

Technology Dept Report

February 13, 2017

Classroom Technology

- We are planning to order the next years 9th grade laptops at the end of February or first part of March. This will allow us to have them received and setup well before August.

Security/Video

- The non-functioning cameras at Minico and Mt. Harrison will be replaced the week of February 6th. After the dead cameras are replaced we will increase the coverage of the entrance doors as Phase II.

Online Registration

- We are working on a new student registration form that will allow a brand new student to fill out all the necessary paper work online without the need to come to the school. Because of the non-stop work orders that keep being submitted, this project has been put at a lower priority for the time being.

Phones/Intercom

- We are planning on replacing the phone system for Minico during Spring Break. Paul and West will be replaced in the first part of August.

Work Orders

November	December	January
111 New	73 New	93 New
106 Resolved	107 Resolved	78 Resolved
85 Incomplete	51 Incomplete	66 Incomplete
