

# Frederic School District

## District Administrator Report

May 2023

### UP COMING EVENTS

Next Committee of the Whole Meeting:

06/21/2023 @ 5 PM

Next Regular Board Meeting:

06/21/2023 @ 6 PM

### Teacher Appreciation Week

Teacher Appreciation Week was a great week to celebrate the good work of all staff. We have traditionally celebrated our entire staff because all staff teach and impact students, even in small moments throughout the day. Throughout the week, our students were engaged in celebrating our staff as well. Additionally, I want to thank the PTO (Parent Teacher Organization) for the various activities it provided.

### School Library Learning Spaces

Over the coming weeks, our school libraries will gain a much different feel due to the furniture replacement plan we have been working on for the past couple of years. Similar to our classrooms, the furniture will be more mobile and offer various opportunities for independent, small group, and even whole class activities. Our goal is to have our libraries be a central hub of our buildings, where students go to learn and develop an appreciation for not only reading, but a multitude of learning opportunities.

### Biennial Budget

The Joint Finance Committee has wrapped up the listening sessions and continues its work considering specific areas of the budget, such as Agriculture, Trade and Consumer Protection, Environmental Improvement Fund and the Department of Natural Resources. We are anticipating Education will be one of the last items of the budget to be addressed, but hopeful the process will keep moving forward in a timely manner.

### Northwood Technical College Graduates

According to the most recent graduate survey, the following relates to 2021-22 Northwood Tech College graduates:

- 94% were placed (either employed or furthering their education as a student) six months after graduation
- \$51,781 is the average salary for graduates who are employed full-time in a job related to their training - This is up from \$46,000 from the previous survey.
  - \$74,788 Industrial Maintenance Technician
  - \$70,693 Nursing Associate Degree
  - \$66,733 Truck Driving
  - \$66,722 Automation for Industrial Systems
  - \$60,216 Welding
- 62% of graduates work in Wisconsin
- 51% of graduates work in the Northwood Tech eleven-county district
