The bid responses are available in the Business Office conference room for any Board member that would like to look at the documents provided by the various firms.

We have attached Plante Moran Cresa's Table of Contents outlining the items they will bring to the meeting on March 3. They will present the results of their evaluation to the Board of Education and provide recommendations for next steps in the process of selecting the project vendors. As always, please let me know if there are any additional questions.
