- Attend FREE!**

Gary Miller

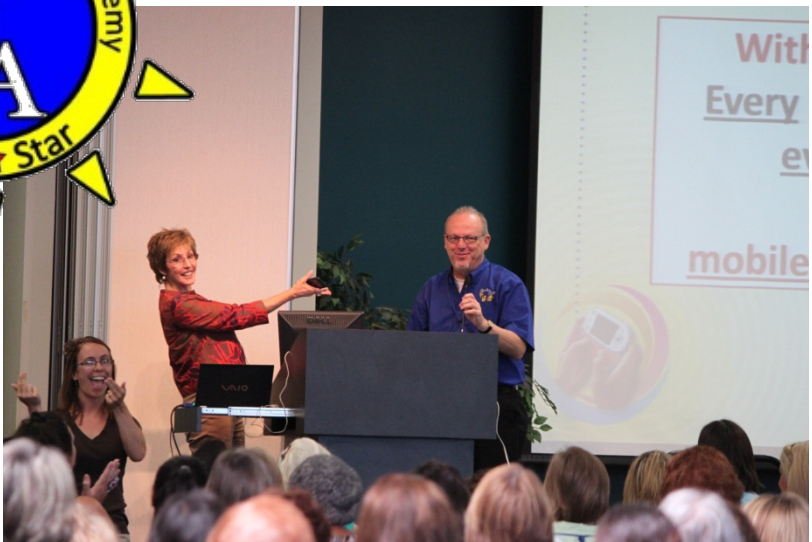

### Current Status of Public Education

- A decade of test-based accountability
- Classroom practices generally the same.
- But the knowledge is now owned by anyone with an online connection
- Shifting population and attitudes. Children were once a financial asset, now they are a financial liability.
- And the label "crisis" is still the common perception of the nation's schools.

Gary Miller

The logo for Delcom Group features a stylized graphic of red slanted rectangles on the left, followed by the word "DELCOM" in large, bold, black, italicized uppercase letters, and the word "GROUP" in red, italicized uppercase letters below it.

**DELCOM**  
**GROUP**
