## Board Report

April 2025

- PK/EC screenings in March were extremely successful! We screened about 56 students in the new wing at Zahnow. The team included all Early Childhood and PreKindergarten teachers, all paraprofessionals, all Speech Language Pathologists, and school psychologists. As a team, we have identified some minor adjustments to make our June screenings even more efficient such as adjusted documentation methods and improved traffic flow. PK and PFA eligibility notices will be going out to parents after the June screening dates. Meetings have taken place for students eligible for special education early childhood services.
- Extended School Year plans are being arranged EC-12+. Extended School Year provides eligible special education students with services based on skill regression and delays in recoupment. This year all services are being provided between May 30 and June 18th. Teachers, paraprofessional support, supplies, space, and transportation are all being coordinated.
- Transition IEP meetings are being held for Early childhood students transitioning to Kindergarten.
- Plans for staffing needs throughout EC through grade 5 are being arranged. The number of students with IEPs and services outlined in those IEPs are being used to determine placement of resources throughout Zahnow, Rogers, and Gardner.
