

BOARD AGENDA ITEM COVER SHEET

ARGYLE INDEPENDENT SCHOOL DISTRICT

BOARD MEETING DATE:	December 16, 2024
AGENDA ITEM:	Consider FDB (LOCAL) Policy
AGENDA LOCATION:	Action ▾
PRESENTER TITLE & NAME:	Dr. Chris Daniel
DEPARTMENT:	Administration

BACKGROUND INFORMATION

As Argyle ISD continues to grow and add new schools, periodic rezoning of attendance boundaries will be necessary to balance enrollment and accommodate expansion. To support families during these transitions, especially those with students entering the highest grade level of a school's grade span during a rezoning year, the district has updated its policy, **FDB (LOCAL): Admissions - Intradistrict Transfers and Classroom Assignments**.

This revision provides a pathway for eligible students in the highest grade levels of affected schools to request intradistrict transfers. These transfers allow students to complete their final year at their current school if they meet specific criteria, ensuring continuity and minimizing disruption during critical academic years.

The updated policy reflects the district's commitment to prioritizing the needs of students and families while managing growth responsibly.
