

DU PAGE ELEMENTARY SCHOOL DISTRICT 13
BOARD OF EDUCATION
Bloomington, Illinois

Regular Meeting October 24, 2022

FOR DISCUSSION:

Subject: Policy Review 7:30 and School Board Member Handbook

At the last meeting, Mr. Lenisa requested that Policy 7:30 be reviewed to determine if members of the Board of Education would like to amend any part of the existing policy. The policy has been attached for your reference and review.

The School Board Members Handbook has a need for some minor editing and to verify that the policies referenced still align with the individual chapters. This is an important step in preparation for the potential onboarding of new members of the Board in the coming spring following the April election.

Time during this portion of the meeting can be used to discuss proposed amendments or to explain the elements contained within the policy or handbook. This exercise does not eliminate a first reading as part of the process of amending or approving policies. Placing an amended policy on first reading would be the next step of this process should it be necessary.
