Livonia, MI 48154

RE: 2021 Bond Program
LMC Bookcase Purchase Recommendation
Hayes ES / Hoover ES / Roosevelt ES / Holmes MS / Stevenson HS

Dear Mr. Francis:

This letter transmits an update from Plante Moran Realpoint (PMR) as it relates to the assignment to assist and advise Livonia Public Schools (LPS) in its purchase of furniture for the Projects listed above. This update represents the mutual efforts of PMR, French Associates, and LPS administration and staff (the Team).

Coinciding with ongoing design efforts to renovate and reimagine LMC spaces as part of the 2021 Bond Program, the Team has conducted multiple meetings and site visits over the course of the past few months focused on the selection of furniture to best serve each space. While decisions around the balance of 2024 LMC sites remain ongoing, the Team is driven to expedite the purchase of bookcases for each site specifically due to current material procurement timelines and efforts to streamline installation of the bookcases upon completion of renovation activities.

The Team recommends awarding **NBS Commercial Interiors** to supply and install LMC bookcases in an amount not-to-exceed **\$377,000.00** as further detailed below and within French's recommendation documents.

Hayes Elementary School	\$49,862.05
Hoover Elementary School	\$70,454.45
Roosevelt Elementary School	\$53,896.60
Holmes Middle School	\$83,417.45
Stevenson High School	\$101,822.95
<hr/>	
NBS Quotation	\$359,453.50
Contingency (5%)	\$17,546.50
<hr/>	
Award Recommendation (NTE)	\$377,000.00

For the Vendor, the pricing for this work will be detailed in a Purchase Order Agreement, pending final review and approval of terms by district legal counsel.

The Team is available at the Board's convenience to answer any questions regarding this recommendation. Please direct all questions through me via email at brian.weber@plantemoran.com.

Sincerely,

PLANTE MORAN REALPOINT

Phillip Francis
Asst. Superintendent of District Services
Livonia Public Schools

**Subject: 2021 Bond Program – 2024 Renovations
Media Center Bookcases**

Dear Mr. Francis,

French Associates has been consulting with NBS Commercial Interiors in the development and programming of furniture for the 2021 Bond Program projects. Throughout the design process, NBS has aided in product selections, availability, and lead times.

On November 29th, 2023, French Associates received furniture quotes from NBS Commercial Interiors for the Media Center bookcases for Hayes Elementary, Hoover Elementary, Roosevelt Elementary, Holmes Middle School, and Stevenson High School. The bookcases are to be ordered early to ensure on time manufacturing and stored at Media Technologies free of charge until summer of 2024 installation.

Enclosed are the furniture quotes that utilize the NCPA consortium group pricing. The totals for these projects are as follows:

Hayes Elementary: \$49,862.05
Hoover Elementary: \$70,454.45
Roosevelt Elementary: \$53,896.60
Holmes Middle School: \$83,417.45
Stevenson High School: \$101,822.95

French Associates is recommending award to NBS Commercial Interiors for the procurement and installation of furniture bookcases in the Media Centers at all the schools listed above.

Please contact me if you have any questions.

Sincerely,

Jessica Walter
Interior Designer

This quote is valid for 30 days from date of quote.

The following contracts have been utilized for pricing on this quote:
NCPA contract

PO required to place order. Please reference NBS quote number on your PO.

Quote includes non-union straight time labor for NBS to receive, deliver and install; any owner requested changes requiring additional delivery trip(s) will result in additional charges to be quoted separately.

Receipt of PO indicates owner approval of product as specified; upon release of order, no changes, cancellations or returns can be made.

If there are project delays and product needs to be held past 30 days in the warehouse additional charges may be incurred by LPS

Media Tech product only
Balance of product needed to be quoted separately

PO needed by April 2024 to meet your target install date of August 2024
