MEMORANDUM

To: Samuel Mijares, Superintendent of Schools

From: Patrick Salinas, Instructional Technology Director

Date: April 28, 2022

RE: **2022-2023 ALLOTMENT & TEKS CERTIFICATION FORM**

Texas Education Agency (TEA) requires districts to certify annually to the State Board of Education and the Commissioner of Education that students have access to instructional materials for each subject in the required curriculum that cover all the Texas Essential Knowledge and Skills (TEKS). Districts will be unable to order 2022-2023 instructional materials through EMAT until the certification has been received by the Texas Education Agency (TEA). This form must be presented before the local board of trustees for review and approval. The Superintendent will then be required to submit approved document directly to the TEA via an email listing an approval link.

Responses on the 2022-2023 Allotment & TEKS Certification Form were populated with information submitted by all Content Area Directors. As a guideline, Eagle Pass ISD only adopts instructional materials that have been reviewed and adopted by the State Board of Education and cover 100% of the Texas Essential Knowledge and Skills (TEKS) for the subject area. All instructional materials requisitioned or purchased by the district with the district's TIMA fund are identified and tracked by our TIPWeb Instructional Materials Management System. I am submitting the attached 2022-23 Allotment & TEKS Certification form for school board review and certification.

Approved: _____

David Camarillo, Executive Director for Instruction

This document can be downloaded as a PDF to be brought to the board meeting. Once this survey is submitted by clicking "Next" at the bottom of this page, an Approval link with a response summary will be sent to the Superintendent email address provided in the survey.

Below is a summary of your responses

[Download PDF](#)

2022–2023 Allotment & TEKS Certification Form

In accordance with [TEC 31.04](#), school districts and charter schools are required to certify annually to the State Board of Education and the commissioner that, for each subject in the required curriculum other than physical education, students have access to instructional materials that cover all the Texas Essential Knowledge and Skills (TEKS). Districts and charters will be unable to order 2022–23 instructional materials through EMAT until the certification has been received by the Texas Education Agency (TEA).

Complete the form below, indicating the instructional materials the district has adopted or plans to adopt for the 2022–23 school year for each grade level and core subject or core course.

Form Instructions:

The certification must be ratified by the LEA's board of trustees or governing body in an open, public-noticed meeting. The recommended steps are included below:

1. Gather information – Start by downloading a sample copy of the online survey to assist with collecting the information needed to complete the form. The form asks LEAs to indicate the instructional materials the LEA has adopted or plans to adopt for the 2022–23 school year for each grade level and core subject or core course, and some additional questions about instructional materials and local adoption procedures.

2. Complete online form for approval - The superintendent may identify a district representative to complete this survey. This may be the instructional materials coordinator or another district representative. *Note: the form will not be considered finalized until the superintendent submits final approval.*

- At the end of the survey, click *Generate Response Summary* to download and print a PDF version of the completed form which will be needed to complete step 3.

- After the PDF is generated, click *Next* to submit the draft of the survey. This will automatically send a copy of the survey to the superintendent's email address provided in the survey, with instructions for submitting final approval (step 4 below).

3. Obtain local board approval - The LEA may take the PDF version of the completed form to the board meeting to obtain approval. *Note: board signatures are not required to be uploaded or submitted, so LEAs should plan to maintain documentation at the local level.*

4. Superintendent to submit approved version - After the district representative completes the form, the superintendent will get an email requesting approval of the completed form. Using a link in the email, the superintendent may go into the form and make any changes to the draft based on the local board meeting. Once the form is completed accurately, the superintendent may select *Approve* on the last page of the survey to officially submit the LEA's response to TEA.

If you have any questions or concerns, please submit a [Help Desk Ticket](#) on the Instructional Materials and Implementation website.

The Children's Internet Protection Act

The **Children's Internet Protection Act** (CIPA) was enacted by Congress in 2000 to address concerns about children's access to obscene or harmful content over the Internet. (You may find more information on the [FCC website](#).)

It is the intent of the Legislature that the State Board of Education ensure that any instructional materials and technology purchased using funds disbursed from the State Instructional Materials and Technology Fund meet the requirements for certification under 47 U.S.C. Sections 254(h)(5)(B) and (C) to the extent the certification is applicable to those materials. (See [S.B. No. 1, General Appropriations Act, Eighty-seventh Legislature](#))

Does your district or charter have a filter or a monitor in place to ensure that students accessing digital instructional materials do not have access to obscene or harmful content?

- No
- Yes

Does your district use the selected materials to cover 100% of the 6–8 Science TEKS?

- Yes
- No, we use supplemental materials to cover the TEKS.

TEKS percentages have already been determined for the 9–12 science products listed in the table below, and these products have been pre-populated as options in the following question. If your district is using products not already listed, you will enter the publisher, title, and TEKS % in the "Other" field.
