

Medford Public School
ISD #763

Medford Elementary School

The letter S – *Successful*– was introduced at our April/March Celebration. Kindergarten students led the way with a video and song.

The MCA kick-off was held following the celebration for students in grades 3-6. There were several skits by staff, songs and encouraging messages to help prepare our students.

- Special thanks to Malt O Meal for donating over 275 cereal boxes/bowls

The annual “Pizza Pete” fundraiser for Medford Elementary began March 27th. Proceeds will go towards playground improvements.

Family Math Night was held on April 13th. There was a nice turnout and an overall wonderful opportunity for families.

- Special thanks to all staff especially Mrs. Schmidt who continues to organize this event.

Grandparents Day for kindergarten and first grade was held on Friday, April 17th. This event is always well attended! Students spent time with their grandparents and were entertained by the RAD Zoo.

- Special thanks to Mrs. Christiansen for organizing this event.

MCA testing began on April 9th and will run until the second week of May. This includes math and reading for grades 3-6 and science for grade 5.

Medford Community Education

Summer/Fall Booklet will go to press the week of April 20th. We are in discussion with the city to also bring back a spring sign-up event. This would combine community education and city swimming lessons in terms of a common time and place to sign up.
