

**Homedale School District
Transportation and Maintenance**

Design West will be out on 3/7/14 to check out the upstairs boiler at the high school to see how much it would be to replace it with two roof top units.

I contacted Beynon Sports [formerly Atlas Track] to have them come out and give us a quote to replace about 500 feet of the high school track due to cracks. Beynon Sports installed the track and have come out to resurface it in the past. Attached is a copy of the quote for \$3,500.00
