ADDENDUM

REGULAR BOARD MEETING
Monday, April 21, 2025
SPCC-Governor's Room
6:30 PM

VIII. INFORMATION ITEMS

1. AGENDA ITEM #1

Subject: Presentation of Artificial Intelligence (AI) Guidelines and Procedures

Background: As you are aware, we have been working on the implementation of the "AI Big Picture Plan" for the 2025-2026 school year. One of the components of the plan is to provide AI Guidelines and Procedures for students and staff. The Guidelines and Procedures outline the acceptable use of Artificial Intelligence (AI) Tools within the school district to enhance academic work, Teaching and administrative operations while ensuring data privacy, ethical usage, and equitable access for students and staff. The idea of guidelines and procedures, rather than policy, is to provide clear direction on AI use within a framework that is easily changed and modified as we learn more about AI in our schools. The Guidelines and Procedures have been reviewed by both the Education Committee and the Policy Committee.

Presentation: High School Principal
Superintendent of Schools
