**How it is going**

It has been a great start to the school year. Both boys and girls programs are continuing to grow towards the ultimate success...teaching character, integrity, and having a relentless pursuit towards excellence. Through these teachings wins will come. We are not perfect but if we continue to chase perfection we will catch excellence along the way. I look forward to the continued growth of this program and I am blessed to be surrounded by a great staff. It's a great day to be a COUGAR!!!!
