Strategy Description	Responsible for Monitoring		Nov	Jan	Mar	June
1) Continue implementation to align TCMPC curriculum horizontally and vertically; align with state standards;create lessons for each unit based on data; develop associated progress monitoring benchmark assessments.	CHS Administration, Teacher Leaders	Aware Data Oct. 2013 - May 2015				
2) Use data to identify and implement ELA/Reading strategies across the high school curriculum - program identified must be research-based, vertically aligned from one grade to the next as well as aligned with state academic standards (strong emphasis on expanding ELL learners). We will concentrate on the transition from 8th to 9th grade	Teacher Leaders, Data Specialist,	Reading/ELA scores at the HS show achievement gap between LEP subpops and the general population. Literacy practices must be integrated intoHS curriculum to develop writing skills that enable students to meet personal and academic goals. SIOP training.				
3) Use data to identify and develop lessons using research-based and state-standards aligned TCMPC curriculum - identify, purchase, and implement associated resources that provide hands on manipulation of real world math problems.	Curriculum	The campus will utilize Texas Science Technology, Engineering and Math Initiative (T-STEM) recommendations and resources to design components that improve instruction and academic performance in mathematics - related subjects through applied and relevant instruction in mathematics tied to postsecondary standards.				
4) Using and integrating technology-based supports and interventions as part of the instructional programs:Laptops and Ipads with text editing and publishing software and access to the Internet researching and communication resources will be utilized to engage writers in ELA lessons and technology based interventions in math and science.	Teacher Leaders	T-STEM Researched-based for increasing achievement in math and science include: relevant teaching and learning in mathematics and science using educational technology and applied learning and a personalized learning environment.				
5) Continue Curriculum management process & resources to align core curriculum across grade level & w/state standards: Establish a curriculum alignment process and provide electronic curriculum management system to implement effective strategies to support students disabilities in the least restrictive environment.	CHS Administration, Teacher Leaders	Aligned Curriculum Documents, TCMPC				
6) Provide additional support and professional development in using data based, differentiated instruction through 3 Math and 3 Science Intervention Teachers who will team teach in classrooms in order to implement effective RTI strategies to support student learning and increase academic achievement.	CHS Administration, Teacher Leaders	Professional Development, Student Support, and look at struggling student scores due to interventions.				

7) Increase rigor by offering opportunities for students to enroll in advanced coursework (dual credit and ATC in student's chosen career fields); pathways established to obtain certification.	CHS Administration, Counselors	4 Year Plans		
8) Ongoing monitoring of instruction - Establish progress monitoring process and provide resources to test students, analyze data, and link to instruction.	,	Teacher Leader class walkthrough forms, AWARE data from Curriculum Checks		
9) Establish school-wide data driven "response-to-intervention" (RTI) model and provide professional development in order to develop effective strategies to support students with disabilities in the least restrictive environment.	CHS Administration, Teacher Leaders	Professional Development, data driven documents		
10) ELA, Math, and Science Team Leaders will provide ongoing training (team teaching, peer mentoring, instruct tutorials, provide professional development in using data to guide ins ruction and plan lessons) - targeting limited English proficient students.	Team Leaders	Weekly Team Leader meetings/Department meetings, State Scores.		
11) Provide the testing coordinator/data additional training for additional support in assessment and data collection.	CHS Administration	Testing Coordinator		
12) Use the data to identify and develop lessons using research-based and vertically aligned state standards and aligned TCMPC curriculum - identify, purchase and implement associated resources that provide real world experiences with science concepts and scientific thinking.	CHS Administration, Teacher Leaders, Teachers	TCMPC Curriculum documents, Lesson Plans, Classroom walkthroughs		
13) Receive technical assistance and related support from our Administration Coach.		Meetings held each nine week grading period or as needed.		
14) Best Practices Staff Development (based on needs).	Teacher Leaders	Provide PD that brings forth classroom application w/HEAT.		
15) Technology Coach will integrate technology based programs that provide differentiated instruction.	CHS Administration Tisha Poncio	Lunch and Learn Meetings
