TRUSTED IT SOLUTIONS AND SUPPORT

Ubiquiti Option

Manufacturer Part Number	Qty	Product Description	Price	Ext. Price
<p>- Ubiquiti offers many different licensing models that each carry different price tags. The common feature, though, is that they are annual/monthly subscriptions that are not sold through resellers like Tech Check.</p> <p>- In order to obtain the various forms of licensing/subscription, you will need to visit the Unifi Store, create an account, some will require you to enter your credit card info for annual/monthly charges, then add your devices into the management console</p>

Our Background

With more than 25 years of designing and implementing innovative technology solutions, Tech Check has been a trusted partner and reseller to over 200 school districts throughout Minnesota. Our knowledge, experience, and advanced skill sets have enabled school districts to introduce cutting-edge technologies into the classroom, empowering students and staff with emerging IT solutions. Tech Check continues to provide cost-effective products, installation and managed service agreements to school districts of all sizes looking for an education-driven technology partner.

Considerations

- Tech Check's E-Rate Spin #143024168.
- All products in the proposal are E-Rate Eligible unless stated otherwise.
- Tech Check understands that the project is contingent on E-Rate funding.
- Tech Check will honor pricing for both full and partial project acceptance.
- All hardware is OEM and is shipped directly from the manufacturer. (No gray market gear)
- If requested, we can provide a final updated bid with only the products/options best suited to your network infrastructure.

Timeline

- The product will be delivered directly to the school district unless specified otherwise.
- The installation is determined by product availability and the school district's requested time frame for project completion.

School District's Responsibilities

- The school district is responsible for keeping products in a secure location and notifying Tech Check of any damaged or missing goods during the receiving process.
- The school district is responsible for recycling old equipment that will be removed from the upgrade.
