Members of the public who are granted access shall be required to comply with District rules, regulations, and policies governing appropriate use of the system. [See CQ(Regulations)(Exhibit C)]

ACCEPTABLE USE

The Superintendent or designee shall develop and implement administrative regulations, guidelines, and user agreements, consistent with the purposes and mission of the District and with law and policy governing copyright. [See EFE]

Access to the District's electronic communications system is a privilege, not a right. All users shall be required to acknowledge receipt and understanding of administrative regulations governing use of the system and shall agree in writing to allow monitoring of their use and compliance with such regulations and guidelines. Noncompliance may result in suspension of access or termination of privileges and other disciplinary action consistent with District policies. [See DH, FN series, FO series, and the Student Code of Conduct] Violations of law may result in criminal prosecution as well as disciplinary action by the District.

MONITORED USE

Electronic mail transmissions and other use of the electronic communications system by students and employees are not private and may be monitored at any time by designated District staff to ensure appropriate use.

DISCLAIMER OF  
LIABILITY

The District shall not be liable for users' inappropriate use of electronic communication resources, violations of copyright restrictions or other laws, users' mistakes or negligence, or costs incurred by users. The District shall not be responsible for ensuring the accuracy, age appropriateness, or usability of any information found on the Internet.
