ELA: 26 – 30% +4%

### Performance Plan 2023-2024

**Goal 1:** The number of students on grade level in math measured by the iReady Diagnostic will increase by 30% by the spring benchmark. Result: beat that goal by 12% with 51% of students

**Goal 2:** By Spring of 2024, 100% certified DES teachers will increase collective teacher efficacy by implementing success criteria through the use of iReady Math tools to implement the use of success criteria in classrooms by students, and by teachers discussing student data during bi-weekly PLC's using individual student's success criteria.

**Goal 3:** By Spring 2024, 25% of students will complete relevant activities with families connecting learning at school to real life application. Home reflection/caught in the wild

### Performance Plan 2024-2025

**Goal 1:** Dayton Elementary will focus on the Lyon County School District's Portrait of a Learner, focusing on Connected Learners and creating belonging, communication, and collaboration.

- Chronic Absenteeism from 23.9 to 20.0% by the end of the 2024-2025 school year.

**Goal 2:** Dayton Elementary will enhance Tier 1 instruction to improve student outcomes.

- Based on the iReady Diagnostic, 63% of students will hit their typical growth goal.
- Based on MAP Reading, 50% of students will reach their growth goal for the 2024-2025 school year.

Dayton Elementary School will partner with parents and community to foster motivated, independent learners in a safe and integrated learning environment where students can achieve their potential through consistent, high quality instruction.
