

UNITED INDEPENDENT SCHOOL DISTRICT AGENDA ACTION ITEM

TOPIC: Consideration and Approval of Independent Audit Report for the Year Ended August 31, 2011

SUBMITTED BY: Samuel Flores **OF:** Director of Accounting

APPROVED FOR TRANSMITTAL TO SCHOOL BOARD: _____

DATE ASSIGNED FOR BOARD CONSIDERATION: December 14, 2011

RECOMMENDATION:

It is recommended that the Board of Trustees approve the independent audit report for the year ended August 31, 2011, as presented by the independent audit firm of Pattillo, Brown & Hill, L.L.P.

RATIONALE:

The Board is required to have accounting documents and records audited annually by an independent auditor. The current audit report contains an "unqualified" opinion indicating the financial statements and all accompanying notes and information present fairly the financial position of the District.

The audit firm will present preliminary audit findings at the Business Committee Meeting and will present the final audit report at the regularly scheduled board meeting of December 14, 2011.

UNITED INDEPENDENT SCHOOL DISTRICT
RECONCILIATION OF THE GOVERNMENTAL FUNDS BALANCE SHEET TO THE
STATEMENT OF NET ASSETS
AUGUST 31, 2011

Total Fund Balances - Governmental Funds	\$ 108,655,562
1 Capital assets used in governmental activities are not financial resources and therefore are not reported in governmental funds. At the beginning of the year, the cost of these assets was \$512,222,580 and the accumulated depreciation was \$180,486,243. In addition, long-term liabilities, including bonds payable, Public Property Finance Contractual Obligations (PPFCO's), leases and Loan Star proceeds totaled \$305,120,801 and other long-term liabilities of \$1,303,654 are not due and payable in the current period, and, therefore, are not reported as liabilities in the funds. The net effect of including the beginning balances for capital assets (net of depreciation) and long-term debt in the governmental activities is to increase (decrease) net assets.	25,311,882
2 Current year capital outlays of \$24,700,014 (\$20,832,731 from facilities acquisition and construction, with the remaining \$3,867,283 coming from the various other functions) and long-term debt principal payments of \$52,569,100, amortization of premiums in the amount of \$364,406, recognize the accounting loss on the refunding of \$2,727,432 and reductions of \$5,332,833 of other liabilities are expenditures in the fund financial statements, but they should be shown as increases in capital assets and reductions in long-term debt in the government-wide financial statements. The retirement of capital assets of \$124,517, and the issuance of Refunding Bonds in the amount of \$34,000,000, the premium on the refunding bonds of \$4,339,921, the accretion on Capital Appreciation Bonds \$2,047,579, and the accumulation of other benefits of \$3,650,237 in the financial statements should be as decreases in capital assets and increases in long-term debt in the government-wide financial statements. The net effect of including the 2011 capital outlays and debt principal payments is to increase (decrease) net assets.	41,531,532
3 The 2011 depreciation expense of \$18,115,963 net of adjustments/disposals of \$109,012 increases accumulated depreciation. The net effect of the current year's depreciation is to decrease net assets.	(18,006,952)
4 Various other reclassifications and eliminations are necessary to convert from the modified accrual basis of accounting to accrual basis of accounting. These include recognizing deferred revenue as revenue, eliminating interfund transactions, reclassifying the proceeds of bond sales as an increase in bonds payable, and recognizing the liabilities associated with maturing long-term debt and interest. The net effect of these reclassifications and recognitions is to increase (decrease) net assets.	4,963,498
19 Net Assets of Governmental Activities	\$ 162,455,522

The notes to the financial statements are an integral part of this statement.

UNITED INDEPENDENT SCHOOL DISTRICT
 RECONCILIATION OF THE GOVERNMENTAL FUNDS STATEMENT OF REVENUES, EXPENDITURES,
 AND CHANGES IN FUND BALANCES TO THE STATEMENT OF ACTIVITIES
 FOR THE YEAR ENDED AUGUST 31, 2011

Total Net Change in Fund Balances - Governmental Funds	\$ 5,441,219
Current year capital outlays of \$24,700,014 (\$20,832,731 from facilities acquisition and construction, with the remaining \$3,867,283 coming from the various other functions) and long-term debt principal payments of \$52,569,100, amortizations of premiums in the amount of \$364,406, recognizing the accounting loss of \$2,727,432 and the reductions of \$5,332,833 of other liabilities are expenditures in the fund financial statements, but they should be shown as increases in capital assets and reductions in long-term debt in the government-wide financial statements. The retirement of capital assets of \$124,517, and the issuance of Refunding Bonds in the amount of \$34,000,000, the premium on the refunding bonds of \$4,339,921, the accretion on Capital Appreciation Bonds \$2,047,579, and the accumulation of other benefits of \$3,650,237 in the financial statements should be as decreases in capital assets and increases in long-term debt in the government-wide financial statements. The net effect of including the 2011 capital outlays and debt principal payments is to increase (decrease) net assets.	41,531,532
Depreciation is not recognized as an expense in governmental funds since it does not require the use of current financial resources. The net effect of the current year's depreciation is to decrease net assets.	(18,006,952)
Various other reclassifications and eliminations are necessary to convert from the modified accrual basis of accounting to accrual basis of accounting. These include recognizing deferred revenue as revenue, adjusting current year revenue to show the revenue earned from the current year's tax levy, eliminating interfund transactions, reclassifying the proceeds of bond sales, and recognizing the liabilities associated with maturing long-term debt and interest. The net effect of these reclassifications and recognitions is to increase (decrease) net assets.	829,359
Change in Net Assets of Governmental Activities	\$ 29,795,157

The notes to the financial statements are an integral part of this statement.
