Memorandum

TO: Board of Education

FROM: Randy A. Liepa

DATE: July 12, 2012

SUBJECT: Wayne County Enhancement Millage

As you know, Wayne County school districts are contemplating a regional enhancement millage for this upcoming November. Schools districts who wish to support putting the millage on the ballot are requested to do this by August 14.

This request would generate approximately \$6 million for our district. A two mill request for five years is being contemplated. Obviously, there are many things to consider with such a proposal. We will be prepared to discuss the issue at the July 16 Finance Committee meeting.
