maintenance tax at a rate that exceeds the rate per \$100 of taxable value that is equal to the sum of \$0.17 and the product of the state compression percentage, as determined under Education Code 42.2516, multiplied by the rate of the maintenance tax levied by the district for the 2005 tax year.

Education Code 45.003(d)–(f)

Assessor and Collector

The board may employ a person to assess or collect the district's taxes and may compensate the person as the board considers appropriate. This provision does not prohibit a district from providing for the assessment or collection of the district's taxes under a method authorized by Tax Code Chapter 6, Subchapter B. *Education Code 45.231*

Certified Estimate of Values

By April 30, the chief appraiser shall prepare and certify to the district's assessor an estimate of the taxable value of district property. *Tax Code 26.01(e)*

Appraisal Roll

By July 25, the chief appraiser shall prepare and certify to the assessor for the district that part of the appraisal roll that lists the property taxable by the district. The part certified to the assessor is the appraisal roll for the district. *Tax Code 26.01(a)*

By August 1 or as soon thereafter as practicable, the district's assessor shall submit to the board the district's appraisal roll, showing the total appraised, assessed, and taxable values of all property and the total taxable value of new property.

By August 1 or as soon thereafter as practicable, a district's collector shall certify to the board an estimate of the collection rate for the current year. If the collector certified an anticipated collection rate in the preceding year and the actual collection rate in that year exceeded the anticipated rate, the collector shall also certify the amount of debt taxes collected in excess of the anticipated amount in the preceding year.

Tax Code 26.04(b)

*Reappraisal after
Disaster*

The board of a district that is located partly or entirely inside an area declared to be a disaster area by the governor may authorize the reappraisal of all property damaged in the disaster at its market value immediately after the disaster. A district that authorizes a reappraisal pursuant to this provision must pay the appraisal district all the costs of making the appraisal.

If property damaged in a disaster is reappraised as provided by this provision, the board shall provide for prorating the taxes on the property as specified in Tax Code 23.02(d) for the year in which the disaster occurred.

Requirements

*Traditional
Method*

When the budget has been prepared under Education Code 44.002, the board president shall call a meeting of the board for the purpose of adopting a budget for the succeeding tax year. The budget must be adopted before the adoption of the tax rate for the tax year in which the fiscal year covered by the budget begins. *Education Code 44.004(a), (g)* [See CE]

Published Notice

The board president shall provide for publication of notice of the budget and proposed tax rate meeting in a daily, weekly, or bi-weekly newspaper published in the district. If no daily, weekly, or biweekly newspaper is published in the district, the president shall provide for publication of notice in at least one newspaper of general circulation in the county in which the district's central administrative office is located. The notice shall be published not earlier than the 30th day or later than the tenth day before the date of the hearing.

Form of Notice

The notice of public meeting to discuss and adopt the budget and the proposed tax rate must comply with the size, format, and content requirements set out in Education Code 44.004.

Education Code 44.004(b)–(d)

Rate Decrease If the published interest and sinking fund (debt service) rate decreases after the publication of the required notice, the president is not required to publish another notice or call another meeting to discuss and adopt the budget and the proposed lower tax rate. *Education Code 44.004(g-1)*

Districts with July 1 Fiscal Year Notwithstanding the provisions above, a district with a fiscal year beginning July 1 may use the certified estimate of the taxable value of district property in preparing the required notice if the district does not receive the certified appraisal roll on or before June 7. A district that uses a certified estimate may adopt a budget at the public meeting designated in the published notice prepared using the estimate, but the district may not adopt a tax rate before the district receives the certified appraisal roll for the district.

After receipt of the certified appraisal roll, a district must publish a revised notice and hold another public meeting before the district may adopt a tax rate that exceeds:

1. The rate proposed in the notice prepared using the estimate; or
2. The district's rollback rate determined under Tax Code 26.08 using the certified appraisal roll.

Education Code 44.004(h), (i)

Early Adoption Method Notwithstanding the provisions above or at Deadline below, a district may adopt a budget after the district adopts a tax rate for the tax year in which the fiscal year covered by the budget begins if the district elects to adopt a tax rate before receiving the certified appraisal roll for the district. If a district elects to adopt a tax rate before adopting a budget, the district must publish notice and hold a meeting for the purpose of discussing the proposed tax rate as provided above. Following adoption of the tax rate, the district must publish notice and hold another public meeting before the district may adopt a budget. The comptroller shall prescribe the language and format to be used in the notices. The district may use the certified estimate of taxable value in preparing a notice under this provision. *Education Code 44.004(j)*

The board of a district that elects to adopt a tax rate before the adoption of a budget for the fiscal year that begins in the current tax year may adopt a tax rate for the current tax year before receipt of the certified appraisal roll for the district if the chief appraiser of

the appraisal district in which the district participates has certified to the assessor for the district an estimate of the taxable value of property in the district as specified at Certified Estimate of Values above. If a district adopts a tax rate under this provision, the effective tax rate and the rollback tax rate of the district shall be calculated based on the certified estimate of taxable value. *Tax Code 26.05(g)*

Tax Rate Adoption
Requirements

Deadline

Before the later of September 30 or the 60th day after the date the certified appraisal roll is received, the board shall adopt a tax rate for the current tax year and shall notify the assessor of the tax rate adopted. [See Adoption of Tax Roll below] The tax rate consists of two components, each of which must be approved separately. The components are:

1. The interest and sinking fund (debt service) rate calculated under Education Code 44.004(c)(5)(A)(ii)(b); and
2. The rate that, if applied to the total taxable value, will impose the amount of taxes needed to fund maintenance and operation expenditures of the district for the next year.

Tax Code 26.05(a)

Tax Date for
Certain Districts

A district that before January 1, 1989, has for at least ten years followed a practice of adopting its tax rate at a different date than as provided by Tax Code Chapter 26 and of billing for and collecting its taxes at different dates than as provided by Chapters 31 and 33 may continue to follow that practice. This does not affect the dates provided by the Property Tax Code (Tax Code Title 1) for other purposes, including those relating to the appraisal and taxability of property, the attachment of tax liens and personal liability for taxes, and administrative and judicial review under Chapters 41 and 42. *Tax Code 26.135*

Vote

A board may not impose property taxes in any year until it has adopted a tax rate for that year, and the annual tax rate must be set by ordinance, resolution, or order. The vote on the ordinance, resolution, or order setting the tax rate must be separate from the vote adopting the budget. The vote on the ordinance, resolution, or order setting a tax rate that exceeds the sum of the district's effective maintenance and operations tax rate and the district's current debt rate must be a record vote, and at least 60 percent of the members of the board must vote in favor of the ordinance, resolution, or order.

Motion

A motion to adopt an ordinance, resolution, or order setting a tax rate that exceeds the effective tax rate must be made in the following form: "I move that the property tax rate be increased by the

adoption of a tax rate of (specify tax rate), which is effectively a (insert percentage by which the proposed tax rate exceeds the effective tax rate) percent increase in the tax rate.”

*Language and
Internet Posting*

If the ordinance, resolution, or order sets a tax rate that, if applied to the total taxable value, will impose an amount of taxes to fund maintenance and operation expenditures of the district that exceeds the amount of taxes imposed for that purpose in the preceding year the district must:

1. Include in the ordinance, resolution, or order in type larger than the type used in any other portion of the document:
 - a. The following statement: “THIS TAX RATE WILL RAISE MORE TAXES FOR MAINTENANCE AND OPERATIONS THAN LAST YEAR’S TAX RATE”; and
 - b. If the tax rate exceeds the effective maintenance and operations rate, the following statement: “THE TAX RATE WILL EFFECTIVELY BE RAISED BY (INSERT PERCENTAGE BY WHICH THE TAX RATE EXCEEDS THE EFFECTIVE MAINTENANCE AND OPERATIONS RATE) PERCENT AND WILL RAISE TAXES FOR MAINTENANCE AND OPERATIONS ON A \$100,000 HOME BY APPROXIMATELY \$(Insert amount).”; and
2. Include on the home page of any internet website operated by the district:
 - a. The following statement: “(Insert name of unit) ADOPTED A TAX RATE THAT WILL RAISE MORE TAXES FOR MAINTENANCE AND OPERATIONS THAN LAST YEAR’S TAX RATE”; and
 - b. If the tax rate exceeds the effective maintenance and operations rate, the following statement: “THE TAX RATE WILL EFFECTIVELY BE RAISED BY (INSERT PERCENTAGE BY WHICH THE TAX RATE EXCEEDS THE EFFECTIVE MAINTENANCE AND OPERATIONS RATE) PERCENT AND WILL RAISE TAXES FOR MAINTENANCE AND OPERATIONS ON A \$100,000 HOME BY APPROXIMATELY \$(Insert amount).”

Tax Code 26.05(b)

Adoption of Tax Roll

On receipt of notice of the tax rate for the current tax year, the assessor for a district shall calculate the tax imposed on each property included on the appraisal roll for the district. The assessor shall enter the amount of tax in the appraisal roll and submit it to

the board for approval. The appraisal roll with amounts of tax entered as approved by the board constitutes the district's tax roll.
Tax Code 26.09(a), (e)

Failure to Adopt Tax Rate

If the board does not adopt a tax rate before the date required at Deadline above, the tax rate for the district for that tax year is the lower of the effective tax rate calculated for that tax year or the tax rate adopted by the district for the preceding tax year. A tax rate established by this provision is treated as an adopted tax rate. Before the fifth day after the establishment of a tax rate by this provision, the board must ratify the applicable tax rate in the manner set out at Tax Rate Adoption Requirements above. *Tax Code 26.05(c)*

Taxpayer Injunction

A person who owns taxable property in a district is entitled to an injunction restraining the collection of taxes by the district if the district has not complied with the requirements above at Published Notice, including Form of Notice, Districts with July 1 Fiscal Year, if applicable, and Tax Rate Adoption Requirements, and the failure to comply was not in good faith. An action to enjoin the collection of taxes must be filed before the date a district delivers substantially all of its tax bills. *Education Code 44.004(e); Tax Code 26.05(e)*

Tax Information to County

A district shall provide to the county assessor-collector for each county in which all or part of district territory is located the district's adopted tax rate, maintenance and operations rate, debt rate, effective tax rate, effective maintenance and operations rate, and rollback tax rate for posting on the county's internet website. The district shall provide the information annually following the adoption of a tax rate by the district for the current tax year. *Tax Code 26.16(a)–(b)*

Tax Ratification Election

If the board adopts a tax rate that exceeds the district's rollback tax rate, the registered voters of the district at an election held for that purpose must determine whether to approve the adopted tax rate.

If for the preceding tax year a district adopted a maintenance and operations tax rate that was less than the district's effective maintenance and operations tax rate for that preceding tax year, the rollback tax rate of the district for the current tax year is calculated as if the district adopted a maintenance and operations tax rate for the preceding tax year that was equal to the district's effective maintenance and operations tax rate for that preceding tax year.

Tax Code 26.08(a), (n), (p); see Att'y Gen. Op. KP-0154 (2017) (addressing calculation of the rollback rate and when a district must hold a tax ratification election)

Tax Code 11.13(j)

Homestead Exemptions

Mandatory

An adult is entitled to exemption from taxation by a district of \$25,000 of the appraised value of the adult’s residence homestead, except that only \$5,000 of the exemption applies to an entity operating under former Education Code Chapters 17, 18, 25, 26, 27, or 28, as those chapters existed on May 1, 1995, as permitted by Education Code 11.301. To receive the residence homestead exemption, the person claiming the exemption must apply for the exemption. *Tax Code 11.13(b), .43*

Persons 65 or Older or Disabled

In addition to the mandatory exemption above, an adult who is disabled or 65 or older is entitled to an exemption of \$10,000 of the appraised value of his or her residence homestead. *Tax Code 11.13(c)*

Tax Limitation

A district may not increase the total annual amount of ad valorem tax it imposes on the residence homestead of an individual 65

years of age or older, or on the residence homestead of an individual who is disabled as defined by Tax Code 11.13, above the amount of the tax it imposed in the first tax year in which the individual qualified that residence homestead for an applicable exemption. *Tax Code 11.26(a)*

Improvements If an individual subject to a tax limitation makes improvements to the individual's residence homestead, other than improvements required to comply with governmental requirements or repairs, the district may increase the tax on the homestead in the first year the value of the homestead is increased on the appraisal roll because of the enhancement of value by the improvements. A limitation then applies to the increased amount of tax until more improvements, if any, are made. *Tax Code 11.26(b)*

Exception An improvement to property that would otherwise constitute an improvement discussed above is not treated as an improvement if it is a replacement structure for a structure that was rendered uninhabitable or unusable by a casualty or by wind or water damage. For purposes of appraising the property in the tax year in which the structure would have constituted an improvement, the replacement structure is considered to be an improvement only if the square footage of the replacement structure exceeds that of the replaced structure as that structure existed before the casualty or damage occurred or the exterior of the replacement structure is of higher quality construction and composition than that of the replaced structure. *Tax Code 11.26(o)*

Portability of Tax Limitation If an individual who receives a tax limitation, including a surviving spouse, discussed below, subsequently qualifies a different residence homestead for the same exemption, a district may not impose ad valorem taxes on the subsequently qualified homestead in a year in an amount that exceeds the amount of taxes calculated in accordance with Tax Code 11.26(g). *Tax Code 11.26(g)*

Surviving Spouse of Persons 65 or Older If an individual who qualifies for the exemption for an individual 65 years of age or older dies, the surviving spouse of the individual is entitled to the limitation applicable to the residence homestead of the individual if the surviving spouse is 55 years of age or older when the individual dies, and the residence homestead of the individual is the residence homestead of the surviving spouse on the date that the individual dies and remains the residence homestead of the surviving spouse. *Tax Code 11.26(i)*

Local Options
All Taxpayers In addition to other residence homestead exemptions in Tax Code 11.13, an individual is entitled to an exemption from taxation by a district of a percentage of the appraised value of his or her residence homestead if the exemption is adopted by the board before July 1 in the manner provided by law for official action by the

board. If the percentage set by the district produces an exemption in a tax year of less than \$5,000 when applied to a particular residence homestead, the individual is entitled to an exemption of \$5,000 of the appraised value. The percentage adopted by the district may not exceed 20 percent. *Tax Code 11.13(n)*

Disabled or 65
or Older

An individual who is disabled or is 65 or older is entitled to an exemption from taxation by a district of a portion of the appraised value of his or her residence homestead if the exemption is adopted either by the board or by a favorable vote of a majority of the qualified voters of the district at an election called by the board, and the board shall call the election on the petition of at least 20 percent of the number of qualified voters who voted in the preceding election of the district.

Amount

The amount of an exemption adopted as provided at Disabled or 65 or Older is \$3,000 of the appraised value of the residence homestead unless a larger amount is specified by the board if the board authorizes the exemption or the petition for the election if the exemption is authorized through an election. Once authorized, an exemption adopted may be repealed or decreased or increased in amount by the board or by the petition and election procedure. In the case of a decrease, the amount of the exemption may not be reduced to less than \$3,000 of the market value.

*Continuation of
Exemption during
Construction*

If a qualified residential structure for which the owner receives a homestead exemption under Tax Code 11.13 is rendered uninhabitable or unusable by a casualty or by wind or water damage, the owner may continue to receive the exemption for the structure and the land and improvements used in the residential occupancy of the structure while the owner constructs a replacement qualified residential structure on the land in accordance with Tax Code 11.135. *Tax Code 11.135, .26(n); 34 TAC 9.416*

*Surviving Spouse
of First
Responder*

The surviving spouse of a first responder who is killed or fatally injured in the line of duty is entitled to an exemption from taxation of the total appraised value of the surviving spouse's residence homestead if the surviving spouse:

1. Is an eligible survivor for purposes of Government Code Chapter 615 as determined by the Employees Retirement System of Texas; and
2. Has not remarried since the first responder's death.

This exemption applies regardless of the date of the first responder's death if the surviving spouse otherwise meets the qualifications above.

A surviving spouse who receives an exemption for a residence homestead is entitled to receive an exemption from taxation of a property that the surviving spouse subsequently qualifies as the surviving spouse's residence homestead in an amount equal to the dollar amount of the exemption from taxation of the first property for which the surviving spouse received the exemption in the last year in which the surviving spouse received that exemption if the surviving spouse has not remarried since the death of the first responder.

*Exemption for
Surviving Spouse*

The surviving spouse of a 100 percent disabled veteran who qualified for an exemption when the veteran died, of a disabled veteran who would have qualified for an exemption if it had been in effect on the date the veteran died, or of a disabled veteran who qualified for a residence homestead exemption of a percentage of appraised value is entitled to the same exemption from taxation of the same property to which the disabled veteran's exemption applied or would have applied if:

1. The surviving spouse has not remarried since the death of the disabled veteran; and
2. The property was the residence homestead of the surviving spouse when the disabled veteran died and remains the residence homestead of the surviving spouse.

If a surviving spouse who qualifies for an exemption subsequently qualifies a different property as the surviving spouse's residence

homestead, the surviving spouse is entitled to an exemption from taxation of the subsequently qualified homestead in an amount equal to the dollar amount of the exemption of the former homestead in the last year in which the surviving spouse received an exemption for that homestead if the surviving spouse has not remarried since the death of the disabled veteran.

A surviving spouse who receives an exemption for a residence homestead is entitled to receive an exemption from taxation of a property that the surviving spouse subsequently qualifies as the surviving spouse's residence homestead in an amount equal to the dollar amount of the exemption from taxation of the first property for which the surviving spouse received the exemption in the last year in which the surviving spouse received that exemption if the surviving spouse has not remarried since the death of the member of the armed services. *Tax Code 11.133*

Optional
Exemptions

Among others, a board may grant additional tax exemptions in accordance with applicable law for:

1. Residential property owned by the United States or an agency of the United States and used to provide transitional housing for the indigent under a program operated or directed by the U.S. Department of Housing and Urban Development. *Tax Code 11.111*
2. Land and housing units on the land owned by a community land trust. *Tax Code 11.1827*
3. Certain historic structures or archeological sites and the land necessary to access and use the structure or archeological site. *Tax Code 11.24*

Goods-in-Transit

A person is entitled to an exemption from taxation of the appraised value of that portion of the person's property that consists of goods-in-transit, as defined in Tax Code 11.253(a)(2).

A board, by official action, may provide for the taxation of goods-in-transit exempt under Tax Code 11.253(b) and not exempt under other law. The official action to tax the goods-in-transit must be taken before January 1 of the first tax year in which the board proposes to tax goods-in-transit. Before acting to tax the exempt property, a board must conduct a public hearing as required by Texas Constitution Article VIII, Section 1-n(d). If the board provides for the taxation of the goods-in-transit as provided by this provision, the exemption stated above does not apply to that district. The goods-in-transit remain subject to taxation by the district until the board, by official action, rescinds or repeals its previous action to tax goods-in-transit, or otherwise determines that the exemption will apply to that district.

Notwithstanding official action that was taken before October 1, 2011, to tax goods-in-transit, a district may not tax such goods-in-transit in a tax year that begins on or after January 1, 2012, unless the board takes official action on or after October 1, 2011, to provide for the taxation of the goods-in-transit.

Exception

If a board, before October 1, 2011, took action to provide for the taxation of goods-in-transit and pledged the taxes imposed on the goods-in-transit for the payment of a debt of the district, the district tax officials may continue to impose the taxes against the goods-in-transit until the debt is discharged, if cessation of the imposition would impair the obligation of the contract by which the debt was created.

**Tax Increment
Financing Act**

Board of Directors

Except as provided at Large Municipality below, each district that levies taxes on real property in a reinvestment zone designated by a county or municipality in accordance with the Tax Increment Financing Act, Tax Code Chapter 311, may appoint one member of the reinvestment zone board of directors if the district has approved the payment of all or part of the tax increment produced by the district into the tax increment fund for the zone. A district may waive its right to appoint a director. *Tax Code 311.009(a), (b)*

*Large
Municipality*

In a reinvestment zone designated by a municipality which is wholly or partially located in a county with a population of less than 1.8 million in which the principal municipality has a population of 1.1 million or more, each taxing unit that approves the payment of all or part of its tax increment into the tax increment fund is entitled to appoint a number of members to the board in proportion to the taxing unit's pro rata share of the total anticipated tax increment to be deposited into the tax increment fund during the term of the zone. *Tax Code 311.0091(a)–(c)*

Tax Increments
Amount

The amount of a district's tax increment for a year is the amount of property taxes levied and assessed by the district for that year on the captured appraised value of real property taxable by the district and located in a reinvestment zone or the amount of property taxes levied and collected by the district for that year on the captured appraised value of real property taxable by the district and located in a reinvestment zone. The board of the district shall determine which of the methods is used to calculate the amount of the district's tax increment.

"Captured
Appraised
Value"

The captured appraised value of real property taxable by a district for a year is the total taxable value of all real property taxable by the district and located in a reinvestment zone for that year less the tax increment base of the district.

"Tax Increment
Base"

The tax increment base of a district is the total taxable value of all real property taxable by the district and located in a reinvestment zone for the year in which the zone was designated under Tax Code Chapter 311.

Tax Code 311.012

*Collection and
Deposit*

Each district that taxes real property located in a reinvestment zone shall provide for the collection of its taxes in the zone as for any other property taxed by the district. Each district shall pay into the tax increment fund for the zone an amount equal to the tax increment produced by the district, less the sum of:

1. Property taxes produced from the tax increments that are, by contract executed before the designation of the area as a re-investment zone, required to be paid by the district to another political subdivision; and
2. A portion, not to exceed 15 percent, of the tax increment produced by the district as provided by the reinvestment zone financing plan or a larger portion as provided at Agreement Required below.

Tax Code 311.013(a)–(b)

Notwithstanding any termination of the reinvestment zone and unless otherwise specified by an agreement between the district and the municipality or county that created the zone, a district shall make the required payment not later than the 90th day after the later of the delinquency date for district property taxes or the date the municipality or county that created the zone submits to the district an invoice specifying the tax increment produced by the district and the amount the district is required to pay into the tax increment fund for the zone. A district is not required to pay into a tax increment fund the applicable portion of a tax increment attributable to delinquent taxes until those taxes are collected. *Tax Code 311.013(c), (i)*

A district whose taxable value is reduced under Government Code 403.302(d)(4) (determination of district property values by the comptroller) shall pay into the tax increment fund, in addition to the amount otherwise required to be paid, an amount equal to the amount by which the amount of taxes the district would have been required to pay into the fund in the current year if the district levied taxes at the rate the district levied in 2005 exceeds the amount the district is otherwise required to pay into the fund in the year of the reduction. This additional amount may not exceed the amount the district receives in state aid for the current tax year under Education Code 42.2514 (additional state aid for tax increment financing payments). The district shall pay the additional amount after the district receives the state aid to which the district is entitled for the current tax year under Education Code 42.2514. *Tax Code 311.013(n)*

*Agreement
Required*

A district is not required to pay into the tax increment fund any of its tax increment produced from property located in a reinvestment zone designated under Tax Code 311.005(a) or in an area added to a reinvestment zone under Tax Code 311.007 unless the district enters into an agreement to do so with the governing body of the municipality or county that designated the zone. *Tax Code 311.013(f)*

A district that participates in a zone is not required to increase the percentage or amount of the tax increment to be contributed by the district because of an amendment to the project plan or reinvestment zone financing plan for the zone unless the board by official action approves the amendment. *Tax Code 311.011(g)*

A district is not required to pay into the tax increment fund any of its tax increment produced from property located in an area added to the reinvestment zone under Tax Code 311.007(a) or (b) unless the board enters into an agreement to do so with the governing body of the municipality or county that created the zone. *Tax Code 311.013(k)*

If the governing body of the municipality or county that designated a reinvestment zone extends the term of all or a portion of the zone, a district is not required to participate in the zone or portion of the zone for the extended term unless the district enters into a written agreement to do so. *Tax Code 311.007(c)*

Notwithstanding the designation of a later termination date under Tax Code 311.017(a), a district that taxes real property located in the reinvestment zone is not required to pay any of its tax increment into the tax increment fund for the zone after the termination date designated in the ordinance or order creating the zone unless the board enters into an agreement to do so with the governing body of the municipality or county that created the zone. *Tax Code 311.017(a-1)*

**Property
Redevelopment and
Tax Abatement Act**

On or after September 1, 2001, a school district may not enter into a tax abatement agreement under Tax Code Chapter 312. *Tax Code 312.002(f)*

**Reinvestment Zone
for Chapter 313**

Notwithstanding any other provision of Tax Code Chapter 312 to the contrary, the board, in the manner required for official action and for purposes of Tax Code Chapter 313, Subchapter B or C [see Texas Economic Development Act below], may designate an area entirely within the territory of the district as a reinvestment zone if the board finds that, as a result of the designation and the granting of a limitation on appraised value, for property located in the reinvestment zone, the designation is reasonably likely to:

1. Contribute to the expansion of primary employment in the reinvestment zone; or
2. Attract major investment in the reinvestment zone that would:
 - a. Be a benefit to property in the reinvestment zone and to the district; and

- b. Contribute to the economic development of the region of this state in which the district is located.

The board may seek the recommendation of the commissioners court of each county and the governing body of each municipality that has territory in the district before designating an area as a reinvestment zone.

The district's annual financial management report must include a description of the district's financial management performance based on a comparison, provided by TEA, of the district's performance on the indicators in 19 Administrative Code 109.1001 to state established standards and the district's previous performance on the indicators. *Education Code 39.083(b)* [See CFC]

Each district must provide the public with an opportunity to comment on the report at a public hearing. *Education Code 39.083(d); 19 TAC 109.1001(q)(2)*

Report
Requirements

The report shall contain information that discloses state-established standards and the district's financial management performance under each indicator for the current and previous year's financial accountability ratings, and any descriptive information required by the commissioner, including:

1. A copy of the superintendent's current employment contract or other written documentation of employment if no contract exists. This must disclose all compensation and benefits paid to the superintendent. The district may publish the superintendent's employment contract on the district's website instead of publishing it in the annual financial management report;
2. A summary schedule for the fiscal year (12-month period) of expenditures paid on behalf of the superintendent and each board member and total reimbursements received by the superintendent and each board member. This includes transactions on a district's credit card(s), debit card(s), stored-value card(s), and any other similar instrument(s) to cover expenses incurred by the superintendent and each board member. The summary schedule must separately report reimbursements for meals, lodging, transportation, motor fuel, and other items. The summary schedule of total reimbursements should not include reimbursements for supplies and materials that were purchased for the operation of the district;
3. A summary schedule for the fiscal year of the dollar amount of compensation and fees received by the superintendent from an outside school district or any other outside entity in exchange for professional consulting or other personal services. The schedule must separately report the amount received from each entity;

4. A summary schedule for the fiscal year of the total dollar amount of gifts that had a total economic value of \$250 or more received by the executive officers and board members.
 - a. This reporting requirement applies only to:
 - (1) Gifts received by the district's executive officers and board members (and their immediate family as described by Government Code, Chapter 573, Subchapter B, Relationships by Consanguinity or by Affinity) from an outside entity that received payments from the district in the prior fiscal year, and
 - (2) Gifts from competing vendors that were not awarded contracts in the prior fiscal year.
 - b. This reporting requirement does not apply to reimbursement by an outside entity for travel-related expenses when the purpose of the travel was to investigate matters directly related to an executive officer's or board member's duties or to investigate matters related to attendance at education-related conferences and seminars with the primary purpose of providing continuing education; however, this exclusion does not apply to trips for entertainment purposes or pleasure trips. This reporting requirement excludes an individual gift or a series of gifts from a single outside entity that had a total economic value of less than \$250 per executive officer or board member;
5. A summary schedule for the fiscal year of the dollar amount received by board members for the total amount of business transactions with the district. This reporting requirement is not to duplicate the items disclosed in the summary schedule of reimbursements received by board members; and
6. Any other information the board of a district determines to be useful.

19 TAC 109.1001(q)(3)

Public Hearing

The board shall hold a public hearing on the report. The public hearing must be held in the district's facilities within two months after receiving a final financial accountability rating.

In addition to other notice required by law, the board must provide notice of the hearing:

1. To a newspaper of general circulation in the geographic boundaries of the district in one posting prior to holding the public meeting, providing the time and place of the hearing. The notice in the newspaper may not be earlier than 30 days prior or later than ten days before the date of the hearing. If no newspaper is published in the county in which the district's central administration office is located, then the board must publish the notice in the county nearest to the county seat of the county in which the district's central administration office is located; and
2. Through electronic mail to the mass communication media serving the district, including, but not limited to, radio and television.

Education Code 39.083(d); 19 TAC 109.1001(q)(4)

Dissemination

After the hearing, the report shall be disseminated in the district in the manner prescribed by the commissioner. *Education Code 39.083(e)*

Records Retention

The district must retain the annual financial management report for at least three years after the public hearing and make it available to parents and taxpayers upon request. *19 TAC 109.1001(q)(6)*

Corrective Action
Plan

Each district that received an F rating must file a corrective action plan with TEA, prepared in accordance with instructions from the commissioner, within one month after the district's public hearing. *19 TAC 109.1001(q)*

Projected Deficit

If the commissioner, based on the indicators adopted under Education Code 39.082 [see CFC], projects a deficit for a district general fund within the following three school years, TEA shall provide the district interim financial reports, including projected revenues and expenditures, to evaluate the district's current budget status.

TEA may require a district to submit additional information needed to produce a financial report. If a district fails to provide information requested or if the commissioner determines that the information submitted by a district is unreliable, the commissioner may order the district to acquire professional services under Education Code 39A.902 [see AIC].

Education Code 39.0823

Annual Audit

The board shall have a district's fiscal accounts audited annually at district expense by a Texas certified or public accountant holding a permit from the State Board of Public Accountancy.

The audit shall be completed following the close of each fiscal year, and shall meet at least the minimum requirements and be in the format prescribed by the State Board of Education (SBOE), subject to review and comment by the state auditor. The audit shall include an audit of the accuracy of the fiscal information provided by a district through the Public Education Information Management System (PEIMS).

Education Code 44.008(a), (b)

Audit Requirements
and Procedures

A district must file with TEA an annual financial and compliance report and, if applicable, a state compensatory agreed-upon procedures report. These reports must be audited by an independent auditor, and the audit must be reviewed by TEA, including review of auditors' working papers, in accordance with the *Financial Accountability System Resource Guide (FASRG)*.

The annual financial audit report and state compensatory agreed-upon procedures report are due 150 days after the end of the fiscal year.

*Independent
Auditor*

A district must hire at its own expense an independent auditor to conduct an independent audit of its financial statements and provide an opinion on its annual financial and compliance report.

The independent auditor must:

1. Be associated with a certified public accountancy (CPA) firm that has a current valid license issued by the Texas State Board of Public Accountancy;
2. Be a certified public accountant with a current valid license issued by the Texas State Board of Public Accountancy, as required under Education Code 44.008; and
3. Adhere to the generally accepted auditing standards (GAAS), adopted by the American Institute of CPAs (AICPA), as amended, and the generally accepted government auditing standards (GAGAS), adopted by the U.S. Government Accountability Office, as amended.

The CPA firm must:

1. Be a member of the AICPA Governmental Audit Quality Center (GAQC);
2. Adhere to GAQC's membership requirements; and

3. Collectively have the knowledge, skills, and experience to be competent for the audit being conducted, including thorough knowledge of the government auditing requirements and:
 - a. Texas public school district environment; or
 - b. Public sector; or
 - c. Nonprofit sector.

If at any time the TEA division responsible for financial compliance reviews an audit firm's working papers and finds that the firm or the quality of the work does not meet the required standards, the division may require the district to change its audit firm.

19 TAC 109.23

Financial
Accountability
System Resource
Guide

The rules for financial accounting, including the selection of an auditor and the requirements for the audit, are described in the official TEA publication, *Financial Accountability System Resource Guide*, as amended, which is adopted as the SBOE's official rule. *19 TAC 109.41*

Filing of Report

A copy of the annual audit report, approved by the board, shall be filed with TEA not later than the 150th day after the end of the fiscal year for which the audit was made. If a board does not approve the audit report, it shall nevertheless file a copy of it with TEA, accompanied by a statement detailing its reasons for failing to approve the report. *Education Code 44.008(d)*

Financial Records

Each treasurer receiving or having control of any school fund shall keep a full and separate itemized account of each of the different classes of school funds received, and these records shall be available to audit. *Education Code 44.008(c)*

**Financial
Accountability
Rating System**

TEA will assign a financial accountability rating to each district. The commissioner of education will evaluate the rating system every three years and may modify the system to improve the effectiveness of the rating system. *Education Code 39.082; 19 TAC 109.1001(b), (c)*

Data Reviewed

TEA will use the following sources of data in calculating the financial accountability indicators for school districts:

1. Audited financial data in a district's annual financial report, the audited annual report required by Education Code 44.008 [see Audit Requirements and Procedures above].
2. PEIMS data submitted by a district.
3. Warrant holds as reported by the comptroller.

4. The average daily attendance information used for foundation school program purposes for a district.

19 TAC 109.1001(d)

Basis for Rating TEA will base the financial accountability rating of a district on its overall performance on the financial measurements, ratios, and other indicators established by the commissioner. Financial accountability ratings for a rating year are based on the data from the immediate prior fiscal year. *19 TAC 109.1001(e)*

Types of Ratings The types of financial accountability ratings a district may receive are A for superior achievement, B for above standard achievement, C for standard achievement, and F for substandard achievement. A school district receiving territory due to an annexation order by the commissioner under Education Code 13.054, or consolidation under Education Code Chapter 41, Subchapter H, will not receive a rating for two consecutive years beginning with the rating year that is based on financial data from the fiscal year in which the order of annexation becomes effective. After the second rating year, the receiving district will be subject to the financial accountability rating system.

The commissioner may lower a financial accountability rating based on the findings of an action conducted under Education Code Chapter 39, or change a financial accountability rating in cases of disaster, flood, extreme weather conditions, fuel curtailment, or another calamity. A financial accountability rating remains in effect until replaced by a subsequent rating.

19 TAC 109.1001(i), (k), (l)

Issuance of Ratings TEA will issue a preliminary financial accountability rating to a district on or before August 8 of each year. TEA will not delay the issuance of a preliminary or final rating if a district fails to meet the statutory deadline under Education Code 44.008 for submitting the annual financial report. Instead, the district will receive an F rating for substandard achievement.

If TEA receives an appeal of a preliminary rating under 19 Administrative Code 109.1001(n), TEA will issue a final rating to a district no later than 60 days after the deadline for submitting appeals. If TEA does not receive an appeal of a preliminary rating, the preliminary rating automatically becomes a final rating 31 days after issuance of a preliminary rating.

19 TAC 109.1001(m)

Appeals

A district may appeal its preliminary financial accountability rating through the appeals process described at 19 Administrative Code 109.1001(n).

A final rating issued by TEA may not be appealed under Education Code 7.057 or any other law or rule. *19 TAC 109.1001(o)*

**Annual Audit of
Dropout Records**

The commissioner shall develop a process for auditing district dropout records electronically. The commissioner shall also develop a system and standards for review of the audit or use systems already available at TEA. The system must be designed to identify districts that are at high risk of having inaccurate dropout records and that, as a result, require on-site monitoring of dropout records.

If the electronic audit of a district's dropout records indicates that the district is not at high risk of having inaccurate dropout records, the district may not be subject to on-site monitoring. If the risk-based system indicates that a district is at high risk of having inaccurate dropout records, the district is entitled to an opportunity to respond to the commissioner's determination before on-site monitoring may be conducted. A district must respond not later than the 30th day after the date the commissioner notifies the district of the commissioner's determination. If a district's response does not change the commissioner's determination that the district is at high risk of having inaccurate dropout records or if the district does not respond in a timely manner, the commissioner shall order TEA staff to conduct on-site monitoring.

Education Code 44.0312

**Purchases Valued at
or Above \$50,000**

All district contracts for the purchase of goods and services, except contracts for the purchase of produce or vehicle fuel, valued at \$50,000 or more in the aggregate for each 12-month period, shall be made by the method that provides the best value for a district:

1. Competitive bidding for services other than construction services.
2. Competitive sealed proposals for services other than construction services.
3. A request for proposals for services other than construction services.
4. An interlocal contract.
5. The reverse auction procedure as defined by Government Code 2155.062(d).

Education Code 44.031(a)

[See COA for requirements applicable to school nutrition purchases, including produce, using federal funds.]

Note: Regarding construction of school facilities, see CV generally; CVA for competitive bidding; CVB for competitive sealed proposals; CVC and CVD for contracts using a construction manager; CVE for design/build contracts; and CVF for job order contracts for minor repairs/alterations.

Factors

In awarding a contract, a district shall consider:

1. Purchase price.
2. The reputation of the vendor and of the vendor's goods or services.
3. The quality of the vendor's goods or services.
4. The extent to which the goods or services meet the district's needs.
5. The vendor's past relationship with the district.
6. The impact on the ability of the district to comply with laws relating to historically underutilized businesses.
7. The total long-term cost to the district to acquire the goods or services.
8. For a contract that is not for goods and services related to telecommunications and information services, building construction and maintenance, or instructional materials, whether the vendor or the vendor's ultimate parent company or majority owner has its principal place of business in this state or employs at least 500 persons in this state.
9. Any other relevant factor specifically listed in the request for bids or proposals.

Education Code 44.031(b)

In awarding a contract by competitive sealed bid under Education Code 44.031, a district that has its central administrative office located in a municipality with a population of less than 250,000 may consider a bidder's principal place of business in the manner provided by Local Government Code 271.9051. This section does not apply to the purchase of telecommunications services or information services, as those terms are defined by 47 U.S.C. Section 153. *Education Code 44.031(b-1)*

The factors listed above are the only criteria that may be considered by a district in its decision to award a contract. *R.G.V. Vending v. Weslaco Indep. Sch. Dist.*, 995 S.W.2d 897 (Tex. App.—Corpus Christi 1999, no pet.)

Out-of-State Bidders

A board shall not award a contract for services or for purchase of supplies, materials, or equipment to a bidder whose principal place of business is not in this state, unless the nonresident underbids the lowest bid submitted by a responsible resident bidder by an amount that is not less than the greater of the amount by which a resident bidder would be required to underbid a nonresident bidder to obtain a comparable contract in the state in which the nonresident's principal place of business is located, or a state in which a majority of the manufacturing relating to the contract will be performed. *Gov't Code 2252.001–.002*

This requirement shall not apply to a contract involving federal funds. A district shall rely on information published by the comptroller in evaluating the bids of a nonresident bidder. *Gov't Code 2252.003–.004*

Required Contract Provision

A district may not enter into a contract with a company for goods and services unless the contract contains a written verification from the company that it does not boycott Israel and will not during the term of the contract. *Gov't Code 2270.002*

Disclosure of Interested Parties

A district may not enter into a contract that requires an action or vote of the board before the contract may be signed, or has a value of at least \$1 million, with a business entity unless the business entity submits a disclosure of interested parties to the district at the time the business entity submits the signed contract to the district. *Gov't Code 2252.908*

A contract does not require an action or vote by the board if the board has legal authority to delegate to its staff the authority to execute the contract, the board has delegated this authority, and the board does not participate in the selection of the business entity with which the contract is entered into. *1 TAC 46.1(c)*

Except as provided below, Local Government Code Chapter 271, Subchapter B does not apply to a competitive bidding process under this policy.

Request for Proposals

The district shall prepare a request for competitive sealed proposals that includes information that vendors may require to respond to the request. The district shall state in the request for proposals the selection criteria that will be used in selecting the successful offeror.

Opening Proposals

The district shall receive, publicly open, and read aloud the names of the offerors and, if any are required to be stated, all prices stated in each proposal. Not later than the 45th day after the date on which the proposals are opened, the district shall evaluate and rank each proposal submitted in relation to the published selection criteria.

Selection

The district shall select the offeror that offers the best value for the district based on the published selection criteria and on its ranking evaluation. The district shall first attempt to negotiate a contract

with the selected offeror. The district may discuss with the selected offeror options for a scope or time modification and any price change associated with the modification. If the district is unable to negotiate a satisfactory contract with the selected offeror, the district shall, formally and in writing, end negotiations with that offeror and proceed to the next offeror in the order of the selection ranking until a contract is reached or all proposals are rejected.

Best Value
Determination

In determining the best value for the district, the district is not restricted to considering price alone but may consider any other factors stated in the selection criteria.

Education Code 44.0352

**Interlocal
Agreements**

To increase efficiency and effectiveness, a district may contract or agree with other local governments and with state agencies, including the comptroller, to perform some of its purchasing functions. *Gov't Code 791.001, .011, .025*

An interlocal contract must be authorized by a board and the governing body of each contracting party; must state the purpose, terms, rights, and duties of the contracting parties; and must specify that each party paying for the performance of governmental functions or services shall make those payments from current revenues available to the paying party.

An interlocal contractual payment must be in an amount that fairly compensates the performing party for the services or functions performed under the contract. The contract may be renewed and may have a specified term of years.

Gov't Code 791.011(d)–(f), (i)

A district may agree with another local government, including a nonprofit corporation that is created and operated to provide one or more governmental functions and services, or with the state or a state agency, including the comptroller, to purchase goods and services reasonably required for the installation, operation, or maintenance of the goods. Such an agreement may not, however, apply to services provided by firefighters, police officers, or emergency medical personnel.

A district that purchases goods and services by agreement with another local government or with the state or state agency satisfies the requirement to seek competitive bids for the purchase of goods and services.

Gov't Code 791.025(b)–(c); Atty. Gen. Op. JC-37 (1999)

A district may not enter into a contract to purchase construction-related goods or services through a purchasing cooperative in an amount greater than \$50,000 unless a person designated by the district certifies in writing that:

1. The project for which the construction-related goods or services are being procured does not require the preparation of plans and specifications under Chapter 1001 or 1051, Occupations Code; or
2. The plans and specifications required under Chapters 1001 and 1051, Occupations Code, have been prepared.

“Purchasing cooperative” means a group purchasing organization that governmental entities join as members and the managing entity of which receives fees from members or vendors.

Local Gov't Code 271.082

District Requirements

A district may participate in the purchasing program, including participation in purchases that use the reverse auction procedure, by filing with the comptroller a resolution adopted by the board requesting that the district be allowed to participate on a voluntary basis, to the extent the comptroller deems feasible, and stating that the board shall:

1. Designate an official to act for the district in all matters relating to the program, including the purchase of items from the vendor under any contract.
2. Direct the decisions of its representative.
3. Be responsible for:

- a. Submitting requisitions to the commission under contract(s) and for payment directly to the vendor; and
 - b. Electronically sending purchase orders directly to vendors, or complying with procedures governing a reverse auction purchase, and electronically sending the comptroller reports on actual purchases.

A purchase made through participation in this program meets any state requirement to seek competitive bids for the purchase of the item.

Local Gov't Code 271.083

**Multiple Award
Contract Schedule**

The comptroller shall develop a schedule of multiple award contracts that have been previously awarded using a competitive process by the federal government or any other governmental entity in any state. *Gov't Code 2155.502*

A district may purchase goods or services directly from a vendor under a contract listed on a schedule. A district contracting for the purchase of an automated information system under a contract listed on a schedule shall comply with Government Code 2157.068(e-1) (regarding purchase of information technology commodity items) [see Automated Information System, above]. An authorized purchase satisfies any requirement of state law relating to competitive bids or proposals.

The price listed for a good or service under a multiple award contract is a maximum price. A district may negotiate a lower price for goods or services under a contract listed on a schedule.

Gov't Code 2155.504

**Cooperative
Purchasing Program**

A district may participate in a cooperative purchasing program with another local government of this state or another state or with a local cooperative organization of this state or another state. 1. Designate a person to act on behalf of the district in all matters relating to the program.
2. Make payments to another participating local government or local cooperative organization or directly under a contract, as provided in the agreement.
3. Be responsible for the vendor's compliance.

The amount, purpose, and disposition of any fee described above must be presented in a written report and submitted annually in an open meeting of the board. The written report must appear as an agenda item. The commissioner of education may audit the written report.

Education Code 44.0331

1. A real-time bidding process usually lasting less than one hour and taking place at a previously scheduled time and internet location, in which multiple suppliers, anonymous to each other, submit bids to provide the designated goods or services; or
2. A bidding process usually lasting less than two weeks and taking place during a previously scheduled period and at a previously scheduled internet location, in which multiple suppliers, anonymous to each other, submit bids to provide the designated goods or services.

Gov't Code 2155.062(d)

Commitment of Current Revenue A contract for the acquisition, including lease, of real or personal property is a commitment of a district's current revenue only, provided the contract contains either or both of the following provisions:

2. Is conditioned on a best efforts attempt by the board to obtain and appropriate funds for payment of the contract.

Local Gov't Code 271.903

Change Orders

If a change in plans or specifications is necessary after the performance of a contract is begun or if it is necessary to decrease or increase the quantity of work to be performed or of materials, equipment, or supplies to be furnished, the district may approve change orders making the changes. The district may grant general authority to an administrative official to approve the change orders.

The total contract price may not be increased because of the changes unless additional money for increased costs is approved for that purpose from available money or is provided for by the authorization of the issuance of time warrants.

A contract with an original contract price of \$1 million or more may not be increased by more than 25 percent. If a change order for a contract with an original contract price of less than \$1 million increases the contract amount to \$1 million or more, the total of the subsequent change orders may not increase the revised contract amount by more than 25 percent of the original contract price.

Education Code 44.0411

Education Code 44.901-.902 [See policy CL for legal requirements pertaining to such contracts and plans.]

Recycled Products

A district shall give preference in purchasing to products made of recycled materials if the products meet applicable specifications as to quantity and quality. A district shall regularly review and revise its purchasing procedures and specifications for purchase of goods, supplies, equipment, and materials in order to:

1. Eliminate procedures and specifications that explicitly discriminate against products made of recycled materials.
2. Encourage the use of products made of recycled materials.

3. Ensure to the maximum extent economically feasible that the district purchase products that may be recycled when they have served their intended use.

A district may seek an exemption from compliance if it has a population of less than 5,000 within its geographic boundaries and demonstrates to the Water Commission that compliance would work a hardship on the district.

Health and Safety Code 361.426

Agricultural Products

If the cost and quality are equal, a district shall give preference in purchasing to agricultural products, including textiles and other similar products, that are produced, processed, or grown in Texas. "Processed" means canning, freezing, drying, juicing, preserving, or any other act that changes the form of a good from its natural state to another form. If Texas agricultural products are not equal in cost and quality to other agricultural products, a district shall give preference in purchasing to agricultural products produced, processed, or grown in the United States, if the cost and quality of the U.S. and foreign products are equal.

(LEGAL)

Payment Due

Except as provided below, a payment by a district under a contract executed on or after September 1, 1987, is overdue on the 31st day after the later of:

1. The date the district receives the goods under the contract;
2. The date the performance of the service under the contract is completed; or
3. The date the district receives an invoice for the goods or services.

Exception

A payment under a contract executed on or after September 1, 1993, owed by a district whose board meets only once a month or less frequently is overdue on the 46th day after the later event described above. The renewal, amendment, or extension of a contract executed on or before September 1, 1993, is considered to be the execution of a new contract.

Gov't Code 2251.021

Interest

A payment begins to accrue interest on the date the payment becomes overdue. The rate of interest that accrues on an overdue payment is the rate in effect on September 1 of the fiscal year in which the payment becomes overdue. The rate in effect on September 1 is equal to the sum of one percent and the prime rate as published in the Wall Street Journal on the first day of July of the preceding fiscal year that does not fall on a Saturday or Sunday.

Interest on an overdue payment stops accruing on the date a district or vendor mails or electronically transmits the payment.

The unpaid balance of a partial payment made within the prescribed period accrues interest, unless the balance is in dispute.

Gov't Code 2251.025, .029

A district shall:

1. Compute interest imposed on the district.
2. Pay the interest at the time payment is made on the principal.
3. Submit the interest payment with the net amount due for the goods or service.

A district may not:

1. Require a vendor to petition, bill, or wait an additional day to receive the interest due.

Early Payment Discount

A district should take advantage of an offer for an early payment discount. A district may not take an early payment discount unless the district makes a full payment within the discount period. If a district takes an early payment discount later, the unpaid balance accrues interest beginning on the date the discount offer expires.

Gov't Code 2251.030

Exceptions

These provisions do not apply to a payment made by a district, vendor, or subcontractor if:

1. There is a bona fide dispute between the district and a vendor, contractor, subcontractor, or supplier about the goods delivered or the service performed that causes the payment to be late;
2. There is a bona fide dispute between a vendor and a subcontractor or between a subcontractor and its supplier about the goods delivered or the services performed that causes the payment to be late;
3. The terms of a federal contract, grant, regulation, or statute prevent the district from making a timely payment with federal funds; or
4. The invoice is not mailed to the person to whom it is addressed in strict accordance with any instruction on the purchase order relating to the payment.

Gov't Code 2251.002

Disputed Payment

A district shall notify a vendor of an error in an invoice submitted for payment by the vendor not later than the 21st day after the date the district receives the invoice. If a dispute is resolved in favor of the vendor, the vendor is entitled to receive interest on the unpaid balance beginning on the date that the payment for the invoice is overdue. If a dispute is resolved in favor of the district, the vendor shall submit a corrected invoice that must be paid in accordance with Government Code 2251.021 [see Payment Due above]. The unpaid balance accrues interest if the corrected invoice is not paid by the appropriate date. *Gov't Code 2251.042*

Vendor Remedy for Nonpayment

A vendor may suspend performance required under a contract with a district if the district does not pay the vendor an undisputed amount within the time limits provided above, and the vendor gives

the district written notice informing the district that payment has not been received and stating the intent of the vendor to suspend performance for nonpayment.

The vendor may not suspend performance before the tenth day after the date the vendor gives this notice.

A vendor who suspends performance is not:

1. Required to supply further labor, services, or materials until the vendor is paid the amount provided for under Government Code Chapter 2251, plus costs for demobilization and remobilization; or
2. Responsible for damages resulting from suspending work if the district with which the vendor has the contract has not notified the vendor in writing before performance is suspended that payment has been made or that a bona fide dispute for payment exists.

A notification that a bona fide dispute for payment exists must include a list of the specific reasons for nonpayment. If a reason specified is that labor, services, or materials provided by the vendor or the vendor's subcontractor are not provided in compliance with the contract, the vendor is entitled to a reasonable opportunity to cure the noncompliance of the listed items, or offer a reasonable amount to compensate for listed items for which noncompliance cannot be promptly cured.

Authority

A district may establish and operate an economical public school transportation system in the district or outside the district, if the district enters into an interlocal contract as provided by Government Code Chapter 791. In establishing and operating the transportation system, a board shall employ bus drivers certified in accordance with standards and qualifications adopted by the Department of Public Safety. *Education Code 34.007*

**Transportation
Allotment for Eligible
Students**

Each district operating a regular transportation system is entitled to an allotment based on the daily cost per regular eligible student of operating and maintaining the regular transportation system and the linear density of that system. *Education Code 42.155(c)*

“Regular eligible student” means a student who resides two or more miles from the student’s campus of regular attendance, measured along the shortest route that may be traveled on public roads, and who is not classified as a student eligible for special education services. *Education Code 42.155(b)(1)*

The commissioner of education may not reduce the allotment because a district provides transportation for an eligible student to and from a child-care facility or a grandparent’s residence instead of the student’s residence, if the transportation is provided within the approved routes of the district for the school the student attends. *Education Code 42.155(k)*

A board may require payment of a reasonable fee for transportation to and from school of a student who lives within two miles of the school the student attends, except that a board may not charge a fee for transportation for which a district receives funds under Education Code 42.155(d). *Education Code 11.158(a)(14)*

If the district does not receive any funds under Education Code 42.155 and does not participate in a county transportation system for which an allotment is provided under Education Code 42.155(i), the board may require payment of a reasonable fee for the transportation of a student to and from the school the student attends. *Education Code 11.158(a)(16)*

**Hazardous
Conditions or High
Risk of Violence**

A district may apply for and on approval of the commissioner receive an additional amount of up to ten percent of its regular transportation allotment to be used for the transportation of children living within two miles of the school they attend who would be subject to hazardous traffic conditions or a high risk of violence if they walked to school. *Education Code 42.155(d); 19 TAC 61.1016*

Definitions

“Hazardous traffic condition” means an area within two miles of a campus where no walkway is provided and children must walk along or cross a freeway or expressway, an underpass, an overpass or a bridge, an uncontrolled major traffic artery, an industrial or commercial area, or another comparable condition.

“Area presenting a high risk of violence” means an area within two miles of a campus that law enforcement records indicate presents a high incidence of violent crimes.

19 TAC 61.1016(b)

Community Walking
Transportation
Programs

A district may use all or part of any additional funds received to support community walking transportation programs, including walking school bus programs, provided that the district requires each supported program to submit a financial report each semester

that covers services provided by the program for the benefit of the district. *Education Code 42.155(d-2)*

Eligibility

A district or county is eligible to report hazardous area service annual mileage in the Foundation School Program (FSP) transportation application if the district submits to TEA a policy adopted by the board that:

1. Explains the specific hazardous traffic conditions or areas presenting high risk for violence that apply to the district and exist within two miles of its campuses; and
2. If a district elects to implement community walking transportation programs or innovative school safety projects, requires such district-supported community walking transportation programs or innovative school safety projects to:
 - a. Utilize trained adults with current background checks to either walk students to their home or school or to stand guard along safe routes; and
 - b. Provide financial reports to the district each semester.

19 TAC 61.1016(c)

Reporting

A district is required to submit a hazardous area policy prior to the start of the school year and to report annual hazardous area service mileage by August 1 of each school year on the home-to-school/school-to-home section of the FSP transportation route services report. Districts requesting funds for an area presenting a high risk of violence must provide to TEA, contemporaneously with the explanation required at Eligibility above, consolidated law enforcement records that document violent crimes identified by reporting agencies within the relevant jurisdiction. *19 TAC 61.1016(d)*

**Career and
Technology Program**

The cost of transporting career and technology education students from one campus to another inside a district or from a sending district to another secondary public school for a career and technology program or an area career and technology school, or to an approved postsecondary institution under a contract for instruction approved by TEA shall be reimbursed based on the number of actual miles traveled times the district's official extracurricular travel per mile rate as set by the board and approved by TEA. *Education Code 42.155(f)*

Bus Operation

A person may not operate a school bus if:

1. The door of the school bus is open; or

Designation of
Child-Care Facility
or Grandparent's
Residence

A board, after determining eligibility for transportation services, shall allow a parent to designate a child-care facility or the residence of a grandparent of the child instead of the child's residence as the regular location for purposes of obtaining transportation under the system to and from the child's school, if the location is an approved stop on an approved route. *Education Code 34.007(b)(2)*

"Child-care facility" means a facility licensed, certified, or registered by the Department of Family and Protective Services to provide assessment, care, training, education, custody, treatment, or supervision for a child who is not related by blood, marriage, or adoption to the owner or operator of the facility for all or part of the 24-hour day, whether or not the facility is operated for profit or charges for the services it offers. *Human Resources Code 42.002(3)*

Transportation of
Homeless Students

As a condition of receiving funds under the McKinney-Vento Homeless Assistance Act, a district shall adopt policies and practices to ensure that transportation is provided, at the request of the parent or guardian (or in the case of an unaccompanied youth, at the request of the homeless liaison [see FFC]) to and from the school of origin, as follows:

1. If the child continues to live in the area served by the district in which the school of origin is located, the district of origin will provide the child's transportation to and from the school of origin.

These procedures shall:

1. Ensure that children in foster care needing transportation to the school of origin will promptly receive transportation in a cost-effective manner and in accordance with 42 U.S.C. 675(4)(A); and

Such a conflict of interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in or a tangible personal benefit from a non-federal entity considered for a federal award. The district may set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value. The standards of conduct must provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the district.

An SFA participating in the program may apply a geographic preference when procuring unprocessed locally grown or locally raised agricultural products. When utilizing the geographic preference to procure such products, the SFA making the purchase has the discretion to determine the local area to which the geographic preference option will be applied.

**Claims for
Reimbursement**

Internal Controls

The school food authority (SFA) shall establish internal controls which ensure the accuracy of meal counts prior to the submission of the monthly claim for reimbursement under the National School Lunch Program (NSLP) or the School Breakfast Program (SBP), as applicable. At a minimum, these internal controls shall include an on-site review of the meal counting and claiming system employed by each school within the jurisdiction of the SFA; comparisons of daily free, reduced price, and paid meal counts against data which will assist in the identification of meal counts in excess of the number of free, reduced price, and paid meals served each day to children eligible for such meals; and a system for following up on those meal counts which suggest the likelihood of meal counting problems. *7 C.F.R. 210.8(a), 220.11(a)*

On-Site Reviews

Every school year, each SFA with more than one school shall perform no less than one on-site review of the counting and claiming system and the readily observable general areas of review cited under *7 C.F.R. 210.18(h)* (regarding general areas of review by the Texas Department of Agriculture) for each school under its jurisdiction under the NSLP, and for a minimum of 50 percent of schools under its jurisdiction with every school being reviewed at least once every two years under the SBP.

The on-site review shall take place prior to February 1 of each school year. Further, if the review discloses problems with a school's meal counting or claiming procedures or general review areas, the SFA shall ensure that the school implements corrective action and, within 45 days of the review, conduct a follow-up on-site review to determine that the corrective action resolved the problems. Each on-site review shall ensure that the school's claim is based on the counting system and that the counting system, as implemented, yields the actual number of reimbursable free, reduced price, and paid meals, respectively, served for each day of operation.

7 C.F.R. 210.8(a)(1), 220.11(d)(1)

[For the definition of "school food authority," see COA(LEGAL).]

**Community
Eligibility Provision**

The community eligibility provision (CEP) is an alternative reimbursement option for eligible high poverty districts. Each CEP cycle lasts up to four years before the district or school is required to recalculate their reimbursement rate. Districts and schools have the option to recalculate sooner, if desired. A district may elect this provision for all of its schools, a group of schools, or an individual school. Participating districts must offer free breakfasts and lunches for the length of their CEP cycle, not to exceed four successive years, to all children attending participating schools and receive meal reimbursement based on claiming percentages, as described in 7 C.F.R. 245.9(f)(4)(v). *7 C.F.R. 245.9(f); 42 U.S.C. 1759a(a)(1)(F)*

To be eligible to participate in the CEP, a district, group of schools, or school must:

1. Have an identified student percentage of at least 40 percent, as of April 1 of the school year prior to participating in the CEP, unless otherwise specified by the USDA Food and Nutrition Service (FNS). Individual schools participating in a group may have less than 40 percent identified students, provided that the average identified student percentage for the group is at least 40 percent.
2. Participate in the NSLP and SBP for the duration of the four-year cycle. Schools that operate on a limited schedule, where it is not operationally feasible to offer both lunch and breakfast, may elect CEP with FNS approval.
3. Comply with the procedures and requirements specified in 7 C.F.R. 245.9(f)(4) to participate in the CEP.

7 C.F.R. 245.9(f)(3)

(LEGAL)

**Resignation without
Consent (Unilateral
Resignation)**

An educator employed under a probationary contract for the following school year, or under a term or continuing contract, may relinquish the position and leave district employment at the end of the school year without penalty by filing a written resignation with a board or a board's designee not later than the 45th day before the first day of instruction of the following school year.

A written resignation mailed by prepaid certified or registered mail to a board president or a board's designee at the post office address of the district is considered filed at the time of mailing.

Education Code 21.105(a), .160(a), .210(a)

An unequivocal resignation filed not later than the 45th day before the first day of instruction of the following school year is effective upon filing with a district and the district cannot reject such a resignation. The resignation cannot be withdrawn by the teacher based on an argument that the district has not accepted the resignation. *Fantroy v. Dallas Indep. Sch. Dist., Tex. Comm'r of Educ. Decision No. 034-R9-0206 (Mar. 5, 2009); Garcia v. Miles Indep. Sch. Dist., Tex. Comm'r of Educ. Decision No. 055-R1-503 (Nov. 30, 2006).*

**Resignation with

2. Fails without good cause to comply with the resignation deadline or the provision regarding resignation by consent; and
3. Fails without good cause to perform the contract.

Education Code 21.105(c), .160(c), .210(c)

from the district. Unless the district and the educator have a written agreement to the contrary, the effective date of separation from employment is the first day that, without district permission, the educator fails to appear for work under the contract.

2. Renders a finding that good cause did not exist under Education Code 21.105(c)(2) (probationary contract), 21.160(c)(2) (continuing contract), or 21.210(c)(2) (term contract). This finding constitutes prima facie evidence of the educator's lack of good cause but is not a conclusive determination.
3. Submits the following required attachments to the written complaint:
 - a. The educator's resignation letter, if any;
 - b. The agreement with the educator regarding the effective date of separation from employment, if any;
 - c. The educator's contract; and

"Solicitation of a Romantic Relationship"

"Solicitation of a romantic relationship" means deliberate or repeated acts that can be reasonably interpreted as the solicitation by an educator of a relationship with a student that is romantic in nature. A romantic relationship is often characterized by a strong emotional or sexual attachment and/or patterns of exclusivity, but does not include appropriate educator-student relationships that arise out of legitimate contexts such as familial connections or longtime acquaintance. The following acts, considered in context, may constitute prima facie evidence of the solicitation by an educator of a romantic relationship with a student:

1. Behavior, gestures, expressions, or communications with a student that are unrelated to the educator's job duties and evidence a romantic intent or interest in the student, including statements of love, affection, or attraction. Factors that may be considered in determining the romantic intent of such communications or behavior include:
 - a. The nature of the communications;
 - b. The timing of the communications;
 - c. The extent of the communications;
 - d. Whether the communications were made openly or secretly;
 - e. The extent that the educator attempts to conceal the communications;

Searches—General Rule

Citizens, including district employees, have a right to be free from unreasonable searches and seizures. *U.S. Const. Amendment IV; Tex. Const. Art. I, Sec. 9*

A district may search an employee or an employee's property if:

1. There are reasonable grounds to believe that the search will turn up evidence that the employee is guilty of work-related misconduct; and
2. The search is reasonably related in scope to the circumstances that justified the interference in the first place.

O'Connor v. Ortega, 480 U.S. 709 (1987); *New Jersey v. T.L.O.*, 469 U.S. 325 (1985)

In addition, a district may search an employee's workplace for non-investigatory, work-related purposes, if there are reasonable grounds to believe that the search will turn up evidence that the employee is guilty of work-related misconduct. *O'Connor v. Ortega*, 480 U.S. 709 (1987)

Drug/Alcohol Testing

Blood, urine, and breath tests of public employees to determine drug use are searches under the Fourth Amendment of the U.S. Constitution. *Skinner v. Railway Labor Executives Ass'n*, 489 U.S. 602 (1989)

Random Drug Testing

A district may conduct drug tests, without a warrant and without individualized suspicion, when the test serves special governmental needs that outweigh the individual's privacy expectation. *Skinner v. Railway Labor Executives Ass'n*, 489 U.S. 602 (1989); *Nat'l Treasury Employees Union v. Von Raab*, 489 U.S. 656 (1989)

Safety-Sensitive Positions

Random alcohol and drug testing of employees in "safety-sensitive" positions may be permissible when the intrusiveness of the search is minimal and a board is able to demonstrate that the drug-testing program furthers its interest in ensuring the physical safety of students. "Safety-sensitive" positions include those that involve the handling of potentially dangerous equipment or hazardous substances in an environment including a large number of children. *Aubrey v. Sch. Bd. of LaFayette Parish*, 148 F.3d 559 (5th Cir. 1998)

Return-to-Duty
Testing

If a district permits an employee who has violated a DOT drug and alcohol regulation to return to safety-sensitive functions, the district must ensure that the employee takes a return-to-duty test. This test cannot occur until after the substance abuse professional has determined that the employee has successfully complied with prescribed education and/or treatment. The employee must have a negative drug test result and/or an alcohol test with an alcohol concentration of less than 0.02 before resuming performance of safety-sensitive duties.

A district is not required to return an employee to safety-sensitive duties because the employee has met the conditions described in the preceding paragraph. Return-to-duty is a personnel decision that the district has the discretion to make subject to legal requirements.

49 C.F.R. 40.305(a)–(b)

Educational
Materials

A district shall provide educational materials that explain the federal requirements and the district's policies and procedures with respect to meeting these requirements. The district shall ensure that a copy of these materials is distributed to each driver before the start of alcohol and controlled substances testing under this policy and to each driver subsequently hired or transferred into a position that requires driving a commercial motor vehicle. Written notice to representatives of employee organizations of the availability of this information shall also be provided. The materials shall include detailed discussion of at least the items listed at 49 C.F.R. 382.601.
49 C.F.R. 382.601

Reports

A district required by federal safety regulations to conduct alcohol and drug testing of an employee who holds a commercial driver's license shall report the following information to the Department of Public Safety:

1. A valid positive result on an alcohol or drug test and whether the specimen producing the result was a dilute specimen. "Valid positive result" means an alcohol concentration of 0.04 or greater on an alcohol confirmation test, or a result at or above the cutoff concentration levels listed in 49 C.F.R. 40.87 on a confirmation drug test. "Dilute specimen" means a specimen with creatinine and specific gravity values that are lower than expected for human urine.
2. A refusal to provide a specimen for an alcohol or drug test.
3. An adulterated specimen or substituted specimen, as defined at 49 C.F.R. 40.3, on an alcohol or drug test.

Official Oppression

A public servant acting under color of the public servant's office or employment commits an offense if the public servant intentionally subjects another to sexual harassment.

A public servant acts under color of the public servant's office or employment if the person acts or purports to act in an official capacity or takes advantage of such actual or purported capacity.

"Sexual harassment" means unwelcome sexual advances, requests for sexual favors, or other verbal or physical conduct of a sexual nature, submission to which is made a term or condition of a person's exercise or enjoyment of any right, privilege, power, or immunity, either explicitly or implicitly.

Penal Code 39.03(a)(3), (b), (c)

Harassment of Employees

Harassment on the basis of a protected characteristic is a violation of the federal anti-discrimination laws. A district has an affirmative duty, under Title VII, to maintain a working environment free of harassment on the basis of sex, race, color, religion, and national origin. *42 U.S.C. 2000e, et seq.; 29 C.F.R. 1606.8(a), 1604.11*

Harassment violates Title VII if it is sufficiently severe and pervasive to alter the conditions of employment. *Pennsylvania State Police v. Suders*, 542 U.S. 129 (2004)

Title VII does not prohibit all verbal and physical harassment in the workplace. For example, harassment between men and women is not automatically unlawful sexual harassment merely because the words used have sexual content or connotations. *Oncale v. Sun-downer Offshore Services, Inc.*, 523 U.S. 75 (1998)

Hostile Environment

Verbal or physical conduct based on a person's sex, race, color, religion, or national origin constitutes unlawful harassment when the conduct:

1. Has the purpose or effect of creating an intimidating, hostile, or offensive working environment;
2. Has the purpose or effect of unreasonably interfering with an individual's work performance; or
3. Otherwise adversely affects an individual's employment opportunities.

Pennsylvania State Police v. Suders, 542 U.S. 129 (2004); *Nat'l Railroad Passenger Corp. v. Morgan*, 536 U.S. 101 (2002); *Meritor Savings Bank v. Vinson*, 477 U.S. 57 (1986); 29 C.F.R. 1604.11, 1606.8

Quid Pro Quo

Conduct of a sexual nature also constitutes harassment when:

1. Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment; or
2. Submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting the individual.

29 C.F.R. 1604.11(a)

Same-Sex Sexual Harassment

Same-sex sexual harassment constitutes sexual harassment. *Oncale v. Sundowner Offshore Services, Inc.*, 523 U.S. 75 (1998)

Harassment Policy

A district should take all steps necessary to prevent sexual harassment from occurring, such as affirmatively raising the subject, expressing strong disapproval, developing appropriate penalties, informing employees of their right to raise and how to raise the issue of harassment under Title VII, and developing methods to sensitize all concerned. 29 C.F.R. 1604.11(f)

Corrective Action

A district is responsible for acts of unlawful harassment by fellow employees and by nonemployees if the district, its agents, or its supervisory employees knew or should have known of the conduct, unless the district takes immediate and appropriate corrective action. 29 C.F.R. 1604.11(d), (e), 1606.8(d), (e)

When no tangible employment action is taken, a district may raise the following affirmative defense:

1. That the district exercised reasonable care to prevent and promptly correct any harassing behavior; and
2. That the employee unreasonably failed to take advantage of any preventive or corrective opportunities provided by the employer or to avoid harm otherwise.

Burlington Industries, Inc. v. Ellerth, 524 U.S. 742 (1998); *Faragher v. City of Boca Raton*, 524 U.S. 775 (1998)

Harassment of Unpaid Interns

A district commits an unlawful employment practice if sexual harassment of an unpaid intern occurs and the district or its agents or supervisors know or should have known that the conduct constituting sexual harassment was occurring, and fail to take immediate and appropriate corrective action. *Labor Code 21.1065*

Note: This policy addresses discrimination, harassment, and retaliation involving District employees. For discrimination, harassment, and retaliation involving students, see FFH. For reporting requirements related to child abuse and neglect, see FFG.

Alternative Reporting Procedures

An employee shall not be required to report prohibited conduct to the person alleged to have committed it. Reports concerning prohibited conduct, including reports against the Title IX coordinator or ADA/Section 504 coordinator, may be directed to the Superintendent.

A report against the Superintendent may be made directly to the Board. If a report is made directly to the Board, the Board shall appoint an appropriate person to conduct an investigation.

Timely Reporting

Reports of prohibited conduct shall be made as soon as possible after the alleged act or knowledge of the alleged act. A failure to promptly report may impair the District's ability to investigate and address the prohibited conduct.

Notice of Report

Any District supervisor who receives a report of prohibited conduct shall immediately notify the appropriate District official listed above and take any other steps required by this policy.

Investigation of the Report

The District may request, but shall not insist upon, a written report. If a report is made orally, the District official shall reduce the report to written form.

Upon receipt or notice of a report, the District official shall determine whether the allegations, if proven, would constitute prohibited conduct as defined by this policy. If so, the District official shall immediately authorize or undertake an investigation, regardless of whether a criminal or regulatory investigation regarding the same or similar allegations is pending.

If appropriate, the District shall promptly take interim action calculated to prevent prohibited conduct during the course of an investigation.

The investigation may be conducted by the District official or a designee, such as the campus principal, or by a third party designated by the District, such as an attorney. When appropriate, the campus principal or supervisor shall be involved in or informed of the investigation.

The investigation may consist of personal interviews with the person making the report, the person against whom the report is filed, and others with knowledge of the circumstances surrounding the allegations. The investigation may also include analysis of other information or documents related to the allegations.

Concluding the Investigation

Absent extenuating circumstances, the investigation should be completed within ten District business days from the date of the report; however, the investigator shall take additional time if necessary to complete a thorough investigation.

**Compensatory
Education Allotment**

A district is entitled to an annual compensatory education allotment for each student:

1. Who is educationally disadvantaged; or
2. Who does not have a disability and resides in a residential placement facility in a district in which the student's parent or legal guardian does not reside.

The number of educationally disadvantaged students is determined by averaging the best six months' numbers of students eligible for enrollment in the national school lunch program of free or reduced-price lunches for the preceding school year; or in the manner provided by commissioner rule.

A student receiving a full-time virtual education through the state virtual school network (TXVSN) [see EHDE] may be included in determining the number of educationally disadvantaged students if the school district submits to the commissioner a plan detailing the enhanced services that will be provided to the student and the commissioner approves the plan.

Education Code 42.152(a)-(b-1)

Use

A district shall use its compensatory education allotment to fund supplemental programs and services designed to eliminate any disparity in performance on state assessment instruments or disparity in the rates of high school completion between students at-risk of dropping out of school, as defined below, and all other students.

Specifically, a district may use the funds, other than an indirect cost allotment established by State Board rule, to meet the costs of providing a compensatory, intensive, or accelerated instruction program under Education Code 29.081, a disciplinary alternative education program (DAEP) under Education Code 37.008, or to support a Title I program, at a campus at which at least 40 percent of the students are educationally disadvantaged.

A district may also use allocated funds for:

1. A mentoring services program under Education Code 29.089;
2. An accelerated reading instruction program under Education Code 28.006(g) for students at risk of dropping out of school as defined by Education Code 29.081(d) and (g);
3. A program for treatment of students who have dyslexia or a related disorder, as required by Education Code 38.003, for students at risk of dropping out of school as defined by Education Code 29.081(d) and (g); and

4. A program under Education Code 29.081 specifically designed to serve students at risk of dropping out of school.

Education Code 42.152(c), (c-1), (c-2)

Dropout Prevention
Strategies

A district with a high dropout rate, as determined by the commissioner, shall submit a plan to the commissioner describing the manner in which the district intends to use its compensatory education and high school allotments for developing and implementing research-based strategies for dropout prevention.

If a district is required to submit both a dropout prevention strategy plan and a plan to increase college enrollment [see GNC], the district must describe in its dropout prevention strategy plan how the activities identified in both plans will be coordinated. If a district is required to submit both a school improvement plan, due to failure to meet the required performance standard regarding dropout rates or completion rates, as well as a dropout prevention strategy plan, the district may request that its school improvement plan be used to satisfy both requirements.

A district shall submit the plan not later than December 1 of each school year preceding the school year in which the district will receive the compensatory education or high school allotment to which the plan applies. The plan must meet the requirements at 19 Administrative Code 89.1701(e).

A district may not spend or obligate more than 25 percent of the district's compensatory or high school allotment unless the commissioner approves the plan.

A district's plan shall:

1. Design a dropout recovery plan that includes career and technology education courses or technology applications courses that lead to industry or career certification;
2. Integrate into the dropout recovery plan research-based strategies to assist students in becoming able academically to pursue postsecondary education, including:
 - a. High-quality, college readiness instruction with strong academic and social supports;
 - b. Secondary to postsecondary bridging that builds college readiness skills, provides a plan for college completion, and ensures transition counseling; and
 - c. Information concerning appropriate supports available in the first year of postsecondary enrollment to ensure

postsecondary persistence and success, to the extent funds are available for the purpose; and

3. Plan to offer advanced academic and transition opportunities, including dual credit courses and college preparatory courses, such as advanced placement courses.

A district may enter into a partnership with a public junior college in accordance with Education Code 29.402 in order to fulfill a plan.

Any program designed to fulfill a plan must comply with the requirements of Education Code 29.081(e) and (f).

Special Education A student receiving special education services who successfully completes the requirements of his or her IEP, including performance on a state assessment required for graduation, shall receive a high school diploma. A student's admission, review, and dismissal (ARD) committee shall determine if the student will be required to meet satisfactory performance on an assessment for purposes of graduation. *19 TAC 101.3023(a)* [See Graduation of Students Receiving Special Education Services, below, and EKB]

Posthumous Diploma Beginning with students enrolled in grade 12 during the 2005–06 school year, and on request of the student's parent, a district shall issue a high school diploma posthumously to a student who died while enrolled in the district at grade level 12, provided that the student was academically on track at the time of death to receive a diploma at the end of the school year in which the student died. "School year" includes any summer session following the spring semester.

Exception A district is not required to issue a posthumous diploma if the student was convicted of a felony offense under Title 5 or 6, Penal Code, or adjudicated as having engaged in conduct constituting a felony offense under Title 5 or 6, Penal Code.

A PGP must:

1. Identify educational goals for the student;
2. Include diagnostic information, appropriate monitoring and intervention, and other evaluation strategies;
3. Include an intensive instruction program described in Education Code 28.0213 [see EHBC];
4. Address participation of the student's parent or guardian, including consideration of the parent's or guardian's educational expectations for the student; and

*Students
Receiving
Special

For a student receiving special education services, the student's ARD committee and the district are responsible for developing the student's PGP.

A student's IEP developed under Education Code 29.005 may be used as the student's PGP.

Education Code 28.0212(c); 19 TAC 89.1050(a) [See EHBAB]

High School PGP

A principal of a high school shall designate a school counselor or school administrator to review PGP options with each student entering grade 9 together with that student's parent or guardian. The PGP options reviewed must include the distinguished level of achievement and endorsements.

Before the conclusion of the school year, the student and the student's parent or guardian must confirm and sign a PGP for the student that identifies a course of study that:

1. Promotes college and workforce readiness and career placement and advancement; and

2. Facilitates the student's transition from secondary to postsecondary education.

A district may not prevent a student and the student's parent or guardian from confirming a PGP that includes pursuit of a distinguished level of achievement or an endorsement.

A student may amend the student's PGP after the initial confirmation of the plan. If a student amends the student's PGP, the school must send written notice to the student's parents regarding the change.

TEA must make available to a district information that explains the advantages of the distinguished level of achievement described by Education Code 28.025(b-15) and each endorsement described by Education Code 28.025(c-1). A district, in turn, shall publish the information from TEA on the internet website of the district and ensure that the information is available to students in grades nine and above and the parents or legal guardians of those students in the language in which the parents or legal guardians are most proficient.

A district is required to provide this information in the language in which the parents or legal guardians are most proficient only if at least 20 students in a grade level primarily speak that language.

Early Graduation

A parent is entitled to request, with the expectation that the request will not be unreasonably denied, that the parent's child be permitted to graduate from high school earlier than the child would normally graduate, if the child completes each course required for graduation. The decision of a board concerning the request is final and may not be appealed. *Education Code 26.003(a)(3)(C), (b)* [See FMH, FNG]

State Graduation Requirements

Note: For current state graduation requirements, including those for students who entered grade 9 before the 2007–08 school year but that are not otherwise referenced in this policy, see Education Code 28.025 and 19 Administrative Code Chapter 74.

2. Testing requirements for graduation under 19 Administrative Code Chapter 101 [see EKB]; and
3. Demonstrated proficiency, as determined by the district, in delivering clear verbal messages; choosing effective nonverbal behaviors; listening for desired results; applying valid critical-thinking and problem-solving processes; and identifying, analyzing, developing, and evaluating communication skills needed for professional and social success in interpersonal situations, group interactions, and personal and professional presentations.

A student shall enroll in the courses necessary to complete the curriculum requirements for the foundation high school program and the curriculum requirements for at least one endorsement.

1. Science, technology, engineering, and mathematics (STEM);
2. Business and industry;
3. Public services;

1. A fourth credit in mathematics;
2. An additional credit in science; and
3. Two additional elective credits.

A course completed as part of the four courses needed to satisfy an endorsement requirement may also satisfy a requirement under the foundation high school program, including an elective requirement. The same course may count as part of the set of four courses for more than one endorsement.

A district shall permit a student to enroll in courses under more than one endorsement before the student's junior year and to choose, at any time, to earn an endorsement other than the endorsement the student previously indicated.

A student must earn at least 26 credits to earn an endorsement, but a student is not entitled to remain enrolled to earn more than 26 credits.

A district may define advanced courses and determine a coherent sequence of courses for an endorsement area, provided that prerequisites in 19 Administrative Code Chapters 110–118, 126, 127, and 130 are followed.

Education Code 28.025; 19 TAC 74.13

In accordance with local district policy, the required physical education credit may be earned through completion of any TEKS-based course that is not being used to satisfy another specific graduation requirement. [See Restrictions, below]

In accordance with local district policy, credit for any physical education course may be earned through participation in the following activities:

1. Athletics;
2. JROTC; and
3. Appropriate private or commercially sponsored physical activity programs conducted on or off campus. A district must apply to the commissioner of education for approval of such programs, which may be substituted for state graduation credit in physical education. Such approval may be granted under the following conditions:
 - a. Olympic-level participation and/or competition includes a minimum of 15 hours per week of highly intensive, professional, supervised training. The training facility, instructors, and the activities involved in the program must be certified by the superintendent to be of exceptional quality. Students qualifying and participating at this level may be dismissed from school one hour per day. Students dismissed may not miss any class other than physical education.
 - b. Private or commercially sponsored physical activities include those certified by the superintendent to be of high quality and well supervised by appropriately trained instructors. Student participation of at least five hours per week must be required. Students certified to participate at this level may not be dismissed from any part of the regular school day.

A credit allowed to be substituted may not also be used by the student to satisfy a graduation requirement other than completion of the physical education credit. The determination regarding a student's ability to participate in physical activity must be made by:

1. The student's ARD committee if the student receives special education services under Education Code Chapter 29, Subchapter A;
2. The committee established for the student under Section 504, Rehabilitation Act of 1973 (29 U.S.C. Section 794) if the student does not receive special education services under Education Code Chapter 29, Subchapter A but is covered by the Rehabilitation Act of 1973; or
3. A committee, established by the district, of persons with appropriate knowledge regarding the student if each of the committees described above is inapplicable. This committee must follow the same procedures required of an ARD or a Section 504 committee.

Summary of
Academic
Achievement and
Evaluation

All students graduating must be provided with a summary of academic achievement and functional performance as described in 34 C.F.R. 300.305(e)(3). This summary must consider, as appropriate, the views of the parent and student and written recommendations from adult service agencies on how to assist the student in meeting postsecondary goals. An evaluation as required by 34 C.F.R. 300.305(e)(1) (evaluation to determine that the child is no longer a child with a disability), must be included as part of the summary for a student graduating under 19 Administrative Code 89.1070 (b)(2)(A), (B), or (C) or (g)(4)(A), (B), or (C). Students who participate in graduation ceremonies but who are not graduating under subsections (b)(2)(A), (B), or (C) or (g)(4)(A), (B), or (C) and who will remain in school to complete their education do not have to be evaluated. *19 TAC 89.1070(h)–(i)*

A student entering grade 9 in the 2014–15 school year and thereafter who receives special education services may graduate and be awarded a regular high school diploma if the student meets one of the following conditions:

1. The student has demonstrated mastery of the required state standards (or district standards if greater) in 19 Administrative Code Chapters 110-118, 126-128, and 130 and satisfactorily completed credit requirements for graduation under the foundation high school program applicable to students in general education as well as satisfactory performance on the required state assessments, unless the student's ARD committee has determined that satisfactory performance on the required state assessments is not necessary for graduation.
2. The student has demonstrated mastery of the required state standards (or district standards if greater) in 19 Administrative Code Chapters 110–118, 126–128, and 130 and satisfactorily

completed credit requirements for graduation under the foundation high school program through courses, one or more of which contain modified curriculum that is aligned to the standards applicable to students in general education, as well as satisfactory performance on the required state assessments, unless the student's ARD committee has determined that satisfactory performance on the required state assessments is not necessary for graduation. The student must also successfully complete the student's IEP and meet one of the following conditions:

- a. Consistent with the IEP, the student has obtained full-time employment, based on the student's abilities and local employment opportunities, in addition to mastering sufficient self-help skills to enable the student to maintain the employment without direct and ongoing educational support of the local school district.
- b. Consistent with the IEP, the student has demonstrated mastery of specific employability skills and self-help skills that do not require direct ongoing educational support of the local school district.
- c. The student has access to services that are not within the legal responsibility of public education or employment or educational options for which the student has been prepared by the academic program.

**Graduation of
Military Dependents**

Course Waiver

District officials shall waive specific courses required for graduation if similar coursework has been satisfactorily completed by a military student in another district or shall provide reasonable justification for denial. Should a waiver not be granted to a student who would qualify to graduate from the sending school, the district shall provide an alternative means of acquiring required coursework so that graduation may occur on time.

Transfers During
Senior Year

Should a military student transferring at the beginning or during the student's senior year be ineligible to graduate from the district after all alternatives have been considered, the sending and receiving districts shall ensure the receipt of a diploma from the sending district, if the student meets the graduation requirements of the sending district. In the event that one of the states in question is not a member of this compact, the member state shall use best efforts to facilitate the on-time graduation of the student.

Substitute Passing
Standard

The commissioner shall adopt a passing standard on one or more national norm-referenced achievement tests for purposes of permitting a qualified military dependent to meet that standard as a substitute for completing a specific course otherwise required for graduation. The passing standard is available only for a student who enrolls in a public school in this state for the first time after completing the ninth grade or who reenrolls in a public school in this state at or above the tenth grade level after an absence of at least two years from the public schools of this state. Each passing standard in effect when a student first enrolls in a Texas public high school remains applicable to the student for the duration of the student's high school enrollment, regardless of any subsequent revision of the standard.

Maintenance and Administration of Epinephrine Auto-Injectors

A district may adopt and implement a policy regarding the maintenance, administration, and disposal of epinephrine auto-injectors at each campus in the district.

If a policy is adopted, the policy:

“Campus”

A “campus” is defined as a unit of a school district that has an assigned administrator, has enrolled students who are counted for average daily attendance, has assigned instructional staff, provides instructional services to students, has one or more grades in the range from early childhood education through grade 12 or is ungraded, and complies with relevant Texas laws.

The parent, legal guardian, or emergency contact must be promptly notified by the school when an unassigned epinephrine auto-injector is utilized on their child as soon as is feasible during the emergency response to suspected anaphylaxis.

25 TAC 37.605(e)–(f)

Records

The report must include the following information:

In order to increase the number of trained individuals in the administration of unassigned epinephrine auto-injectors, schools may distribute to school personnel or school volunteers in the district, at least once per school year, a notice that includes a description of the request seeking volunteers to be trained to administer an epinephrine auto-injector to a person believed to be experiencing anaphylaxis and a description of the training that the school personnel or school volunteers will receive in the administration of epinephrine with an auto-injector.

The District shall make reasonable attempts to schedule conferences at a mutually agreeable time. If a student or parent fails to appear at a scheduled conference, the District may hold the conference and issue a decision in the student's or parent's absence.

Response

At Levels One and Two, "response" shall mean a written communication to the student or parent from the appropriate administrator. Responses may be hand-delivered, sent by electronic communication to the student's or parent's email address of record, or sent by U.S. Mail to the student's or parent's mailing address of record. Mailed responses shall be timely if they are postmarked by U.S. Mail on or before the deadline.

Days

"Days" shall mean District business days. In calculating timelines under this policy, the day a document is filed is "day zero." The following business day is "day one."

Representative

"Representative" shall mean any person who or organization that is designated by the student or parent to represent the student or parent in the complaint process. A student may be represented by an adult at any level of the complaint.

The student or parent may designate a representative through written notice to the District at any level of this process. If the student or parent designates a representative with fewer than three days' notice to the District before a scheduled conference or hearing, the District may reschedule the conference or hearing to a later date, if desired, in order to include the District's counsel. The District may be represented by counsel at any level of the process.

Consolidating
Complaints

Complaints arising out of an event or a series of related events shall be addressed in one complaint. A student or parent shall not file separate or serial complaints arising from any event or series of events that have been or could have been addressed in a previous complaint.

Untimely Filings

All time limits shall be strictly followed unless modified by mutual written consent.

If a complaint form or appeal notice is not timely filed, the complaint may be dismissed, on written notice to the student or parent, at any point during the complaint process. The student or parent may appeal the dismissal by seeking review in writing within ten days from the date of the written dismissal notice, starting at the

decision. In reaching a decision, the administrator may consider information provided at the Level One conference and any other relevant documents or information the administrator believes will help resolve the complaint.

Level Two

If the student or parent did not receive the relief requested at Level One or if the time for a response has expired, the student or parent may request a conference with the Superintendent or designee to appeal the Level One decision.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level One response or, if no response was received, within ten days of the Level One response deadline.

After receiving notice of the appeal, the Level One administrator shall prepare and forward a record of the Level One complaint to the Level Two administrator. The student or parent may request a copy of the Level One record.

The Level One record shall include:

1. The original complaint form and any attachments.
2. All other documents submitted by the student or parent at Level One.
3. The written response issued at Level One and any attachments.
4. All other documents relied upon by the Level One administrator in reaching the Level One decision.

The Superintendent or designee shall schedule a conference within ten days after the appeal notice is filed. The conference shall be limited to the issues and documents considered at Level One. At the conference, the student or parent may provide information concerning any documents or information relied upon by the administration for the Level One decision. The Superintendent or designee may set reasonable time limits for the conference.

The Superintendent or designee shall provide the student or parent a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the Superintendent or designee may consider the Level One record, information provided at the Level Two conference, and any other relevant documents or information the Superintendent or designee believes will help resolve the complaint.

Recordings of the Level One and Level Two conferences, if any, shall be maintained with the Level One and Level Two records.

Level Three

If the student or parent did not receive the relief requested at Level Two or if the time for a response has expired, the student or parent may appeal the decision to the Board.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level Two response or, if no response was received, within ten days of the Level Two response deadline.

The Superintendent or designee shall inform the student or parent of the date, time, and place of the Board meeting at which the complaint will be on the agenda for presentation to the Board.

The Superintendent or designee shall provide the Board the record of the Level Two appeal. The student or parent may request a copy of the Level Two record.

The Level Two record shall include:

1. The Level One record.
2. The notice of appeal from Level One to Level Two.
3. The written response issued at Level Two and any attachments.
4. All other documents relied upon by the administration in reaching the Level Two decision.

The appeal shall be limited to the issues and documents considered at Level Two, except that if at the Level Three hearing the administration intends to rely on evidence not included in the Level Two record, the administration shall provide the student or parent notice of the nature of the evidence at least three days before the hearing.

The District shall determine whether the complaint will be presented in open or closed meeting in accordance with the Texas Open Meetings Act and other applicable law. [See BE]

The presiding officer may set reasonable time limits and guidelines for the presentation, including an opportunity for the student or parent and administration to each make a presentation and provide rebuttal and an opportunity for questioning by the Board. The Board shall hear the complaint and may request that the administration provide an explanation for the decisions at the preceding levels.

In addition to any other record of the Board meeting required by law, the Board shall prepare a separate record of the Level Three presentation. The Level Three presentation, including the presentation by the student or parent or the student's representative, any

presentation from the administration, and questions from the Board with responses, shall be recorded by audio recording, video/audio recording, or court reporter.

The Board shall then consider the complaint. It may give notice of its decision orally or in writing at any time up to and including the next regularly scheduled Board meeting. If the Board does not make a decision regarding the complaint by the end of the next regularly scheduled meeting, the lack of a response by the Board upholds the administrative decision at Level Two.

**Juvenile Justice
Alternative
Education Program**

For the purposes of the following provisions, only a DAEP operated under the authority of a juvenile board of a county is considered a juvenile justice alternative education program (JJAEP).

Mandatory JJAEP

The juvenile board of a county with a population greater than 125,000 shall develop a JJAEP, subject to the approval of the Texas Juvenile Justice Department (TJJD).

Voluntary JJAEP

The juvenile board of a county with a population of 125,000 or less may develop a JJAEP. Such a JJAEP is not required to be approved by the TJJD. Further, it is not subject to Education Code 37.011(c), (d), (f), (g), (k) or (m).

Education Code 37.011(a), (k), (m)

County Population

A county with a population greater than 125,000 is considered to be a county with a population of 125,000 or less if:

1. The county had a population of 125,000 or less according to the 2000 federal census and the juvenile board of the county enters into, with the approval of the TJJD, a memorandum of understanding (MOU) with each school district within the county that:
 - a. Outlines the responsibilities of the board and school districts in minimizing the number of students expelled without receiving alternative educational services; and
 - b. Includes the coordination procedures required by Education Code 37.013, above.

Placement

An expelled student shall, to the extent provided by law or by the MOU, immediately attend the educational program from the date of expulsion. *Education Code 37.010(a)* [See FOD]

If a student admitted under Education Code 25.001(b) is expelled for conduct for which expulsion is required under Education Code 37.007, the juvenile court, juvenile board, or juvenile board's designee, as appropriate, shall:

1. If the student is placed on probation under Family Code 54.04, order the student to attend the JJAEP in the county in which the student resides from the date of disposition as a condition of probation, unless the child is placed in a post-adjudication treatment facility;
2. If the student is placed on deferred prosecution under Family Code 53.03 by the court, prosecutor, or probation department, require the student to immediately attend the JJAEP in the county in which the student resides for a period not to exceed six months as a condition of the deferred prosecution;
3. In determining the condition of the deferred prosecution or court-ordered probation, consider the length of a district's expulsion order for the student; and
4. Provide timely educational services to the student in the JJAEP in the county in which the student resides, regardless of the student's age or whether the juvenile court has jurisdiction over the student. This provision does not require that educational services be provided to a student who is not entitled to admission under Education Code 25.001(b).

Arbitration of
Disputes

If a district elects to contract with the juvenile board for the placement of students who are expelled for conduct for which expulsion is permitted but not required under Education Code 37.007, and the juvenile board and the district are unable to reach an agreement in the MOU, either party may request that the issues of dispute be referred to a binding arbitration process that uses a qualified alternative dispute resolution arbitrator.

Each party shall pay its pro rata share of the arbitration costs and shall submit its final proposal to the arbitrator. If the parties cannot agree on an arbitrator, the juvenile board shall select an arbitrator, the district shall select an arbitrator, and those two arbitrators shall select an arbitrator who shall decide the issues in dispute.

*Decision of
Arbitrator*

The arbitration decision is enforceable in a court in the county in which the JJAEP is located. Any decision by an arbitrator concerning the amount of the funding for a student who is expelled and attending a JJAEP must provide an amount sufficient based on operation of the JJAEP. In determining the amount to be paid by a district for an expelled student enrolled in a JJAEP, the arbitrator shall consider the relevant factors, including evidence of:

1. The actual average total per student expenditure in the district's DAEP;
2. The expected per student cost in the JJAEP as described and agreed on in the MOU and in compliance with Education Code Chapter 37; and
3. The costs necessary to achieve the accountability goals under Education Code Chapter 37.

Complaints

In this policy, the terms “complaint” and “grievance” shall have the same meaning.

Other Complaint
Processes

Complaints by members of the public shall be filed in accordance with this policy, except as required by the policies listed below. Some of these policies require appeals to be submitted in accordance with GF after the relevant complaint process:

1. Complaints concerning instructional resources shall be filed in accordance with EF.
2. Complaints concerning a commissioned peace officer who is an employee of the District shall be filed in accordance with CKE.

Complaints regarding refusal of entry to or ejection from District property based on Education Code 37.105 shall be filed in accordance with this policy. However, the timelines shall be adjusted as necessary to permit the complainant to address the Board in person within 90 days of filing the initial complaint, unless the complaint is resolved before the Board considers it. [See GKA(LEGAL)]

Guiding Principles

Informal Process

The Board encourages the public to discuss concerns with an appropriate administrator who has the authority to address the concerns. Concerns should be expressed as soon as possible to allow early resolution at the lowest possible administrative level.

Informal resolution shall be encouraged but shall not extend any deadlines in this policy, except by mutual written consent.

Formal Process

An individual may initiate the formal process described below by timely filing a written complaint form.

Even after initiating the formal complaint process, individuals are encouraged to seek informal resolution of their concerns. An individual whose concerns are resolved may withdraw a formal complaint at any time.

The process described in this policy shall not be construed to create new or additional rights beyond those granted by law or Board policy, nor to require a full evidentiary hearing or “mini-trial” at any level.

**Freedom from
Retaliation**

Neither the Board nor any District employee shall unlawfully retaliate against any individual for bringing a concern or complaint.

General Provisions

Filing

Complaint forms and appeal notices may be filed by hand-delivery, by electronic communication, including email and fax, or by U.S. Mail. Hand-delivered filings shall be timely filed if received by the appropriate administrator or designee by the close of business on the deadline. Filings submitted by electronic communication shall

be timely filed if they are received by the close of business on the deadline, as indicated by the date/time shown on the electronic communication. Mail filings shall be timely filed if they are post-marked by U.S. Mail on or before the deadline and received by the appropriate administrator or designated representative no more than three days after the deadline.

Scheduling
Conferences

The District shall make reasonable attempts to schedule conferences at a mutually agreeable time. If the individual fails to appear at a scheduled conference, the District may hold the conference and issue a decision in the individual's absence.

Response

At Levels One and Two, "response" shall mean a written communication to the individual from the appropriate administrator. Responses may be hand-delivered, sent by electronic communication to the individual's email address of record, or sent by U.S. Mail to the individual's mailing address of record. Mailed responses shall be timely if they are postmarked by U.S. Mail on or before the deadline.

Days

"Days" shall mean District business days. In calculating timelines under this policy, the day a document is filed is "day zero." The following business day is "day one."

Representative

"Representative" shall mean any person who or organization that is designated by an individual to represent the individual in the complaint process.

The individual may designate a representative through written notice to the District at any level of this process. If the individual designates a representative with fewer than three days' notice to the District before a scheduled conference or hearing, the District may reschedule the conference or hearing to a later date, if desired, in order to include the District's counsel. The District may be represented by counsel at any level of the process.

Consolidating
Complaints

Complaints arising out of an event or a series of related events shall be addressed in one complaint. An individual shall not file separate or serial complaints arising from any event or series of events that have been or could have been addressed in a previous complaint.

Untimely Filings

All time limits shall be strictly followed unless modified by mutual written consent.

If a complaint form or appeal notice is not timely filed, the complaint may be dismissed, on written notice to the individual, at any point during the complaint process. The individual may appeal the dismissal by seeking review in writing within ten days from the date of the written dismissal notice, starting at the level at which the

complaint was dismissed. Such appeal shall be limited to the issue of timeliness.

Costs Incurred

Each party shall pay its own costs incurred in the course of the complaint.

Complaint and Appeal Forms

Complaints and appeals under this policy shall be submitted in writing on a form provided by the District.

Copies of any documents that support the complaint should be attached to the complaint form. If the individual does not have copies of these documents, they may be presented at the Level One conference. After the Level One conference, no new documents may be submitted by the individual unless the individual did not know the documents existed before the Level One conference.

A complaint or appeal form that is incomplete in any material aspect may be dismissed but may be refiled with all the required information if the refiling is within the designated time for filing.

Level One

Complaint forms must be filed:

1. Within 15 days of the date the individual first knew, or with reasonable diligence should have known, of the decision or action giving rise to the complaint or grievance; and
2. With the lowest level administrator who has the authority to remedy the alleged problem.

If the only administrator who has authority to remedy the alleged problem is the Superintendent or designee, the complaint may begin at Level Two following the procedure, including deadlines, for filing the complaint form at Level One.

If the complaint is not filed with the appropriate administrator, the receiving administrator must note the date and time the complaint form was received and immediately forward the complaint form to the appropriate administrator.

The appropriate administrator shall investigate as necessary and schedule a conference with the individual within ten days after receipt of the written complaint. The administrator may set reasonable time limits for the conference.

Absent extenuating circumstances, the administrator shall provide the individual a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the administrator may consider information provided at the Level One conference and any other relevant documents or information the administrator believes will help resolve the complaint.

Level Two

If the individual did not receive the relief requested at Level One or if the time for a response has expired, he or she may request a conference with the Superintendent or designee to appeal the Level One decision.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level One response or, if no response was received, within ten days of the Level One response deadline.

After receiving notice of the appeal, the Level One administrator shall prepare and forward a record of the Level One complaint to the Level Two administrator. The individual may request a copy of the Level One record.

The Level One record shall include:

1. The original complaint form and any attachments.
2. All other documents submitted by the individual at Level One.
3. The written response issued at Level One and any attachments.
4. All other documents relied upon by the Level One administrator in reaching the Level One decision.

The Superintendent or designee shall schedule a conference within ten days after the appeal notice is filed. The conference shall be limited to the issues and documents considered at Level One. At the conference, the individual may provide information concerning any documents or information relied upon by the administration for the Level One decision. The Superintendent or designee may set reasonable time limits for the conference.

The Superintendent or designee shall provide the individual a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the Superintendent or designee may consider the Level One record, information provided at the Level Two conference, and any other relevant documents or information the Superintendent or designee believes will help resolve the complaint.

Recordings of the Level One and Level Two conferences, if any, shall be maintained with the Level One and Level Two records.

Level Three

If the individual did not receive the relief requested at Level Two or if the time for a response has expired, he or she may appeal the decision to the Board.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level Two response or, if no response was received, within ten days of the Level Two response deadline.

The Superintendent or designee shall inform the individual of the date, time, and place of the Board meeting at which the complaint will be on the agenda for presentation to the Board.

The Superintendent or designee shall provide the Board the record of the Level Two appeal. The individual may request a copy of the Level Two record.

The Level Two record shall include:

1. The Level One record.
2. The notice of appeal from Level One to Level Two.
3. The written response issued at Level Two and any attachments.
4. All other documents relied upon by the administration in reaching the Level Two decision.

The appeal shall be limited to the issues and documents considered at Level Two. The Board shall not consider evidence that is not included in the Level Two record.

The District shall determine whether the complaint will be presented in open or closed meeting in accordance with the Texas Open Meetings Act and other applicable law. [See BE]

The presiding officer may set reasonable time limits and guidelines for the presentation, including an opportunity for the individual and administration to each make a presentation and provide rebuttal and an opportunity for questioning by the Board. The Board shall hear the complaint and may request that the administration provide an explanation for the decisions at the preceding levels.

In addition to any other record of the Board meeting required by law, the Board shall prepare a separate record of the Level Three presentation. The Level Three presentation, including the presentation by the individual or his or her representative, any presentation from the administration, and questions from the Board with responses, shall be recorded by audio recording, video/audio recording, or court reporter.

The Board shall then consider the complaint. It may give notice of its decision orally or in writing at any time up to and including the next regularly scheduled Board meeting. If the Board does not

make a decision regarding the complaint by the end of the next regularly scheduled meeting, the lack of a response by the Board upholds the administrative decision at Level Two.

**District
Communications**

When the government speaks, it is not barred by the Free Speech Clause from determining the content of what it says. Government statements and actions that take the form of speech do not create a forum for private speech. The government does not unconstitutionally discriminate on the basis of viewpoint when it chooses to advance permissible goals, even if advancing those goals necessarily discourages alternative goals. The government may exercise its freedom to express its views, even when it receives assistance from private sources for the purpose of delivering a government-controlled message. *Walker v. Tex. Div., Sons of Confederate Veterans, Inc.*, 135 S. Ct. 2239 (2015)

**Promotional
Activities**

District facilities shall not be used to advertise, promote, sell tickets, or collect funds for any nonschool-related purpose without prior approval of the Superintendent or designee.

[For information relating to nonschool use of facilities, see GKD.]

Advertising

For purposes of this policy, "advertising" shall mean a communication designed to attract attention or patronage by the public or school community and communicated through means under the control of the District in exchange for consideration to the District. "Advertising" does not include public recognition of donors or sponsors who have made contributions, financial or otherwise, to the District or school support organizations.

Advertising shall be accepted solely for the purpose of generating revenue for the District and not for the purpose of establishing a forum for communication. The District shall retain final editorial authority to accept or reject submitted advertisements in a manner consistent with the First Amendment. The District shall retain the authority to determine the size and location of any advertising. The District reserves the right to reject advertising that:

1. Is inconsistent with federal or state law, Board policy, District or campus regulations, or curriculum;
2. Is inappropriate in a school setting with a student audience;
3. Advertises products presenting a health hazard;
4. Creates a substantial likelihood of material disruption, including adding to the District's obligations for security and facilities maintenance; or
5. Adds to the District's administrative burden by exposing the District to complaints, controversy, or litigation.

The District shall not accept paid political advertising.

Acceptance of advertising shall not constitute District approval or endorsement of any product, service, organization, or issue referenced in the advertising, nor shall acceptance of advertising from a vendor determine whether the District will purchase goods or services from the vendor through the District's formal procurement process.

[For information relating to school-sponsored publications, see FMA.]

**Sponsorships and
Donations**

If the District or any campus accepts financial or in-kind donations to support District-sponsored activities, the District reserves the right to acknowledge donors through whatever means the District

deems appropriate. The District retains full editorial control over its acknowledgment or display of donations, even if donors are permitted to suggest text for the acknowledgment.

at School**

A school official may not refuse to permit a Child Protective Services (CPS) investigator to interview at school a student who is alleged to be a victim of abuse or neglect under Family Code 261. A school official may not require the CPS investigator to permit district personnel to be present at a student interview conducted at school. *Family Code 261.302(b), .303(a); Atty. Gen. Op. A person that has confidential locating or identifying information regarding a family that is the subject of a CPS investigation shall release that information to the Texas Department of Family and Protective Services (DFPS) on request. Prior to conducting an investigation of school personnel or volunteers, CPS shall notify the school principal (or the principal's supervisor if the school principal is an alleged perpetrator) of the fact that a report has been assigned for investigation, the nature of the allegations contained in the report, and the date and time when the investigator plans to visit the school campus to begin the investigation.

The CPS investigator must request that the school principal (or the principal's supervisor) not alert the alleged perpetrator or others regarding the report until the investigator has had an opportunity to interview the alleged perpetrator.

40 TAC 700.407

School officials or other persons related to the school setting may not interfere with an investigation of a report of child abuse or neglect conducted by DFPS. Interviews and examinations in a school investigation may take place on or off the school premises, as deemed appropriate by the CPS investigator, provided the investigator notifies the school principal (or that individual's supervisor in the event that the principal is the alleged perpetrator) prior to conducting an interview or examination on school premises.

Participants

CPS may request that school personnel or volunteers not be present during the interview or examination of an alleged victim, an alleged perpetrator, an adult or child witness, or any other person who may have information relevant to the investigation if the investigator determines that:

1. The presence of school personnel or volunteers would compromise the integrity of the investigation; or
2. A better interview or examination of the child would result without school personnel or volunteers being present.
