RE: 2025 Tax Levy Approval

It is recommended that the board adopt the Resolution Approving 2025 Tax Levy. The resolution includes as an exhibit/attachment the 2025 levy certificate that will be filed with the Cook County Assessor's Office. It is noted that our Truth in Taxation amount is 103.7%, which falls below the 105% that would require a Truth in Taxation Public Hearing. Further, the 2025 Levy represents the CPI capped increase of 2.9%.

The Board should execute both the Resolution Approving the 2025 Tax Levy and the 2025 Certificate of Tax levy with signatures.
