

Frontline Education Renewal Notice

Attn: Horizon Montessori Public Schools

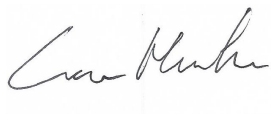

As you are aware, SuccessEd joined the Frontline Education family in November of 2020. This union brought together some of the nation's best solutions for streamlining special programs management and we're looking forward to exploring the synergies that can be created to support you through our joint efforts.

We thank you for your continued partnership. Frontline Education remains focused on providing you with industry-leading support, solutions, and technology for K-12. The pricing for your subscription(s) renewing on 7/01/2021 is listed below. You may notice product names and/or groupings look a bit different. The breakdown of the service offerings has been reconfigured to align with Frontline's product structure, but the actual products and services you have contracted through SuccessEd have not changed in any way.
