

Board Meeting Date: 7/14/2025

Title: State of the District Update

Type: Discussion

Presenter(s): Dr. Daniel Bittman, Superintendent

Description: This presentation will provide a comprehensive update on the state of Edina Public Schools, highlighting key accomplishments from the past year and outlining strategic priorities for the 2025–2026 school year. The report includes academic performance, literacy growth, equity initiatives, recognitions, and staff achievements. It also introduces the superintendent’s annual goals and how they align with the district’s 2020–2030 Strategic Plan.

Recommendation: Accept the report as an informational update on district progress and priorities.

Desired Outcome(s) from the Board: Board members will deepen their understanding of current district performance and strategic direction, and provide insights, questions, or suggestions to inform ongoing leadership work and district planning.
