## TASB Localized Policy Manual Update 122

### Denton ISD

#### ATTN(NOTE)

#### GENERAL INFORMATION ABOUT THIS UPDATE

##### Please note:

Changes at Update 122 are based almost exclusively on legislation from the 88th Regular Legislative Session.

Unless otherwise noted, references to legislative bills throughout these explanatory notes refer to Senate Bills (SB) or House Bills (HB) from the 88th Regular Legislative Session. All referenced bills have already gone into effect unless otherwise noted.

Each regular legislative session, legislation is passed that makes nonsubstantive additions, revisions, or corrections to existing statutes. HB 4595 was passed for this purpose in the 88th Regular Legislative Session. Minor nonsubstantive changes throughout Update 122 result from HB 4595 and are not otherwise mentioned in the explanatory notes.

For more information about the bills mentioned throughout and other changes from the 88th Legislative Session, download the free [2023 Legislative Summary for TASB Members](#) PDF from the TASB store.

The *Local Policy Overview* for Update 122, available with your Update 122 materials under [Local Manual Updates](#) on Policy Online® (TASB login required), provides a general, high-level overview of the changes to the local policies included in the update. **Legal policies provide the legal framework for key areas of district operations and are not adopted by the board.**

Changes to the policy manual based on bills from the special called sessions will be included in Update 123.

#### AF(LEGAL)

#### INNOVATION DISTRICTS

New and amended Administrative Code rules, effective June 20, 2023, revise the process and timeline for renewing an innovation plan. (See pages 5-6.)

#### AIB(LEGAL)

#### BBB(LEGAL)

#### BOARD MEMBERS: ELECTIONS

#### BBBA(LEGAL)

#### ELECTIONS: CONDUCTING ELECTIONS

HB 1217 repeals Election Code provisions creating different requirements for days and hours of early voting at temporary branch polling places in counties with a population under 100,000. The same requirements now apply regardless of county size.

#### BBBB(LEGAL)

#### ELECTIONS: POST-ELECTION PROCEDURES

HB 2559 adds retired justices of the peace, the comptroller of public accounts, and former comptrollers to the list of persons authorized to administer an oath in Texas. Because this legal policy includes only the four broadest categories of authorized persons, it has been amended to include retired justices of the peace. (See Oath of Office on page 4.)

### Denton ISD

#### **BBBC(LEGAL) ELECTIONS: CAMPAIGN FINANCE**

HB 2626 requires all districts, regardless of size, to post campaign finance reports filed with the district on the district website not later than the 10th business day after receipt. Certain address information may be removed before posting, and the reports must remain accessible on the website for five years.

#### **BBC(LEGAL) BOARD MEMBERS: VACANCIES AND REMOVAL FROM OFFICE**

SB 232 implements automatic removal from office for certain criminal offenses. If a board member is removed, the board must fill the vacancy at the first regular meeting following the removal. (See page 4.)

#### **BBD(LEGAL) BOARD MEMBERS: TRAINING AND ORIENTATION**

#### **BBI(LEGAL) BOARD MEMBERS: TECHNOLOGY RESOURCES AND ELECTRONIC COMMUNICATIONS**

The Note at the beginning of this policy has been updated to include a reference to CQC(LEGAL), where provisions from SB 1893 regarding prohibited applications on district-owned devices have been added.

#### **BE(LEGAL) BOARD MEETINGS**

HB 3440 requires all districts to post both the notice *and* agenda for a board meeting on the district website under the Open Meetings Act. (See Internet Posting — Notice on page 4.) The bill repeals the previous provision that tied the requirement to post the agenda to the size of a municipality in the district.

#### **C(LEGAL) BUSINESS AND SUPPORT SERVICES**

The Section C table of contents has been revised to rename CKA as Safety Program/Risk Management: Safety and Security Audits and Monitoring. Provisions regarding asbestos management have been moved to a new code CSC, Facility Standards: Asbestos Management.

#### **CCA(LEGAL) LOCAL REVENUE SOURCES: BOND ISSUES**

For bonds authorized at an election after September 1, 2023, HB 3 allows the use of bond proceeds to pay for compliance with school safety and security requirements for school facilities. If TEA finds that the district is not in compliance, the district must use bond proceeds to achieve compliance before using the proceeds for other purposes. (See page 3.)

#### **CDA(LEGAL) OTHER REVENUES: INVESTMENTS**

SB 1246 amends the Public Funds Investment Act to authorize districts to invest in repurchase agreements through a joint account.

#### **PURCHASING AND ACQUISITION: VENDOR DISCLOSURES AND CONTRACTS**

HB 1817 specifies the circumstances under which a district contract is voidable for the vendor's failure to provide the required disclosure of interested parties. (See page 2.)

#### CJA(LEGAL)

#### **CONTRACTED SERVICES: CRIMINAL HISTORY**

HB 4123 makes significant changes to the laws regarding criminal history record information (CHRI) reviews by the district and "qualified school contractors," as defined in the bill, and repeals provisions relating to CHRI reviews for certain public works contractors. The bill creates a single statutory approach to CHRI reviews for contractors and their employees.

#### CK(LEGAL)

#### **SAFETY PROGRAM/RISK MANAGEMENT**

Several legislative changes affect this legal policy on safety programs and risk management:

- HB 3 requires sheriffs in counties with a population of less than 350,000 to conduct semiannual meetings to discuss issues related to school safety.
- HB 1905 allows districts to make school safety training courses, including active shooter training courses, available at no cost to employees of private schools or child-care facilities in the district.
- SB 29 prohibits districts from implementing mandates related to COVID-19.

To better present legislative changes related to school safety and make the associated policies easier to use, provisions in this policy related to safety and security audits have been relocated to CKA(LEGAL).

#### CKA(LEGAL)

#### **SAFETY PROGRAM/RISK MANAGEMENT: SAFETY AND SECURITY AUDITS AND MONITORING**

To better present legislative changes related to school safety and make the associated policies easier to use, this legal policy has been renamed Safety and Security Audits and Monitoring, and provisions regarding asbestos management have been relocated to CSC(LEGAL) in the policy series related to facility standards. Provisions regarding safety and security audits have been moved from CK(LEGAL) and amended by HB 3.

- Monitoring by TEA of district implementation and operation of safety and security requirements through a new office of school safety and security
- Vulnerability assessments by TEA
- Intruder detection audits by regional school safety review teams
- Assignment of a conservator by the commissioner if a district fails to comply with specified safety and security requirements

#### CKC(LEGAL)

#### **SAFETY PROGRAM/RISK MANAGEMENT: EMERGENCY PLANS**

Numerous legislative changes affect this legal policy on emergency plans.

Under HB 3, a district must:

- Adopt a policy for providing notice regarding violent activity at a district campus or facility or at a district-sponsored activity. (See page 1.) [TEA issued a [To the Administrator Addressed letter](#) to provide

### **CKE(LLEGAL) SAFETY PROGRAM/RISK MANAGEMENT: SECURITY PERSONNEL**

Several revisions to this legal policy on security personnel result from HB 3.

- The board must determine the appropriate number of armed security officers for each campus. The board must ensure that at least one armed security officer, as defined by the bill, is present during regular school hours at each campus or claim a good cause exception due to availability of funding or qualified personnel. A board that claims a good cause exception must develop an alternative standard. (See page 1.)
- The board's options as to who may be hired for security purposes are expanded. (See pages 1-2.)
- Security personnel are no longer required to be commissioned peace officers to carry weapons, but a person permitted to carry a firearm on campus may not perform certain law enforcement duties, except in an emergency, unless they are commissioned peace officers. (See page 5.)

HB 3 and SB 999 modify requirements related to active shooter response training. (See page 3.)

HB 1133 allows peace officers providing volunteer security services at school events to wear their uniforms under certain circumstances. (See pages 3-4.)

#### **TECHNOLOGY RESOURCES: EQUIPMENT**

HB 18 amends requirements related to transferring data processing equipment or electronic devices to students. Beginning with the 2023-24 school year, in addition to existing requirements, districts must adopt rules establishing programs that promote parents as partners in cybersecurity and online safety and install filters to block pornographic or obscene materials or applications. SB 1893 requires the district to adopt a policy prohibiting the installation or use of a "covered application," as defined in the bill, on any device owned or leased by the district. (See page 3.) The Department of Information Resources (DIR) and the Department of Public Safety (DPS) must develop a model policy for districts to use in developing the required policy, and the district must adopt the required policy no later than 60 days after the model is released. Policy Service will recommend local policy revisions, as appropriate, following publication of the DIR/DPS model policy.

We recommend adding a note referring to DBE(LEGAL) (concerning nepotism) to this policy that delegates hiring authority for noncontractual employees to the superintendent as a reminder of the special requirements related to this nepotism exception for bus drivers.

The [Legal Issues in Update 122](#) memo describes common legal concerns and best practices specific to this policy's topic.

**Please note:** A minor revision was made at Employment of Contractual Personnel to clarify the hiring authority delegated to the superintendent. Please call your policy consultant with any questions.

#### **DF(LLEGAL)                      TERMINATION OF EMPLOYMENT**

HB 4520 adds conviction of or placement on deferred adjudication community supervision for sale, distribution, or display of harmful material to a minor as a basis for mandatory termination. (See page 2.)

Revisions to this legal policy incorporate recent state and federal legislative changes.

- HB 1605 prohibits a district from penalizing a teacher for failure to follow the pacing of instructional materials for a subject in the required curriculum. A classroom teacher is also immune from disciplinary proceedings for violating certain state and federal laws if the teacher used only approved and adopted instructional material and delivered the instruction with fidelity. (See pages 4-5.)
- The federal Providing Urgent Maternal Protections (PUMP) for Nursing Mothers Act, effective December 29, 2022, repealed and replaced prior law requiring breaks for employees to express breast milk. The provisions are not limited to nonexempt employees. (See pages 6-7.)

#### **DGC(LLEGAL)                      EMPLOYEE RIGHTS AND PRIVILEGES: IMMUNITY**

#### DP(LLEGAL)

#### PERSONNEL POSITIONS

Revisions to this legal policy include new Administrative Code provisions, effective May 21, 2023, regarding school counselors, including requirements that they track time spent on various work duties and that the district assess its compliance with its counselor policy. (See pages 5-6.)

The policy also includes provisions from SB 763 authorizing a district to employ or accept as a volunteer a chaplain to provide support, services, and programs for students as assigned by the board. (See pages 8-9.)

#### DP(LOCAL)

#### PERSONNEL POSITIONS

SB 763 authorizes districts to employ chaplains or accept chaplains as volunteers to provide support, services, and programs for students as assigned by the board. These provisions apply beginning with the 2023-24 school year. While your district currently may allow chaplains along with other visitors or volunteers on campus, SB 763 requires each board to take a record vote not later than six months after the effective date, September 1, 2023, on whether to adopt a policy authorizing a campus to employ or accept as a volunteer a chaplain. To facilitate this record vote, TASB Policy Service sent a draft resolution with the [2023 Post-Legislative Policy Changes Policy Alert](#), available in the Policy Online® Governance and Management Library (TASB login required), for consideration by the board between September 1, 2023, and March 1, 2024. If the board approves the option to adopt a policy to authorize district campuses to employ or accept as a volunteer a chaplain, send your TASB policy consultant a copy of the resolution for TASB to update the district's DP(LOCAL) policy to reflect the board's decision. If the board would prefer only to accept chaplains as volunteers like other district or campus volunteers, contact your policy consultant for assistance with language at GKG(LOCAL).

#### INSTRUCTIONAL ARRANGEMENTS: CLASS SIZE

HB 2729 requires a district or an entity with which a district contracts to provide a prekindergarten program to attempt to maintain an average ratio of at least one *qualified*, rather than certified, teacher or aide for each 11 students. (See High-Quality Prekindergarten Program on page 1.)

**District of Innovation**

A district is eligible for designation as a district of innovation if the district's final and most recent performance rating under Education Code 39.054 reflects at least acceptable performance.

A board may not vote on the final approval of the innovation plan if the district is assigned either a final or preliminary rating below acceptable performance. In the event the preliminary rating is changed, the board may then vote to become an innovation district.

Consideration of designation as a district of innovation may be initiated by a resolution adopted by the board or a petition signed by a majority of the members of the district-level committee [see BQA].

*Education Code 12A.001; 19 TAC 102.1303*

**Public Hearing**

After adopting a resolution or receiving a petition for consideration as a district of innovation, a board shall hold a public hearing as soon as possible, but not later than 30 days, to consider whether the district should develop a local innovation plan for the designation of the district as a district of innovation.

At the conclusion of the public hearing or within 30 days after conclusion of the public hearing, the board may decline to pursue designation of the district as a district of innovation or appoint a committee to develop a local innovation plan.

The board may outline the parameters around which the innovation plan committee may develop the plan.

*Education Code 12A.002; 19 TAC 102.1305*

**Local Innovation Plan**

A local innovation plan meeting all legal requirements must be developed for a district before the district may be designated as a district of innovation.

The local innovation plan must provide for a comprehensive educational program for the district, which program may include:

1. Innovative curriculum, instructional methods, and provisions regarding community participation, campus governance, and parental involvement;
2. Modifications to the school day or year [see EB, EC];
3. Provisions regarding the district budget and sustainable program funding;
4. Accountability and assessment measures that exceed the requirements of state and federal law; and
5. Any other innovations prescribed by the board of trustees.

The plan must also identify requirements imposed by the Education Code that inhibit the goals of the plan and from which the district should be exempted on adoption of the plan, subject to Education Code 12A.004. [See Exceptions, below]

The commissioner of education shall maintain a list of provisions from which designated districts of innovation are exempt. The commissioner shall notify the legislature of each provision from which districts enrolling a majority of students in this state are exempt.

*Education Code 12A.003, .004(b); 19 TAC 102.1305(d)*

**Prohibited Exemptions**

A local innovation plan may not provide for the exemption of a district designated as a district of innovation from the provisions listed in Education Code 12A.004 and 19 Administrative Code 102.1309.  
*Education Code 12A.004; 19 TAC 102.1309*

2. Duties that the statute applies to the execution of that power if a district chooses to implement an authorized power that is optional under the terms of the statute;
3. A requirement of a grant or other state program authorized in the Education Code that would otherwise entitle the district to participation in that program; and

*19 TAC 102.1309; Education Code 12A.004*

**Adoption of Local  
Innovation Plan**

The board may not vote on adoption of a proposed local innovation plan unless:

1. The final version of the proposed plan has been available on the district's website for at least 30 days;
2. The board has notified the commissioner of the board's intention to vote on adoption of the proposed plan; and
3. The district-level committee [see BQA] has held a public meeting to consider the final version of the proposed plan and has approved the plan by a majority vote of the committee members. The public meeting may occur at any time, including up to or on the same date at which the board intends to vote on final adoption of the proposed plan.

The board may adopt a proposed local innovation plan by an affirmative vote of two-thirds of the membership of the board.

On adoption of a local innovation plan, the district is designated as a district of innovation for the term specified in the plan, but no longer than five calendar years, and shall begin operation in accordance with the plan. In addition, the district is exempt from state requirements identified under Education Code 12A.003(b)(2). [See Local Innovation Plan, above]

The district shall notify the commissioner of approval of the plan along with a list of approved exemptions by completing the agency's form provided at 19 Administrative Code 102.1307(d).

A district's exemption under the plan includes any subsequent amendment or redesignation of an identified state requirement, un-

less the subsequent amendment or redesignation specifically applies to an innovation district.

The district shall ensure that a copy of the plan is posted on the district's website in accordance with Education Code 12A.0071, for the term of the designation as an innovation district.

*Education Code 12A.005; 19 TAC 102.1307*

Notice to TEA

Not later than the 15th day after the date on which the board finalizes a local innovation plan either through adoption, amendment, or renewal, the district shall provide a link to the local innovation plan as posted on the district's website to the Texas Education Agency (TEA). TEA shall promptly post the current local innovation plan on the agency's website. *19 TAC 102.1307(g); Education Code 12A.0071(b)*

Term

The term of a district's designation as a district of innovation may not exceed five years and is effective upon district approval and notification of the plan to the TEA. A district may only have one innovation plan at any given time. *Education Code 12A.006; 19 TAC 102.1311*

**Amendment,  
Rescission, or  
Renewal of Local  
Innovation Plan**

A local innovation plan may be amended, rescinded, or renewed if the action is approved by a vote of the district-level committee [see BQA] and a two-thirds majority vote of the board.

An amendment to an approved plan does not change the date of the term of designation as an innovation district. Exemptions that were already formally approved are not required to be reviewed.

A district must notify TEA within five business days of rescission and provide a date at which time it will be in compliance with all sections of the Education Code, but no later than the start of the following school year.

During renewal, all sections of the plan and exemptions shall be reviewed, and the district must follow all components outlined in 19 Administrative Code 102.1307 relating to Adoption of Local Innovation Plans, except that a district is not required to notify the commissioner of the board's intention to vote on the adoption of the proposed plan.

The district shall notify the commissioner of any actions taken along with the associated exemptions and local approval dates.

A district must meet eligibility requirements under 19 Administrative Code 102.1303 in order to renew an innovation plan.

*Education Code 12A.007; 19 TAC 102.1313*

**Renewal Timeline**

In the event that a district fails to renew a plan prior to the expiration of its term, a district may renew the plan in the six months subsequent to the plan's date of expiration in order to maintain a continuous designation as a district of innovation.

The term of a renewed plan, subject to 19 Administrative Code 102.1311, may not begin prior to the date on which the board votes to adopt the renewed plan, unless the plan is adopted during the six months subsequent to the plan's date of expiration.

If a plan is renewed during the timeline described in this provision, the renewed plan will have a term not to exceed five calendar years, beginning on the date of expiration of the prior term.

If a plan is renewed during the timeline described in this provision and changes are made to the plan during the renewal process, those changes will be in effect from the date of adoption of the renewed plan through the expiration date of the renewed plan, unless amended, rescinded, or terminated.

If changes are made to the plan during the renewal process, the district shall mark the changes with the date of the vote to renew the plan in order to denote the earliest date those changes may take effect.

A district whose plan is not renewed during the timeline described in this provision shall comply with all previously adopted exemptions immediately upon expiration of the plan and begin the adoption process over again in its entirety should the district wish to pursue designation as a district of innovation in the future.

*19 TAC 102.1313(a)(3)(B)*

**Website Posting**

A district designated as a district of innovation shall ensure that a copy of the district's current local innovation plan is available to the public by posting and maintaining the plan in a prominent location on the district's internet website. *Education Code 12A.0071(a); 19 TAC 102.1307(f)*

The district's innovation plan must be clearly posted on the district's website for the term of the designation as an innovation district. *19 TAC 102.1307(f)*

3. A final unacceptable academic performance rating under Education Code 39.054 for one of the school years and an unacceptable financial accountability rating under Education Code 39.082 for the other school year.

The commissioner may permit the district to amend the local innovation plan to address concerns specified by the commissioner in lieu of terminating the district's designation.

*Education Code 12A.008(a)-(b); 19 TAC 102.1315(a)(1)-(a)(2)*

*On Board's  
Motion*

Except as provided below, the board, on its own motion, may order that trustees of the district are to be elected from single-member districts or that not fewer than 70 percent of the members of the board are to be elected from single-member districts with the remaining board members to be elected from the district at large.

If a majority of the area of a district is located in a county with a population of less than 10,000, a board, on its own motion, may order that trustees of the district are to be elected from single-member districts or that not fewer than 50 percent of the members of the board are to be elected from single-member districts with the remaining board members to be elected from the district at large.

Before adopting an order, a board must:

1. Hold a public hearing at which registered voters of a district are given an opportunity to comment on whether or not they favor the election of trustees in the manner proposed by the board; and
2. Publish notice of the hearing in a newspaper that has general circulation in the district, not later than the seventh day before the date of the hearing.

An order adopted by the board must be entered not later than the 120th day before the date of the first election at which all or some of the trustees are elected from single-member districts authorized by the order.

*Education Code 11.052(a)-(d)*

*By Voter Petition*

If at least 15 percent or 15,000 of the registered voters of the district, whichever is less, sign and present to the board a petition requesting submission to the voters of the proposition that trustees be elected in a specific manner, which must be generally described on the petition and which must be a manner of election the board could have ordered on its own motion, the board shall order that the appropriate proposition be placed on the ballot at the first regular election of trustees held after the 120th day after the date the

petition is submitted to the board. The proposition must specify the number of trustees to be elected from single-member districts. Beginning with the first regular election of trustees held after an election at which a majority of the registered voters voting approve the proposition, trustees shall be elected in the manner prescribed by the approved proposition. *Education Code 11.052(e)*

*Board Member  
Districts*

If single-member districts are adopted or approved by either method described above, the board shall divide the district into the appropriate number of trustee districts, based on the number of members that are to be elected from single-member districts, and shall number each trustee district. The trustee districts must be compact and contiguous and must be as nearly as practicable of equal population. In a district with 150,000 or more students in average daily attendance, the boundary of a trustee district shall not cross a county election precinct boundary except at a point at which the district boundary crosses the county election precinct boundary. Trustee districts must be drawn not later than the 90th day before the date of the first election of trustees from those districts. *Education Code 11.052(f)*

*Residency for  
First Election*

Residents of each trustee district are entitled to elect one trustee to the board. A trustee elected to represent a trustee district at the first election of members must be a resident of the district the trustee represents not later than the 90th day after the date election returns are canvassed, or the 60th day after the date of a final judgment in an election contest filed concerning that trustee district. A trustee vacates the office if the trustee fails to move into the district the trustee represents within the time provided. [For more information on residency, see BBA and BBC.] *Education Code 11.052(g)*

*Number and  
Term*

At the first election at which some or all of the trustees are elected from single-member trustee districts and after each redistricting, all positions on a board shall be filled. The trustees then elected shall draw lots for staggered terms as provided by Education Code 11.059 (terms). *Education Code 11.052(h)*

*Redistricting*

Not later than the 90th day before the date of the first regular board election at which trustees may officially recognize and act on the last preceding federal census, a board shall redivide a district into the appropriate number of trustee districts if the census data indicates that the population of the most populous district exceeds the population of the least populous district by more than 10 percent. Redivision of a district shall be in the manner provided above at Board Member Districts. *Education Code 11.052(i)*

*Phase-in Option*

The board of a district that adopts a redistricting plan may provide for the trustees in office when the plan is adopted or the district is

redistricted to serve for the remainder of their terms in accordance with this provision. The trustee district and any at-large positions provided by the district's plan shall be filled as the staggered terms of trustees then in office expire. Not later than the 90th day before the date of the first election from trustee districts and after each re-districting, a board shall determine the order in which the positions will be filled. *Education Code 11.053*

**Boundary Change  
Notice**

A district that changes its boundaries or the boundaries of districts used to elect members to the board shall not later than the 30th day after the date the change is adopted:

1. Notify the voter registrar of the county in which the area subject to the boundary change is located of the adopted boundary change; and

**Methods of Voting —  
Options**

Plurality

Except as otherwise provided at Majority, below, to be elected to a public office, a candidate elected at large, at large by position, or by single-member districts must receive more votes than any other candidate for the office. *Education Code 11.057(a), (b); Election Code 2.001*

Cumulative

The board of a district that elects its trustees at large or at large by position may order that elections for trustees be held using the cumulative voting procedure.

If a board adopts an order requiring the use of cumulative voting, only the board member positions that were scheduled to be filled at the election are filled through the use of cumulative voting.

At an election at which more than one board member position is to be filled, all of the positions that are to be filled at the election shall be voted on as one race by all the voters of a district. Each voter is entitled to cast a number of votes equal to the number of positions to be filled at the election.

A voter may cast one or more of the specified number of votes for any one or more candidates in any combination. Only whole votes may be cast and counted. If a voter casts more than the number of votes to which the voter is entitled in the election, none of the voter's votes may be counted in that election. If a voter casts fewer votes than entitled, all of the voter's votes are counted in that election.

The candidates who are elected are those, in the number to be elected, receiving the highest number of votes.

A district that adopts an order requiring the use of cumulative voting may not elect its members by position as provided by Education Code 11.058.

*Education Code 11.054*

Majority

The board of a district in which the positions of trustees are designated by number or in which the trustees are elected from single-member districts may provide by resolution, not later than the 180th day before the date of an election, that a candidate must receive a majority of the votes cast for a position or in a trustee district, as applicable, to be elected.

The resolution is effective until rescinded by a subsequent resolution adopted not later than the 180th day before the date of the first election to which the rescission applies.

*Election Code 2.002*

**Runoff Election**

In a district in which trustees are elected by majority vote under Education Code 11.057(c) [see BBB], if no candidate for a particular office receives the vote necessary to be elected, a runoff election for that office is required. *Election Code 2.021 et seq.*

If the candidates in a runoff election tie, an automatic recount shall be conducted under Election Code Chapter 216. If the recount does not resolve the tie, the tied candidates shall cast lots to determine the winner. The board president shall supervise the casting of lots. A tying candidate may resolve the tie by filing with the board president a signed and sworn to written statement of withdrawal. If the statement of withdrawal is received before the automatic recount is conducted, the remaining candidate is the winner, and the automatic recount is not conducted. If the statement of withdrawal

is received not later than 5:00 p.m. the day after the date the automatic recount is conducted, the remaining candidate is the winner, and a casting of lots is not held. *Election Code 2.028*

**Ballot Order**

The order of the candidates' names on the ballot of any resulting runoff election or election held to resolve a tie vote shall be the relative order of names on the original election ballot. *Election Code 2.002(d), 52.094(a)*

**Recounts**

The district shall conduct an authorized recount in accordance with Election Code Title 13. *Election Code 211.001*

A candidate in a board election may obtain an initial recount in an election if the difference in the number of votes received by the candidate and any candidate for the office who is shown by the election returns to be elected, tied, or entitled to a place on a runoff ballot, if applicable, is less than 10 percent of that candidate's number of votes, or the total number of votes received by all candidates for the office is less than 1,000. *Election Code 212.022*

A ground for obtaining an initial recount is not required to obtain an initial recount of electronic voting system results. A candidate may obtain an initial recount of electronic voting system results in an election only if the candidate is shown by the election returns not to be elected. *Election Code 212.0241*

An initial recount may not be conducted unless an authorized candidate submits a petition for the recount to the presiding officer of the local canvassing authority in accordance with Election Code Chapter 212, Subchapter B, accompanied by a deposit to cover the costs of the recount in accordance with Subchapter E. *Election Code 212.025, .026, .111*

Effect of Petition

The submission of a recount petition before a board completes its canvass does not delay the canvass for the office involved in the recount. The board shall make a notation on the tabulation of any office involved in a recount. The submission of a recount petition delays the issuance of a certificate of election and qualification for the office involved in the recount pending completion of the recount. A candidate may not qualify for an office involved in a recount before completion of the recount. This provision does not affect a candidate who has received a certificate of election and qualified for office before the submission of a recount petition involving the office. *Election Code 212.033, .0331*

Destruction of  
Records

After expiration of the prescribed period for preserving election records under the Election Code, the records may be destroyed or otherwise disposed of unless, at the expiration of the preservation period, an election contest or a criminal investigation or proceeding connected with the election is pending. Board Action

A board by order may adopt a process by which the clerk or secretary, as applicable, of the district may terminate the campaign treasurer appointment of an inactive candidate or political committee that is required to file a campaign treasurer appointment with the clerk or secretary.

The order must:

1. Define "inactive candidate or political committee" for purposes of terminating the campaign treasurer appointment; and

2. Require written notice to the affected candidate or committee of the proposed termination; the date, time, and place of the meeting at which the board will consider the proposed termination; and the effect of termination of the campaign treasurer appointment.

For purposes of this section, a candidate or political committee is inactive if the candidate or committee:

1. Has never filed or has ceased to file reports under Election Code Chapter 254 (Political Reporting);
2. In the case of a candidate, has not been elected to an office for which a candidate is required to file a campaign treasurer appointment with the board; and

Before the clerk or secretary of the district may terminate a campaign treasurer appointment, the board must consider the proposed termination in a regularly scheduled open meeting.

The termination of a campaign treasurer appointment under this section takes effect on the 30th day after the date of the meeting at which the board votes to terminate the appointment. Following that meeting, the clerk or secretary of the district shall promptly notify the affected candidate or political committee that the appointment has been terminated. The notice must state the effective date of the termination.

The address information removed must remain available on the report maintained in the district's office.

A report made available on an internet website must be accessible on that website until the fifth anniversary of the date the report is first made available.

Electronic report data saved in a temporary storage location of the district for later retrieval and editing before the report is filed is confidential and may not be disclosed. BOARD MEETINGS

BE  
(LEGAL)

Continued Meeting Government Code 551.041, above, does not require a board that recesses an open meeting to the following regular business day to post notice of the continued meeting if the action is taken in good faith and not to circumvent the Open Meetings Act. If an open meeting is continued to the following regular business day and, on that following day, the board continues the meeting to another day, the board must give the required written notice of the meeting continued to that other day. *Gov't Code 551.041(a)*

**Inquiry During Meeting** If, at a meeting of a board, a member of the public or of the board inquires about a subject for which notice has not been given, the notice provisions do not apply to a statement of specific factual information given in response to the inquiry or a recitation of existing policy in response to the inquiry. Any deliberation of or decision about the subject of the inquiry shall be limited to a proposal to place the subject on the agenda for a subsequent meeting. *Gov't Code 551.042*

**Time and Accessibility of Notice** The notice of a meeting of a board must be posted in a place readily accessible to the general public at all times for at least 72 hours before the scheduled time of the meeting, except as provided at Emergency Meeting or Emergency Addition to Agenda, below. A district shall post notice of each meeting on a bulletin board at a place convenient to the public in the central administrative office of the district. *Gov't Code 551.043(a), .051*

If a district is required to post notice of a meeting on the internet:

*Gov't Code 551.043(b)*

Internet Posting — Notice If a district maintains an internet website, in addition to the other place at which notice or an agenda of a meeting is required to be posted, a board must also concurrently post notice of a meeting and the agenda for the meeting on the internet website.

The validity of a posted notice of a meeting or an agenda by a board subject to these provisions that made a good-faith attempt to comply with these requirements is not affected by a failure to comply that is due to a technical problem beyond the control of the district.

*Gov't Code 551.056*

[See CQA for other website posting requirements.]

**Specificity of  
Agenda/Notice**

Agendas for all meetings must be sufficiently specific to inform the public of the subjects to be discussed at the meeting, setting out any special matters to be considered or any matter in which the public has a particular interest. *Cox Enterprises, Inc. v. Austin Indep. Sch. Dist.*, 706 S.W.2d 956 (Tex. 1986); *Point Isabel Indep. Sch. Dist. v. Hinojosa*, 797 S.W.2d 176 (Tex. App.—Corpus Christi 1990, writ denied); *Atty. Gen. Op. JH-1045 (1977)*

or Emergency  
Addition to Agenda**

A board may not deliberate or take action on a matter at a meeting for which notice or supplemental notice is posted as described above other than:

1. A matter directly related to responding to the emergency or urgent public necessity identified in the notice or supplemental notice of the meeting; or
2. An agenda item listed on a notice of the meeting before the supplemental notice was posted.

An emergency or urgent public necessity exists only if immediate action is required of a board because of:

1. An imminent threat to public health and safety, including a threat described in item 2, below, if imminent; or
2. A reasonably unforeseeable situation, including:
  - a. Fire, flood, earthquake, hurricane, tornado, or wind, rain, or snow storm;
  - b. Power failure, transportation failure, or interruption of communication facilities;

- c. Epidemic; or

The board shall clearly identify the emergency or urgent public necessity in the notice of an emergency meeting or supplemental notice.

The sudden relocation of a large number of residents from the area of a declared disaster to a district's jurisdiction is considered a reasonably unforeseeable situation for a reasonable period immediately following the relocation.

*Gov't Code 551.045*

Each portion of a meeting held by videoconference call that is required to be open to the public shall be visible and audible to the public at the location specified in the notice. If a problem occurs that causes a meeting to no longer be visible and audible to the public at that location, the meeting must be recessed until the problem is resolved. If the problem is not resolved in six hours or less, the meeting must be adjourned.

The location specified in the notice, and each remote location from which a member of the board participates, shall have two-way audio and video communication with each other location during the entire meeting. Computer-based videoconferencing applications may specify unique minimum requirements for computer central processing units, memory, and video capability to run the computer-based videoconferencing application. A board shall comply with these minimum requirements.

If the videoconference call hosts a public audience at a location or locations specified by the official notice of the open meeting posted in compliance with Open Meetings Act requirements, then the district shall establish a minimum of one host computer at the location(s) that will run the computer-based videoconferencing application. **Bonds and Bond  
Taxes**

The board may issue bonds for:

1. The construction, acquisition, and equipment of school buildings in the district;
2. The acquisition of property or the refinancing of property under a contract entered under the Public Property Finance Act (Local Government Code, Chapter 271, Subchapter A), regardless of whether payment obligations under the contract are due in the current year or a future year;
3. The purchase of the necessary sites for school buildings;
4. The purchase of new school buses;
5. The retrofitting of school buses with emergency, safety, or security equipment; and
6. The purchase or retrofitting of vehicles to be used for emergency, safety, or security purposes.

The board may levy, pledge, assess, and collect annual ad valorem taxes sufficient to pay the principal of and interest on the bonds as or before the principal and interest become due, subject to the provisions at Bond Elections, below.

*Education Code 45.001(a)*

All bonds shall be issued in accordance with the Public Security Procedures Act. *Gov't Code, Ch. 1201*

Limitation

A district may not issue general obligation bonds to purchase, improve, or construct one or more improvements to real property, to purchase one or more items of personal property, or to do both, if the weighted average maturity of the issue of bonds exceeds 120 percent of the reasonably expected weighted average economic life of the improvements and personal property financed with the issue of bonds. *Gov't Code 1253.002*

Use of Proceeds for  
Utilities

The proceeds of bonds issued by school districts for the construction and equipment of school buildings in the district and the purchase of the necessary sites for school buildings may be used, among other things, to pay the cost of acquiring, laying, and installing pipes or lines to connect with the water, sewer, or gas lines of a municipality or private utility company, whether or not the water, sewer, or gas lines adjoin the school, so that the school district may provide its public school buildings the water, sewer, or gas services. *Education Code 45.101*

Use of Proceeds for  
Safety

The proceeds of bonds issued by a school district for the construction and equipment of school buildings in the district and the purchase of the necessary sites for school buildings may be used to pay the costs associated with complying with school safety and security requirements for school facilities in accordance with Education Code 37.351. [See CKA]

A district that has been determined by the Texas Education Agency (TEA) to not be in compliance with safety and security requirements must use the proceeds of bonds described above to achieve compliance with applicable safety and security requirements in accordance with Education Code 37.351 before the district may use those proceeds for any other authorized purpose.

*Education Code 45.1011*

State Facilities  
Funding

*Instructional  
Facilities  
Allotment*

“Instructional facility” means real property, an improvement to real property, or a necessary fixture of an improvement to real property that is used predominantly for teaching the required curriculum.

*Education Code 46.001*

Under the Instructional Facilities Allotment, Education Code Chapter 46, Subchapter A, for each year, except as provided by Education Code 46.005 (limitation on the guaranteed amount) and 46.006 (shortage or excess of appropriated funds), a district is guaranteed a specified amount per student in state and local funds for each cent of tax effort, up to the statutory maximum in Education Code 46.003(b), to pay the principal of and interest on eligible bonds issued to construct, acquire, renovate or improve an instructional facility. *Education Code 46.003(a)* [See 19 Administrative Code 61.1032 for commissioner’s rules related to the instructional facilities allotment.]

*Existing Debt  
Allotment*

A district is guaranteed a specified amount per student in state and local funds for each cent of tax effort to pay the principal and interest on eligible bonds under Education Code Chapter 46, Subchapter B. Bonds are eligible to be paid with state and local funds under Subchapter B if the district made payments on the bonds during the final school year of the preceding state fiscal biennium or taxes levied to pay the principal and interest on the bonds were included in a district’s audited debt service collections for that school year, and the district does not receive state assistance under the Instructional Facilities Allotment for payment of the principal and interest on the bonds. *Education Code 46.032(a), .033* [See 19 Administrative Code 61.1035 for commissioner’s rules related to the existing debt allotment.]

Unspent Bond Proceeds

A district may use unspent proceeds of issued general obligation bonds only:

1. For the specific purposes for which the bonds were authorized;
2. To retire the bonds; or
3. For a purpose other than the specific purposes for which the bonds were authorized if:
  - a. The specific purposes are accomplished or abandoned; and
  - b. The board at a public meeting held only for the purpose of considering the use of the unspent bond proceeds approves in separate votes the use of the proceeds for:
    - (1) A purpose other than to retire the bonds; and
    - (2) The purpose specified at the time the vote is taken.

In addition to other requirements, notice of a public meeting held under this provision must include a statement that the board will consider the use of unspent bond proceeds for a purpose other than the specific purposes for which the bonds were authorized. A public meeting held under this provision must provide the public an opportunity to address the board on the question of using the unspent bond proceeds for a purpose other than the specific purposes for which the bonds were authorized.

1. The bonds have a scheduled maturity date that is not later than 20 years after the date of issuance;

2. The board has received a written estimate of the cost of the issuance, including:

3. The board has determined in writing whether any personal or financial relationship exists between the members of the board and any financial advisor, bond counsel, bond underwriter, or other professional associated with the bond issuance and submitted the determination to the Ethics Commission; and
4. The board posts prominently on the district's internet website and enters in the minutes of the board:
  - a. The total amount of the proposed bonds;
  - b. The length of maturity of the proposed bonds;
  - c. The projects to be financed with bond proceeds;
  - d. The intended use of bond proceeds not spent after completion of the projects identified;

Limitation on Use of Proceeds      Capital appreciation bond proceeds may not be used to purchase the following items, unless an item has an expected useful life that exceeds the bond's maturity date:

1. Items more regularly considered maintenance items, including replacement HVAC units, upgraded plumbing, or similar items; or
2. Transportation-related items, including buses.

*Unspent Proceeds*      Capital appreciation bond proceeds unspent after completion of the project identified as the proceeds' intended use may be used only for a use identified on the district's website as required above, unless another use is approved by the voters of the district at an election held for that purpose.

Extension      A district may not extend the maturity date of an issued capital appreciation bond, including through the issuance of refunding bonds that extend the maturity date, unless:

1. The extension of the maturity date will decrease the total amount of projected principal and interest to maturity; or
2. The maximum legally allowable tax rate for indebtedness has been adopted and TEA certifies in writing that the solvency of the permanent school fund's bond guarantee program would be threatened without the extension.

*Gov't Code 1201.0245*

**50 Cent Test for New  
Debt**

Before issuing bonds, a district must demonstrate to the attorney general that, with respect to the proposed issuance, the district has a projected ability to pay the principal of and interest on the pro-

posed bonds and all previously issued bonds, other than bonds authorized to be issued at an election held on or before April 1, 1991, and issued before September 1, 1992, from a tax at a rate not to exceed \$0.50 per \$100 of valuation (the "50 Cent Test").

A district may demonstrate the ability to comply with the 50 Cent Test by using the most recent taxable value of property in the district, combined with state assistance to which the district is entitled under Education Code Chapter 46 or 48 that may be lawfully used for the payment of bonds.

Future Taxable  
Value

A district may demonstrate the ability to comply with the 50 Cent Test by using a projected future taxable value of property in the district anticipated for the earlier of the tax year five years after the current tax year or the tax year in which the final payment is due for the bonds submitted to the attorney general, combined with state assistance to which the district is entitled under Education Code Chapter 46 or 48 that may be lawfully used for the payment of bonds.

The district must submit to the attorney general a certification of the district's projected taxable value prepared by a registered, certified professional appraiser who has demonstrated professional experience in projecting taxable values or who can obtain any necessary assistance from an experienced person.

The certification of a district's projected taxable value must be signed by the superintendent. The attorney general must base a determination of whether a district has complied with the 50 Cent Test on a taxable value that is equal to 90 percent of the value certified.

*Education Code 45.0031*

**Attorney General  
Review and Approval**

Unless exempt under Government Code 1202.007, before the issuance of a public security, the issuer shall submit the public security and the record of proceedings to the attorney general. *Gov't Code 1202.003(a); see, e.g., 1 TAC 53.3 (Content of Transcripts), 53.16 (Submission and Approval of Transcripts), and 53.61 (School District Tax Bond Elections)*

**Federal Securities Law**

Disclosure  
Obligations for  
Bond and Other  
Debt Offerings

Prior to publicly offering bonds, a school district must prepare and deliver to an underwriter an official statement containing the terms of the bond offering, a description of the district itself, financial and operating data of the district, and any other information that may be material to an investor interested in purchasing the district's bonds or otherwise required by Rule 15c2-12 of the Securities Exchange Commission (SEC) (SEC Rule 15c2-12(b)). *17 C.F.R. 240.15c2-12* [See Note, below]

Continuing  
Disclosure after  
Issuing Bonds

Except for exempt offerings, SEC Rule 15c2-12(b) requires underwriters to obtain a continuing disclosure agreement (CDA) from the district when the district issues bonds. A CDA obligates the district to prepare and file continuing disclosures of financial information and operating data annually after the bonds are issued. A CDA also requires filing notice regarding the occurrence of events listed under SEC Rule 15c2-12(b)(5)(i)(C) within 10 business days following the occurrence of any such event. *17 C.F.R. 240.15c2-12* [See Note, below]

Liability under  
Federal Securities  
Law

School districts, board members, and certain employees of the district are subject to liability under the antifraud provisions of the federal securities laws contained in Section 17(a) of the Securities Act of 1933 (the "Securities Act"), Section 10(b) of the Securities Exchange Act of 1934 (the "Exchange Act") and Rule 10b-5 of the SEC. The antifraud provisions generally prohibit false or misleading statements made in connection with the offer or sale of a district's bonds (or the omission of material facts from such statements), including the official statement itself and any other statement reasonably expected to reach bond investors (disclosures). *SEC Exchange Act Release No. 33741 (Mar. 9, 1994)*

The antifraud provisions also apply to a district's continuing disclosure obligations under SEC Rule 15c2-12(b) after a district's bonds are issued. [See Continuing Disclosure after Issuing Bonds, above] *SEC Report on the Municipal Securities Market (July 31, 2012) (the "SEC 2012 Report") at pg. 29*

---

**Note:** In preparing an official statement, a district may reasonably rely on the advice of outside professionals who are also subject to the antifraud provisions, but a district is primarily liable for the content of its official statement and other disclosures. *SEC Exchange Act Release No. 36761 (Jan. 24, 1996)*

A district may engage qualified consultants, including qualified disclosure or securities counsel and a financial adviser, to assist with preparing an official statement and other primary disclosures relating to a bond offering. Creation of internal procedures may help to insulate a district against criticism or liability under federal securities laws.

Districts may also engage disclosure counsel and/or other professionals to assist with secondary disclosure, including advice and assistance ensuring that (1) reporting requirements imposed by a CDA are satisfied and (2) information disclosed in periodic and occasional reports is accurate and complete.

Internal procedures may provide for (1) appointment of, and disclosure training for, district officials and employees who will be part of the financing team, (2) a procedure of accountability for review of the disclosures, and (3) ensuring that any procedures established are in fact followed.

In the administration of the duties of an investment officer, the person designated as investment officer shall exercise the judgment and care, under prevailing circumstances, that a prudent person would exercise in the management of the person's own affairs, but the board retains the ultimate responsibility as fiduciaries of the assets of the district. Unless authorized by law, a person may not deposit, withdraw, transfer, or manage in any other manner the funds of the district. Authority granted to a person to invest the district's funds is effective until rescinded by the district or until termination of the person's employment by a district, or for an investment management firm, until the expiration of the contract with the district. <i>Gov't Code 2256.005(f)</i></p> <p>A district or investment officer may use the district's employees or the services of a contractor of the district to aid the investment officer in the execution of the officer's duties under Government Code Chapter 2256. <i>Gov't Code 2256.003(c)</i></p>

*Education Code 31.103(d)*

**Parent Portal**

An entity that hosts an instructional materials parent portal must comply with requests regarding parental access to the portal made by a district in compliance with Education Code 31.154 or Education Code 26.006 [see EFA]. *Education Code 31.154(e)*

A district shall purchase with its allotment or otherwise acquire instructional materials for use in bilingual education classes. *Education Code 31.029*

**Certification of  
Instructional  
Materials**

Prior to the beginning of each school year, a district shall submit to the SBOE and commissioner certification that the district:

1. For each subject in the required curriculum under Education Code 28.002, other than physical education, and each grade level:
  - a. Provides each student with instructional materials that cover all elements of the essential knowledge and skills adopted by the SBOE for that subject and grade level; and

No. 106-554) [see CQ], Education Code 28.0022 [see EMB], Penal Code 43.22, and any other law or regulation that protects students from obscene or harmful content [see EF]; and
2. The district used money allocated to the district or school under the instructional materials and technology allotment only for purposes allowed under Education Code 31.0211.

To determine whether each student has instructional materials that cover all elements of the essential knowledge and skills, a district may consider:

**Ownership**

Except as otherwise provided, a student must return all instructional materials to the teacher at the end of the school year or when the student withdraws from school. At the end of the school year for which OER instructional material that a district does not intend to use for another student is distributed, the printed copy of the OER instructional material becomes the property of the student to whom it is distributed.

This provision does not apply to an electronic copy of OER instructional material.

*Education Code 31.104(c), (g)-(h)*

**Responsibility for Instructional Materials and Equipment**

Each student or the student's parent or guardian is responsible for all instructional material and technological equipment not returned in an acceptable condition by the student. A student who fails to return in an acceptable condition all instructional materials and technological equipment forfeits the right to free instructional materials and technological equipment until all instructional materials and

technological equipment previously issued but not returned in an acceptable condition are paid for by the student, parent, or guardian.

As provided by board policy, a district may waive or reduce the payment required if the student is from a low-income family. [See FP] The district shall allow the student to use instructional materials and technological equipment at school during each school day.

If instructional materials or technological equipment is not returned in an acceptable condition or paid for, a district may withhold the student's records. A district may not prevent the student from graduating, participating in a graduation ceremony, or receiving a diploma. [See FL and GBA regarding student and parental right to access records; and FD, FFAB, and FL regarding a district's duties to provide records to another district]

The board may not require an employee of the district who acts in good faith to pay for instructional materials or technological equipment that is stolen, misplaced, or not returned by a student. [See DG]

These provisions do not apply to an electronic copy of OER instructional material.

*Education Code 31.104(d), (e), (h)* [See also EF]

1. All components or applications that are a part of the electronic instructional materials are returned;
2. The electronic materials perform as they did when they were new;
3. The electronic instructional materials do not contain computer code (e.g., bug, virus, worm, or similar malicious software) that has been designed to self-replicate, damage, change, or

otherwise hinder the performance of any computer's memory, file system, or software; and

4. The electronic instructional materials have not been installed with plug-ins, snap-ins, or add-ins without the prior approval of the district.

Technological equipment is considered to be in acceptable condition if:

1. The equipment is returned with the software and hardware in their original condition unless the district authorized changes; and
2. The physical condition of the equipment is fully usable as it was originally intended to be used.

**Sale or Disposal**

The board shall determine how the district will dispose of discontinued printed instructional materials, electronic instructional materials, and technological equipment.

Sale

The board may sell printed instructional materials on the date the instructional material is discontinued for use in the public schools by the SBOE or the commissioner. The board may also sell electronic instructional materials and technological equipment owned by the district.

*Use of Proceeds*

Any funds received by a district from a sale must be used to purchase instructional materials and technological equipment allowed under Education Code 31.0211.

Disposal

The board may dispose of printed instructional material before the date the instructional material is discontinued for use in the public schools by the SBOE if the board determines that the instructional material is not needed by the district and the board does not reasonably expect that the instructional material will be needed. A district must notify the commissioner of any instructional material the district disposes of under this provision.

Definitions	<p>"Hazardous traffic condition" means an area within two miles of a campus where no walkway is provided and children must walk along or cross a freeway or expressway, an underpass, an overpass or a bridge, an uncontrolled major traffic artery, an industrial or commercial area, or another comparable condition.</p> <p>"Area presenting a high risk of violence" means an area within two miles of a campus that law enforcement records indicate presents a high incidence of violent crimes.</p> <p><i>19 TAC 61.1016(b)</i></p>
Community Walking Transportation Programs	<p>A district may use all or part of any additional funds received to support community walking transportation programs, including walking school bus programs, provided that the district requires each supported program to submit a financial report each semester that covers services provided by the program for the benefit of the district. <i>Education Code 48.151(d-2)</i></p>

**State Standards for Construction on or After November 1, 2021**

Applicability

All new facilities must meet the commissioner's standards for adequacy of school facilities to be eligible to be financed with state or local tax funds. *Education Code 46.008*

The school facilities standards established in 19 Administrative Code 61.1040 ("section 61.1040") shall apply to all district capital improvement projects as follows, regardless of the type of school facility or the type of construction delivery method used by the district.

1. A district capital improvement project of any type or size relating to a school facility subject to section 61.1040 must comply with applicable requirements established in section 61.1040(d), (e), (f), (j), and (k).
2. A project for new construction or major renovation at an instructional facility must comply with the requirements established in section 61.1040(d), (e), (f), (g), (j), and (k) and one of the methods required to demonstrate compliance with minimum space requirements established in section 61.1040(h) and (i).
3. A project for minor renovation at an instructional facility must comply with applicable requirements established in section 61.1040(d)(1), (e), (f), (j), and (k).
4. A project for new construction, major renovation, or minor renovation at a specialized instructional facility, noninstructional facility, or noninstructional specialized assembly facility must comply with applicable requirements established in section 61.1040(d)(1), (e), (f), (j), and (k).
5. A project for major renovation that includes minor scopes of work in an area of a school facility that is separate and distinct from the project scope of the major renovation may be performed as a part of a construction services contract for the major renovation without the minor scope of work becoming subject to the standards in section 61.1040(g), (h), or (i) if:
  - a. The minor scopes of work would not, on a stand-alone basis, be considered a major renovation project; and

- b. The cost of the minor scopes of work is included in the total cost of the project construction budget to determine the appropriate scope of work to be included in the project, as specified in section 61.1040(k)(1)(B).

*19 TAC 61.1040(b)(1)*

*Capital  
Improvement  
Project*

Any school facility project consisting of new construction, major renovation, or minor renovation for which construction services are procured under Government Code Chapter 2269, in accordance with Education Code 44.031(a)(5). *19 TAC 61.1040(a)(4)* [See CV]

Implementation

The school facilities standards established in section 61.1040 shall apply to a capital improvement project for which at least one of the following has occurred on or after November 1, 2021:

1. A board adopts a fiscal year maintenance and operations budget where a capital improvement project title and a design or design and construction budget are delineated;
2. A board calls a bond election where one or more capital improvement project titles and design or design and construction budgets are delineated; or
3. A new contract or amendment to an existing contract for architectural services for new construction or a major renovation project or a contract for engineering services for a major renovation or minor renovation has been agreed to and signed and dated by both parties to the agreement.

*19 TAC 61.1040(c)(1)*

A district shall consider implementing the safety and security standards under section 61.1040(k) for any safety and security upgrades to an existing instructional facility that does not require compliance with section 61.1040. *19 TAC 61.1040(c)(4)*

*Option for  
Actions Taken  
Before  
November 1,  
2021*

A board may elect to treat a capital improvement project, for which an action listed above was taken prior to November 1, 2021, under standards established in 19 Administrative Code 61.1036, below, or under the standards established in section 61.1040. If an election to comply with section 61.1040 is made by a board, the district and architect may mutually agree that the contract for design services may be adjusted and then must signify in writing that the project will become subject to the facilities standards established in section 61.1040 through an affirmative indication on the required certification form for the project or through some other written doc-

ument or addendum to the contract signifying election under section 61.1040 and any modifications to the contract terms agreed to by the parties.

If a board makes an election to comply with section 61.1036, it may still elect to comply with section 61.1040(k) (safety and security standards).

*19 TAC 61.1040(c)(2)-(3)*

Educational  
Adequacy  
*Long-Range  
Facility Plan*

A district shall ensure that a capital improvement project subject to section 61.1040 complies with the requirements and standards as follows.

Elements

The long-range facility plan shall include all of the following elements that apply to the facility and project and must also be updated prior to commencement of construction to include the access control document required in section 61.1040(k)(1)(B):

1. Existing and proposed instructional programs at the project campus, including special education, dual language, course offerings, and partnerships;
2. The age and condition of all buildings and systems at the project campus;
3. History of completed capital improvement projects at the facility;
4. Site evaluation of the project campus, including, but not limited to, overall site; shape; useable land; suitability for intended use as well as planned improvements; adequate vehicular, pedestrian, and emergency access; queuing; parking; and site amenities;
5. The district's educational specifications;
6. The district's enrollment projections, maximum student enrollment of the facility, and the facility's maximum instructional capacity, if applicable; and
7. The noncompliance, partial compliance, or full compliance with each of the safety and security standards required in section 61.1040(k).

Process

The process of developing the long-range facility plan shall consider input from teachers, students, parents, taxpayers, and other district stakeholders.

Compliance

The requirement for a long-range facility plan is met when a district completes the long-range facility plan, presents it to the board, and

makes it available to the prime design professional for a capital improvement project. The long-range facility plan expires after five years from the date of the final plan presented to the board and must be updated prior to commencement of a subsequent capital improvement project. A long-range facility plan developed as part of a district-wide long-range facilities plan may be used to satisfy this requirement.

*19 TAC 61.1040(d)(1)*

*Educational Specifications*

A district shall ensure that a project for new construction and major renovation subject to section 61.1040 complies with the requirements and standards as follows.

Elements

Educational specifications are a written document prepared by the district and approved by the board and shall include all of the following:

1. The district mission, vision, goals, and pedagogy;
2. Preliminary details related to facility type, grades served, and maximum student enrollment;
3. Pertinent provisions of the multi-hazard emergency operations plan that may inform the functionality of the built environment, including how the district complies with Education Code 37.108 [see CKC];
4. A written statement that includes:
  - a. Inclusive design goals and considerations supported by the district; and
  - b. How inclusive design should be addressed in new and renovated facility designs;
5. Minimum total square footage required to comply with the quantitative method of compliance; and
6. Innovative teaching or operational practices intended for implementation at the instructional facility that may lead to the use of the qualitative method of compliance.

Schedule

An educational specification shall be created for each campus type. If the design and construction of a new campus or major renovation of an existing campus differs substantially from an educational specification that exists for the same campus type, a separate educational specification must be developed. Educational specifications shall be initiated upon the first proposed project of its type and must be completed prior to initiating the planning or pro-

gramming phase of a project. Each educational specification must be updated after five years from the date of approval.

Compliance

The requirement for educational specifications is met when a district delivers the approved document to the architect.

*19 TAC 61.1040(d)(2)*

*Exceptions*

A district is exempt from the requirements of section 61.1040(d) (Educational Adequacy):

1. If a school facility experiences catastrophic damage and the board approves a capital improvement project in accordance with Education Code 44.0312(c) (delegation of contracting authority); or
2. In a situation deemed urgent by action of the board that warrants immediate action because, if left unresolved, it would impair the conduct of classes.

*19 TAC 61.1040(d)(3)*

Administration

Section 61.1040(e) establishes standards for the administration and procurements of design professional services and other professional services and for the administration of competitive bids and contracting requirements for construction services. A standard in section 61.1040 that incorporates by reference a key statutory provision or administrative rule is established as a compliance requirement for a district seeking to procure, obtain a competitive bid, or administer a contract for construction services, construction-related services, design professional services, or any other professional service required for a capital improvement project. The requirements establish a method by which a district shall demonstrate compliance with the requirements in section 61.1040(e) and with the construction quality standards and construction code requirements in section 61.1040(j). Any express reference to, or omission of, an applicable statutory provision in section 61.1040(e) may not be construed to diminish, alter, or abate a

provision of law applicable to a district or to a district capital improvement project subject to section 61.1040.

*19 TAC 61.1040(e)(1)*

*District  
Requirements

A district shall ensure that services sought by or provided to the district for a school facility capital improvement project, including, but not limited to, professional design services, construction services, construction administration services, third-party inspection services, third-party testing services, or third-party code compliance services, are provided through a project-specific written agreement that meets the requirements of section 61.1040(e)(6). *19 TAC 61.1040(e)(6)*

*Certification of  
Compliance with  
Standards*

A district, design professional, contractor, and prime subcontractors, if applicable, shall certify compliance with all applicable standards required in section 61.1040(d), (g)-(k) as required by section 61.1040(f). *19 TAC 61.1040(f)(1)*

A district may use the qualitative method of compliance for a capital improvement project only if the board has prior documented approval of one or more instructional or operational practices for the proposed project that distributes or manages student capacity in an innovative or nontraditional manner. Prior to approving the qualitative method of compliance, all instructional and operational practices applicable to the proposed project must have been documented and approved by the board to demonstrate compliance with the requirements in section 61.1040(i). *19 TAC 61.1040(i)*

Construction Quality Standards

A capital improvement project for a school facility must reasonably comply with the following construction code requirements.

*Requirements for All Instructional Facilities*

A district shall develop a document that designates each exterior door of each instructional facility campus-wide as either primary, secondary, or nondesignated entrances and shall ensure that the documented designation of all exterior doors becomes part of the long-range facility plan prior to commencement of construction of a capital improvement project. *19 TAC 61.1040(k)(1)(B)*

*Additional Standards Based on Budget*

A district shall approve a project construction budget for a capital improvement project at completion of the design development phase of the project and prior to commencement of the construction documents phase. The project construction budget approved by the district shall determine how many of the additional safety and security standards established in section 61.1040(k)(3) are required for the project. A district shall designate in writing which of the additional safety and security standards in section

61.1040(k)(3) have been approved by the board for a capital improvement project and shall provide to the prime design professional and each design professional of record written documentation of the approved safety and security standards for the proposed facility prior to commencement of the construction documents phase of a capital improvement project. The following standards shall apply to a capital improvement project for an instructional facility until all instructional facilities campus-wide fully comply with all of the additional safety and security standards specified in section 61.1040(k).

1. If a project construction budget is \$1 million to \$5 million, the facility is required to comply with at least one additional safety and security standard specified in section 61.1040(k)(3).

*19 TAC 61.1040(k)(2)*

Exceptions

A district may opt out of the requirements specified in section 61.1040(k)(2) if:

2. The five-year long-range facility plan clearly states that, prior to the end date of the plan, the facility will be compliant with at least two additional safety and security standards if ceasing operation does not occur or operation resumes. The long-range facility plan must specify which two additional safety and security standards will be implemented.

*19 TAC 61.1040(k)(4)*

*Public Disclosure*

A board shall ensure information or documents collected, developed, or produced by the district as part of a capital improvement project are reviewed to ensure that any project-specific safety and security information is adjusted for disclosure if necessary to ac-

**State Standards for Construction Before November 1, 2021**

The requirements for school facility standards set out in 19 Administrative Code 61.1036 ("section 61.1036") shall apply to projects for new construction or major space renovations if:

A district as owner of the building or facility may not allow an application to be filed with a local governmental entity for a building construction permit related to the plans and specifications or allow construction, renovation, or modification of the building or facility to begin before the date the plans and specifications are submitted to the Department. On application to a local governmental entity for a building construction permit, the district as owner shall submit to the entity proof that the plans and specifications have been submitted to the Department under Government Code Chapter 469 (Elimination of Architectural Barriers).

A district, as owner of a building or facility described above is responsible for having the building or facility inspected for compliance with the standards and specifications adopted by the Commission of Licensing and Regulation under Government Code Chapter 469 not later than the first anniversary of the date that the construction or substantial renovation or modification of the building or facility is completed. The inspection must be performed by the Department, an entity with which the Commission contracts, or a person who holds a certificate of registration under Government Code Chapter 469, Subchapter E.

**Safety and Security  
Requirements for  
Facilities**

Facilities Standards  
Compliance

A district must ensure that each district facility complies with each school facilities standard, including performance standards and operational requirements, related to safety and security adopted under Education Code 7.061 (Facilities Standards) or provided by other law or agency rule.

A district must develop and maintain documentation of the district's implementation of and compliance with school safety and security facilities standards for each district facility, including a good cause exception claimed under Education Code 37.353 [see Good Cause Exception, below], and shall, if requested by the Texas Education Agency (TEA), provide that documentation in the manner prescribed by TEA.

*Education Code 37.351*

Good Cause  
Exception

If a district is unable to bring a district facility into compliance with a school facilities standard related to safety and security, the district may claim a good cause exception from the requirement to comply with that standard, including for a reason related to:

1. The age, physical design, or location of the noncompliant facility;
2. The projected remaining use or functional life of the noncompliant facility;
3. Availability of funding; or
4. Supply chain obstacles.

A district that claims a good cause exception must develop an alternative performance standard with which the district is able to comply.

*Education Code 37.353*

Confidentiality

Any document or information collected, identified, developed, or produced relating to a safety or security requirement is confidential under Government Code 418.177 and 418.181 (Texas Disaster Act) and not subject to disclosure under Government Code Chapter 552 (Public Information Act). *Education Code 37.355.*

Facilities**

Definitions

The following words and terms when used in 19 Administrative Code 61.1031 shall have the following meanings:

"Actively monitored" means supervised by an adult who can visibly review visitors prior to entrance, who can take immediate action to close and/or lock the door, and whose duties allow for sufficient attention to monitoring.

“Exterior secured area” means an area fully enclosed by a fence and/or wall that:

1. If enclosed by a fence or wall, utilizes a fence or wall at least 6 feet high with design features that prevent it from being easily scalable, such as stone, wrought iron, chain link with slats or wind screen, or chain link topped with an anti-scaling device, or utilizes a fence or wall at least 8 feet high;
2. Is well maintained; and
3. If gated, features locked gates with emergency egress hardware and has features to prevent opening from the exterior without a key or combination mechanism.

“Instructional facility” has the meaning assigned in Education Code 46.001, and includes any real property, an improvement to real property, or a necessary fixture of an improvement to real property that is used predominantly for teaching curriculum under Education Code 28.002. An instructional facility does not include real property, improvements to real property, or necessary fixtures of an improvement to real property that are part of a federal, state, or private correctional facility or facility of an institution of higher education, medical provider, or other provider of professional or social services over which a school system has no control.

“Modular, portable building” means:

1. An industrialized building as defined by Occupations Code 1202.002 and 1202.003;
2. Any relocatable educational facility as defined by Occupations Code 1202.004, regardless of the location of construction of the facility; or

3. Only open once the visitor has been visually verified.

*19 TAC 61.1031(a)*

Safety and Security  
Standards

The provisions of 19 Administrative Code 61.1031 apply to all school instructional facilities owned, operated, or leased by a school system, regardless of the date of construction or date of lease. The provisions ensure that all school system instructional facilities have access points that are secured by design, maintained to operate as intended, and appropriately monitored. *19 TAC 61.1031(b)*

A school system shall implement the following safety and security standards compliance requirements to all school instructional facilities owned, operated, or leased by the school system.

*Doors,  
Entrances, and  
Windows*

All instructional facilities campus-wide, including modular, portable buildings, must include the addition of graphically represented alpha-numerical characters on both the interior and exterior of each exterior door location. The characters may be installed on the door, or on at least one door at locations where more than one door leads from the exterior to the same room inside the facility, or on the wall immediately adjacent to or above the door location. Characters shall comply with the International Fire Code Section 505. The primary entrance of an instructional facility shall always be the first in the entire sequence and is the only door location that does not require numbering. The numbering sequence shall be clockwise and may be sequenced for the entire campus or for each facility individually. The door-numbering process must comply with any and all accessibility requirements related to signage.

Unless a secure vestibule is present, a primary entrance shall:

1. Meet all standards for exterior doors;
2. Include a means to allow an individual located within the building to visually identify an individual seeking to enter the primary entrance when the entrance is closed and locked, including, but not limited to, windows, camera systems, and/or intercoms;

3. Feature a physical barrier that prevents unassisted access to the facility by a visitor; and
4. Feature a location for a visitor check-in and check-out process.

All exterior doors shall:

1. Be, by default, set to a closed, latched, and locked status, except that:
  - a. A door may be unlocked if it is actively monitored or within an exterior secured area; and
  - b. For the purposes of ventilation, a school system may designate in writing as part of its multihazard emergency operations plan specific exterior doors that are allowed to remain open for specified periods of time if explicitly authorized by the school safety and security committee when a quorum of members are present, and only if it is actively monitored or within an exterior secured area;
2. Be constructed, both for the door and door frame and their components, of materials and in a manner that make them resistant to entry by intruders. Unless inside an exterior secured area, doors constructed of glass or containing glass shall be constructed or modified such that the glass cannot be easily broken and allow an intruder to open or otherwise enter through the door (for example, using forced entry-resistant film);
3. Include:
  - a. A mechanism that fully closes and engages locking hardware automatically after entry or egress without manual intervention, regardless of air pressure within or outside of the facility; and
  - b. A mechanism that allows the door to be opened from the inside when locked to allow for emergency egress while remaining locked; and
4. If keyed for re-entry, be capable of being unlocked with a single (or a small set of) master key(s), whether physical key, punch code, or key-fob or similar electronic key device.

Except when inside an exterior secured area, classrooms with exterior entry doors shall include a means to allow an individual located in the classroom to visually identify an individual seeking to enter the classroom when the door is closed and locked, including, but not limited to, windows, camera systems, and/or intercoms.

Except when inside an exterior secured area, all windows that are adjacent to an exterior door and that are of a size and position that, if broken, would easily permit an individual to reach in and open the door from the inside shall be constructed or modified such that the glass cannot be easily broken.

Except when inside an exterior secured area, all ground-level windows near exterior doors that are of a size and position that permits entry from the exterior if broken shall be constructed or modified such that the glass cannot be easily broken and allow an intruder to enter through the window frame (for example, using forced entry-resistant film).

If designed to be opened, all ground-level windows shall have functional locking mechanisms that allow for the windows to be locked from the inside and, if large enough for an individual to enter when opened or if adjacent to a door, be closed and locked when staff are not present.

Roof access doors should default to a locked, latched, and closed position when not actively in use and be lockable from the interior.

All facilities must include one or more distinctive, exterior secure master key box(es) designed to permit emergency access to both law enforcement agencies and emergency responder agencies from the exterior (for example, a Knox box) at a location designated by the local authorities with applicable jurisdiction or provide all local law enforcement electronic or physical master key access to the building(s).

*Communications  
Infrastructure*

A communications infrastructure shall be implemented that must:

1. Ensure equipment is in place such that law enforcement and emergency responder two-way radios can function within most portions of the building(s); and
2. Include a panic alert button, duress, or equivalent alarm system, via standalone hardware, software, or integrated into other telecommunications devices or online applications, that includes the following functionality:
  - a. An alert must be capable of being triggered by campus staff, including temporary or substitute staff, from an integrated or enabled device.
  - b. An alert must be triggered automatically in the event a district employee makes a 9-1-1 call using the hardware or integrated telecommunications devices from any location within the school system.

- c. With any alert generated, the location of where the alert originated shall be included.
- d. The alert must notify a set of designated school administrators as needed to provide confirmation of response, and, if confirmed, notice must be issued to the 9-1-1 center of an emergency situation requiring a law enforcement and/or emergency response and must include the location of where the alert originated. A notice can simultaneously be issued to all school staff of the need to follow appropriate emergency procedures.
- e. For any exterior doors that feature electronic locking mechanisms that allow for remote locking, the alert system will trigger those doors to automatically lock.

*Compliance with  
9-1-1 Rules and  
Regulations*

In implementing these requirements, school systems shall comply with state and federal Kari's Laws and federal RAY BAUM's Act and corresponding rules and regulations pertaining to 9-1-1 service for school telephone systems, including a multi-line telephone system.

*19 TAC 61.1031(c)*

Operating  
Requirements

A school system shall implement the following.

1. Access control. The board shall adopt a policy requiring the following continued auditing of building access:
  - a. Conduct at least weekly inspections during school hours of all exterior doors of all instructional facilities to certify that all doors are, by default, set to a closed, latched, and locked status and cannot be opened from the outside without a key as required above;
  - b. Report the findings of weekly inspections to the school system's safety and security committee and ensure the results are kept for review as part of the safety and security audit;
  - c. Report the findings of weekly inspections to the principal or leader of the instructional facility to ensure awareness of any deficiencies identified and who must take action to reduce the likelihood of similar deficiencies in the future; and
  - d. Include a provision in the school system's applicable policy stating that nothing in a school system's access control procedures will be interpreted as discouraging parents, once properly verified as authorized campus

visitors, from visiting campuses they are authorized to visit.

2. Exterior and interior door numbering site plan.
  - a. A school system must develop and maintain an accurate site layout and exterior and interior door designation document for each instructional facility school system-wide that identifies all exterior and interior doors in the instructional facility and depicts all exterior doors on a floor plan with an alpha-numeric designation, in accordance with the door numbering specifications established above.
  - b. Copies of exterior and interior door numbering site plans shall be readily available in each campus main office.
  - c. Electronic copies of exterior and interior door numbering site plans shall be supplied to the local 9-1-1 administrative entity so that the site plans can be made available to emergency responders by 9-1-1 dispatchers.
  - d. The site layout and exterior and interior door designation document should be oriented in a manner that depicts true north.
3. Maintenance.
  - a. A school system shall perform at least twice-yearly maintenance checks to ensure the facility components function as required. At a minimum, maintenance checks shall ensure the following:
    - (1) Instructional facility exterior doors function properly, including meeting the requirements above;
    - (2) The locking mechanism for any ground-level windows that can be opened function properly;
    - (3) Any perimeter barriers and related gates function properly;
    - (4) All panic alert or similar emergency notification systems in classrooms and campus central offices function properly, which includes at least verification from multiple campus staff and classroom locations that a notification can be issued and received by the appropriately designated personnel, that the alert is successfully broadcast to all campus staff and to appropriate law enforcement and emergency responders, and that a potential threat observed on

video triggers an alert from video surveillance monitoring systems;

- (5) All school telephone systems and communications infrastructure provide accurate location information when a 9-1-1 call is made in accordance with state and federal laws and rules and when an alert is triggered;
  - (6) All exterior master key boxes function properly and the keys they contain function properly;
  - (7) Law enforcement and emergency responder two-way radios operate effectively within each instructional facility; and
  - (8) Two-way radios used by school system peace officers, school resource officers, or school marshals properly communicate with local law enforcement and emergency response services.
- b. A school system shall ensure procedures are in place to require that staff who become aware of a facility component functionality deficiency that would be identified during the twice-yearly maintenance review immediately report the deficiency to the school system's administration, regardless of the status of the twice-yearly maintenance review.
  - c. A school system shall promptly remedy any deficiencies discovered as a consequence of maintenance checks.

*19 TAC 61.1031(d)*

Compliance With  
Standards for  
Construction

In implementing the requirements of 19 Administrative Code 61.1031, school systems shall comply with the provisions of 19 Administrative Code 61.1040(j). [See CS]

To the extent that any provisions of 19 Administrative Code 61.1031 conflict with rules adopted in Chapter 61, Subchapter CC, (relating to Commissioner's Rules Concerning School Facilities), including terms defined or standards established, the provisions of 19 Administrative Code 61.1031 prevail.

In implementing these requirements, school systems shall comply with the standards adopted under Government Code 469.052 (Elimination of Architectural Barriers).

*19 TAC 61.1031(e), (f), (g)*

Records Control  
Schedule

In implementing these requirements, school systems must adopt a three-year records control schedule that complies with the minimum requirements established by the Texas State Library and Archives Commission schedule, record series item number 5.4.017, as referenced in Government Code 441.169 and Local Government Code 203.041. *19 TAC 61.1031 (h)* [See CPC]

Certification

All requirements above shall be implemented during the 2022- 23 school year and thereafter. Annually, a school system shall certify compliance with those requirements as part of ongoing security audits under Education Code 37.108(b); maintain the certification locally; and report as required by the Texas School Safety Center. Any and all noncompliance shall be reported to the school system's safety and security committee, the school system's board, and the Texas School Safety Center, as required by Education Code 37.108(c). [See CKA]

*Provisional  
Certification*

A school system may provisionally certify compliance of a facility component that is not in compliance if:

1. The school system has taken the necessary steps to initiate an upgrade of the facility component to ensure compliance; and
2. For the 2023-24 school year, the contractor or supplier has been procured and has provided a time frame when the upgrade will be completed.

TEA may modify rule requirements or grant provisional certification for individual site needs as determined by TEA.

Rules related to provisional certification expire August 31, 2024.

*19 TAC 61.1031(i), (j)*

**Silent Panic Alert  
Technology**

Beginning with the 2025-26 school year, a district shall provide each classroom in the district with silent panic alert technology that allows for immediate contact with district emergency services and emergency services agencies, law enforcement agencies, health departments, and fire departments.

Silent panic alert technology provided by a district does not satisfy the requirement under Education Code 37.108(a)(2) [see CKC] for the district to ensure employees have classroom access to a telephone or another electronic communication device.

To comply, a district may use funds provided to the district through the school safety allotment or other available funds and may use the district's customary procurement process.

*Education Code 37.117*

**Security Criteria**

A district that constructs a new instructional facility or conducts a major renovation of an existing instructional facility using Instructional Facilities Allotment funds shall consider, in the design of the instructional facility, appropriate security criteria. *Education Code 46.0081*

**Playgrounds**

Public funds may not be used to purchase or install:

1. Playground equipment that:
  - a. Does not comply with each applicable provision of ASTM Standard F1487-07ae1, "Consumer Safety Performance Specification for Playground Equipment for Public Use," published by ASTM International; or
  - b. Has a horizontal bare metal platform or a bare metal step or slide, unless the bare metal is shielded from direct sun by a covering provided with the equipment or by a shaded area in the location where the equipment is installed;
2. Surfacing for the area under and around playground equipment if the surfacing will not comply with each applicable provision of ASTM Standard F2223-04e1, "Standard Guide for ASTM Standards on Playground Surfacing," published by ASTM International.

**Exception**

Public funds may be used to maintain playground equipment or surfacing that was purchased before September 1, 2009, even if the equipment or surfacing does not comply with the applicable specifications described above.

*Health and Safety Code 756.061*

**Building Access  
Control**

Audits of building access control shall include weekly inspections of instructional facilities during school hours to certify all exterior doors are, by default, set to closed, latched, and locked status and cannot be opened from the outside without a key.

The Superintendent shall ensure that the findings of the weekly inspections are:

1. Reported to the District safety and security committee; and
2. Reported to the campus principal or lead administrator of the instructional facility to ensure awareness of any deficiencies identified.

The campus principal or lead administrator shall assign appropriate staff to take action to reduce the likelihood of similar deficiencies in the future.

The results of the weekly reports shall be kept for review as part of the required safety and security audit.

The District's building access control procedures shall not be interpreted as discouraging parents or guardians who have been properly verified as authorized visitors from visiting their student's campus. [See GKC]

**Natural Gas Piping  
Pressure Testing**

A district shall perform biennial pressure tests on the natural gas piping system in a school facility before the beginning of the school year. A district with more than one facility may perform the testing on a two-year cycle under which the district pressure tests the natural gas piping system in approximately one-half of the facilities each year. If a district operates the facilities on a year-round calendar, the pressure test in each of those facilities must be conducted and reported not later than July 1 of the year in which the pressure test is performed.

A natural gas piping pressure test performed under a municipal code in compliance with Railroad Commission rules shall satisfy the pressure testing requirements.

*Utilities Code 121.502; 16 TAC 8.230(c)(1), (4)*

Requirements of  
Test

A district shall perform the pressure test to determine whether the natural gas piping downstream of a district facility's meter holds at least normal operating pressure over a specified period determined by the Railroad Commission. During the pressure test, each system supply inlet and outlet in the facility must be closed. The pressure test shall be performed by a person authorized under Railroad Commission rules. At a district's request, the Railroad Commission shall assist the district in developing a procedure for conducting the test. *Utilities Code 121.503; 16 TAC 8.230(c)(2), (3)*

Notice

A district shall provide written notice to the district's natural gas supplier specifying the date and result of each pressure test or other inspection. The supplier shall develop procedures for receiving such written notice from the district. *Utilities Code 121.504(a); 16 TAC 8.230(b)(1)*

Termination of  
Service

A supplier shall terminate service to a district facility if:

1. The supplier receives official notification from the firm or individual conducting the test of a hazardous natural gas leakage in the facility piping system; or
2. A test or other inspection is not performed as required.

*Utilities Code 121.505(a)*

A supplier shall develop procedures for terminating service to a district if the supplier:

1. Receives notification of a hazardous natural gas leak in the school facility piping system; or

2. Does not receive written notification from the district specifying the completion date and results of the testing.

*16 TAC 8.230(b)(2)*

Reporting Leaks

An identified natural gas leakage in a district facility must be reported to the board. The firm or individual conducting the natural gas piping pressure test shall immediately report any hazardous natural gas leak in a district facility to the board and the natural gas supplier. *Utilities Code 121.506; 16 TAC 8.230(c)(6)*

**LP-Gas Systems  
Testing**

At least biennially, a district shall perform leakage tests on the LP-gas piping system in each district facility before the beginning of the school year. The district may perform the leakage tests on a two-year cycle under which the tests are performed for the LP-gas piping systems of approximately half of the facilities each year. If a district operates one or more district facilities on a year-round calendar, the leakage test in each of those facilities must be conducted and reported not later than July 1 of the year in which the test is performed.

A test performed under a municipal code satisfies the testing requirements.

*Natural Resources Code 113.352; 16 TAC 9.41*

Requirements of  
Test

A district shall perform the leakage test to determine whether the LP-gas piping system holds at least the amount of pressure specified by the Railroad Commission. The leakage test must be conducted in accordance with Railroad Commission rules at 16 Administrative Code 9.41. The leakage test shall be conducted by a person authorized under Railroad Commission rules. At a district's request, the Railroad Commission shall assist the district in providing for the certification of a district employee to conduct the test and in developing a procedure for conducting the test. *Natural Resources Code 113.353; 16 TAC 9.41(b)-(d)*

Notice

Before the introduction of any LP-gas into the LP-gas piping system, a district shall provide verification to its supplier that the piping has been tested.

Documentation

A district shall retain documentation specifying the date and the result of each leakage test or other inspection of each LP-gas piping system until at least the fifth anniversary of the date the test or other inspection was performed. The Railroad Commission may review a district's documentation of each leakage test or other inspection conducted by the district.

*Natural Resources Code 113.354; 16 TAC 9.41(b)(3)-(4)*

Termination of  
Service

A supplier shall terminate service to a district facility if:

1. The supplier receives official notification from the district or the person conducting the test that there is leakage in a school LP-gas system;
2. The leakage test performed on a school LP-gas system was not performed as required; or

*Natural Resources Code 113.355; 16 TAC 9.41(e)*

Reporting Leaks

An identified school LP-gas leakage in a school district facility shall be reported to the board. The district shall immediately remove the affected school district facility from LP-gas service until repairs are made and it passes a subsequent school LP-gas system leakage test. If a district employee performs the initial test, then the subsequent test may not be performed by a district employee. *Natural Resources Code 113.356; 16 TAC 9.41(b)(2)*

Definitions

“School district facility” means each building or structure operated by a school district and equipped with a school LP-gas system in which students receive instruction or participate in school sponsored extracurricular activities, excluding maintenance or bus facilities, vehicle fueling facilities, administrative offices, and similar facilities not regularly used by students.

“School LP-gas system” means all piping, fittings, valves, regulators, appliance connectors, equipment, and connections supplying fuel gas from the outlet of the shutoff valve at each LP-gas storage container or upstream of each meter to the shutoff valve(s) on each appliance in a school district facility.

*16 TAC 9.41(a)(3)-(4)*

**Intrastate Pipeline  
Emergency  
Response Plan**

The Railroad Commission shall require the owner or operator of each intrastate hazardous liquid or carbon dioxide pipeline facility, any part of which is located within 1,000 feet of a public school building containing classrooms, or within 1,000 feet of another public school facility where students congregate, to:

1. On written request from a district, provide in writing the following parts of a pipeline emergency response plan that are relevant to the school:
  - a. A description and map of the pipeline facilities that are within 1,000 feet of the school building or facility;

- b. A list of any product transported in the segment of the pipeline that is within 1,000 feet of the school facility;
  - c. The designated emergency number for the pipeline facility operator;
  - d. Information on the state's excavation one-call system; and
  - e. Information on how to recognize, report, and respond to a product release; and
2. Mail a copy of the requested items by certified mail, return receipt requested, to the superintendent of the district in which the school building or facility is located.

A pipeline operator or the operator's representative shall appear at a regularly scheduled board meeting to explain the above items if requested by the board or district.

The Railroad Commission may not require the release of parts of an emergency response plan that include security sensitive information, including maps or data. Security sensitive information shall be made available for review by but not provided to the board.

*Natural Resources Code 117.012(k)-(m); 16 TAC 8.315*

**Asbestos Hazard  
Emergency  
Response Act**

The rules adopted under the Asbestos Hazard Emergency Response Act (AHERA) (15 U.S.C. 2641-2656) require a district to identify asbestos-containing material (ACM) in schools by visually inspecting school buildings for such materials, sampling such materials if they are not assumed to be ACM, and having samples analyzed by appropriate techniques; submit management plans; and implement the plans in a timely fashion. Districts are required to use persons who have been accredited to conduct inspections, reinspections, develop management plans, or perform response actions. The rule includes recordkeeping requirements.

Delegation

Districts may contractually delegate their duties, but they remain responsible for the proper performance of those duties.

*40 C.F.R. 763.80(a)*

Duties

A district shall:

1. Ensure that the activities of any persons who perform inspections, reinspections, and periodic surveillance, develop and update management plans, and develop and implement response actions, including operations and maintenance, are carried out in accordance with 40 C.F.R. 763.80-.99 and appendices (Subpart E).
2. Ensure that all custodial and maintenance employees are properly trained as required by Subpart E and other applicable federal and/or state regulations (e.g., the Occupational Safety and Health Administration asbestos standard for construction, the Environmental Protection Agency [EPA] worker protection rule, or applicable state regulations).
3. Ensure that workers and building occupants, or their legal guardians, are informed at least once each school year about inspections, response actions, and post-response action activities, including periodic reinspection and surveillance activities that are planned or in progress.
4. Ensure that short-term workers (e.g., telephone repair workers, utility workers, or exterminators) who may come in contact with asbestos in a school are informed of the locations of asbestos-containing building material (ACBM) and suspected ACBM assumed to be ACM.
5. Ensure that warning labels are posted in accordance with 40 C.F.R. 763.95 [see Warning Labels, below].

*Plan Availability*

Upon submission of a management plan to TDSHS for review, a district shall keep a copy of the plan in its administrative office. The management plans shall be available, without cost or restriction, for inspection by representatives of EPA and the state, the public, including teachers, other school personnel and their representatives, and parents. The district may charge a reasonable cost to make copies of management plans.

Each school shall maintain in its administrative office a complete, updated copy of the management plan for that school. Management plans shall also be available for inspection, without cost or restriction, to workers before work begins in any area of a school building. The school shall make management plans available for inspection to representatives of EPA and the state, the public, including parents, teachers, and other school personnel and their representatives, within five working days after receiving a request for inspection. The school may charge a reasonable cost to make copies of the management plan.

*Notice of  
Availability*

Upon submission of its management plan to TDSHS and at least once each school year, a district shall notify in writing parent, teacher, and employee organizations of the availability of the management plans and shall include in the management plan a description of the steps taken to notify such organizations, and a dated copy of the notification.

*40 C.F.R. 763.93(g)*

Inspections

Each building leased or acquired to be used as a school building shall be inspected in accordance with 40 C.F.R. 763.85(a)(3) and (4) prior to use as a school building. In the event that emergency use of an uninspected building as a school building is necessitated, such buildings shall be inspected within 30 days after commencement of such use. At least once every three years after a management plan is in effect, each district shall conduct a reinspection of all friable and nonfriable known or assumed ACBM in each school building that they lease, own, or otherwise use as a school building. For each inspection and reinspection, the district shall have an accredited inspector provide a written assessment of all friable known or assumed ACBM in the school building. *40 C.F.R. 763.85, .88*

Response Actions

The district shall select and implement in a timely manner the appropriate response actions in 40 C.F.R. 763.90 consistent with the assessment. The response actions selected shall be sufficient to protect human health and the environment. The district may then select, from the response actions that protect human health and the environment, that action which is the least burdensome method. *40 C.F.R. 763.90(a)*

Periodic  
Surveillance

At least once every six months after the management plan is in effect, each district shall conduct periodic surveillance in each building that it leases, owns, or otherwise uses as a school building that contains ACBM or is assumed to contain ACBM. *40 C.F.R. 763.92(b)*

Operations and  
Maintenance  
Training

The district shall ensure, prior to the implementation of operations and maintenance provisions of the management plan, that all members of the maintenance and custodial staff who may work in a building that contains ACBM receive awareness training of at least two hours, whether or not they are required to work with ACBM. New custodial and maintenance employees shall be trained within 60 days after commencement of employment. Training shall include information specified in 40 C.F.R. 763.92(a)(1)(i)-(v). The district shall ensure that all members of its maintenance and custodial staff who conduct any activities that will result in the disturbance of ACBM shall receive training described above and 14 hours of additional training that includes information specified in 40 C.F.R. 763.92(a)(2)(i)-(iv). *40 C.F.R. 763.92(a)*

Warning Labels

The district shall attach a warning label immediately adjacent to any friable and nonfriable ACBM and suspected ACBM assumed to be ACM located in routine maintenance areas at each school building. This shall include friable ACBM that was responded to by a means other than removal and ACBM for which no response action was carried out. All labels shall be prominently displayed in readily visible locations and shall remain posted until the ACBM that is labeled is removed. The warning label shall read, in print which is readily visible because of large size or bright color, as follows: CAUTION: ASBESTOS. HAZARDOUS. DO NOT DISTURB WITHOUT PROPER TRAINING AND EQUIPMENT. *40 C.F.R. 763.95*

**Texas Asbestos  
Health Protection  
Act**

Texas Asbestos Health Protection rules are found in 25 Administrative Code Chapter 296.

The executive commissioner of the Health and Human Services Commission adopts by reference and enforces, except as otherwise provided in this paragraph, 40 C.F.R. Part 763, Subpart E, (relating to Asbestos-Containing Materials in Schools) adopted under AHERA. The executive commissioner does not adopt from Appendix C (relating to Asbestos Model Accreditation Plan), the EPA's recommended project monitor accreditation category in its Asbestos Model Accreditation Plan. *25 TAC 296.2*

For purposes of enforcing the federal regulations adopted to implement AHERA, 25 Administrative Code Chapter 296 applies to districts. *25 TAC 296.1(b)(4), .21(51)*

A district must ensure compliance with AHERA for all schools under its administrative control. A TDSHS representative may enter any regulated school building to inspect and investigate conditions to determine compliance in accordance with Occupations Code 1954.060, Texas Health and Safety Code 12.018, and 25 Administrative Code 296.271(c) (relating to Inspections and Investigations).

TDSHS may take enforcement action as described in 25 Administrative Code Chapter 296, Subchapter Q (relating to Compliance) for violations of AHERA. *25 TAC 296.4*

Asbestos- Related  
Activity

An “asbestos-related activity” means the removal, encapsulation, or enclosure of asbestos; the performance of an asbestos survey; the development of an asbestos management plan or response action; the collection or analysis of an asbestos sample; or the performance of another activity for which a license is required under Occupations Code Chapter 1954 (the Texas Asbestos Health Protection Act). *Occupations Code 1954.002, .101 (License Required for Certain Activities)*

The public building owner or the owner’s delegated agent must engage persons licensed as required in 25 Administrative Code Chapter 296 to perform any asbestos-related activity. *25 TAC 296.21(74), .211(a)*

---

**Note:** For public building owner responsibilities for asbestos management, see 25 Administrative Code 296.191

---

Notice of Certain  
Activities

A person engaged in removing asbestos from or encapsulating or enclosing asbestos in a public building shall notify TDSHS in writing at least 10 days before the date the person begins the removal, encapsulation, or enclosure project according to applicable laws. A person may give the required notice orally if the removal, encapsulation, or enclosure project is of an emergency nature. *Occupations Code 1954.252*

TDSHS must be notified of any demolition of a public building whether or not asbestos has been identified. TDSHS must be notified of any asbestos abatement within a public building. Notification must be submitted as required in 25 Administrative Code 296.151.

*Responsibility*

It is the responsibility of the public building owner and delegated agent (such as a licensed asbestos abatement contractor, asbestos consultant, or demolition contractor) to submit a notification to TDSHS for each project. When the task to notify is delegated, the building owner’s delegation and the name of the delegated agent must be specified on the notification form. The building owner and the delegated agent are responsible for the accuracy and timeliness of the notification and one or both may be found in violation for failing to accurately and timely notify TDSHS of a project.

In determining the award of a contract, the district may consider:

*Gov’t Code 2252.909*

**Using Method Other Than Competitive Bidding**

Determine Best Value

The board that considers a construction contract using a method authorized by Government Code Chapter 2269 other than competitive bidding must, before advertising, determine which method provides the best value for the district.

Publish Criteria

The district shall base its selection among offerors on applicable criteria listed for the particular method used. The district shall publish in the request for proposals or qualifications:

1. The criteria that will be used to evaluate the offerors;
2. The applicable weighted value for each criterion; and

1. May not consider whether a person is a member of or has another relationship with any organization; and
2. Shall ensure that its bid specifications and any subsequent contract or other agreement do not deny or diminish the right of a person to work because of the person's membership or other relationship status with respect to an organization.

*Gov't Code 2269.054*

**Collective  
Bargaining**

A district awarding a public work contract funded with state money, including the issuance of debt guaranteed by the state, may not:

The district may grant general authority to an administrative official to approve the change orders.

The total contract price may not be increased because of the changes unless additional money for increased costs is approved for that purpose from available money or is provided for by the authorization of the issuance of time warrants.

A contract with an original contract price of \$1 million or more may not be increased by more than 25 percent. If a change order for a contract with an original contract price of less than \$1 million increases the contract amount to \$1 million or more, the total of the subsequent change orders may not increase the revised contract amount by more than 25 percent of the original contract price.

*Education Code 44.0411*

Unsigned Change  
Orders

A vendor may elect not to proceed with additional work directed by a district under a public work contract if:

1. The vendor has not received a written, fully executed change order for the district-directed additional work; and
2. The aggregate actual or anticipated value of the additional work under the vendor's contract terms plus any previous district-directed additional work for which the vendor has not received a written, fully executed change order exceeds 10 percent of the vendor's original public work contract amount.

A subcontractor may elect not to proceed with additional work directed by a vendor under a subcontract if:

1. The subcontractor has not received a written, fully executed change order for the district-directed additional work from the vendor; and

The district shall select the services for

which it contracts in accordance with Government Code 2254.004.  
*Gov't Code 2269.058*

---

**Note:** For additional requirements related to code compliance, including fees and contracts, see 19 Administrative Code 61.1040(e)(5).

---

**Impact Fees**

A district is not required to pay impact fees imposed under Local Government Code Chapter 395 unless the board consents to the payment of the fees by entering a contract with the political subdivision that imposes the fees. The contract may contain terms the board considers advisable to provide for the payment of the fees.  
*Local Gov't Code 395.022*

**Design Professionals**

A district shall designate one design professional to be the prime design professional for a capital improvement project and shall contractually engage the prime design professional to review and coordinate the design of the project, allowing the prime design professional to rely on and contract for other design professionals where appropriate. *19 TAC 61.1040(a)(4), (e)(4)(D)*

A district shall require any design professional contractually engaged to procure professional design services from any other design professional as a subconsultant to select and subcontract the professional design services based on the qualification-based selection process established in Government Code Chapter 2254. [See Procuring Architectural or Engineering Services, below] *19 TAC 61.1040(e)(5)(B)*

**Architects and Engineers**

An architect or engineer required to be selected or designated under Government Code Chapter 2269 has full responsibility for complying with Occupations Code Chapter 1051 or 1001, as applicable.

If the selected or designated architect or engineer is not a full-time employee of the district, the district shall select the architect or engineer on the basis of demonstrated competence and qualifications as provided by Government Code 2254.004 [see Procuring Professional Services, below].

*Gov't Code 2269.057*

*Registered Architect*

An architectural plan or specification for any of the following may be prepared only by an architect:

1. A new building having construction costs exceeding \$100,000 that is to be:
  - a. Constructed and owned by a district; and

- b. Used for education, assembly, or office occupancy; or
- 2. An alteration or addition having construction costs exceeding \$50,000 that:
  - a. Is to be made to an existing building that:
    - (1) Is owned by a district; and
    - (2) Is or will be used for education, assembly, or office occupancy; and
  - b. Requires the removal, relocation, or addition of a wall or partition or the alteration or addition of an exit.

This provision does not prohibit an owner of a building from contracting with an architect or engineer as the prime design professional for a building construction, alteration, or addition project. Designation as the prime design professional does not expand the scope of practice of an architect or engineer beyond the scope of practice that the architect or engineer is authorized to practice under Occupations Code Chapter 1001 or 1051.

*Occupations Code 1051.703; 22 TAC 1.212*

*Registered  
Engineer*

A district may not construct a public work involving engineering in which the public health, welfare, or safety is involved, unless:

- 1. The engineering plans, specifications, and estimates have been prepared by an engineer; and
- 2. The engineering construction is to be performed under the direct supervision of an engineer.

*Occupations Code 1001.407*

The following work is exempt from Occupations Code Chapter 1001 (Texas Engineering Practice Act):

- 1. A public work that involves electrical or mechanical engineering, if the contemplated expense for the completed project is \$8,000 or less; or
- 2. A public work that does not involve electrical or mechanical engineering, if the contemplated expense for the completed project is \$20,000 or less.

*Occupations Code 1001.053*

*Certification for Purchases Through Purchasing Cooperatives*

A district may not enter into a contract to purchase construction-related goods or services through a purchasing cooperative under Government Code Chapter 791 in an amount greater than \$50,000 unless a person designated by the district certifies in writing that:

1. The project for which the construction-related goods or services are being procured does not require the preparation of plans and specifications under Occupation Code Chapter 1001 or 1051; or
2. The plans and specifications required under Occupation Code Chapters 1001 and 1051 have been prepared.

“Purchasing cooperative” means a group purchasing organization that governmental entities join as members and the managing entity of which receives fees from members or vendors.

*Gov’t Code 791.011(j)* [See CH for more information on interlocal contracts and purchasing cooperatives.]

Procuring Architectural or Engineering Services

Education Code 44.031 does not apply to a contract for professional services rendered, including the services of an architect. *Education Code 44.031(f)* [See CH for information on the Professional Services Procurement Act generally.]

In procuring architectural, engineering, or land-surveying services, a district shall:

1. First select the most highly qualified provider on the basis of demonstrated competence and qualifications; and
2. Then attempt to negotiate with that provider a contract at a fair and reasonable price.

If a satisfactory contract cannot be negotiated with the most highly qualified provider of architectural, engineering, or land-surveying services, a district shall formally end negotiations with that provider, select the next most highly qualified provider, and attempt to negotiate a contract with that provider at a fair and reasonable price. The district shall continue this process to select and negotiate with providers until a contract is entered into.

*Gov’t Code 2254.004*

An interlocal contract between a district and a purchasing cooperative may not be used to purchase engineering or architectural services. *Gov’t Code 791.011(h)*

Services

*Indemnification*

A covenant or promise in, in connection with, or collateral to a contract for engineering or architectural services to which a district is a party is void and unenforceable if the covenant or promise provides that a licensed engineer or registered architect whose work product is the subject of the contract must indemnify or hold harmless the district against liability for damage, other than liability for damage to the extent that the damage is caused by or results from an act of negligence, intentional tort, intellectual property infringement, or failure to pay a subcontractor or supplier committed by the indemnitor or the indemnitor's agent, consultant under contract, or another entity over which the indemnitor exercises control.

*Duty to Defend*

Except as provided below, a covenant or promise in, in connection with, or collateral to a contract for engineering or architectural services to which a district is a party is void and unenforceable if the covenant or promise provides that a licensed engineer or registered architect whose work product is the subject of the contract must defend a party, including a third party, against a claim based wholly or partly on the negligence of, fault of, or breach of contract by the district, the district's agent, the district's employee, or other entity, excluding the engineer or architect or that person's agent, employee, or subconsultant, over which the district exercises control. A covenant or promise may provide for the reimbursement of a district's reasonable attorney's fees in proportion to the engineer's or architect's liability.

*District as  
Additional  
Insured*

A district may require in a contract for engineering or architectural services to which the district is a party that the engineer or architect name the district as an additional insured under the engineer's or architect's general liability insurance policy and provide any defense provided by the policy.

*Standard of Care*

A contract for engineering or architectural services to which a district is a party must require a licensed engineer or registered architect to perform services:

1. With the professional skill and care ordinarily provided by competent engineers or architects practicing under the same or similar circumstances and professional license; and
2. As expeditiously as is prudent considering the ordinary professional skill and care of a competent engineer or architect.

In a contract for engineering or architectural services to which a district is a party, a provision establishing a different standard of care than a standard described above is void and unenforceable. If a contract contains a void and unenforceable provision, the standard of care described above applies.

Nothing in these provisions prohibits a district in a contract for engineering or architectural services to which the district is a party from including and enforcing conditions that relate to the scope, fees, and schedule of a project in the contract.

*Local Gov't Code 271.904*

**Payment and  
Performance Bonds**

A district that makes a public work contract with a prime contractor shall require the contractor, before beginning the work, to execute to the district:

1. A performance bond if the contract is in excess of \$100,000; and
2. A payment bond if the contract is in excess of \$25,000.

A bond required by this provision must be executed by a corporate surety in accordance with Insurance Code Article 7.19-1 (now Insurance Code 3503.001-.005). A bond for a public work contract with a district must be payable to and its form must be approved by the awarding board.

*Gov't Code 2253.021(a), (d)-(e)*

The performance bond is solely for the protection of the district awarding the public work contract, in the amount of the contract, and conditioned on the faithful performance of the work in accordance with the plans, specifications, and contract documents.

*Gov't Code 2253.021(b)*

The payment bond is solely for the protection and use of payment bond beneficiaries who have a direct contractual relationship with the prime contractor or a subcontractor to supply public work labor or material, and in the amount of the contract. *Gov't Code 2253.021(c)*

**Failure to Obtain  
Payment Bond**

If a district fails to obtain from a prime contractor a payment bond as required above or fails to include in a lease the lease terms required by Government Code 2252.909 [see CDB]:

1. The district is subject to the same liability that a surety would have if the surety had issued a payment bond and if the district had obtained the bond; and
2. A payment bond beneficiary is entitled to a lien on money due to the prime contractor in the same manner and to the same extent as if the public work contract were subject to Property Code Chapter 53, Subchapter J (Lien on Money Due Public Works Contractor).

*Gov't Code 2253.027(a)*

**Bond for Insured  
Loss**

A district shall ensure that an insurance company that is fulfilling its obligation under a contract of insurance by arranging for the replacement of a loss, rather than by making a cash payment directly to the district, furnishes or has furnished by a contractor:

1. A performance bond as described above for the benefit of a district; and
2. A payment bond, as described above for the benefit of the beneficiaries described above.

If the payment bond is not furnished, the district is subject to the same liability that a surety would have if the surety had issued the payment bond and the district had required the bond to be provided.

The bonds required to be furnished by the provisions above shall be furnished before the contractor begins work. It is an implied obligation under a contract of insurance for the insurance company to furnish these bonds.

*Exception to  
Bond  
Requirement*

These provisions do not apply to a district when a surety company is complying with an obligation under a bond that had been issued for the benefit of the district.

*Gov't Code 2253.022*

**Prevailing Wage on  
Public Works**

"Worker" includes a laborer or mechanic. *Gov't Code 2258.001(3)*

A worker employed on a public work by or on behalf of a district shall be paid:

1. Not less than the general prevailing rate of per diem wages for work of a similar character in the locality in which the work is performed; and
2. Not less than the general prevailing rate of per diem wages for legal holiday and overtime work.

The requirements above do not apply to maintenance work. A worker is employed on a public work for purposes of this provision if the worker is employed by a contractor or subcontractor in the execution of a contract for public work with a district.

*Gov't Code 2258.021*

For a contract for a public work awarded by a district, the board shall determine the general prevailing rate of per diem wages in the district for each craft or type of worker needed to execute the contract and the prevailing rate for legal holiday and overtime work by:

1. Conducting a survey of the wages received by classes of workers employed on projects of a character similar to the contract work in the district in which the public work is to be performed; or
2. Using the prevailing wage rate as determined by the U.S. Department of Labor in accordance with the Davis-Bacon Act (40 U.S.C. Section 276a et seq.), and its subsequent amendments.

The board shall determine the general prevailing rate of per diem wages as a sum certain, expressed in dollars and cents. A board shall specify in the call for bids for the contract and in the contract itself the wage rates determined under these provisions. The board's determination of the general prevailing rates of per diem wages is final.

*Gov't Code 2258.022(a), (c)-(e)*

Government Code 2258.022(b) applies to a public work located in a county bordering the United Mexican States or in a county adjacent to a county bordering the United Mexican States. *Gov't Code 2258.022(b)*

Enforcement

A board awarding a contract, and an agent or officer of the board, shall:

1. Take cognizance of complaints of all violations of Government Code Chapter 2258 committed in the execution of the contract; and
2. Withhold money forfeited or required to be withheld under Government Code Chapter 2258 from the payments to the contractor under the contract, except that the board may not withhold money from other than the final payment without a determination by the board that there is good cause to believe that the contractor has violated Government Code Chapter 2258.

On receipt of information, including a complaint by a worker, concerning an alleged violation of Government Code 2258.023 [see Penalty for Noncompliance, below] by a contractor or subcontractor, a board shall make an initial determination as to whether good cause exists to believe that the violation occurred. A board must make its determination before the 31st day after the date the board receives the information. A board shall notify in writing the contractor or subcontractor and any affected worker of its initial determination.

*Gov't Code 2258.051-.052(a)-(c)*

Retainage and  
Reimbursement

A board shall retain any amount due under the contract pending a final determination of the violation. *Gov't Code 2258.052(d)*

---

**Note:** Arbitration of unresolved issues is governed by Government Code 2258.053-.055.

---

A board shall use any amounts retained under Government Code Chapter 2258 to pay the worker the difference between the amount the worker received in wages for labor on the public work at the rate paid by the contractor or subcontractor and the amount the worker would have received at the general prevailing rate as provided in the arbitrator's award. The board may adopt rules, orders, or ordinances relating to the manner in which the reimbursement is made. *Gov't Code 2258.056(a)-(b)*

Penalty for  
Noncompliance

The contractor who is awarded a contract by a district or a subcontractor of the contractor shall pay not less than the rates determined under these provisions to a worker employed by it in the execution of the contract. A contractor or subcontractor who violates this provision shall pay to the district on whose behalf the contract is made, \$60 for each worker employed for each calendar day or part of the day that the worker is paid less than the wage rates stipulated in the contract. A board awarding a contract shall specify this penalty in the contract. A contractor or subcontractor does not violate this section if a board awarding a contract does not determine the prevailing wage rates and specify the rates in the contract as required by these provisions. The board shall use any money collected under this provision to offset the costs incurred in the administration of Government Code Chapter 2258. *Gov't Code 2258.023*

Criminal Offense

An officer, agent, or representative of a district commits an offense if the person willfully violates or does not comply with a provision of Government Code 2258. *Gov't Code 2258.058(a)*

**Required Workers'  
Compensation

A district that enters into a building or construction contract shall require the contractor to certify in writing that the contractor provides workers' compensation insurance coverage for each employee of the contractor employed on the public project. Each subcontractor shall provide such a certificate relating to coverage of the subcontractor's employees to the general contractor, who shall

provide the subcontractor's certificate to the district. *Labor Code 406.096(a)-(b)*

A district that enters into a building or construction contract on a project shall:

3. Obtain from the contractor a certificate of coverage for each person providing services on the project, prior to that person beginning work on the project.
4. Obtain from the contractor a new certificate of coverage showing extension of coverage:
  - a. Before the end of the current coverage period, if the contractor's current certificate shows that the coverage period ends during the duration of the project; and
  - b. No later than seven days after the expiration of the coverage for each other person providing services on the project whose current certificate shows that the coverage period ends during the duration of the project.
5. Retain certificates of coverage on file for the duration of the project and for three years thereafter.
6. Provide a copy of the certificate of coverage to the Texas Department of Insurance, Division of Workers' Compensation upon request and to any person entitled to a copy by law.
7. Use the language contained in 28 Administrative Code 110.110(c)(7) for bid specifications and contracts, without any additional words or changes, except those required to accommodate the specific document in which they are contained or to impose stricter standards of documentation.

A district that brings an action for recovery of damages for the defective design, construction, renovation, or improvement of a district facility financed by bonds shall provide the commissioner with written notice of the action by registered or certified mail, return receipt requested, not later than the 30th day after the date the action is filed. If the district fails to comply with this provision, the court or an arbitrator or other adjudicating authority shall dismiss the action without prejudice. The dismissal of an action under this provision extends the statute of limitations on the action for a period of 90 days.

The notice must include a copy of the petition and an itemized list of the defects in the design, construction, renovation, or improvement for which the district is seeking damages under the action.

In an action involving an instructional facility financed by bonds for which the district receives state assistance under Education Code Chapter 46, Subchapter A (Instructional Facilities Allotment), the commissioner may join in the action on behalf of the state to protect the state’s share in the action.

A district that brings an action under these provisions shall use the net proceeds from the action for:

1. The repair of the defective design, construction, renovation, or improvement of the facility on which the action is brought, including the repair of any ancillary damage to furniture and fixtures;
2. The replacement of the facility on which the action is brought;
3. The reimbursement of the district for a repair or replacement; or
4. Any other purpose with written approval from the commissioner.

Education Code 46.008 applies to the repair. A district shall provide to the commissioner an itemized accounting of any repairs made.

The state's share resulting from an action brought under these provisions involving an instructional facility financed by bonds for which the school district receives state assistance under Education Code Chapter 46, Subchapter A is state property. The district shall send to the comptroller any portion of the state's share not used by the district to repair the defective design, construction, renovation, or improvement of the instructional facility on which the action is brought or to replace the facility. Education Code 48.272 applies to the state's share.

*Education Code 44.151*

*Attorney General

on behalf of the state to enjoin the district from violating those sections.

In such an action, the attorney general may request and the court may order any other appropriate relief that is in the public interest, including payment of:

1. A civil penalty in an amount not to exceed \$20,000 for each violation;
2. The attorney general's reasonable costs for investigating and prosecuting the violation; or
3. If applicable, the amount of the state's share.

*Education Code 44.152(a)-(b)*

An applicant who answers affirmatively concerning an inappropriate relationship with a minor must disclose in the affidavit all relevant facts pertaining to the charge, adjudication, or conviction, including, for a charge, whether the charge was determined to be true or false.

An applicant is not precluded from being employed based on a disclosed charge if the district determines based on the information disclosed in the affidavit that the charge was false.

A determination that an employee failed to disclose required information is grounds for termination of employment.

SBEC may revoke the certificate of an administrator if the board determines it is reasonable to believe that the administrator employed an applicant for a position described by Education Code 21.003(a) or (b) despite being aware that the applicant had been adjudicated for or convicted of having an inappropriate relationship with a minor.

*15 U.S.C. 1681a*

Obtaining Reports

**Definition** In this policy, the term “appoint” includes appointing, confirming the appointment of, and voting to appoint or confirm the appointment of a person.

**Nepotism Prohibited** Except as provided by this policy, a public official may not appoint a person to a position that is to be directly or indirectly compensated from public funds or fees of office if:

1. The person is related to the public official by consanguinity (blood) within the third degree or by affinity (marriage) within the second degree [see Consanguinity and Affinity, below]; or
2. The public official holds the appointment or confirmation authority as a member of a local board and the person is related to another member of the board by blood or marriage within a prohibited degree.

*Gov’t Code 573.002, .041; Atty. Gen. Op. JC-184 (2000)*

**Independent Contractor** The nepotism law governs the hiring of an individual, whether the employee is hired as an individual or an independent contractor.

**Superintendent**  
Counties with  
Population 35,000  
or More  
In a district located wholly in, or whose largest part is located in, a county with a population of 35,000 or more, if, under the employment policy [see DC], a board delegates to the superintendent the final authority to select district personnel:

1. The superintendent is a public official for purposes of the nepotism prohibitions only with respect to a decision made under that delegation of authority; and
2. Each member of the board remains subject to the nepotism prohibitions with respect to all district employees.

For purposes of this provision, a person hired by a district before September 1, 2007, is considered to have been in continuous employment [see Continuous Employment, below] and is not prohibited from continuing employment with the district subject to the abstinence requirements.

*Education Code 11.1513(f)-(h)*

Counties with  
Population Less  
Than 35,000  
In a district located wholly in, or whose largest part is located in, a county with a population of less than 35,000, to the extent a board has delegated final hiring authority to a superintendent to select personnel [see DC], the superintendent is a “public official” for purposes of the nepotism laws. *Atty. **Compensation of Prohibited Employee**

A public official may not approve an account or draw or authorize the drawing of a warrant or order to pay the compensation of an ineligible person if the official knows the person is ineligible. *Gov't Code 573.083*

**Consanguinity**

Two persons are related to each other by consanguinity (blood) if one is a descendant of the other or if they share a common ancestor. An adopted child is considered to be a child of the adoptive parents for this purpose. *Gov't Code 573.022*

An individual's relatives within the third degree by consanguinity are the individual's:

1. Parent or child (first degree);
2. Brother, sister, grandparent, or grandchild (second degree); and
3. Great-grandparent, great-grandchild, aunt or uncle (who is a sibling of a parent of the person), nephew or niece (who is a child of a brother or sister of the person) (third degree).

*Gov't Code 573.023(c)*

Half-Blood  
Relatives

There is no distinction under the nepotism statute between half-blood and full-blood relations. Thus, half-blood relationships fall within the same degree as those of the full blood. *Atty. Gen. Op. LO-90-30 (1990)*

**Affinity**

Two persons are related to each other by affinity (marriage) if they are married to each other or if the spouse of one of the persons is related by consanguinity to the other person.

The ending of a marriage by divorce or the death of a spouse ends relationships by affinity created by that marriage unless a child of the marriage is living, in which case the marriage is considered to continue as long as a child of that marriage lives. This provision applies to a school board member or officer of a school district only until the youngest child of the marriage reaches the age of 21 years.

*Gov't Code 573.024*

A husband and wife are related to each other in the first degree by affinity. For other relationships, the degree of affinity is the same as the degree of the underlying relationship by consanguinity. For example, if two persons are related to each other in the second degree by consanguinity, the spouse of one of the persons is related to the other person in the second degree by affinity.

All public officers shall continue to perform the duties of their offices until their successors shall be duly qualified, i.e., sworn in. 1. Thirty days, if the public official is appointed; or
2. Six months, if the public official is elected.

*Gov't Code 573.062(a)*

*Retirees*

A teacher who has retired from a full-time, certified teacher position has broken his or her employment with a district and does not qualify for the continuous-employment exception to the nepotism laws. *Atty. Gen. Op. JC-442 (2001)*

For purposes of calculating the appropriate date for the applicability of the continuous-employment exception, a superintendent with final authority to select personnel is an appointed public official. *Atty. Gen. Op. GA-177 (2004)*

*Abstention*

If an employee continues in a position under this exception, the public official to whom the employee is related in a prohibited degree may not participate in any deliberation or voting on the appointment, reappointment, employment, reemployment, change in status, compensation, or dismissal of the employee, if the action applies only to the employee and is not taken regarding a bona fide class or category of employees. *Gov't Code 573.062(b)*

**Incentive Grants —  
Contract Provision**

A district shall provide in employment contracts that qualifying employees may receive an incentive payment under an awards program established under Education Code Chapter 21, Subchapter O (Educator Excellence Award Program and Educator Excellence Innovation Program) if the district participates in the program. A district shall indicate that any incentive payment distributed is considered a payment for performance and not an entitlement as part of an employee's salary. *Education Code 21.415*

**Educator Excellence  
Innovation Program**

The Educator Excellence Innovation Program (EEIP) is a grant program under which a district may receive a competitive grant for the purposes of systematically transforming educator quality and effectiveness. The Texas Education Agency (TEA) will give priority to districts that receive Title I funding and have at a majority of district campuses a student enrollment that is at least 50 percent educationally disadvantaged.

Eligibility

A district is eligible to apply for EEIP grant funds if the district:

1. Completes and submits a Notice of Intent to Apply to TEA by the date established by the commissioner of education;
2. Complies with all assurances in the Notice of Intent to Apply and grant application;
3. Participates in the required technical assistance activities established by the commissioner, including establishing leadership teams, master teachers, mentor teachers, and instructional coaches and developing career pathways;
4. Agrees to participate for four years; and
5. Complies with any other activities set forth in the program requirements.

An eligible district must submit an application in a form prescribed by the commissioner. Each eligible applicant must meet all deadlines, requirements, and assurances specified in the application. The commissioner may waive any eligibility requirements as specified in 19 Administrative Code 102.1073.

Local Plan

An eligible district that intends to participate in the EEIP shall submit a local educator excellence innovation plan to TEA. A local educator excellence innovation plan must address the elements at 19 Administrative Code 102.1073(e)(2).

A district must act pursuant to its local board policy [see DEAA (LOCAL)] for submitting a local educator excellence innovation plan and grant application to TEA. A local decision to approve and

submit a plan and grant application may not be appealed to the commissioner.

A district may renew its local educator excellence innovation plan for three consecutive school years without resubmitting a full grant application to TEA. With TEA approval, a district may amend its local plan in accordance with 19 Administrative Code 102.1073(c) and (h) for each school year the district receives a program grant.

Use of Grant Funds

A district may use grant funds only to carry out purposes of the program as described at Education Code 21.7011, in accordance with the district's local plan, which may include the following specific methods or procedures:

1. Implementation and administration of a high-quality mentoring program for teachers in the first three years of classroom teaching using mentors who meet the qualifications prescribed by Education Code 21.458 [see Mentor Teachers, below];
2. Implementation of a teacher evaluation system using multiple measures that include:
  - a. The results of classroom observation, which may include student comments;
  - b. The degree of student educational growth and learning; and
  - c. The results of teacher self-evaluation;
3. To the extent permitted under Education Code Chapter 25, Subchapter C, restructuring of the school day or school year to provide for embedded and collaborative learning communities for the purpose of professional development [see EC];
4. Establishment of an alternative teacher compensation or retention system; and
5. Implementation of incentives designed to reduce teacher turnover.

Waiver Request

A district may apply to the commissioner in writing for a waiver to exempt the district or one or more district campuses from one or more of the statutory sections listed at Education Code 21.7061(a).

The application for the waiver must demonstrate:

1. Why waiving the identified section of the Education Code is necessary to carry out the purposes of the program;

2. Approval for the waiver by a vote of a majority of the members of the board;
3. Approval for the waiver by a vote of a majority of the educators employed at each campus for which the waiver is sought; and
4. Evidence that the voting occurred during the school year and in a manner that ensured that all educators entitled to vote had a reasonable opportunity to participate in the voting.

Neither the board nor the superintendent may compel a waiver of rights under Education Code 21.7061.

Not later than April 1 of the year in which the waiver application is submitted, the commissioner shall notify the district in writing whether the application has been granted or denied. A waiver expires when the waiver is no longer necessary to carry out the purposes of the program, in accordance with the district's local educator excellence innovation plan.

The educator shall have the right to present to the board testimony or other information relevant to the educator's fitness to continue in the performance of regular duties. [See DBB]

Return to Active  
Duty

The educator shall notify the superintendent of a desire to return to active duty no later than the 30th day before the expected date of return. The notice must be accompanied by a physician's statement indicating the educator's physical fitness for the resumption of regular duties.

*Notice*

An educator returning to active duty after a leave of absence for temporary disability is entitled to an assignment at the school where the educator formerly taught, subject to the availability of an appropriate teaching position. In any event, the educator shall be placed on active duty no later than the beginning of the next school year.   - b. An offense under the laws of another state or federal law that is equivalent to an offense under item 1 or 2a, above.

Exception

However, a district is not required to discharge an employee if the person committed an offense under Title 5, Penal Code, and:

1. The date of the offense is more than 30 years before the date the person's employment will begin; and
2. The employee satisfied all terms of the court order entered on conviction.

Certification to Commissioner

Each school year, a superintendent shall certify to the commissioner that the district has complied with the above provisions.

SBEC may impose a sanction on a superintendent who falsely or inaccurately certified to the commissioner that the district had complied with Education Code 22.085. [See Certification to Commissioner, above]

**Employee Free  
Speech**

District employees do not shed their constitutional rights to freedom of speech or expression at the schoolhouse gate.

However, neither an employee nor anyone else has an absolute constitutional right to use all parts of a school building or its immediate environs for unlimited expressive purposes. When a public employee makes statements pursuant to his or her official duties, the employee is not speaking as a citizen for First Amendment purposes, and the Constitution does not insulate the communications from employer discipline.

**Whistleblower  
Protection**

A board or its agents shall not suspend or terminate the employment of, or take other adverse personnel action against, an employee who in good faith reports a violation of law by a district or another public employee to an appropriate law enforcement authority.

A “report” is made to an “appropriate law enforcement authority” if the authority is a part of a state or local governmental entity or the federal government that the employee in good faith believes is authorized to:

1. Regulate under or enforce the law alleged to be violated in the report; or
2. Investigate or prosecute a violation of criminal law.

*Gov’t Code 554.002*

A supervisor who suspends or terminates the employment of or takes an adverse personnel action against an employee for reporting a violation of law shall be subject to civil penalties. *Gov’t Code 554.008*

Definitions

“Employee” means an employee or appointed officer who is paid to perform services for a district. It does not include independent contractors. *Gov’t Code 554.001(4)*

“Law” means a state or federal statute, an ordinance of a local governmental entity, or a rule adopted under a statute or ordinance. *Gov’t Code 554.001(1)*

A “good faith” belief that a violation of the law occurred means that:

1. The employee believed that the conduct reported was a violation of law; and

2. The employee's belief was reasonable in light of the employee's training and experience.

Wichita County v. Hart, 917 S.W.2d 779 (Tex. 1996)

A "good faith" belief that a law enforcement authority is an appropriate one means:

1. The employee believed the governmental entity was authorized to:
  - a. Regulate under or enforce the law alleged to be violated in the report, or
  - b. Investigate or prosecute a violation of criminal law; and
2. The employee's belief was reasonable in light of the employee's training and experience.

Tex. Dep't of Transp. v. Needham, 82 S.W.3d 314 (Tex. 2002)

**Whistleblower  
Complaints**

An employee who alleges a violation of whistleblower protection may sue a district for injunctive relief, actual damages, court costs, and attorney's fees, as well as other relief specified in Government Code 554.003. *Gov't Code 554.003*

Initiate Grievance

Before suing, an employee must initiate action under a district's grievance policy or other applicable policies concerning suspension or termination of employment or adverse personnel action.

The employee must invoke a district's grievance procedure not later than the 90th day after the date on which the alleged suspension, termination, or other adverse employment action occurred or was discovered by the employee through reasonable diligence.

Legal Action

If a board does not render a final decision before the 61st day after grievance procedures are initiated, the employee may elect to:

1. Exhaust a district's grievance procedures, in which case the employee must sue not later than the 30th day after the date those procedures are exhausted to obtain relief under Government Code Chapter 554; or
2. Terminate district grievance procedures and sue within the timelines established by Government Code 554.005 and 554.006.

Use of Physical

A professional employee may not be subject to disciplinary proceedings for the employee's use of physical force against a student to the extent justified under Penal Code 9.62. Penal Code 9.62 provides that the use of force, other than deadly force, against a person is justified:

1. If the actor is entrusted with the care, supervision, or administration of the person for a special purpose; and
2. When and to the degree the actor reasonably believes the force is necessary to further the special purpose or to maintain discipline in a group.

*Penal Code 9.62*

**Failure to Follow  
Scope, Sequence,  
and Instructional  
Materials**

A district may not penalize a teacher who does not follow the pacing of recommended or designated instructional materials or the pacing of the recommended or designated scope and sequence for a subject in the required curriculum under Education Code 28.002(a) in a particular grade level based on the teacher's determination that the teacher's students need more or less time in a specific area to demonstrate proficiency in the essential knowledge and skills for that subject and grade level [see EHAA].

A district may take appropriate action with respect to a teacher for conduct described above based on documented evidence of a deficiency in classroom instruction obtained through observation or substantiated and documented third-party information.

*Education Code 28.0027(b), (c)*

A classroom teacher employed by a district may not be subject to disciplinary proceedings for an allegation that the teacher violated Education Code 28.0022, the Establishment Clause of the First Amendment of the United States Constitution, or a related state or federal law if:

1. The teacher used only instructional material included on the list of approved instructional material maintained by the State Board of Education under Education Code 31.022 and adopted by the district; and
2. The allegation does not dispute that the teacher delivered instruction from the instructional material with fidelity.

This immunity is in addition to, and may not be construed to interfere with, any other immunity provided by law.

*Education Code 22.05125*

**Instructional  
Materials and  
Technological  
Equipment**

A board may not require an employee who acts in good faith to pay for instructional materials or technological equipment that is damaged, stolen, misplaced, or not returned. An employee may not waive this provision by contract or any other means.

Exception

A district may enter into a written agreement with an employee whereby the employee assumes financial responsibility for electronic instructional material or technological equipment usage off school property or outside of a school-sponsored event in consideration for the ability of the employee to use the electronic instructional material or technological equipment for personal business.

The written agreement shall be separate from the employee's contract of employment, if applicable, and shall clearly inform the employee of the amount of the financial responsibility and advise the employee to consider obtaining appropriate insurance. **Jury Duty**

A district may not discharge, threaten to discharge, intimidate, or coerce any permanent employee because the employee serves as a juror or grand juror, or for the employee's attendance or scheduled attendance in connection with the service, in any court in the United States. An employee who is discharged, threatened with discharge, intimidated, or coerced is entitled to return to the same employment that the employee held when summoned for jury or grand jury service if the employee, as soon as practical after release from jury or grand jury service, gives the employer actual notice that the employee intends to return. *Civ. Prac. & Rem. Code 122.001*

A district may not discharge, discipline, reduce the salary of, or otherwise penalize or discriminate against a school district employee because of the employee's compliance with a summons to appear as a juror. A district shall not be required to compensate an employee receiving reasonable break time for any time spent during the workday for such purpose unless otherwise required by federal or state law or municipal ordinance.

Break time provided shall be considered hours worked if the employee is not completely relieved from duty during the entirety of the break.

A district that employs less than 50 employees is not subject to these requirements, if the requirements would impose an undue hardship by causing the district significant difficulty or expense

This requirement does not preempt a state law or municipal ordinance that provides greater protections to employees.

Severe and  
Pervasive

Harassment violates Title VII if it is sufficiently severe and pervasive to alter the conditions of employment. *Pennsylvania State Police v. Suders*, 542 U.S. 129 (2004)

For example, harassment between men and women is not automatically unlawful sexual harassment merely because the words used have sexual content or connotations. *Oncale v. Sun-downer Offshore Services, Inc.*, 523 U.S. 75 (1998)

Prevention

A district should take all steps necessary to prevent unlawful harassment from occurring, such as affirmatively raising the subject, expressing strong disapproval, developing appropriate penalties, informing employees of their right to raise and how to raise the issue of harassment under Title VII, and developing methods to sensitize all concerned. 29 C.F.R. 1604.11(f)

Third Parties

A district is responsible for acts of unlawful harassment by fellow employees and by nonemployees if the district, its agents, or its supervisory employees knew or should have known of the conduct, unless the district takes immediate and appropriate corrective action. 29 C.F.R. 1604.11(d), (e), 1606.8(d), (e)

When no tangible employment action is taken, a district may raise the following affirmative defense:

1. That the district exercised reasonable care to prevent and promptly correct any harassing behavior; and
2. That the employee unreasonably failed to take advantage of any preventive or corrective opportunities provided by the employer or to avoid harm otherwise.

**Racial  
Discrimination**

The prohibition against discrimination because of race or on the basis of race includes discrimination because of or on the basis of an employee's hair texture or protective hairstyle commonly or historically associated with race.

A district commits an unlawful employment practice if the district adopts or enforces a dress or grooming policy that discriminates against a hair texture or protective hairstyle commonly or historically associated with race.

"Protective hairstyle" includes braids, locks, and twists.

*Labor Code 21.1095*

**Religious  
Discrimination**

The prohibition against discrimination on the basis of religion includes all aspects of religious observances and practice, as well as religious belief, unless a district demonstrates that it is unable to reasonably accommodate an employee's or prospective employee's religious observance or practice without undue hardship to the district's business. "Undue hardship" means more than a *de minimus* (minimal) cost. *42 U.S.C. 2000e(j); 29 C.F.R. 1605.2; Labor Code 21.108*

**Sex Discrimination**  
Pregnancy

The prohibition against discrimination because of sex includes discrimination on the basis of pregnancy, childbirth, or related medical conditions. **Disability  
Discrimination**

A district may not discriminate against a qualified individual on the basis of disability in job application procedures, hiring, advancement, or discharge of employees, compensation, job training, and other terms, conditions, and privileges of employment. *42 U.S.C. 12112(a); 29 C.F.R. 1630.4(b); Labor Code 21.051*

with disabilities in programs assisted by the IDEA. *34 C.F.R. 300.177(b)*

Discrimination  
Based on Lack of  
Disability

The ADA and the TCHRA do not provide a basis for a claim that an individual was subject to discrimination because of the individual's lack of disability. *42 U.S.C. 12201(g); 29 C.F.R. 1630.4(b); Labor Code 21.005(c)*

Definition of  
Disability

"Disability" means:

1. An actual disability: a physical or mental impairment [see definition, below] that substantially limits one or more of an individual's major life activities;
2. A record of having such an impairment; or
3. Being regarded as having such an impairment.

An impairment that substantially limits one major life activity need not limit other major life activities in order to be considered a disability. An impairment that is episodic or in remission is a disability if it would substantially limit a major life activity when active.

*"Regarded as"  
Having an  
Impairment*

An individual meets the requirement of being "regarded as" having an impairment if the individual establishes that he or she has been subjected to an action prohibited by the ADA because of an actual or perceived physical or mental impairment whether or not the impairment limits or is perceived to limit a major life activity.

Transitory and  
Minor

The "regarded as" prong of the definition does not apply to impairments that are transitory or minor. A transitory impairment is one with an actual or expected duration of six months or less. The "transitory" exception does not apply to the "actual disability" or "record of disability" prongs of the definition.

*Mitigating  
Measures*

The determination of whether an impairment substantially limits a major life activity shall be made without regard to the ameliorative effects of mitigating measures, such as medication, medical supplies, low-vision devices, prosthetics, hearing aids, mobility devices, oxygen therapy, assistive technology, or learned behavioral or adaptive neurological modifications.

The ameliorative effects of ordinary eyeglasses or contact lenses shall be considered in determining whether an impairment substantially limits a major life activity. Ordinary eyeglasses and contact lenses are lenses that are intended to fully correct visual acuity or to eliminate refractive error.

A written job description prepared before advertising or interviewing applicants for the job is evidence of the job’s essential functions.

*42 U.S.C. 12111(8); 29 C.F.R. 1630.2(m)*

Reasonable  
Accommodations

A district is required, absent undue hardship, to make a reasonable accommodation to an otherwise qualified individual who meets the definition of disability under the “actual disability” or “record of disability” prongs. A district is not required to provide a reasonable ac-

commodation to an individual who meets the definition of disability solely under the “regarded as” prong. *42 U.S.C. 12112(b)(5); 29 C.F.R. 1630.2(o)(4), .9; 29 U.S.C. 794; 34 C.F.R. 104.11; Labor Code 21.128* [See DBB regarding medical examinations and inquiries under the Americans with Disabilities Act]

Illegal Drugs and  
Alcohol

The term “qualified individual with a disability” does not include any employee or applicant who is currently engaging in the illegal use of drugs, when a district acts on the basis of such use.

*Drug Testing*

A district is not prohibited from conducting drug testing of employees and applicants for the illegal use of drugs or making employment decisions based on the results of such tests.

2. Require a qualified employee affected by pregnancy, childbirth, or related medical conditions to accept an accommodation other than any reasonable accommodation arrived at through the interactive process in the Americans with Disabilities Act (ADA);
3. Deny employment opportunities to a qualified employee if the denial is based on the need of the district to make reasonable accommodations to the known limitations related to the pregnancy, childbirth, or related medical conditions of the qualified employee;
4. Require a qualified employee to take leave, whether paid or unpaid, if another reasonable accommodation can be provided to the known limitations related to the pregnancy, childbirth, or related medical conditions of the qualified employee; or

*42 U.S.C. 2000gg-1*

Definitions

“Known limitation” means physical or mental condition related to, affected by, or arising out of pregnancy, childbirth, or related medical conditions that the employee or employee’s representative has communicated to the district whether or not such condition meets the definition of disability specified in the ADA (42 U.S.C. 12102).

“Qualified employee” means an employee or applicant who, with or without reasonable accommodation, can perform the essential functions of the employment position, except that an employee or applicant shall be considered qualified if:

1. Any inability to perform an essential function is for a temporary period;
2. The essential function could be performed in the near future; and
3. The inability to perform the essential function can be reasonably accommodated.

“Reasonable accommodation” and “undue hardship” have the meanings given in the ADA and are construed as those terms are construed under the ADA and regulations, including with regard to

the interactive process that will be used to determine an appropriate reasonable accommodation.

This rule does not apply if the payment is pursuant to a seniority system, a merit system, a system that measures earnings by quantity or quality of production, or a differential based on any other factor other than sex. *29 U.S.C. 206(d) (Equal Pay Act); 34 C.F.R. 106.54 (Title IX)*

The district must notify applicants for admission and employment, students, parents or legal guardians, employees, and all professional organizations holding professional agreements with the district of the name or title, office address, electronic mail address, and telephone number of the employee(s) so designated. *34 C.F.R. 106.8(a)*

**Planning and Preparation**

Each classroom teacher is entitled to at least 450 minutes in each two-week period for instructional preparation including parent-teacher conferences, evaluating students' work, and planning. A planning and preparation period may not be less than 45 minutes within the instructional day. During that time, a teacher may not be required to participate in any other activity. *Education Code 21.404* [See DC(LEGAL) for definition of classroom teacher]

Planning and preparation time must occur during the time that students at the school where the teacher is located are receiving instruction. *Canutillo Educators Ass'n v. Canutillo Indep. Sch. Dist., Tex. Comm'r of Educ. Decision No. 042-R10-203 (April 30, 2010)*

Supplemental Agreement

A district may enter into a supplemental agreement with a classroom teacher under which the teacher agrees to perform a duty relating to initial lesson plan design or instructional material selection that is not a duty generally anticipated to be performed during the instructional day and assigned to all classroom teachers of the same subject and grade level under those teachers' employment contracts.

A district may not require a classroom teacher for a foundation curriculum course to spend planning and preparation time creating or selecting instructional materials to initially cover the applicable essential knowledge and skills for the course unless the teacher has entered into a supplemental agreement. A classroom teacher may choose to spend the teacher's planning and preparation time creating or selecting instructional materials.

A supplemental agreement between a district and a classroom teacher described above under which a teacher is assigned responsibility for a greater number of duties unrelated to providing instruction than other full-time teachers of the same grade level in the district must explicitly state each of the teacher's duties unrelated to providing instruction.

*Education Code 21.4045*

**Duty-Free Lunch**

Each classroom teacher or full-time librarian is entitled to at least a 30-minute lunch period free from all duties and responsibilities connected with the instruction and supervision of students. The implementation of this requirement may not result in a lengthened school day. *Education Code 21.405* [See DC(LEGAL) for definition of classroom teacher and DEA(LEGAL) for definition of librarian]

Teachers may not be required to spend their 30-minute duty-free lunch break on school property. *Tex. Atty. Gen. Op. JM-481 (1986)*

Exception

If necessary because of a personnel shortage, extreme economic conditions, or unavoidable or unforeseen circumstances, a district

may require a classroom teacher or librarian to supervise students during lunch. A classroom teacher or librarian may not be required to supervise students under this exception more than one day in any school week. *Education Code 21.405*

In determining whether an exceptional circumstance exists, a district shall use the following guidelines:

1. A personnel shortage exists when, despite reasonable efforts to use nonteaching personnel or the assistance of community volunteers to supervise students during lunch, no other personnel are available.
2. Extreme economic conditions exist when the percentage of a local tax increase, including the cost of implementing duty-free lunch requirements, would place the district in jeopardy with respect to a potential roll-back election.
3. Unavoidable or unforeseen circumstances exist when, because of illness, epidemic, or natural or man-made disaster, the district is unable to find individuals to supervise students during lunch.

*19 TAC 153.1001*

**Restrictions on  
Written Reports**

A board shall limit redundant requests for information and the number and length of written reports that a classroom teacher is required to prepare.

A classroom teacher may not be required to prepare any written information other than:

1. Any report concerning the health, safety, or welfare of a student;
2. A report of a student's grade on an assignment or examination;
3. A report of a student's academic progress in a class or course;
4. A report of a student's grades at the end of each grade reporting period;
5. A report on instructional materials;

7. An attendance report;
8. Any report required for accreditation review;
9. Any information required by a district that relates to a complaint, grievance, or actual or potential litigation and that requires the classroom teacher's involvement; or
10. Any information specifically required by law, rule, or regulation.

A district may collect essential information, in addition to the information specified above, from a classroom teacher on agreement between the classroom teacher and the district.

**Paperwork Review**

A board shall review paperwork requirements imposed on classroom teachers and transfer to existing noninstructional staff a reporting task that can reasonably be accomplished by that staff. [See BAA]

*Education Code 11.164*

The commissioner of education may authorize special accreditation investigations in response to repeated complaints concerning imposition of excessive paperwork requirements on classroom teachers. *Education Code 39.075(b-1)*

**Staff Development**

Educator

The staff development provided by a district to an educator other than a principal must be conducted in accordance with standards developed by the district and designed to improve education in the district.

Principal

The staff development provided by a district to a principal shall be governed by Education Code 21.3541 and rules adopted under that section. [See DNB]

*Education Code 21.451(a), (a-1)*

Professional  
Development Policy

A board shall annually review the SBEC continuing education and training clearinghouse published under Education Code 21.4514 and adopt a professional development policy that must:

1. Be guided by the recommendations for training in the clearinghouse;
2. Note any differences in the policy adopted by the district or school from the recommendations in the clearinghouse; and
3. Include a schedule of all training required for educators or other school personnel at the district or school.

To the extent of any conflict, a frequency requirement for the completion of training provided by statute prevails over a frequency requirement for that training included in the professional development policy.

*Education Code 21.4515(a), (b)*

**Requirements for  
Training**

In designing staff development for educators other than principals, a district must use procedures that, to the greatest extent possible, ensure the training included in the staff development:

1. Incorporates proactive instructional planning techniques using a framework that:
  - a. Provides flexibility in the ways:
    - (1) Information is presented;
    - (2) Students respond or demonstrate knowledge and skills; and
    - (3) Students are engaged;
  - b. Reduces barriers in instruction;
  - c. Provides appropriate accommodations, supports, and challenges; and

- d. Maintains high achievement expectations for all students, including students with disabilities and students of limited English proficiency; and
2. Integrates inclusive and evidence-based instructional practices for all students, including students with disabilities.

Staff development shall be predominantly campus-based, related to achieving campus performance objectives, and developed and approved by the campus-level committee.

A district may use district-wide staff development that has been developed and approved through the district-level decision process. [See BQA and BQB, as appropriate]

*Education Code 21.451(a-2), (b), (c)*

Optional Training

Staff development may include training in:

1. Technology and digital learning; and
2. Positive behavior intervention and support strategies, including classroom management, district discipline policies, and the Student Code of Conduct.

Technology and digital learning training must:

1. Discuss basic technology proficiency expectations and methods to increase an educator's digital literacy; and
2. Assist an educator in the use of digital technology in learning activities that improve teaching, assessment, and instructional practices.

2. Strategies for establishing and maintaining positive relationships among students, including conflict resolution; and
3. Preventing, identifying, responding to, and reporting incidents of bullying.

Required training above must be provided in accordance with the board's professional development policy and use a best practice-based program recommended by the Health and Human Services

Commission under Education Code 38.351 [see FFEB]. Required training may include two or more topics listed together.

*Education Code 21.451(d)(3), (d-1)*

*Instruction of  
Students with  
Disabilities*  
Definition

“Student with a disability” means a student who is:

1. Eligible to participate in a school district’s special education program under Education Code 29.003;
2. Covered by Section 504, Rehabilitation Act of 1973 (29 U.S.C. Section 794); or
3. Covered by the Individuals with Disabilities Education Act (20 U.S.C. Section 1400 et seq.).

*Education Code 21.001(3-a)*

Requirements

Staff development must include training that is evidence-based, as defined by Section 8101, Every Student Succeeds Act (20 USC 7801), and that:

1. Relates to the instruction of students with disabilities, including students with disabilities who also have other intellectual or mental health conditions; and
2. Is designed for educators who work primarily outside the area of special education.

A district is required to provide the training to an educator who works primarily outside the area of special education only if the educator does not possess the knowledge and skills necessary to implement the individualized education program developed for a student receiving instruction from the educator. A district may determine the time and place at which the training is delivered.

In developing or maintaining the training, a district must consult with persons with expertise in research-based practices for students with disabilities, including colleges, universities, private and nonprofit organizations, regional education service centers, qualified district personnel, and any other persons identified as qualified by the district, regardless of whether the training is provided at the campus or district level.

*Education Code 21.451(d)(2), (e)-(f)*

*Suicide  
Prevention*

The required suicide prevention training may be satisfied through independent review of suicide prevention training material that complies with the guidelines developed by the Texas Education Agency (TEA) and is offered online. *Education Code 21.451(d-2); 19 TAC 153.1013(d)*

Suicide prevention programs on TEA's list of recommended best practice-based programs [see FFEB] must include components that provide for training school counselors, teachers, nurses, administrators, and other staff, as well as law enforcement officers and social workers who regularly interact with students, to:

1. Recognize students at risk of attempting suicide, including students who are or may be the victims of or who engage in bullying;
2. Recognize students displaying early warning signs and a possible need for early mental health or substance abuse intervention, which warning signs may include declining academic performance, depression, anxiety, isolation, unexplained changes in sleep or eating habits, and destructive behavior toward self and others;
3. Intervene effectively with students described above by providing notice and referral to a parent or guardian so appropriate action, such as seeking mental health or substance abuse services, may be taken by a parent or guardian; and
4. Assist students in returning to school following treatment of a mental health concern or suicide attempt.

A district shall provide training described in the components above for teachers, school counselors, principals, and all other appropriate personnel. A district is required to provide the training at an elementary school campus only to the extent that sufficient funding and programs are available. A school district may implement a program on TEA's list of recommended best practice-based programs [see FFEB] to satisfy this training requirement.

If a district provides the training, a district shall require completion in accordance with the district's professional development policy and maintain records that include district employees who participated in the training.

A district may satisfy a requirement to implement a program in the area of substance abuse prevention and intervention by providing instruction related to youth substance use and abuse education under Education Code 38.040. [See EHAC]

System or Online  
Portal*

A district that uses a learning management system or any online learning portal to assign, distribute, present, or make available instructional materials as defined by Education Code 31.002 [see EFA] to students shall provide login credentials to the system or portal to each student's parent.

The board is not required to conduct a review for a specific subject area or grade level at a specific district campus more than once per school year.

Parental access to instructional material provided by an instructional material review conducted under this provision is in addition to any other right to access instructional material granted by the Education Code or school district policy.

*Education Code 26.0061*

The Texas Education Agency (TEA) shall develop standards that a district may use to conduct a review of instructional materials used by a classroom teacher in a foundation curriculum course to determine the degree in which the material corresponds with the instructional materials adopted by the district and meets the level of rigor of the essential knowledge and skills for the grade level in which it is being used. Policy Required

In accordance with the program approved by the SBOE [see Screening, Testing, and Identification, below], the board shall provide for the treatment of any student determined to have dyslexia or a related disorder and adopt and implement a policy requiring the district to comply with all rules and standards adopted by the SBOE to implement the program, including:

1. The *Dyslexia Handbook: Procedures Concerning Dyslexia and Related Disorders*, as adopted by the SBOE, and its subsequent amendments; and
2. Guidance published by the commissioner to assist the district in implementing the program.

*Education Code 38.003(b)*

Compliance  
Monitoring

Districts will be subject to monitoring for compliance with federal law and regulations in connection with 19 Administrative Code 74.28. Districts will be subject to auditing and monitoring for compliance with state dyslexia laws in accordance with administrative rules adopted by the commissioner of education as required by Education Code 38.003(c-1). *19 TAC 74.28(n)*

Special Education  
Evaluation

The multidisciplinary evaluation team and any subsequent team convened to determine a student's eligibility for special education and related services must include at least one member with specific knowledge regarding the reading process, dyslexia and related disorders, and dyslexia instruction. The member must:

1. Hold a licensed dyslexia therapist license under Occupations Code Chapter 403;
2. Hold the most advanced dyslexia-related certification issued by an association recognized by the SBOE, and identified in, or substantially similar to an association identified in, the program and rules adopted under Education Code 7.102 and 38.003; or
3. If a person qualified under item 1 or 2 is not available, meet the applicable training requirements adopted by the SBOE pursuant to Education Code 7.102 and 38.003.

A member of a multidisciplinary evaluation team and any subsequent team convened to determine a student's eligibility for special education and related services must sign a document describing the member's participation in the evaluation of the student and any resulting individualized education program developed for the student.

*Education Code 29.0031(b)-(c)*

Screening, Testing,  
and Identification

Students enrolling in public schools in Texas shall be screened or tested, as appropriate, for dyslexia and related disorders at appropriate times in accordance with a program approved by the SBOE. The program must include screening at the end of the school year of each student in kindergarten and each student in the first grade.  
*Education Code 38.003(a)*

A process for early identification, intervention, and support for students at risk for dyslexia and related disorders must be available, as outlined in the *Dyslexia Handbook*. A district may not use early intervention strategies, including multi-tiered systems of support, to delay or deny the provision of a full and individual evaluation to a child suspected of having a specific learning disability, including dyslexia or a related disorder.

Screening, as described in the *Dyslexia Handbook*, and further evaluation should only be conducted by individuals who are trained in valid, evidence-based assessments and who are trained to appropriately evaluate students for dyslexia and related disorders.

*19 TAC 74.28(d), (j)*

Parent Notification

At least five school days before any identification or evaluation procedure is used selectively with an individual student, a district must provide written notification of the proposed identification or evaluation to the student's parent or guardian or another person standing in parental relation to the student. The notice must be in English, or to the extent practicable, the individual's native language and must include the following:

1. A reasonable description of the evaluation procedure to be used with the individual student;
2. Information related to any instructional intervention or strategy used to assist the student prior to evaluation;
3. An estimated time frame within which the evaluation will be completed; and
4. Specific contact information for the campus point of contact, relevant parent training and information projects, and any other appropriate parent resources.

*IDEA Notice*

Before a full individual and initial evaluation is conducted to determine whether a student has a disability under the IDEA, a district must notify the student's parent or guardian or another person standing in parental relation to the student of its proposal to conduct an evaluation consistent with 34 C.F.R. 300.503, provide all the information required in the above notice, and provide an opportunity for written consent for the evaluation. The district must also provide a copy of the IDEA procedural safeguards notice required under 34 C.F.R. 300.504 and a copy of Section 504 information required under Education Code 26.0081. [See EHBAE and FB]

*Options and Services*

Parents or guardians of a student with dyslexia or a related disorder must be informed of all services and options available to the student, including general education interventions under response

to intervention and multi-tiered systems of support models as required by Education Code 26.0081(d), and options under federal law, including IDEA, and the Rehabilitation Act, Section 504.

*19 TAC 74.28(f)-(h)*

Parent Education

A district shall provide a parent education program for parents and guardians of students with dyslexia and related disorders. This program must include:

1. Awareness and characteristics of dyslexia and related disorders;
2. Information on testing and diagnosis of dyslexia and related disorders;
3. Information on effective strategies for teaching students with dyslexia and related disorders;
4. Information on qualifications of those delivering services to students with dyslexia and related disorders;
5. Awareness of information on accommodations and modifications, especially those allowed for standardized testing;
6. Information on eligibility, evaluation requests, and services available under IDEA and Section 504 and information on the response to intervention process; and
7. Contact information for the relevant regional and/or district specialists.

*Education Code 38.003; 19 TAC 74.28(i)*

Progress Reports

At least once each grading period, and more often if provided for in a student's individualized education program, a district shall provide the parent of or person standing in parental relation to a student receiving dyslexia instruction with information regarding the student's progress as a result of the student receiving that instruction. *Education Code 20.0031(d)*

Services

Each school must provide each identified student access at his or her campus to instructional programs required at Reading Program, below, and to the services of a teacher trained in dyslexia and related disorders. A district may, with the approval of each student's parents or guardians, offer additional services at a centralized location, but centralized services shall not preclude each student from receiving services at his or her campus. *19 TAC 74.28(i)*

Providers of  
Dyslexia Instruction

A provider of dyslexia instruction to students with dyslexia and related disorders must be fully trained in the district's adopted instructional materials for students with dyslexia and is not required

to hold a certificate or permit in special education issued under Education Code Chapter 21, Subchapter B unless the provider is employed in a special education position that requires the certification.

The completion of a literacy achievement academy under Education Code 21.4552 by an educator who participates in the evaluation or instruction of students with dyslexia and related disorders does not satisfy the requirements of this provision.

*Education Code 29.0032*

Reading Program

A district shall purchase a reading program or develop its own reading program that is aligned with the descriptors in the *Dyslexia Handbook*.

Teachers who screen and treat these students must be trained in instructional strategies that use individualized, intensive, multisensory, phonetic methods and a variety of writing and spelling components described in the *Dyslexia Handbook*. The professional development activities specified by the district- and/or campus-level committees shall include these instructional strategies.

*19 TAC 74.28(e)*

Reassessment

Unless otherwise provided by law, a student determined to have dyslexia during screening or testing or accommodated because of dyslexia may not be rescreened or retested for dyslexia for the purpose of reassessing the student's need for accommodations until the district reevaluates the information obtained from previous screening or testing of the student. *Education Code 38.003(b-1)*

Audiobook Program  
Notification

A district shall notify the parent or guardian of each student determined, on the basis of a dyslexia or related disorder screening or other basis, to have dyslexia or a related disorder, or determined, on the basis of reading instrument results, to be at risk for dyslexia or other reading difficulties of the program maintained by the Texas State Library and Archives Commission providing students with reading disabilities the ability to borrow audiobooks free of charge. The notification shall be done in accordance with the program developed by the commissioner. *Education Code 28.006(g-2)*

**Dyslexia and Related Disorders**

The District shall comply with all rules and standards adopted by the State Board of Education and guidance published by the commissioner of education to implement the program to test students for dyslexia and related disorders.

In accordance with administrative procedures, the District shall provide regular training opportunities for teachers of students with dyslexia that include new research and practices for educating students with dyslexia.

**Identification**

Child Find

A district shall ensure that all children residing within the district who have disabilities, regardless of the severity of their disabilities, and who are in need of special education and related services are identified, located, and evaluated. This requirement applies to:

1. Homeless children;
2. Children who are wards of the state;
3. Children attending private schools;
4. Highly mobile children (including migrant children); and
5. Children who are suspected of being in need of special education but who are advancing from grade to grade.

*20 U.S.C. 1412(a)(3)(A); 34 C.F.R. 300.111(a)(1)(i), (c)*

*Private School  
Students*

A district shall conduct a timely and meaningful consultation with private school representatives regarding the child find process and the provision of special education and related services to children enrolled in private schools in the district.

A district shall undertake activities similar to those undertaken for public school children and shall complete the child find process for children enrolled in private schools in a time period comparable to that for other students attending public schools in the district.

*20 U.S.C. 1412(a)(10)(A)(ii)-(iv)* [See EHBAC regarding students in nondistrict placement.]

*Preschool  
Students*

A district shall develop a system to notify district residents with children who are at least three and younger than six and who are eligible for enrollment in a special education program of the availability of the program. *Education Code 29.009*

**Requests and  
Referrals for  
Evaluation**

The screening of a student by a teacher or specialist to determine appropriate instructional strategies for curriculum implementation shall not be considered to be an evaluation for eligibility for special education and related services. *20 U.S.C. 1414(a)(1)(E)*

Referral of students for a full individual and initial evaluation for possible special education services shall be a part of a district's overall general education referral or screening system. Either a parent, the Texas Education Agency (TEA), another state agency, or the district may initiate a request for an initial evaluation.

District Obligation to  
Refer

Students experiencing difficulty in the general classroom should be considered for all support services available to all students, such as tutorial; remedial; compensatory; response to evidence-based intervention; and other academic or behavior support services. A student is not required to be provided with interventions for any

specific length of time prior to a referral being made or a full individual and initial evaluation being conducted. If the student continues to experience difficulty in the general classroom with the provision of interventions, district personnel must refer the student for a full individual and initial evaluation. A referral for a full individual and initial evaluation may be initiated at any time by school personnel, the student's parents or legal guardian, or another person involved in the education or care of the student.

*19 TAC 89.1011(a)*

Parental Request

If a parent submits a written request to a district's director of special education services or to a district administrative employee for a full individual and initial evaluation of a student, the district shall, not later than the 15th school day after the date the district receives the request:

1. Provide the parent with prior written notice of its proposal to conduct an evaluation consistent with 34 C.F.R. 300.503, a copy of the procedural safeguards notice required by 34 C.F.R. 300.504, and an opportunity to give written consent for the evaluation; or
2. Provide the parent with prior written notice of its refusal to conduct an evaluation consistent with 34 C.F.R. 300.503, and a copy of the procedural safeguards notice required by 34 C.F.R. 300.504.

*19 TAC 89.1011(b); Education Code 29.004(c); 20 U.S.C. 1414(a)(1); 34 C.F.R. 300.301*

Notice of Rights

A reasonable time before a district proposes or refuses to initiate the identification, evaluation, or educational placement of a student or the provision of a free appropriate public education (FAPE) to a student, the district shall provide written notice to the student's parent or guardian. *20 U.S.C. 1415(b)(3); 34 C.F.R. 300.503(a)* [See EHBAE]

Initial Evaluation  
Required

A district shall conduct a full individual and initial evaluation before the initial provision of special education and related services. *20 U.S.C. 1414(a)(1)(A)*

*Consent for Initial  
Evaluation*

Before a district conducts an initial evaluation, it shall make reasonable efforts to obtain informed parental consent.

If the parent does not provide consent for an initial evaluation, or if the parent fails to respond to a request to provide consent, a district may, but is not required to, pursue the initial evaluation by utilizing due process procedures [see EHBAE], except to the extent inconsistent with state law relating to such parental consent.

Parental consent to initial evaluation shall not be construed as consent for placement for special education and related services.

*20 U.S.C. 1414(a)(1)(D)(i)(I); 34 C.F.R. 300.300(b)*

Wards of the  
State

If the child is a ward of the state and is not residing with the child's parent, a district shall make reasonable efforts to obtain the informed consent from the parent for an initial evaluation, unless:

1. Despite reasonable efforts to do so, the district cannot discover the whereabouts of the parent;
2. The rights of the parent have been terminated; or
3. The rights of the parent to make educational decisions have been subrogated and an individual appointed by a judge to represent the student has given consent for an initial evaluation.

*20 U.S.C. 1414(a)(1)(D)(iii); 34 C.F.R. 300.300(a)(2)*

*Time Frame for  
Completion of  
Written Report*

A district must complete the written report of a full individual and initial evaluation:

1. Not later than the 45th school day following the date on which the district receives written consent for the evaluation from the student's parent. If a student has been absent from school during that period on three or more school days, the period must be extended by a number of school days equal to the number of school days during that period on which the student has been absent; or
2. For students under five years of age by September 1 of the school year and not enrolled in public school and for students enrolled in a private or homeschool setting, not later than the 45th school day following the date on which the district receives written consent for the evaluation from the student's parent.

If a district receives written consent for the evaluation from the student's parent at least 35 but less than 45 school days before the last instructional day of the school year, the written report of a full individual and initial evaluation of a student must be provided to the student's parent not later than June 30 of that year.

If a district receives written consent signed by a student's parent less than 35 school days before the last instructional day of the school year or if the district receives the written consent at least 35 but less than 45 school days before the last instructional day of the school year but the student is absent from school during that period on three or more days, the report must be completed not later

than the 45th school day following the date the district received written consent, except that the period must be extended by a number of school days equal to the number of school days during that period on which the student has been absent.

A student is considered absent for the school day if the student is not in attendance at the school's official attendance taking time or at the alternate attendance taking time set for that student. A student is considered in attendance if the student is off campus participating in an activity that is approved by the school board and is under the direction of a professional staff member of the school district or an adjunct staff member who has a minimum of a bachelor's degree and is eligible for participation in the Teacher Retirement System of Texas.

"School day" does not include a day that falls after the last instructional day of the spring school term and before the first instructional day of the subsequent fall school term.

These time frames shall not apply if the parent repeatedly fails or refuses to produce the child for the evaluation.

Transfer  
Students

A district shall ensure that evaluations of children who transfer from one district to another in the same academic year are coordinated with the children's prior and subsequent schools, as necessary and as expeditiously as possible, to ensure prompt completion of evaluations.

If a student was in the process of being evaluated for special education eligibility by a district and enrolls in another school district before the previous district completed the full individual and initial evaluation, the new district must coordinate with the previous district as necessary and as expeditiously as possible to ensure a prompt completion of the evaluation in accordance with 34 C.F.R., 300.301(d)(2) and (e) and 300.304(c)(5).

The timelines above do not apply in such a situation if:

1. The new school district is making sufficient progress to ensure a prompt completion of the evaluation; and
2. The parent and the new school district agree to a specific time when the evaluation will be completed.

*20 U.S.C. 1414(a)(1)(C), (b)(3)(D); 34 C.F.R. 300.301(c)-(e); Education Code 29.004; 19 TAC 89.1011*

*Psychological  
Examinations*

If a district determines that an additional examination or test is required for the initial and individual evaluation, the district shall provide the information required by Education Code 29.0041(a) and

shall obtain additional parental consent. If a parent does not give consent within 20 calendar days after the district provided the information, the parent's consent is considered denied.

The time required for a district to provide information and seek consent may not be counted toward the time frame for completion of an evaluation. [See Time Frame for Completion of Written Report, above]

*Education Code 29.0041*

**Eligibility and  
Reevaluations**

A student is eligible to participate in a district's special education program if:

1. The student is between the ages of 3 and 21, inclusive;
2. The student has one or more of the disabilities listed in federal regulations, state law, or both; and
3. The student's disability(ies) prevents the student from being adequately or safely educated in the public schools without the provision of special services.

*20 U.S.C. 1401(3); Education Code 29.003(b); 19 TAC 89.1035*

**Disability Definitions**

To be eligible to receive special education services, a student must be a "child with a disability," as defined in 34 C.F.R. 300.8(a), subject to the provisions of 34 C.F.R. 300.8(c), Education Code 29.003, and 19 Administrative Code 89.1040. The provisions in 19 Administrative Code 89.1040 specify criteria to be used in determining whether a student's condition meets one or more of the definitions in federal regulations or in state law. *19 TAC 89.1040*

[For more information on special education of students with dyslexia and related disorders, see EHB.]

**Visual and Auditory  
Impairments**

Students with visual impairments or who are deaf or hard of hearing shall be eligible to participate in a district's special education program from birth. *19 TAC 89.1035(b); Education Code 30.002(e), .081*

**Determination of  
Initial Eligibility**

Upon completion of the administration of assessments and other evaluation measures, a team of qualified professionals and the parent shall make the determination of whether the child has a disability and of the educational needs of the child.

A district shall provide a copy of the evaluation report and the documentation of determination of eligibility at no cost to the parent.

*20 U.S.C. 1414(b)(4); 34 C.F.R. 300.306(a)*

The admission, review, and dismissal (ARD) committee must make its decisions regarding a student's initial eligibility determination and, if appropriate, individualized education program (IEP) and placement within 30 calendar days from the date of the completion of the written full individual and initial evaluation report. If the 30th day falls during the summer and school is not in session, the student's ARD committee has until the first day of classes in the fall to finalize decisions concerning the student's initial eligibility determination, IEP, and placement, unless the full individual and initial evaluation indicates that the student will need extended school year (ESY) services during that summer.

When a report is provided to a parent not later than June 30 as described at Time Frame for Completion of Written Report, above, the ARD committee must meet not later than the 15th school day of the following school year to consider the evaluation. If, however, an evaluation indicates that a student will need ESY services, the ARD committee must meet as expeditiously as possible.

*19 TAC 89.1011(d), (e)*

Consent for  
Services

*Initial Provision of  
Services*

A district must obtain informed consent from the parent for the initial provision of special education and related services. If the parent of a child fails to respond to a request for, or refuses to consent to, the initial provision of services, the district:

1. May not use the procedures in 34 C.F.R. part 300 subpart E (including the mediation and due process procedures) in order to obtain agreement or a ruling that the services may be provided to the child;
2. Will not be considered to be in violation of the requirement to make FAPE available to the child for the failure to provide the services for which the district requests consent; and
3. Is not required to convene an ARD meeting or develop an IEP for the child for the services.

*Revoking  
Consent*

If, at any time after the provision of initial services, the parent of a child revokes consent in writing for the continued provision of services, the district:

1. May not continue to provide services to the child, but must provide prior written notice before ceasing services;
2. May not use the procedures in 34 C.F.R. part 300 subpart E in order to obtain agreement or a ruling that the services may be provided to the child;

3. Will not be considered to be in violation of the requirement to make FAPE available to the child because of the failure to provide the child with further services; and
4. Is not required to convene an ARD meeting or develop an IEP for further provision of services.

*34 C.F.R. 300.300(b)*

Reevaluations

A district shall ensure that each child with a disability is reevaluated if the district determines that the educational or related services needs of the child, including improved academic achievement and functional performance, warrant a reevaluation, or if the child's parent or teacher requests a reevaluation.

Reevaluation shall occur:

1. No more than once a year, unless the parent and the district agree otherwise; and
2. At least once every three years, unless the parent and district agree that a reevaluation is unnecessary.

A district shall obtain informed parental consent before conducting a reevaluation, except that informed parental consent is not needed if the district can demonstrate that it has taken reasonable measures to obtain consent and the child's parent has failed to respond.

*20 U.S.C. 1414(a)(2), (c)(3); 34 C.F.R. 300.303*

Evaluation for  
Change in Eligibility

A district must evaluate a child with a disability before determining that the child is no longer a child with a disability. However, an evaluation is not required before the termination of eligibility due to graduation from secondary school with a regular diploma or due to exceeding the age eligibility for FAPE under state law. If a child's eligibility terminates under the aforementioned circumstances, a district must provide a summary of academic achievement and functional performance, which shall include recommendations on how to assist the child in meeting the child's postsecondary goals. *34 C.F.R. 300.305(e); 20 U.S.C. 1414(c)(5)*

All students graduating under 19 Administrative Code 89.170 [see EIF] must be provided with a summary of academic achievement and functional performance as described above. This summary must consider, as appropriate, the views of the parent and student and written recommendations from adult service agencies on how to assist the student in meeting postsecondary goals. An evaluation as required by 34 C.F.R. 300.305(e)(1), must be included as part of the summary for a student graduating under 19 Administra-

tive Code 89.1070(b)(3)(A), (B), or (C) or (f)(4)(A), (B), or (C).19  
*TAC 89.1070(g)*

**Independent  
Evaluation**

The parents have a right to obtain an independent educational evaluation of their child. If a parent requests an independent evaluation, a district shall provide the parents with information regarding where one can be obtained and the district's criteria for independent evaluations.

The results of a parent-initiated independent educational evaluation, whether at public or private expense, must be considered by the district if it meets the district's criteria, in any decision made with respect to providing FAPE to the child.

*At Public  
Expense*

If a parent requests an independent evaluation at public expense, the district shall, without unnecessary delay, either:

1. File a due process complaint to request a hearing to show that its evaluation is appropriate; or
2. Ensure that an independent evaluation is provided at public expense, unless the district demonstrates that the evaluation obtained by the parent did not meet district criteria.

*At Private  
Expense*

If a district initiates a hearing, and the final decision is that the district's evaluation is appropriate, the parent still has a right to an independent evaluation, but not at public expense.

*34 C.F.R. 300.502*

**Prescription  
Medication**

An employee of a district is prohibited from requiring a child to obtain a prescription for a substance covered under the federal Controlled Substances Act (21 U.S.C. 801 et seq.) as a condition of attending school, receiving an evaluation for special education, or receiving special education and related services.

An employee is not prohibited from consulting or sharing classroom-based observations with parents regarding a student's academic and functional performance, behavior in the classroom or school, or the need for evaluation for special education or related services.

*20 U.S.C. 1412(a)(25)*

**Admission, Review,  
and Dismissal  
Committee**

Each district must establish an admission, review, and dismissal (ARD) committee for each eligible student with a disability and for each student for whom a full individual and initial evaluation is conducted. The ARD committee is the individualized education program (IEP) team defined in federal law and regulations, including 34 C.F.R. 300.321.

The district is responsible for all of the functions for which the IEP team is responsible under federal law and regulations and for which the ARD committee is responsible under state law, including the responsibilities listed at 19 Administrative Code 89.1050.

*19 TAC 89.1050(a); 34 C.F.R. 300.116(a), .321(a)*

**Committee  
Members**

A district shall ensure that each ARD committee meeting includes all of the following:

1. The parents of a student with a disability;
2. At least one regular education teacher of the student (if the student is, or may be, participating in the regular education environment), who must, to the extent practicable, be a teacher who is responsible for implementing a portion of the student's IEP;
3. At least one special education teacher or, if appropriate, at least one special education provider of the student;
4. A representative of the district who:
  - a. Is qualified to provide or supervise the provision of specially designed instruction to meet the unique needs of students with disabilities;

8. For a student who is suspected to be deaf or hard of hearing, a teacher who is certified in the education of students who are deaf or hard of hearing;
9. For a student with a suspected or documented visual impairment, a teacher who is certified in the education of students with visual impairments;
10. For a student with suspected or documented deaf-blindness, a teacher who is certified in the education of students with visual impairments and a teacher who is certified in the education of students who are deaf or hard of hearing;
11. For a student with limited English proficiency, a member of the language-proficiency assessment committee (LPAC), who may also be a member as described at items 2 or 3;
12. A representative of any participating agency likely to be responsible for providing transition services for a student, as appropriate, and with the consent of the student's parents or a student who has reached the age of majority; and
13. When considering initial or continued placement of a student in a career and technical education program, a representative from career and technical education, preferably the teacher.

The special education teacher or special education provider that participates in the ARD committee meeting must be appropriately certified or licensed as required by 34 C.F.R. 300.156.

*19 TAC 75.1023(d)(1), 89.1050(c); 20 U.S.C. 1414(d)(1)(B); 34 C.F.R. 300.321;*

A district member of the ARD committee shall not be required to attend an IEP meeting, in whole or in part, if the parent and the district agree in writing that the attendance is not necessary because the member's area of the curriculum or related services is not being modified or discussed during the meeting.

A district member of the ARD committee may be excused from attending an IEP meeting, in whole or in part, when the meeting involves a modification to or discussion of the member's area of curriculum or related services if the parent, in writing, and the district consent to the excusal and the member submits, in writing, to the parent and the ARD committee, input into the development of the IEP before the meeting.

*20 U.S.C. 1414(d)(1)(C); 34 C.F.R. 300.321(e)*

*Regular  
Education  
Teacher*

If an ARD committee is required to include a regular education teacher, the regular education teacher must, to the extent practicable, be a teacher who is responsible for implementing a portion of the child's IEP. *Education Code 29.005(a)*

*Parent  
Involvement*

A district shall take steps to ensure that one or both parents of a student with a disability are present at each ARD committee meeting or are afforded an opportunity to participate, including:

1. Notifying the parents of the meeting early enough to ensure that they will have an opportunity to attend (the notice shall include the purpose, time, and location of the meeting, who will be in attendance, that persons with knowledge or special expertise may be invited by either the parent or the district, and that the Part C service coordinator or other representatives of the Part C system may be invited to the initial meeting for a child previously served under a Part C early childhood intervention program); and
2. Scheduling the meeting at a mutually agreed on time and place.

If the purpose of the meeting is to consider transition services, the notice must also indicate this purpose, indicate that the district will invite the student, and identify any other agency that will be invited to send a representative.

*Alternative  
Means of  
Meeting  
Participation*

If neither parent can attend an ARD meeting, the district must allow other methods of participation, such as through telephone calls or video conferencing. *20 U.S.C. 1414(f); 34 C.F.R. 300.322(c); 19 TAC 89.1050(d)*

An ARD meeting may be conducted without a parent in attendance if a district is unable to convince the parents that they should attend, but the district shall have a record of its attempts to arrange a mutually agreed on time and place, such as detailed records of telephone calls, correspondence, or visits made or attempted and the results of any of those actions. *34 C.F.R. 300.322(d)*

Meetings

A district shall initiate and conduct ARD committee meetings for the purpose of developing, reviewing, and revising the IEP of a child with a disability. The committee shall review each child's IEP periodically, and, if appropriate, revise the IEP. A meeting must be held for this purpose at least once a year. The ARD committee must also determine the child's placement once a year.

A "meeting" does not include informal or unscheduled conversations involving district personnel and conversations on issues such

as teaching methodology, lesson plans, or coordination of service provisions if those issues are not addressed in the child's IEP. A "meeting" also does not include preparatory activities that district personnel engage in to develop a proposal or response to a parent proposal that will be discussed at a later meeting.

*Meeting at  
Parent's Request*

Upon receipt of a written request for an ARD committee meeting from a parent, the school district must schedule and convene a meeting in accordance with the procedures in 19 Administrative Code 89.1050(d) or within five school days, provide the parent with written notice explaining why the district refuses to convene a meeting. *19 TAC 89.1050(e)*

Written Notice

A district must provide the parent with a written notice regarding the ARD committee meeting required under 19 Administrative Code 89.1050(d) (notice for purposes of scheduling) or (e)(2) (notice explaining why the district refuses to convene a meeting) in the parent's native language, unless it is clearly not feasible to do so. If the parent's native language is not a written language, the school district must take steps to ensure that the notice is translated orally or by other means to the parent in his or her native language or other mode of communication so that the parent understands the content of the notice. *19 TAC 89.1050(f)*

**Students New to a  
District**

In-State Transfers

When a student transfers to a new district within the state in the same school year and the parents or previous district verifies that the student had an IEP that was in effect in the previous district, the new school district must meet the requirements of 34 C.F.R. 300.323(e) regarding the provision of special education services. The timeline for completing the requirements outlined in 34 C.F.R. 300.323(e)(1) or (2) is 20 school days from the date the student is verified as being a student eligible for special education services.

Transfers from  
Another State

When a student transfers from a district in another state in the same school year and the parents or previous district verifies that the student had an IEP that was in effect in the previous district, the new district must meet the requirements of 34 C.F.R. 300.323(f) regarding the provision of special education services. If the new district determines that an evaluation is necessary, the evaluation is considered a full individual and initial evaluation and must be completed within the timelines established by 19 Administrative Code 89.1011(c) and (e). The timeline for completing the requirements in 34 C.F.R. 300.323(f)(2), if appropriate, is 30 calendar days from the date of the completion of the evaluation report. If the district determines that an evaluation is not necessary, the timeline for completing the requirements outlined in 34 C.F.R.

300.323(f)(2) is 20 school days from the date the student is verified as being a student eligible for special education services.

*19 TAC 89.1050(j)(1)-(2)*

Transfer During the  
Summer

A student who registers in a new district during the summer is not considered a transfer student for the purposes of this provision or for 34 C.F.R. 300.323(e) or (f). For these students, if the parents or in- or out-of-state district verifies before the new school year begins that the student had an IEP that was in effect in the previous district, the new district must implement the IEP from the previous district in full on the first day of class of the new school year or must convene an ARD committee meeting during the summer to revise the student's IEP for implementation on the first day of class of the new school year. If the student's eligibility for special education and related services cannot be verified before the start of the new school year, the timelines for transfer students apply to the student.

If the new district wishes to convene an ARD committee meeting to consider revision to the student's IEP before the beginning of the school year, the new district must determine whether the parent will agree to waive the requirement in 19 Administrative Code 89.1050(d) that the written notice of the ARD committee meeting must be provided at least five school days before the meeting. If the parent agrees to a shorter timeframe, the new district must make every reasonable effort to hold the ARD committee meeting prior to the first day of the new school year if the parent agrees to the meeting time.

*19 TAC 89.1050(j)(4)-(5)*

Verification

For purposes of the transfer provisions in 19 Administrative Code 89.1050, "verify" means that the new school district has received a copy of the student's IEP that was in effect in the previous district.

Services Before  
Verification

While waiting for verification, the new district must take reasonable steps to provide, in consultation with the student's parents, services comparable to those the student received from the previous district if the new district has been informed by the previous school district of the student's special education and related services and placement.

*19 TAC 89.1050(j)(6)-(7)*

Transfer of Records

The new district must take reasonable steps to promptly obtain the student's records from the previous school district, and, in accordance with Education Code 25.002, and 34 C.F.R. 300.323(g), the previous district must furnish the new school district with a copy of the student's records, including the student's special education

records, not later than the 10th working day after the date a request for the information is received by the previous school district.

*20 U.S.C. 1414(d)(2)(C)(ii); 34 C.F.R. 300.323(g); 19 TAC 89.1050(j)(3)*

**Students Who Are Homeless or in Substitute Care**

When a student who is homeless or in substitute care transfers into a district after being referred by a previous district for a special education evaluation, the receiving district must accept the referral and ensure that any written report of a full individual and initial evaluation is completed in accordance with the timelines established in 19 Administrative Code 89.1011 (relating to Full and Individual Initial Evaluation).

When a student who is homeless or in substitute care is eligible for special education and transfers into a new district during the school year, the receiving district must ensure that it meets the student transfer requirements of 19 Administrative Code 89.1050(j) (relating to the Admission, Review, and Dismissal Committee).

*19 TAC 89.1615*

**Military Dependents**

A district shall initially provide comparable services to a military student with disabilities based on his or her current IEP. This does not preclude the district from performing subsequent evaluations to ensure appropriate placement of the student. *Education Code 162.002 art. V, C [See FDD]*

**Individualized Education Program**

A district shall develop, review, and revise an IEP for each child with a disability. *20 U.S.C. 1412(a)(4); 34 C.F.R. 300.320(a)*

At the beginning of each school year, a district shall have in effect, for each child with a disability in its jurisdiction, an IEP. *20 U.S.C. 1414(d)(2)(A); 34 C.F.R. 300.323(a)*

The term "individualized education program" means a written statement for each student with a disability that documents the decisions of the ARD committee with respect to issues discussed at each committee meeting and includes:

1. A statement of the student's present levels of academic achievement and functional performance;
2. A statement of measurable annual goals, including academic and functional goals;
3. A description of how the student's progress toward the annual goals will be measured and when periodic reports on the progress of the student will be provided;

4. A statement of the specific special education and related services and supplementary aids and services, based on peer-reviewed research to the extent practicable, to be provided to the student;
5. A statement of the program modifications or supports for school personnel that will be provided for the student;
6. An explanation of the extent, if any, to which the student will not participate with nondisabled students in the regular class and in extracurricular and nonacademic activities;
7. The projected dates for initiation of services and modifications and the anticipated frequency, location, and duration of these services and modifications;
8. A statement of any individual appropriate and allowable accommodations that are necessary to measure the academic achievement and functional performance of the student on state or district-wide assessments;
9. If the ARD committee determines that the student must take an alternative assessment instead of a particular regular state or district-wide assessment, a statement of why the student cannot participate in the regular assessment and why the particular assessment selected is appropriate for the student;
10. If the ARD committee determines that a student is in need of extended school year (ESY) services, identification of the goals and objectives that will be addressed during ESY services;
11. Beginning not later than when a student reaches 14 years of age and updated annually thereafter, the ARD committee's consideration and decisions regarding the transition issues under 19 Administrative Code 89.1055(h) [see EHBAD];
12. Beginning not later than the first IEP to be in effect when the student is 16, or younger if determined appropriate by the ARD committee, and updated annually thereafter, a statement of appropriate measurable postsecondary goals and transition services needed to assist the student in reaching those goals [see EHBAD];
13. Beginning not later than one year before the student reaches the age of 17, a statement that the student has been informed of the rights that will transfer to the student upon reaching the age of majority;
14. The date of the meeting;

15. The name, position, and signature of each member participating in the meeting; and
16. An indication of whether the child's parents, the adult student, if applicable, and the administrator agreed or disagreed with the decisions of the ARD committee.

*20 U.S.C. 1414(d); 34 C.F.R. 300.320; Education Code 29.005(b-1), .011; 19 TAC 89.1055*

The written statement of a student's IEP may be required to include only information included in the model form developed by the Texas Education Agency (TEA) under Education Code 29.0051(a) and posted on the TEA website. A district may use the model form to comply with the requirements for an IEP under 20 U.S.C. 1414(d). *Education Code 29.005(f), .0051*

IEP Supplement

For each child who was enrolled in a district's special education program during the 2019-20 school year or the 2020-21 school year, the district shall prepare a supplement to be included with the written statement of the IEP. For more information about the required supplement, see Education Code 29.0052 and the commissioner rules, when adopted. This requirement expires September 1, 2023. *Education Code 29.0052*

Supplemental  
Special Education  
Services

The ARD committee of a student approved for participation in the supplemental special education services and instructional materials program shall provide to the student's parent at an ARD committee meeting for the student:

1. Information regarding the types of supplemental special education services available under the program and provided by agency-approved providers for which an account maintained under Education Code 29.042(b) for the student may be used; and
2. Instructions regarding accessing the account.

The supplemental special education services and instructional materials program (SSES) expires September 1, 2024.

*Education Code 29.048*

A district shall notify parents and guardians of students served by special education of the SSES program and how to apply.

A student's ARD committee may not consider a student's current or anticipated eligibility for any supplemental special education instructional materials or services that may be provided under the SSES program when developing or revising a student's IEP, when

determining a student's educational setting, or in the provision of a free appropriate public education.

*19 TAC 102.1601(i)-(j)*

Behavioral  
Intervention Plan

The ARD committee may determine that a behavior improvement plan or a behavioral intervention plan is appropriate for a student for whom the committee has developed an IEP. *Education Code 29.005(g)*

If the committee makes that determination, the behavior improvement plan or behavioral intervention plan shall be included as part of the student's IEP and provided to each teacher with responsibility for educating the student.

If a behavior improvement plan or a behavioral intervention plan is included as part of a student's IEP, the ARD committee shall review the plan at least annually, and more frequently if appropriate, to address:

1. Changes in a student's circumstances that may impact the student's behavior, such as:
  - a. The placement of the student in a different educational setting;
  - b. An increase or persistence in disciplinary actions taken regarding the student for similar types of behavioral incidents;
  - c. A pattern of unexcused absences; or
  - d. An unauthorized, unsupervised departure from an educational setting; or
2. The safety of the student or others.

*19 TAC 89.1055(g); Education Code 29.005(h)*

Translation of IEP  
into Native  
Language

If the parent is unable to speak English and Spanish is the parent's native language, a district shall provide a written or audiotaped copy of the student's IEP translated into Spanish. If the parent's native language is other than Spanish or English, a district shall make a good faith effort to provide a written or audiotaped copy of the student's IEP translated into the parent's native language. *Education Code 29.005(d)*

A written copy of the student's IEP translated into Spanish or the parent's native language means that all of the text in the student's IEP in English is accurately translated into the target language in written form. The IEP translated into the target language must be a

comparable rendition of the IEP in English and not a partial translation or summary of the IEP in English.

An audio recording of the student's IEP translated into Spanish or the parent's native language means that all of the content in the student's IEP in English is orally translated into the target language and recorded with an audio device. A district is not prohibited from providing the parent with an audio recording of an ARD committee meeting at which the parent was assisted by an interpreter as long as the audio recording provided to the parent contains an oral translation into the target language of all of the content in the student's IEP in English.

If a parent's native language is not a written language, the district must take steps to ensure that the student's IEP is translated orally or by other means to the parent in his or her native language or other mode of communication.

Under 34 C.F.R. 300.322(f), a district must give a parent a written copy of the student's IEP at no cost to the parent. A school district meets this requirement by providing a parent with a written copy of the student's IEP in English or by providing a parent with a written translation of the student's IEP in the parent's native language as provided above.

*19 TAC 89.1050(i)*

Autism/Pervasive  
Developmental  
Disorder

For students with autism/pervasive developmental disorders, the following strategies shall be considered by the ARD committee, based on peer-reviewed, research-based educational programming practices to the extent practicable and, when needed, addressed in the IEP:

1. Extended educational programming;
2. Daily schedules reflecting minimal unstructured time and active engagement in learning activities;
3. In-home training and community-based training or viable alternatives that assist the student with the acquisition of social/behavioral skills;
4. Positive behavior support strategies based on relevant information;
5. Beginning at any age, futures planning for integrated living, work, community, and educational environments that considers skills necessary to function in current and postsecondary environments;

6. Parent/family training and support, provided by qualified personnel with experience in Autism Spectrum Disorders (ASD);
7. Suitable staff-to-student ratio appropriate to identified activities and as needed to achieve social/behavioral progress based on the student's developmental and learning level (acquisition, fluency, maintenance, generalization) that encourages work towards individual independence;
8. Communication interventions, including language forms and functions that enhance effective communication across settings;
9. Social skills supports and strategies based on social skills assessment/curriculum and provided across settings;
10. Professional educator/staff support; and
11. Teaching strategies based on peer-reviewed, research-based practices for students with ASD.

If the ARD committee determines that services are not needed in one or more of the areas in 1-11 above, the IEP shall include a statement reflecting that decision and the basis upon which the determination was made.

*19 TAC 89.1055(e)-(f)*

*Visual  
Impairment*

If a district provides special education services to students with visual impairments, it shall have written procedures as required in Education Code 30.002(c)(10) (staff access to resources). *19 TAC 89.1075(b)*

*Collaborative  
Process*

All members of the ARD committee must have the opportunity to participate in a collaborative manner in developing the IEP. The district must take all reasonable actions necessary to ensure that the parent understands the proceedings of the ARD committee meeting, including arranging for an interpreter for parents who are deaf or hard of hearing or whose native language is a language other than English. A decision of the ARD committee concerning required elements of the IEP must be made by mutual agreement if possible. The ARD committee may agree to an annual IEP or an IEP of shorter duration.

*Ten-Day Recess*

When mutual agreement about all required elements of the IEP is not achieved, the parent who disagrees must be offered a single opportunity to recess and reconvene the ARD committee meeting. The period of time for reconvening the ARD committee meeting must not exceed 10 school days, unless the parties mutually agree otherwise. The ARD committee must schedule the reconvened

meeting at a mutually agreed upon time and place. The opportunity to recess and reconvene is not required when:

1. The student's presence on campus represents a danger of physical harm to the student or others;
2. The student has committed an expellable offense; or
3. The student has committed an offense that may lead to placement in a disciplinary alternative education program. [See FOF]

These requirements do not prohibit the ARD committee from recessing an ARD committee meeting for reasons other than the failure to reach mutual agreement about all required elements of an IEP.

During the recess, the ARD committee members must consider alternatives, gather additional data, prepare further documentation, and/or obtain additional resource persons who may assist in enabling the ARD committee to reach mutual agreement.

*Failure to Reach Agreement*

If a recess is implemented and the ARD committee still cannot reach mutual agreement, a district shall implement the IEP it has determined to be appropriate for the student. Each member of the ARD committee who disagrees with the IEP developed by the ARD committee is entitled to include a statement of disagreement in the IEP.

If the IEP is not developed by agreement, the written statement of the program must include the basis of the disagreement. Each member of the ARD committee who disagrees with the IEP developed by the committee is entitled to include a statement of disagreement in the written statement of the program.

*19 TAC 89.1050(g); Education Code 29.005(c)*

Modification of Existing IEP

Changes to the IEP may be made either by the entire ARD committee or by amending the IEP by agreement, rather than redrafting the entire IEP.

After the annual IEP meeting for a school year, the parent and district may agree not to convene an IEP meeting for the purposes of making changes to the IEP and instead may develop a written document to amend or modify the child's current IEP.

Upon request, a parent shall be provided with a revised copy of the IEP with amendments incorporated.

To the extent possible, a district shall encourage the consolidation of reevaluation meetings for the child and other ARD meetings for the child.

*20 U.S.C. 1414(d)(3)(D)-(F); 34 C.F.R. 300.324(a)(4)-(6)*

**Teacher Access to IEP**

Each district must ensure that each teacher who provides instruction to a student with a disability has access to relevant sections of the student's current IEP, is informed of the teacher's specific responsibilities related to implementation of the IEP, and has an opportunity to request assistance regarding implementation of the student's IEP. *19 TAC 89.1075(c)*

**Teacher Request to Review IEP**

Each district shall develop a process to be used by a teacher who instructs a student with a disability in a regular classroom setting:

1. To request a review of the student's IEP;
2. To provide input in the development of the student's IEP;
3. That provides for a timely district response to the teacher's request; and
4. That provides for notification to the student's parent or legal guardian of that response.

*Education Code 29.001(11); 19 TAC 89.1075(d)*

**Transition Services  
Defined**

“Transition services” means a coordinated set of activities for a child with a disability that:

1. Is designed to be within a results-oriented process, that is focused on improving the academic and functional achievement of the child to facilitate the child’s movement from school to post-school activities, including postsecondary education, vocational education, integrated employment (including supported employment), continuing and adult education, adult services, independent living, or community participation.
2. Is based on the individual child’s needs, taking into account the child’s strengths, preferences, and interests.
3. Includes instruction, related services, community experiences, the development of employment and other post-school adult living objectives, and if appropriate, acquisition of daily living skills and functional vocational evaluation.

*20 U.S.C. 1401(34); 34 C.F.R. 300.43*

**Individual Transition  
Planning**

Not later than when a student reaches 14 years of age, the admission, review, and dismissal (ARD) committee must consider, and if appropriate, address the following issues in the individualized education program (IEP):

1. Appropriate student involvement in the student's transition to life outside the public school system;
2. If the student is younger than 18 years of age, appropriate involvement in the student's transition by the student's parents and other persons invited to participate by the student's parents or the school district in which the student is enrolled;
3. If the student is at least 18 years of age, involvement in the student's transition and future by the student's parents and other persons, if the parent or other person is invited to participate by the student or the school district in which the student is enrolled or has the student's consent to participate pursuant to a supported decision-making agreement under Estates Code, Chapter 1357;
4. Appropriate postsecondary education options, including preparation for postsecondary-level coursework;
5. An appropriate functional vocational evaluation;
6. Appropriate employment goals and objectives;
7. If the student is at least 18 years of age, the availability of age-appropriate instructional environments, including commu-

nity settings or environments that prepare the student for postsecondary education or training, competitive integrated employment, or independent living, in coordination with the student's transition goals and objectives;

8. Appropriate independent living goals and objectives;
9. Appropriate circumstances for facilitating a referral of a student or the student's parents to a governmental agency for services or public benefits, including a referral to a governmental agency to place the student on a waiting list for public benefits available to the student, such as a waiver program established under Section 1915(c), Social Security Act [42 U.S.C. Section 1396n(c)]; and
10. The use and availability of appropriate supplementary aids, services, curricula, and other opportunities to assist the student in developing decision-making skills; and supports and services to foster the student's independence and self-determination, including a supported decision-making agreement under Estates Code Chapter 1357.

In accordance with 34 C.F.R. 300.320(b), beginning not later than the first IEP to be in effect when the student turns 16 years of age, or younger if determined appropriate by the ARD committee, and updated annually thereafter, the IEP must include the following:

1. Appropriate measurable postsecondary goals based upon age-appropriate transition assessments related to training, education, employment, and, where appropriate, independent living skills; and
2. The transition services, including courses of study, needed to assist the student in reaching the postsecondary goals developed under item 1.

A student's ARD committee shall annually review the issues described above and, if necessary, update the portions of the student's IEP that address those issues.

Transition and  
Employment Guide

The Texas Education Agency (TEA) is required to develop a transition and employment guide for students enrolled in special education programs and their parents to provide information on statewide

services and programs that assist in the transition to life outside the public school system. A school district shall:

1. Post the transition and employment guide on the district's website if the district maintains a website;
2. Provide written information and, if necessary, assistance to a student or parent regarding how to access the electronic version of the guide at:
  - a. The first meeting of the student's ARD committee at which transition is discussed; and
  - b. The first committee meeting at which transition is discussed that occurs after the date on which the guide is updated; and
3. On request, provide a printed copy of the guide to a student or parent.

### **Graduation**

Graduation with a regular high school diploma under 19 Administrative Code 89.1070(b)(1), (b)(3)(D), (f)(1), (f)(2), (f)(3) or (f)(4)(D) terminates a student's eligibility for special education services. For students who receive a diploma according to 19 Administrative Code 89.1070(b)(2), (b)(3)(A), (B), or (C) or (f)(4)(A), (B), or (C), the ARD committee must determine needed educational services upon the request of the student or parent to resume services, as long as the student meets the age requirements. *19 TAC 89.1070(a), (j)* [See EHBAA]

Graduation from high school with a regular diploma constitutes a change in placement that requires written prior notice to parents.

A district is not required to conduct an evaluation before termination of eligibility due to graduation from secondary school with a regular high school diploma or due to exceeding the age eligibility for a FAPE under state law.

A district shall provide the child with a summary of the child's academic achievement and functional performance, which shall include recommendations on how to assist the child in meeting the child's postsecondary goals.

cer and who receive special education services or who are covered by Section 504 and their parents.

The information shall be provided to each student who is 16 years of age or older and annually until the earlier of the student's graduation from high school or 21st birthday.

*Education Code 29.0113(a)-(b)*

**Designing and  
Implementing  
Services**

A district shall use student performance data from state basic skills assessment instruments and achievement tests to design and implement appropriate compensatory, intensive, or accelerated instructional services for students in the district's schools that enable the students to perform at grade level at the conclusion of the next regular school term. *Education Code 29.081(a)*

[See EHBCA for information regarding acceleration instruction and accelerated learning committees.]

**Intensive Program of  
Instruction**

State Assessments

A district shall offer an intensive program of instruction to a student who does not perform satisfactorily on a state assessment instrument or is not likely to receive a high school diploma before the fifth school year following the student's enrollment in grade 9, as determined by the district.

The program shall be designed to:

1. Enable the student to:
  - a. To the extent practicable, perform at the student's grade level at the conclusion of the next regular school term; or
  - b. Attain a standard of annual growth specified by a district and reported by the district to the Texas Education Agency (TEA); and
2. If applicable, carry out the purposes of Education Code 28.0211. [See EIE]

Students Receiving  
Special Education  
Services

For a student in a special education program who does not perform satisfactorily on an assessment instrument administered under Education Code 39.023(a), (b), or (c), the student's admission, review, and dismissal committee shall design the program to:

1. Enable the student to attain a standard of annual growth on the basis of the student's individualized education program (IEP); and
2. If applicable, carry out the purposes of Education Code 28.0211. [See EIE]

Use of State Funds

A district shall use funds appropriated by the legislature for an intensive program of instruction to plan and implement intensive instruction and other activities aimed at helping a student satisfy state and local high school graduation requirements.

No Cause of Action

A district's determination of the appropriateness of an intensive program of instruction for a student is final and does not create a cause of action.

*Education Code 28.0213*

**Compensatory  
Education Allotment**

Census Block

On a schedule determined by the commissioner of education and in accordance with Education Code 48.104, each district shall report to the agency the census block group in which each student enrolled in the district who is educationally disadvantaged resides.  
*Education Code 48.104(i)*

Use

At least 55 percent of the district's compensatory education funds must be used to:

1. Fund supplemental programs and services, including services provided by an instructional coach, designed to eliminate any disparity in performance on assessment instruments administered under Education Code Chapter 39, Subchapter B, or disparity in the rates of high school completion between:
  - a. Students who are educationally disadvantaged and students who are not educationally disadvantaged; and
  - b. Students at risk of dropping out of school, as defined below, and all other students; or
2. Support a program eligible under Title I of the Elementary and Secondary Education Act of 1965 [see AID], and its subsequent amendments, and by federal regulations implementing that Act.

*Education Code 48.104(k)*

Dropout Prevention  
Strategies

A district with a high dropout rate, as determined by the commissioner, shall submit a plan to the commissioner describing the manner in which the district intends to use its compensatory education allotment for developing and implementing research-based strategies for dropout prevention.

A district shall submit the plan not later than December 1 of each school year preceding the school year in which the district will receive the compensatory education allotment to which the plan applies.

A district may not spend or obligate more than 25 percent of the district's compensatory education allotment unless the commissioner approves the plan.

A district's plan shall:

1. Design a dropout recovery plan that includes career and technology education courses or technology applications courses that lead to industry or career certification;

2. Integrate into the dropout recovery plan research-based strategies to assist students in becoming able academically to pursue postsecondary education, including:
  - a. High-quality, college readiness instruction with strong academic and social supports;
  - b. Secondary to postsecondary bridging that builds college readiness skills, provides a plan for college completion, and ensures transition counseling; and
  - c. Information concerning appropriate supports available in the first year of postsecondary enrollment to ensure postsecondary persistence and success, to the extent funds are available for the purpose; and
3. Plan to offer advanced academic and transition opportunities, including dual credit courses and college preparatory courses, such as advanced placement courses.

A district may enter into a partnership with a public junior college in accordance with Education Code 29.402 [see GNC] in order to fulfill a plan.

Any program designed to fulfill a plan must comply with the requirements of Education Code 29.081(e) and (f).

A district shall ensure that supplemental direct costs and personnel attributed to compensatory education and accelerated instruction are identified in district and/or campus improvement plans at the summary level for financial units or campuses. A district shall maintain documentation that supports the attribution of supplemental costs and personnel to compensatory education. A district must also maintain sufficient documentation supporting the appropriate identification of students in at-risk situations, under criteria established in Education Code 29.081 [see At-Risk Student, below]. *19 TAC 109.25(b)*

**Educationally

Districts may use the following approved methods for the purpose of receiving the compensatory education allotment pursuant to Education Code 48.104:

1. Parent certification, where the parent or guardian asserts meeting the income requirements for eligibility;
2. Direct certification, where the process by which eligible children are certified for free meals without the need for a household application based on household participation in one or more federal assistance programs; or
3. Direct verification, where public records are used to verify a student's eligibility for free or reduced-price meals when verification of student eligibility is required.

End-of-Course  
Exam

A student enrolled in a college preparatory mathematics or English language arts course under Education Code 28.014 who satisfies the TSI college readiness benchmarks on an assessment instrument administered at the end of the course satisfies the requirements concerning and is exempt from the administration of the Algebra I or the English I and English II end-of-course assessment instruments, as applicable, as prescribed by Education Code 39.023(c) [see EKB], even if the student did not perform satisfactorily on a previous administration of the applicable end-of-course assessment instrument. A student who fails to perform satisfactorily on the assessment instrument may retake that assessment instrument or may take the appropriate end-of-course assessment instrument. *Education Code 39.025(a-1)*

To ensure that each student achieves at least satisfactory performance on each state assessment instrument, a district shall ensure that the district's curricular and instructional systems provide instruction to all students that is consistently aligned with the essential knowledge and skills for the applicable subject area and grade level; and strategically and timely addresses deficiencies in the prerequisite essential knowledge and skills for the applicable subject area and grade level. *Education Code 28.0211(a)*

**Accelerated  
Instruction**

Each time a student fails to perform satisfactorily on a state assessment instrument, the district in which the student attends school shall provide to the student accelerated instruction in the applicable subject area during the subsequent summer or school year and, subject to certain exceptions, below, either:

1. Allow the student to be assigned a classroom teacher who is certified as a master, exemplary, or recognized teacher under the local optional teacher designation system [see DEAA] for the subsequent school year in the applicable subject area; or
2. Provide the student supplemental instruction under Education Code 28.0211(a-4) [see Supplemental Instruction Requirements, below].

The assessments in this provision include a state assessment instrument administered under Education Code 39.021(a) [see EKB] in third through eighth grade or an end-of-course assessment instrument. The assessments also include a Spanish assessment for emergent bilingual students but exclude an assessment instrument developed or adopted based on alternative academic achievement standards.

*Education Code 28.0211(a-1)*

Exceptions

Accelerated instruction requirements do not apply to a student who is retained at a grade level for the school year in which those requirements would otherwise apply.

A district may not be required to provide supplemental instruction to a student in more than two subject areas per school year. If the district would otherwise be required to provide supplemental instruction to a student in more than two subject areas for a school year, the district shall prioritize providing supplemental instruction to the student in mathematics and reading, or Algebra I, English I, or English II, as applicable, for that school year.

*Education Code 28.0211(a-7)-(a-8)*

A district is not required to provide accelerated instruction to a student who, instead of being administered an assessment instrument

specified above, was administered a substitute assessment instrument in accordance with other law or Texas Education Agency (TEA) rule authorizing the use of the substitute assessment instrument for purposes of satisfying the requirements concerning the applicable assessment instrument. *Education Code 28.0211(a-10)*

Off-Campus  
Arrangements

If a student who attends school in a homebound or other off-campus instructional arrangement, including at a residential treatment campus or state hospital, is unable to participate in an accelerated instruction program due to the student's condition, the district may determine that the student be provided the accelerated instruction when the student attends school in an on-campus instructional setting. If the student's condition prevents the student from attending school in an on-campus instructional setting for the school year during which the accelerated instruction is required to be provided to the student, the district is not required to provide the accelerated instruction to the student for that school year. *Education Code 28.0211(i-1)*

Participation  
Requirements

Supplemental accelerated instruction may require a student to participate before or after normal school hours and may include participation at times of the year outside normal school operations. *19 TAC 104.1001(c)*

In providing accelerated instruction, a district may not remove a student, except under circumstances for which a student enrolled in the same grade level who is not receiving accelerated instruction would be removed, from:

1. Instruction in the foundation curriculum and enrichment curriculum adopted under Education Code 28.002 for the grade level in which the student is enrolled [see EHA series]; or
2. Recess or other physical activity that is available to other students enrolled in the same grade level.

*Education Code 28.0211(a-3)*

The foundation curriculum includes English language arts, mathematics, science, and social studies. Courses in the enrichment curriculum include languages other than English; health, with emphasis on physical health, proper nutrition, and exercise; mental health, including instruction about mental health conditions, substance abuse, skills to manage emotions, establishing and maintaining positive relationships, and responsible decision making; suicide prevention; physical education; fine arts; career and technical education; technology applications; religious literature; and personal financial literacy.

Supplemental  
Instruction  
Requirements

If a district receives funding under Education Code 29.0881 or Education Code 48.104 [see EHBC], the Coronavirus Response and Relief Supplemental Appropriations Act, 2021 (Div. M, Pub. L. No. 116-260), or the American Rescue Plan Act of 2021 (Pub. L. No. 117-2), then supplemental instruction provided by a district must:

1. Include targeted instruction in the essential knowledge and skills for the applicable grade levels and subject area;
2. Be provided in addition to instruction normally provided to students in the grade level in which the student is enrolled;
3. Be provided during the subsequent summer or school year:
  - a. To each student for no less than:
    - (1) 15 hours; or
    - (2) 30 hours for a student whose performance on the applicable assessment instrument was significantly below satisfactory, as defined by commissioner rule; and
  - b. Unless the instruction is provided fully during summer, include instruction no less than once per week during the school year, except as otherwise provided by commissioner rule to account for school holidays or shortened school weeks;
4. Be designed to assist the student in achieving satisfactory performance in the applicable grade level and subject area;
5. Include effective instructional materials designed for supplemental instruction;
6. Be provided to a student individually or in a group of no more than four students, unless the parent or guardian of each student in the group authorizes a larger group;
7. Be provided by a person with training in the applicable instructional materials for the supplemental instruction and under the oversight of the district; and

8. To the extent possible, be provided by one person for the entirety of the student's supplemental instruction period.

*Education Code 28.0211(a-4)*

Parent Choice

A parent or guardian of a student to whom supplemental instruction will be provided and who either was administered and failed to perform satisfactorily on an assessment instrument specified above or was administered a beginning-of-year assessment instrument aligned with the essential knowledge and skills for the applicable subject area, including a student to whom an accelerated education plan applies, may elect to modify or remove a requirement for that instruction under Education Code 28.0211(a-4) by submitting a written request to an administrator of the campus at which the student is enrolled.

A district may not encourage or direct a parent or guardian to make an election under this provision that would allow the district to not provide supplemental instruction to the student or provide supplemental instruction in a group larger than authorized.

*Education Code 28.0211(a-9)*

Transportation

A district shall provide students required to attend the accelerated programs described above with transportation to those programs if the programs occur outside of regular school hours, unless the district does not operate, or contract or agree with another entity to operate, a transportation system. *Education Code 28.0211(j)*

Unlisted Service Provider

A district may use a service provider that is not on a list of service providers approved by TEA if the district can demonstrate to the commissioner that use of the service provider results in measurable improvement in student outcomes. *Education Code 28.0211(a-12)*

Optional Assessment

A school district that is required to provide to a student accelerated instruction or supplemental instruction is not required to provide additional instruction under either provision to the student based on the student's failure to perform satisfactorily on an assessment instrument administered as an optional assessment in the same subject area in which the district is required to provide the student the accelerated or supplemental instruction. *Education Code 28.0211(a-13)*

Notice to Parents

A district shall provide to the parent or guardian of a student who fails to perform satisfactorily on a state assessment instrument specified above notice that the student is not performing on grade level in the applicable subject area. The district must provide the notice at a parent-teacher conference or, if the district is unable to provide the notice at a parent-teacher conference, by another

means. TEA shall develop and provide to districts a model notice in plain language for use under this provision. *Education Code 28.0211(a-14)*

In each instance in which a district is specifically required to provide notice or a written copy to a parent or guardian of a student, the district shall make a good faith effort to ensure that such notice or copy is provided either in person or by regular mail and that the notice or copy is clear and easy to understand and is written in English or the parent or guardian's native language. *Education Code 28.0211(h)*

**Parent Request**

A district shall establish a process allowing for the parent or guardian of a student who fails to perform satisfactorily a state assessment instrument under Education Code 28.0211(a-1) [see above] to make a request for district consideration that the student be assigned to a particular classroom teacher in the applicable subject area for the subsequent school year, if more than one classroom teacher is available. *Education Code 28.0211(a-5)*

**Assessments Not Required**

Education Code 28.0211 does not require the administration of a fifth or eighth grade assessment instrument in a subject under Education Code 39.023(a) to a student enrolled in the fifth or eighth grade, as applicable, if the student:

1. Is enrolled in a course in the subject intended for students above the student's grade level and will be administered an assessment instrument adopted or developed under Education Code 39.023(a) [see EKB] that aligns with the curriculum for the course in which the student is enrolled; or
2. Is enrolled in a course in the subject for which the student will receive high school academic credit and will be administered an end-of-course (EOC) assessment instrument [see EKB] for the course.

Notwithstanding any other provision of Education Code 28.0211, the student may not be denied promotion on the basis of failure to perform satisfactorily on an assessment instrument not required to be administered to the student, nor may a student in grade 5 or grade 8 be denied promotion to the next grade on the basis of failure to perform satisfactorily on a reading or mathematics assessment instrument intended for use above the student's grade level.

*Education Code 28.0211(o)-(p)*

**Students At Risk**

A district shall provide accelerated instruction to an enrolled student who has taken an EOC assessment instrument and has not performed satisfactorily or who is at risk of dropping out of school [see EHBC].

A district shall offer before the next scheduled administration of the assessment instrument, without cost to the student, additional accelerated instruction to each student in any subject in which the student failed to perform satisfactorily on an end-of-course assessment instrument required for graduation.

A district that is required to provide accelerated instruction must separately budget sufficient funds for that purpose. [See CE]

A district shall evaluate the effectiveness of accelerated instruction programs and annually hold a public hearing to consider the results.

*Education Code 29.081(b), (b-1), (b-2), (b-3), 39.025(b-1)*

**Effectiveness**

A district shall evaluate and document the effectiveness of the accelerated instruction in reducing any disparity in performance on state assessment instruments or disparity in the rates of high school completion between students at risk of dropping out of school and all other district students. *Education Code 29.081(c)*

**No Available Test Score**

The superintendent of each district shall establish procedures to ensure that each eligible student who is absent or does not receive a test score for any test administration shall receive appropriate supplemental accelerated instruction as warranted on an individual student basis. *19 TAC 104.1001(b)(4)*

**Accelerated Education Plan**

For each student who does not perform satisfactorily on a state assessment instrument specified above for two or more consecutive school years in the same subject area, the district the student attends shall develop an accelerated education plan. *Education Code 28.0211(b)*

Not later than the start of the subsequent school year, a district shall develop an accelerated education plan for the student that provides the necessary accelerated instruction to enable the student to perform at the appropriate grade level or course by the conclusion of the school year.

The plan must:

1. Identify the reason the student did not perform satisfactorily on the applicable assessment instrument; and
2. Require the student to be provided with no less than 30 hours, or a greater number of hours if appropriate, of supplemental instruction for each consecutive school year in which the student does not perform satisfactorily on the assessment instrument in the applicable subject area.

The plan may require that, as appropriate to ensure the student performs satisfactorily on the assessment instrument in the applicable subject area at the next administration of the assessment instrument:

1. The district expand the times in which supplemental instruction is available to the student;
2. The student be assigned for the school year to a specific teacher who is better able to provide accelerated instruction; and
3. The district provide any necessary additional resources to the student.

The accelerated education plan must be documented in writing, and a copy must be provided to the student's parent or guardian.

During the school year, the student shall be monitored to ensure that the student is progressing in accordance with the accelerated education plan.

The board shall adopt a policy consistent with the grievance procedure adopted under Education Code 26.011 [see FNG] to allow a parent to contest the content or implementation of an accelerated education plan.

*Education Code 28.0211(f)-(f-3)*

Parent Conference

A district shall make a good faith attempt to provide to the parent or guardian of a student to whom an accelerated education plan applies a parent-teacher conference with the student's primary teacher at the start and end of the subsequent school year.

At the conference, the district shall provide the student's parent or guardian with:

1. The notice required under Education Code 28.0211(a-14); and
2. An explanation of:
  - a. The accelerated instruction to which the student is entitled under this provision, and
  - b. The accelerated education plan that must be developed for the student and the manner in which the parent or guardian may participate in developing the plan.

*Unenrolled  
Students*

A student who resides in this state but who is not enrolled in a school district or open-enrollment charter school in this state as a full-time student may, subject to Education Code 30A.155, enroll in electronic courses through the TXVSN. The student:

1. May not in any semester enroll in more than two electronic courses offered through the TXVSN;
2. Is not considered to be a public school student;
3. Must obtain access to a course provided through the network through the school district or open-enrollment charter school attendance zone in which the student resides;
4. Is not entitled to enroll in a course offered by a school district or open-enrollment charter school other than an electronic course provided through the network; and
5. Is not entitled to any right, privilege, activities, or services available to a student enrolled in a public school, other than the right to receive the appropriate unit of credit for completing an electronic course.

*Education Code 30A.107(c)*

*Enrollment,  
Advancement,  
and Withdrawal*

A student taking a course through the TXVSN statewide course catalog or a TXVSN OLS program is considered to:

1. Be enrolled in a TXVSN course when he or she begins receiving instruction and actively engages in instructional activities in a TXVSN subject area or course;
2. Have successfully completed a course if the student demonstrates academic proficiency and earns credit for the course, as determined by the TXVSN teacher; and
3. Be, and must be reported as, withdrawn from the TXVSN when the student is no longer actively participating in the TXVSN course or program.

A student taking a course through the TXVSN statewide course catalog:

1. Shall enroll in each TXVSN course through the TXVSN online registration system;
2. Shall be assigned a grade by the TXVSN teacher after the drop period established by TXVSN central operations;
3. May withdraw from a course taken through the TXVSN after the instructional start date without academic or financial

penalty within the drop period established by TXVSN central operations; and

4. Shall have the grade assigned by the TXVSN teacher added to the student's transcript by the student's home district.

A student enrolled full time in grades 3-8 must demonstrate academic proficiency sufficient to earn promotion to the next grade, as determined by the TXVSN teacher for the educational program.

*19 TAC 70.1015*

*Compulsory  
Attendance*

Texas public school students are not required to be in physical attendance while participating in courses through a TXVSN OLS or the TXVSN course catalog.

Based upon successful completion of a TXVSN course for students in grades 9-12 or a TXVSN OLS instructional program for students in grades 3-8, students are considered to have met attendance requirements for that course or program. A student who has successfully completed the grade level or course is eligible to receive any weighted funding for which the student is eligible.

For audit purposes, TXVSN course providers and TXVSN receiver districts shall maintain documentation to support the students' successful completion and to support verification of compulsory attendance.

"TXVSN receiver district" means a Texas public school district that has students enrolled in the school district who take one or more online courses through the TXVSN statewide course catalog.

*19 TAC 70.1001(9), .1017*

Local Policy

A district shall adopt a written policy that provides students enrolled in the district with the opportunity to enroll in electronic courses provided through the TXVSN statewide course catalog. The policy must be consistent with the requirements regarding notice, enrollment requests, and students with disabilities as described below.

A district shall, at least once per school year, send to a parent of each district student enrolled at the middle or high school level a copy of the policy. A district may send the policy with any other information that the district sends to a parent.

*Education Code 30A.007; 19 TAC 70.1033*

*Notice*

At the time and in the manner that a district informs students and parents about courses that are offered in the district's traditional classroom setting, the district shall notify parents and students of

the option to enroll in an electronic course offered through the TXVSN.

*Requests to  
Enroll*

Except as provided below, a district may not deny the request of a parent of a full-time student to enroll the student in an electronic course offered through the TXVSN.

A district may deny a request to enroll a student in an electronic course if:

1. A student attempts to enroll in a course load that is inconsistent with the student's high school graduation plan or requirements for college admission or earning an industry certification;
2. The student requests permission to enroll in an electronic course at a time that is not consistent with the enrollment period established by the district providing the course; or
3. The district offers a substantially similar course.

The course provider shall make all reasonable efforts to accommodate the enrollment of a student in the course under special circumstances.

If a parent of a student requests permission to enroll the student in a TXVSN course, a district has discretion to select a course provider approved by TEA for the course in which the student will enroll based on factors including the informed choice report required by Education Code 30A.108(b).

*Appeals*

A parent may appeal to the commissioner a district's decision to deny a request to enroll a student in an electronic course offered through the TXVSN. The commissioner's decision under this subsection is final and may not be appealed.

*Education Code 26.0031; 19 TAC 70.1008, .1035*

*Students with  
Disabilities*

For purposes of the policy, the determination of whether or not an electronic course will meet the needs of a student with a disability shall be made by the student's admission, review, and dismissal (ARD) committee in a manner consistent with state and federal law, including the Individuals with Disabilities Education Act, 20 U.S.C. 1400 et seq., and Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. Section 794. *Education Code 30A.007(b)*

*Required  
Enrollment  
Prohibited*

A school district or open-enrollment charter school may not require a student to enroll in an electronic course. *Education Code 30A.107(d)*

Inducements for Enrollment Prohibited	<p>A course provider may not promise or provide equipment or any other thing of value to a student or a student's parent as an inducement for the student to enroll in an electronic course offered through the TXVSN. The commissioner shall revoke approval of electronic courses offered by a course provider that violates this prohibition. The commissioner's action under this section is final and may not be appealed. <i>Education Code 30A.1052</i></p>

Student Assessment	<p>All Texas public school students enrolled in the TXVSN are required to take the statewide assessments as required in Education Code 39.023 [see EKB]. The administration of the assessment instrument to the student enrolled in the electronic course must be supervised by a proctor.</p> <p>A district shall report to the commissioner through the Public Education Information Management System (PEIMS) the results of assessment instruments administered to students enrolled in an electronic course offered through the TXVSN separately from the results of assessment instruments administered to other students.</p> <p>All districts participating in the TXVSN OLS program are included in the state's academic accountability system.</p> <p><i>Education Code 30A.110; 19 TAC 70.1023</i></p>
Funding	<p>A district in which a student is enrolled is entitled to funding under Education Code Chapter 48 for the student's enrollment in a TXVSN course in the same manner that the district is entitled to funding for the student's enrollment in courses provided in a traditional classroom setting, provided that the student successfully completes the electronic course.</p> <p>Funding is limited to a student's enrollment in not more than three electronic courses during any school year, unless the student is enrolled in a full-time online program that was operating on January 1, 2013.</p> <p><i>Education Code 30A.153</i></p> <p>A district may decline to pay the cost for a student of more than three yearlong electronic courses, or the equivalent, during any school year unless the student is enrolled in a full-time online program that was operating on January 1, 2013. Course Cost

A district may charge the course cost for enrollment in a TXVSN course to a student who resides in this state and:

1. Is enrolled in the district as a full-time student with a course load greater than that normally taken by students in the equivalent grade level in other school districts; or
2. Elects to enroll in a TXVSN course for which the district in which the student is enrolled as a full-time student declines to pay the cost as authorized by Education Code 26.0031(c-1).

A district may charge the course cost for enrollment in a TXVSN course during the summer.

A district shall charge the course cost for enrollment in a TXVSN course to a student who resides in this state and is not enrolled in a school district or open-enrollment charter school as a full-time student.

A TXVSN course cost may not exceed the lesser of the cost of providing the course or \$400.

A district may decline to pay the course costs for a student who chooses to enroll in more than three year-long electronic courses, or the equivalent, during any school year. This does not limit the ability of the student to enroll in additional electronic courses offered through the TXVSN at the student's expense.

A district that is not the course provider may charge a student enrolled in the district a nominal fee, not to exceed \$50, if the student enrolls in a TXVSN course that exceeds the course load normally taken by students in the equivalent grade level.

A course provider in the TXVSN statewide course catalog shall receive:

1. No more than 70 percent of the catalog course cost prior to a student successfully completing the course; and
2. The remaining 30 percent of the catalog course cost when the student successfully completes the course.

Educators of  
Electronic Courses

Each instructor of an electronic course, including a dual credit course, offered through the TXVSN by a course provider must be certified under Education Code Chapter 21, Subchapter B, to teach that course and grade level or meet the credentialing requirements of the institution of higher education with which they are affiliated and that is serving as a course provider.

In addition, each instructor must successfully complete one continuing professional development course specific to online learning every three years, and:

1. Successfully complete a professional development course or program approved by TXVSN central operations before teaching an electronic course offered through the TXVSN; or
2. Have a graduate degree in online or distance learning and have demonstrated mastery of the International Association for K-12 Learning (iNACOL) National Standards for Quality Online Teaching; or
3. Have two or more years of documented experience teaching online courses for students in grades 3-12 and have demonstrated mastery of the iNACOL National Standards for Quality Online Teaching.

Each instructor of an electronic course, including a dual credit course, offered through the TXVSN by a course provider must meet highly qualified teacher requirements under the Elementary and Secondary Education Act, as applicable.

TXVSN course providers shall affirm the preparedness of teachers of TXVSN electronic courses to teach public school-age students in a highly interactive online classroom and shall:

1. Maintain records documenting:
  - a. Valid Texas educator certification credentials appropriate for the instructor's TXVSN assignment;
  - b. Successful initial completion of TXVSN-approved professional development, evidence of prior online teaching, or a graduate degree in online or distance learning; and
  - c. Instructors' demonstrated mastery of the iNACOL National Standards for Quality Online Teaching prior to teaching through the TXVSN;
2. Conduct and maintain records for background checks;
3. Maintain records of successful completion of continuing professional development;
4. Maintain records documenting successful completion of TXVSN-approved professional development before the end of the school year for any instructor who is hired after the school year has begun; and

5. Make the records specified in this subsection available to TEA and TXVSN central operations upon request.

*19 TAC 70.1027*

Revocation

The commissioner may revoke the right to participation in the TXVSN based on any of the following factors:

1. Noncompliance with relevant state or federal laws;
2. Noncompliance with requirements and assurances outlined in the contractual agreements with TXVSN central operations and/or these provisions and Education Code Chapter 30A; or
3. Consistently poor student performance rates as evidenced by results on statewide student assessments, student withdrawal rates, student completion rates, successful completion rates, or campus accountability ratings.

*19 TAC 70.1029*

Applicability

Unless a district chooses to participate in providing an electronic course or an electronic diagnostic assessment under Education Code Chapter 30A to a student who is located on the physical premises of a school district or open-enrollment charter school, Chapter 30A does not affect the provision of a course to such a student.

Requirements imposed by or under Education Code Chapter 30A do not apply to a virtual course provided by a district only to district students if the course is not provided as part of the TXVSN.

*Education Code 30A.004*

<b>Award of Credit</b>	The award of credit for a course affirms that a student has satisfactorily met state and local requirements. Any course for which credit is awarded must be provided according to 19 TAC 74.26(a)(1) and (a)(2) [see FDA]. <i>19 TAC 74.26(a)</i>
Early Award of Credit	A district may offer courses designated for grades 9-12 in earlier grade levels. A course must be considered completed and credit must be awarded if the student has demonstrated achievement by meeting the standard requirements of the course, including demonstrated proficiency in the subject matter, regardless of the time the student received instruction in the course or the grade level at which proficiency was attained. The academic achievement record (transcript) shall reflect that students have satisfactorily completed courses at earlier grade levels from grades 9-12 and have been awarded state graduation credits. <i>19 TAC 74.26(b)</i>
Partial Award	<p>In accordance with a district's local policy, a student who is able to successfully complete only half of a course can be awarded credit proportionately. <i>19 TAC 74.26(d)</i></p> <p>A district shall award credit proportionately to a student who is homeless or in substitute care who successfully completes only half of a course. <i>19 TAC 74.26(e)</i></p>
Attendance for Credit or Final Grade	Unless credit is awarded by the attendance committee or regained in accordance with a principal's plan [see FEC], a student in any grade level from kindergarten through grade 12 may not be given credit or a final grade for a class unless the student is in attendance for at least 90 percent of the days the class is offered. <i>Education Code 25.092</i>
Homeless or Substitute Care	<p>A district shall adopt a local policy to ensure credit, including proportionate credit, has been awarded appropriately to a student who is homeless or in substitute care for coursework completed prior to the student enrolling in or transferring to the district in accordance with 19 Administrative Code 74.26 (Award of Credit).</p> <p>A district must ensure that student records or transcripts provided by the previous district or charter school are evaluated promptly and are complete, accurate, and up to date.</p> <p>The receiving district must develop, maintain, and regularly update local records and documentation, including transcripts if applicable, for a student who is homeless or in substitute care.</p> <p>A district must ensure that the records or transcripts of a student who is homeless or in substitute care and transferring from out of state, out of country, or a Texas nonpublic school are evaluated and the award of credit is determined in a timely manner, as required by 19 Administrative Code 74.26(a)(2). [See FDA]</p>

A district must award credit proportionately to a student who is homeless or in substitute care who successfully completes only half of a course. Districts must evaluate the student record upon a student's enrollment and ensure that proportionate credit has been awarded appropriately.

If a district determines that there are courses in which a student was enrolled but for which the student has not earned credit, the district may use a variety of methods to determine whether the student may be eligible for full or proportionate credit for coursework completed. The award of credit must be based on demonstrated proficiency in all state and local requirements for a course in accordance with 19 Administrative Code 74.26.

A district must provide opportunities for a student who is homeless or in substitute care who enrolls in the district after the start of the school year to be administered credit by examination at any point during the school year, as required by 19 Administrative Code 74.24 (Credit by Examination) [see EHDB and EHDC].

Districts must:

1. Develop processes for students who have credit deficits or incomplete coursework that would impede on-time promotion or graduation to earn credit and implement appropriate academic interventions to address any credit deficiencies identified;
2. Develop and administer a personal graduation plan in accordance with Education Code 28.0212 (see EIF) for each student in junior high or middle school who is not likely to receive a high school diploma before the fifth school year following the student's enrollment in grade 9, as determined by the district, or does not perform satisfactorily on a state assessment instrument;
3. Review personal graduation plan options with each student entering grade 9 and with that student's parent or guardian as required by Education Code 28.02121 [see EIF]. Before the conclusion of the school year, the student and the student's parent or guardian must confirm and sign a personal graduation plan for the student;
4. Ensure that school staff actively engage with the student and the student's parent or guardian, as applicable, to develop a plan to recover credits if the student has credit deficits or incomplete coursework that would impede on-time promotion or graduation; and

5. Comply with Education Code 28.025(i) [see EIF], concerning the award of diplomas for students who are homeless or in substitute care who are in grade 11 or 12.

*19 TAC 89.1607*

[For information on transition assistance for students who are homeless or in substitute care, including enrollment and placement in education programs and courses, see FFC.]

**Graduation Requirements**

Credit for courses for high school graduation may be earned only if the student received a grade equivalent to 70 on a scale of 100, based upon the essential knowledge and skills of each course. Credit earned toward state graduation requirements in an accredited school district shall be transferable and must be accepted by any other school district in the state. *19 TAC 74.26(a)(1), (c)*

**Academic Achievement Record**

Following guidelines developed by the commissioner of education, a district shall use an academic achievement record (transcript) form that includes student demographics, school data, student data, and the record of courses and credits earned.

The academic achievement record (transcript) shall serve as the academic record for each student and shall be maintained permanently by a district.

Any credit earned by a student must be recorded on the academic achievement record (transcript), regardless of when the credit was earned.

A student's performance on a state assessment, including an end-of-course assessment instrument required under Education Code 39.023(c) [see EKB], must be included in the student's academic achievement record (transcript).

Copies of the record shall be made available to students transferring to another district. A district shall respond promptly to all requests for student records from receiving districts. [See also FD, FDA, and FL]

**Endorsement**

Students who complete the requirements for an endorsement shall have the endorsement clearly indicated on the academic achievement record (transcript).

The notice required by items 2 and 3 must provide for the signature of the student's parent and must be returned to the district.

A district that uses an electronic platform for communicating student grade and performance information to parents may permit a parent to sign a required notice electronically, so long as the district retains a record verifying the parent's acknowledgment of the required notice. 4. Enroll in kindergarten, if the student would have been eligible to enroll in kindergarten in the previous school year and has not yet enrolled in first grade; or
5. For grades 1 through 8, repeat the grade in which the student was enrolled during the previous school year.

For courses taken for high school credit, a parent or guardian may elect for a student to repeat any course in which the student was enrolled during the previous school year. A parent or guardian may not elect for a student to repeat a course if the district determines the student has met all of the requirements for graduation.

A parent or guardian may make an election for a student in grades 1-8 or for a high school course, or both.

	<p>An election made by a parent or guardian shall be made in writing to a district.</p>

The district must abide by the decision of the parent or guardian.</p>
Retention Considerations	<p>Except as provided by this provision or other law, retention of a student pursuant to a parent's or guardian's election under this provision shall be considered the same as retention of a student by a district.</p>
Transfer of Rights	<p>The rights of a parent or guardian under this provision transfer to a student if the student is 18 years of age or older or has had the disabilities of a minor removed, unless the student is under a form of guardianship imposed by law or court order that continues after the student turns 18 years of age.</p>

A student is eligible for services in accordance with Education Code 29.082(a)(1)-(2). A student who does not demonstrate proficiency in a subject area as determined by the district is also eligible for services. *19 TAC 105.1001(c); Education Code 29.082(a)(1)-(2)*

A student who attends at least 90 percent of the extended-year program days and who satisfies the requirements for promotion (academic achievement or demonstrated proficiency of the subject matter of the course or grade level) shall be promoted to the next grade level at the beginning of the next school year. However, if the student's parent presents a written request to the school principal asking that the student not be promoted, the principal shall hold a formal meeting with the parent, the teacher, and the school counselor, as soon as practicable after receiving such a request. During the meeting, the principal, teacher, or school counselor shall explain the possible effects of not promoting a student. If the parent withdraws the request after the meeting, the student shall be promoted, and the district shall continue to use innovative practices to ensure that the student is successful in school in succeeding school years.

If a district provides an extended-year program, it shall adopt a policy designed to lead to immediate reduction and ultimate elimination of student retention.

**High School Diploma** A student may graduate and receive a diploma only if the student:

1. Successfully completes the curriculum requirements identified by the State Board of Education (SBOE) [see State Graduation Requirements, below], has performed satisfactorily on applicable state assessments [see EKB], and complies with the financial aid application requirements in Education Code 28.0256 [see below]; or
2. Successfully completes an individualized education program (IEP) developed under Education Code 29.005. [See EHBAB]

*Education Code 28.025(c)*

---

**Note:** Education Code 28.0256 applies beginning with students enrolled at the 12th grade level during the 2021-22 school year.

**FAFSA Required**

Before graduating from high school, each student must complete and submit a free application for federal student aid (FAFSA) or a Texas application for state financial aid (TASFA), except as provided below.

A student is not required to comply with the above provision if:

1. The student's parent or other person standing in parental relation submits a signed form indicating that the parent or other person authorizes the student to decline to complete and submit the financial aid application;
2. The student signs and submits the form described above on the student's own behalf if the student is 18 years of age or older or the student's disabilities of minority have been removed for general purposes under Family Code Chapter 31; or
3. A school counselor authorizes the student to decline to complete and submit the financial aid application for good cause, as determined by the school counselor.

If a school counselor notifies a district whether a student has complied with this section for purposes of determining whether the student meets high school graduation requirements under Education Code 28.025, the school counselor may only indicate whether the student has complied with this section and may not indicate the manner in which the student complied, except as necessary for the district to comply with the commissioner's rules.

A school counselor may not indicate that a student has not complied with this section if the district fails to provide the required form

to the student or the student's parent or other person standing in parental relation to the student.

*Education Code 28.0256; 19 TAC 74.11(b)*

*Opt-Out Form*

The board shall adopt the standard opt-out form provided by the Texas Education Agency (TEA).

The opt-out form shall be available in English, Spanish, and any other language spoken by a majority of the students enrolled in a bilingual education or special language program in the district. A district is responsible for translations not provided by TEA.

The opt-out form must include the student's signature of intent to decline to complete a financial aid application prior to the student's anticipated graduation date.

*19 TAC 74.1023(c)*

*Notification*

A district shall provide students with the notifications regarding the financial aid application requirement, in accordance with 19 Administrative Code 74.1023(d).

*Proof of Submission*

A district shall require one of the following methods of proof that a student has completed and submitted the FAFSA or TASFA.

For completion and submission of the FAFSA:

1. ApplyTexas Counselor Suite FAFSA data;
2. Notification from the U.S. Department of Education that demonstrates a student has completed and submitted a FAFSA; or
3. A local policy developed by a district for the method by which a student must provide proof that the student has completed a FAFSA.

A district shall develop a local policy for the method by which a student must provide proof that the student has completed a TASFA.

*19 TAC 74.1023(e)*

*Information Submission and Confidentiality*

A district shall report through the Texas Student Data System Public Education Information Management System (TSDS PEIMS) not later than December 1 of each school year for students awarded diplomas in the previous school year the number of students who completed and submitted a financial aid application and the number of students who submitted an exception.

A district shall maintain student financial aid application information securely and ensure compliance with federal law regarding the

confidentiality of student educational information, including the Family Educational Rights and Privacy Act of 1974 (20 U.S.C. Section 1232g), and any state law relating to the privacy of student information [see FL].

*19 TAC 74.1023(f)-(g)*

Individual  
Graduation  
Committee

A student may receive a diploma if the person is eligible for a diploma as determined by an individual graduation committee (IGC) established under Education Code 28.0258. *Education Code 28.025(c-6)*

A student receiving special education services is not subject to the IGC requirements in Education Code 28.0258 or 19 Administrative Code 74.1025. A student's admission, review, and dismissal (ARD) committee determines whether a student is required to achieve satisfactory performance on an end-of-course (EOC) assessment to graduate. *19 TAC 74.1025(n)* [See EHBAB]

For each 11th or 12th grade student who has failed to comply with the EOC assessment instrument performance requirements under Education Code 39.025 for not more than two courses, the district shall establish an IGC at the end of or after the student's 11th grade year to determine whether the student may qualify to graduate. A student may not qualify to graduate as a result of an IGC decision before the student's 12th grade year.

The IGC shall be composed of:

1. The principal or principal's designee;
2. For each EOC assessment instrument on which the student failed to perform satisfactorily, the teacher of the course;
3. The department chair or lead teacher supervising the teacher(s) above; and
4. As applicable:
  - a. The student's parent or person standing in parental relation to the student;
  - b. A designated advocate if the parent is unable to serve; or
  - c. The student, at the student's option, if the student is at least 18 years of age or is an emancipated minor.

The superintendent shall establish procedures for convening the committee.

The district shall provide an appropriate translator, if available, for a parent, advocate, or student who is unable to speak English.

*Education Code 28.0258(a)-(c), (c-2); 19 TAC 74.1025(b)*

A district may not establish an initial IGC for eligible students after June 10 or before the start of the next school year. Once the IGC has been established, it is the original IGC for that student.

If a student leaves a district after an original IGC has been established and before that original IGC awards a high school diploma to the student, any other district that later enrolls the student shall request information from the student's original IGC of record and shall implement the original IGC recommendations to the extent possible.

*Alternate  
Members*

In the event that the teacher identified in item 2 above is unavailable, the principal shall designate as an alternate member of the committee a teacher certified in the subject of the EOC assessment on which the student failed to perform satisfactorily and who is most familiar with the student's performance in that subject area.

In the event that the individual identified above in item 3 above is unavailable, the principal shall designate as an alternate member of the committee an experienced teacher certified in the subject of the EOC assessment on which the student failed to perform satisfactorily and who is familiar with the content of and instructional practices for the applicable course.

In the event that the student's parent or person standing in parental relation to the student is unavailable to participate in the IGC, the principal shall designate an advocate with knowledge of the student to serve as an alternate member of the committee.

*19 TAC 74.1025(c), (e), (g)-(i)*

*Notice*

A district shall ensure a good faith effort is made to timely notify the appropriate person described under item 4 above of the time and place for convening the IGC and the purpose of the committee. The notice must be provided in person or by regular mail or email; clear and easy to understand; and written in English, in Spanish, or, to the extent practicable, in the native language of the appropriate person. *Education Code 28.0258(d)*

*Curriculum  
Requirements*

To be eligible to graduate and receive a high school diploma from the IGC, a student must successfully complete the curriculum requirements required for high school graduation. [See State Graduation Requirements, below] *Education Code 28.0258(e)*

ACADEMIC ACHIEVEMENT  
GRADUATION

EIF  
(LEGAL)

*Additional  
Requirements to  
Graduate*

A student's IGC shall recommend additional requirements by which the student may qualify to graduate, including additional remediation; and for each EOC assessment instrument on which the student failed to perform satisfactorily:

1. The completion of a project related to the subject area of the course that demonstrates proficiency in the subject area; or
2. The preparation of a portfolio of work samples in the subject area of the course, including work samples from the course that demonstrate proficiency in the subject area.

A student may submit to the IGC coursework previously completed to satisfy a recommended additional requirement.

*Education Code 28.0258(f), (g)*

In determining whether a student is qualified to graduate, the committee shall consider the criteria at Education Code 28.0258(h) and any other academic information designated for consideration by the board. After considering the criteria, the committee may determine that the student is qualified to graduate. A student may graduate and receive a high school diploma on the basis of the committee's decision only if the student successfully completes all additional requirements recommended by the committee, the student meets applicable curriculum requirements, and the committee's vote is unanimous. The decision of a committee is final and may not be appealed. *Education Code 28.0258(i)*

*Emergent  
Bilingual  
Students*

For provisions related to an IGC and emergent bilingual students, see EKBA.

Special Education

A student receiving special education services who successfully completes the requirements of his or her IEP, including performance on a state assessment required for graduation, shall receive a high school diploma. A student's ARD committee shall determine if the student will be required to meet satisfactory performance on an assessment for purposes of graduation. *19 TAC 101.3023(a)* [See Graduation of Students Receiving Special Education Services, below, and EKB]

Posthumous  
Diploma

Beginning with students who would have graduated at the end of the 2019-20 school year, and on request of the student's parent, a district shall issue a high school diploma posthumously to each student who died while enrolled in the district at the end of the school year in which the student was expected to graduate under the regular schedule of school attendance. The high school diploma may not be issued before the graduation date of the class in which the student was enrolled at the time of death.

*Exception*

A district is not required to issue a posthumous diploma if the student was convicted of a felony offense under Penal Code Title 5 or 6 or adjudicated as having engaged in conduct constituting a felony offense under Penal Code Title 5 or 6.

*Education Code 28.0254*

Diplomas for  
Veterans

Notwithstanding any other provision of this policy, a district may issue a high school diploma to a person who is an honorably discharged member of the armed forces of the United States; was scheduled to graduate from high school after 1940 and before 1975 or after 1989; and left school after completing the sixth or a higher grade, before graduating from high school, to serve in:

1. World War II, the Korean War, the Vietnam War, the Persian Gulf War, the Iraq War, or the war in Afghanistan; or
2. Any other war formally declared by the United States, military engagement authorized by the United States Congress, military engagement authorized by a United Nations Security Council resolution and funded by the United States Congress, or conflict authorized by the president of the United States under the War Powers Resolution of 1973, 50 U.S.C. 1541, et seq.

*Education Code 28.0251*

**Texas First Early  
High School  
Completion Program**

A district shall allow a student to graduate and receive a high school diploma under the Texas First Early High School Completion Program if, using the standards established by TEA and the Texas Higher Education Coordinating Board and eligible institutions of higher education, the student demonstrates mastery of and early readiness for college in each of the subject areas described by the standards and in a language other than English, notwithstanding any other local or state requirements.

A student who earns a high school diploma through the program is considered to have earned a distinguished level of achievement.

Notice Upon  
Enrollment

On a student's initial enrollment in high school in a grade level below grade 12 in a district, the district shall provide to the student and the student's parent or guardian information regarding the requirements to earn a high school diploma under the Texas First Early High School Completion Program and the Texas First Scholarship Program.

*Education Code 28.0253(e)-(g); 19 TAC 21.52(a)*

The notice must include information about the requirement that a student must provide an official copy of their assessment results

and transcripts, as applicable, to receive credit for the assessments and credits required to receive early graduation from the program. *19 TAC 21.54*

**Personal Graduation Plan**

Junior High or  
Middle School PGP

A principal of a junior high or middle school shall designate a school counselor, teacher, or other appropriate individual to develop and administer a personal graduation plan (PGP) for each student enrolled in the junior high or middle school who:

1. Does not perform satisfactorily on a state assessment instrument; or
2. Is not likely to receive a high school diploma before the fifth school year following the student's enrollment in grade level 9, as determined by a district.

A PGP must:

1. Identify educational goals for the student;
2. Include diagnostic information, appropriate monitoring and intervention, and other evaluation strategies;
3. Include an intensive instruction program described in Education Code 28.0213 [see EHBC];
4. Address participation of the student's parent or guardian, including consideration of the parent's or guardian's educational expectations for the student; and
5. Provide innovative methods to promote the student's advancement, including flexible scheduling, alternative learning environments, online instruction, and other interventions that are proven to accelerate the learning process and have been scientifically validated to improve learning and cognitive ability.

*Education Code 28.0212*

*Students  
Receiving  
Special  
Education  
Services*

For a student receiving special education services, the student's ARD committee and the district are responsible for developing the student's PGP.

A student's IEP developed under Education Code 29.005 may be used as the student's PGP.

*Education Code 28.0212(c); 19 TAC 89.1050(a) [See EHBAB]*

High School PGP

A principal of a high school shall designate a school counselor or school administrator to review PGP options with each student entering grade 9 together with that student's parent or guardian. The

PGP options reviewed must include the distinguished level of achievement and endorsements.

Before the conclusion of the school year, the student and the student's parent or guardian must confirm and sign a PGP for the student that identifies a course of study that:

1. Promotes college and workforce readiness and career placement and advancement; and
2. Facilitates the student's transition from secondary to postsecondary education.

A district may not prevent a student and the student's parent or guardian from confirming a PGP that includes pursuit of a distinguished level of achievement or an endorsement.

A student may amend the student's PGP after the initial confirmation of the plan. If a student amends the student's PGP, the school must send written notice to the student's parents regarding the change.

TEA must make available to a district information that explains the advantages of the distinguished level of achievement described by Education Code 28.025(b-15) and each endorsement described by Education Code 28.025(c-1). A district, in turn, shall publish the information from TEA on the internet website of the district and ensure that the information is available to students in grades nine and above and the parents or legal guardians of those students in the language in which the parents or legal guardians are most proficient.

A district is required to provide this information in the language in which the parents or legal guardians are most proficient only if at least 20 students in a grade level primarily speak that language.

*Education Code 28.02121*

**Early Graduation**

A parent is entitled to request, with the expectation that the request will not be unreasonably denied, that the parent's child be permitted to graduate from high school earlier than the child would normally graduate, if the child completes each course required for graduation. The decision of a board concerning the request is final and may not be appealed. *Education Code 26.003(a)(3)(C), (b)* [See FMH, FNG]

**State Graduation  
Requirements**

---

**Note:** For current state graduation requirements, including those for students who entered grade 9 before the 2007-08 school year but that are not otherwise referenced in this policy, see Education Code 28.025 and 19 Administrative Code Chapter 74.

In accordance with local district policy, the required physical education credit may be earned through completion of any TEKS-based course that is not being used to satisfy another specific graduation requirement. [See Restrictions, below]

In accordance with local district policy, credit for any physical education course may be earned through participation in the following activities:

1. Athletics;
2. JROTC; and
3. Appropriate private or commercially sponsored physical activity programs conducted on or off campus. A district must apply to the commissioner of education for approval of such programs, which may be substituted for state graduation credit in physical education. Such approval may be granted under the following conditions:
  - a. Olympic-level participation and/or competition includes a minimum of 15 hours per week of highly intensive, professional, supervised training. The training facility, instructors, and the activities involved in the program must be certified by the superintendent to be of exceptional quality. Students qualifying and participating at this level may be dismissed from school one hour per day. Students dismissed may not miss any class other than physical education.

A credit allowed to be substituted may not also be used by the student to satisfy a graduation requirement other than completion of the physical education credit. The determination regarding a student's ability to participate in physical activity must be made by:

1. The student's ARD committee if the student receives special education services under Education Code Chapter 29, Subchapter A;
2. The committee established for the student under Section 504, Rehabilitation Act of 1973 (29 U.S.C. Section 794) if the student does not receive special education services under Education Code Chapter 29, Subchapter A but is covered by the Rehabilitation Act of 1973; or
3. A committee, established by the district, of persons with appropriate knowledge regarding the student if each of the committees described above is inapplicable. This committee must follow the same procedures required of an ARD or a Section 504 committee.

Before the 2014-15  
School Year

*Minimum High  
School Program*

All credit for graduation must be earned no later than grade 12. *19 TAC 74.61(b), .71(b)*

A student entering grade 9 prior to the 2014-15 school year who does not choose to complete the curriculum requirements for high school graduation under the foundation high school program must enroll in the courses necessary to complete the curriculum requirements for the Recommended High School Program or the Advanced/Distinguished Achievement High School Program, unless the student, the student's parent or other person standing in parental relation to the student, and a school counselor or school administrator agree in writing signed by each party that the student should be permitted to take courses under the Minimum High School Program, and the student:

1. Is at least 16 years of age;
2. Has completed two credits required for graduation in each subject of the foundation curriculum under Education Code 28.002(a)(1); or
3. Has failed to be promoted to the 10th grade one or more times as determined by the school district.

Students with  
Disabilities

If an ARD committee makes decisions that place a student with a disability on a modified curriculum in a subject area, the student will be automatically placed in the Minimum High School Program.

Applicability

A student who was permitted to take courses under the Minimum High School Program prior to the 2009-10 school year may remain in the Minimum High School Program.

*19 TAC 74.61(c), (d), .71(c), (d)*

Requirements

A student must earn at least 22 credits to complete the Minimum High School Program.

A student who entered grade 9 in the 2012-13 or 2013-14 school year must demonstrate proficiency in the program requirements listed at 19 Administrative Code 74.72.

A student who enters grade 9 before the 2012-13 school year must meet the applicable program requirements in 19 Administrative Code Chapter 74, Subchapters D-F.

*Education Code 28.025; 19 TAC 74.62, .72*

*Recommended  
High School  
Program*

A student who entered grade 9 in the 2012-13 or 2013-14 school year must earn at least 26 credits to complete the Recommended High School Program. A student must demonstrate proficiency in

the program requirements listed at 19 Administrative Code 74.73. *Education Code 28.025; 19 TAC 74.63, .73*

*Advanced /  
Distinguished  
Achievement  
High School  
Program*

A student who entered grade 9 in the 2012-13 or 2013-14 school year must earn at least 26 credits to complete the Advanced/Distinguished Achievement High School Program. A student must demonstrate proficiency in the program requirements listed at 19 Administrative Code 74.74. *Education Code 28.025; 19 TAC 74.64, .74*

*Substitutions*

No substitutions are allowed for high school graduation requirements in the Recommended and Advanced/Distinguished Achievement High School Programs, except as provided by State Board rule. *19 TAC 74.63(d), .64(e), .73(d), .74(e)*

*AP or IB Courses*

College Board advanced placement and international baccalaureate courses may be substituted for required courses in appropriate areas. These courses may be used as electives in all three high school graduation programs. *19 TAC 74.61(k), .71(i)*

*Reading*

A district may offer a maximum of 3 credits of reading for state graduation elective credit for identified students if the district:

1. Adopts policies to identify students in need of additional reading instruction;
2. Has procedures that include assessment of individual student needs and ongoing evaluation of each student's progress; and
3. Monitors instructional activities to ensure that student needs are addressed.

Reading credits may be selected from Reading I, II, or III.

*19 TAC 74.61(h), .71(f)*

*College Courses*

A student may comply with the curriculum requirements under the Minimum, Recommended, or Advanced/Distinguished Achievement High School Program for each subject of the foundation curriculum and for languages other than English by successfully completing appropriate courses in the core curriculum of an IHE. *19 TAC 74.61(l), .71(j)*

*Physical  
Education  
Substitutions*

In accordance with local district policy, credit for any physical education course may be earned through participation in the following activities:

Other Physical  
Activity

1. Athletics;
2. JROTC; and

3. Appropriate private or commercially sponsored physical activity programs conducted on or off campus. A district must apply to the commissioner for approval of such programs, which may be substituted for state graduation credit in physical education. Such approval may be granted under the following conditions:
  - a. Olympic-level participation and/or competition includes a minimum of 15 hours per week of highly intensive, professional, supervised training. The training facility, instructors, and the activities involved in the program must be certified by the superintendent to be of exceptional quality. Students qualifying and participating at this level may be dismissed from school one hour per day. Students dismissed may not miss any class other than physical education.
  - b. Private or commercially sponsored physical activities include those certified by the superintendent to be of high quality and well supervised by appropriately trained instructors. Student participation of at least five hours per week must be required. Students certified to participate at this level may not be dismissed from any part of the regular school day.

In accordance with local district policy, up to one credit for any one of the physical education courses listed in 19 Administrative Code Chapter 74 [see EHAC] may be earned through participation in any of the following activities:

1. Drill team;
2. Marching band; and
3. Cheerleading.

**Restrictions**

All substitution activities must include at least 100 minutes per five-day school week of moderate to vigorous physical activity.

No more than four substitution credits may be earned through any combination of substitutions listed above.

***Student with  
Disability or  
Illness***

A student who is unable to participate in physical activity due to disability or illness may substitute an academic elective credit in English language arts, mathematics, science, or social studies for the required physical education credit. A credit allowed to be substituted may not also be used by the student to satisfy a graduation requirement other than completion of the physical education credit. The determination regarding a student's ability to participate in physical activity must be made by:

1. The student's ARD committee if the student receives special education services under Education Code Chapter 29, Subchapter A;
2. The committee established for the student under Section 504, Rehabilitation Act of 1973 (29 U.S.C. Section 794) if the student does not receive special education services under Education Code Chapter 29, Subchapter A but is covered by the Rehabilitation Act of 1973; or
3. A committee, established by the district, of persons with appropriate knowledge regarding the student if each of the committees described above is inapplicable. This committee must follow the same procedures required of an ARD or a Section 504 committee.

*Student with  
Physical  
Limitations*

If a student entering grade 9 during the 2007-08 school year or thereafter is unable to comply with all of the requirements for a physical education course due to a physical limitation certified by a licensed medical practitioner, a modification to a physical education course does not prohibit the student from earning a Recommended or Advanced/Distinguished High School Program diploma. A student with a physical limitation must still demonstrate proficiency in the relevant knowledge and skills in a physical education course that do not require physical activity.

*Education Code 28.025(b-10)-(b-11); 19 TAC 74.62(b)(7), .63(b)(7), .64(b)(7), .72(b)(6), .73(b)(6), .74(b)(6)*

**Transfers from Out-of-State or Nonpublic Schools**

Out-of-state or out-of-country transfer students (including foreign exchange students) and transfer students from Texas nonpublic schools are eligible to receive Texas diplomas but shall complete all applicable high school graduation requirements. Any course credits required for graduation that are not completed before enrollment may be satisfied through credit by examination, correspondence courses, distance learning, or completing the course, according to the provisions of 19 Administrative Code 74.26. *19 TAC 74.11(g)* [See EHDB, EHDC, EHDE, and EI]

**Graduation of Students Receiving Special Education Services**

Modified Curriculum and Content

Modified curriculum and modified content refer to any reduction of the amount or complexity of the required knowledge and skills in 19 Administrative Code Chapters 110-117, 126-128, and 130. Substitutions that are specifically authorized in statute or rule must not be considered modified curriculum or modified content. *19 TAC 89.1070(k)*

Employability and Self-Help Skills

Employability and self-help skills are those skills directly related to the preparation of students for employment, including general skills necessary to obtain or retain employment. *19 TAC 89.1070(i)*

ACADEMIC ACHIEVEMENT  
GRADUATION

EIF  
(LEGAL)

Summary of  
Academic  
Achievement and  
Evaluation

All students graduating must be provided with a summary of academic achievement and functional performance as described in 34 C.F.R. 300.305(e)(3). This summary must consider, as appropriate, the views of the parent and student and written recommendations from adult service agencies on how to assist the student in meeting postsecondary goals. An evaluation as required by 34 C.F.R. 300.305(e)(1) (evaluation to determine that the child is no longer a child with a disability), must be included as part of the summary for a student graduating under 19 Administrative Code 89.1070(b)(2), (b)(3)(A), (B), or (C) or (f)(4)(A), (B), or (C). Students who participate in graduation ceremonies but who are not graduating under subsections (b)(2), (b)(3)(A), (B), or (C) or (f)(4)(A), (B), or (C) and who will remain in school to complete their education do not have to be evaluated. *19 TAC 89.1070(g)-(h)*

*Students  
Entering Grade 9  
in or After the  
2014-15 School  
Year*

A student entering grade 9 in the 2014-15 school year and thereafter who receives special education services may graduate and be awarded a regular high school diploma if the student meets one of the following conditions:

1. The student has demonstrated mastery of the required state standards (or district standards if greater) in 19 Administrative Code Chapters 110-117, 126-128, and 130 and satisfactorily completed credit requirements for graduation under the foundation high school program applicable to students in general education as well as satisfactory performance as established in Education Code Chapter 39, on the required EOC assessment instruments.
2. The student has demonstrated mastery of the required state standards (or district standards if greater) in 19 Administrative Code Chapters 110-117, 126-128, and 130 and satisfactorily completed credit requirements for graduation under the foundation high school program specified in 19 Administrative Code 74.12 applicable to students in general education but the student's ARD committee has determined that satisfactory performance on the required EOC assessment instruments is not necessary for graduation.
3. The student has demonstrated mastery of the required state standards (or district standards if greater) in 19 Administrative Code Chapters 110-117, 126-128, and 130 and satisfactorily completed credit requirements for graduation under the foundation high school program through courses, one or more of which contain modified curriculum that is aligned to the standards applicable to students in general education, as well as satisfactory performance as established in Education Code Chapter 39, on the required EOC assessment instruments,

unless the student's ARD committee has determined that satisfactory performance on the required EOC assessment instruments is not necessary for graduation. The student must also successfully complete the student's IEP and meet one of the following conditions:

- a. Consistent with the IEP, the student has obtained full-time employment, based on the student's abilities and local employment opportunities, in addition to mastering sufficient self-help skills to enable the student to maintain the employment without direct and ongoing educational support of the local school district.
- b. Consistent with the IEP, the student has demonstrated mastery of specific employability skills and self-help skills that do not require direct ongoing educational support of the local school district.
- c. The student has access to services that are not within the legal responsibility of public education or employment or educational options for which the student has been prepared by the academic program.
- d. The student no longer meets age eligibility requirements.

When a student receives a diploma under item 2 or 3(a), (b), or (c), above, the ARD committee must determine needed educational services upon the request of the student or parent to resume services, as long as the student meets the age eligibility requirements.

*19 TAC 89.1070(b), (j)*

*Endorsements*

A student who is enrolled in a special education program may earn an endorsement on the student's transcript by:

1. Successfully completing, with or without modification of the curriculum:
  - a. The curriculum requirements identified by the SBOE for the foundation high school program; and
  - b. The additional endorsement curriculum requirements prescribed by the SBOE; and
2. Successfully completing all curriculum requirements for that endorsement adopted by the SBOE:
  - a. Without modification of the curriculum; or
  - b. With modification of the curriculum, provided that the curriculum, as modified, is sufficiently rigorous as determined by the student's ARD committee.

The ARD committee of a student in a special education program shall determine whether the student is required to achieve satisfactory performance on an end-of-course assessment instrument to earn an endorsement on the student's transcript.

*Education Code 28.025(c-7)-(c-8), 19 TAC 89.1070(c)*

*Students  
Entering Grade 9  
Before the 2014-  
15 School Year*

A student receiving special education services who entered grade 9 before the 2014-15 school year may graduate and be awarded a high school diploma under the foundation high school program in accordance with 19 Administrative Code 89.1070.

**Graduation of  
Military Dependents**

Course Waiver

District officials shall waive specific courses required for graduation if similar coursework has been satisfactorily completed by a military student in another district or shall provide reasonable justification for denial. Should a waiver not be granted to a student who would qualify to graduate from the sending school, the district shall provide an alternative means of acquiring required coursework so that graduation may occur on time.

Transfers During  
Senior Year

Should a military student transferring at the beginning or during the student's senior year be ineligible to graduate from the district after all alternatives have been considered, the sending and receiving districts shall ensure the receipt of a diploma from the sending district, if the student meets the graduation requirements of the sending district. In the event that one of the states in question is not a member of this compact, the member state shall use best efforts to facilitate the on-time graduation of the student.

Substitute Passing  
Standard

The commissioner shall adopt a passing standard on one or more national norm-referenced achievement tests for purposes of permitting a qualified military dependent to meet that standard as a substitute for completing a specific course otherwise required for graduation. The passing standard is available only for a student who enrolls in a public school in this state for the first time after completing the ninth grade or who reenrolls in a public school in this state at or above the 10th-grade level after an absence of at least two years from the public schools of this state. Each passing standard in effect when a student first enrolls in a Texas public high school remains applicable to the student for the duration of the student's high school enrollment, regardless of any subsequent revision of the standard.

*Education Code 162.002 art. VII, A, C [See FDD]*

**Graduation of  
Student Who Is  
Homeless or in  
Conservatorship of  
DFPS**

If an 11th or 12th grade student who is homeless or in the conservatorship of the Department of Family and Protective Services transfers to a different school district and the student is ineligible to graduate from the district to which the student transfers, the district from which the student transferred shall award a diploma at the student's request, if the student meets the graduation requirements of the district from which the student transferred. *Education Code 28.025(i)*

**State Assessment of Academic Skills**

Every student receiving instruction in the essential knowledge and skills shall take the appropriate criterion-referenced assessments, as required by Education Code Chapter 39, Subchapter B [see Testing in Grades 3-8, below]. *Education Code 39.023(a), (c), (f); 19 TAC 101.5*

A student may not receive a high school diploma until the student has performed satisfactorily on end-of-course (EOC) assessment instruments [see End-of-Course Assessments, below]. *Education Code 39.025(a); 19 TAC 101.4001*

Emergent Bilingual Students

In grades 3-12, an emergent bilingual student, as defined by Education Code Chapter 29, Subchapter B, shall participate in the state assessment in accordance with commissioner rules at 19 Administrative Code Chapter 101, Subchapter AA. *Education Code 39.023(l), (m)* [See EKBA]

Special Education

The Texas Education Agency (TEA) shall develop or adopt appropriate criterion-referenced alternative assessment instruments to be administered to each student in a special education program for whom a state assessment instrument adopted under Education Code 39.023(a), even with allowable accommodations, would not provide an appropriate measure of student achievement, as determined by the student's admission, review, and dismissal (ARD) committee, including assessment instruments approved by the commissioner of education that measure growth. The assessment instruments developed or adopted, including the assessment instruments approved by the commissioner, must, to the extent allowed under federal law, provide a district with options for the assessment of students.

TEA may not adopt a performance standard that indicates that a student's performance on the alternate assessment does not meet standards if the lowest level of the assessment accurately represents the student's developmental level as determined by the student's ARD committee.

The student's ARD committee shall determine whether any allowable modification is necessary in administering to the student a required EOC assessment instrument under Education Code 39.023(c), and whether the student is required to achieve satisfactory performance on an EOC assessment instrument to receive a high school diploma.

*Education Code 39.023(b)-(c), .025(a-4)*

Military Dependents

If the student is a military dependent, the district shall incorporate procedures to accept:

1. Exit or EOC exams required for graduation from the sending state;
2. National norm-referenced achievement tests; or
3. Alternative testing, in lieu of testing requirements for graduation in the receiving state.

In the event the above alternatives cannot be accommodated by the receiving state for a military dependent transferring in his or her senior year, then Education Code 162.002 article VII, section C, shall apply.

*Substitute  
Passing Standard*

The commissioner shall adopt a passing standard on one or more national norm-referenced achievement tests for purposes of permitting a qualified military dependent to meet that standard as a substitute for achieving a score on an assessment instrument otherwise required for graduation. The passing standard is available only for a student who enrolls in a public school in this state for the first time after completing the ninth grade or who reenrolls in a public school in this state at or above the grade 10 level after an absence of at least two years from the public schools of this state. Each passing standard in effect when a student first enrolls in a Texas public high school remains applicable to the student for the duration of the student's high school enrollment, regardless of any subsequent revision of the standard.

*Education Code 162.002 art. VII [See EIF]*

**Administration**

A district shall follow the test administration procedures established by TEA in the applicable test administration materials. A superintendent shall be responsible for administering tests. *19 TAC 101.25, .27*

Schedule

The commissioner shall specify the schedule for testing that is in compliance with Education Code 39.023(c-3) and supports reliable and valid assessments. Participation in University Interscholastic League (UIL) area, regional, or state competitions is prohibited on any days on which testing is scheduled between Monday and Thursday of the school week in which the primary administration of assessment instruments occurs.

The commissioner may provide alternate dates for the administration of tests required for a high school diploma to students who are migratory children and who are out of the state.

*19 TAC 101.25*

On request by a district, the commissioner may allow the district to administer an assessment instrument on the first instructional day

of a week if administering the assessment instrument on another instructional day would result in a significant administrative burden due to specific local conditions. *Education Code 39.023(c-3)*

*Religious Holy Days*

The board may consider the dates of religious holy days or periods of observance likely to be observed by the students enrolled in the district during the period set by the State Board of Education (SBOE) for the administration of state assessment instruments in establishing:

1. The district's calendar for that school year; and
2. The instructional days within that period on which students are administered the required assessment instruments, provided that the board not exclude more than two instructional days from that period based solely on the occurrence of a single religious holy day or period of observance.

"Religious holy day or period of observance" means a holy day or a period of holy days observed by a religion whose places of worship would be exempt from property taxation under Tax Code 11.20.

In establishing a school calendar under this provision, the board shall provide for alternative dates for the administration of state assessment instruments to a student who is absent from school to observe a religious holy day or period of observance on the date an assessment instrument is administered.

*Education Code 39.0238*

*Alternate Test Dates*

The commissioner shall consider requests from districts or campuses for alternate test dates on a case-by-case basis. Alternate test dates will only be allowed if the campus or district is closed on the day on which testing is scheduled or if there is an exceptional circumstance, defined below, that may affect a district's or campus's ability to administer an assessment or the students' performance on the assessment.

"Exceptional circumstances" include:

1. Inclement weather or natural disasters that would cause a district or campus to be closed or that would cause a small percentage of students to be in attendance on the day testing is scheduled;
2. Health epidemics that result in a large number of students being absent on the day of testing;
3. Death of a student or school official that may impact student performance; and

4. Sudden emergencies that occur on the day of testing or shortly before testing that may inhibit students from completing the assessments, such as a fire on campus, a bomb threat, an extended power outage, or a water main break.

If an alternate test date for primary test administration is approved, the commissioner may prohibit a district or campus from participating in UIL competition on the new test date if that is determined to be in the best interest of the district, campus, and students.

*19 TAC 101.5003*

Test Administration  
Training

The commissioner may require training for district employees involved in the administration of the assessment instruments. The commissioner may only require for the employee at each district campus who oversees the administration of the assessment instruments to annually receive the training. The district employee who oversees test administration on a district campus may, with discretion, require other district employees involved in the administration of assessment instruments to repeat the training. *Education Code 39.0304(a), (b-1)-(b-2)*

Paper  
Administration

A district may administer a state assessment instrument required under Education Code 39.023(a), (c), or (l) in paper format to any student whose parent, guardian, or teacher in the applicable subject area requests the assessment instrument be administered to the student in paper format.

A request for the administration of an assessment instrument in paper format to a student must be submitted to the district:

1. For a fall administration of an assessment instrument, not later than September 15 of the school year in which the assessment instrument will be administered; and
2. For a spring administration of an assessment instrument, not later than December 1 of the school year in which the assessment instrument will be administered.

The number of students enrolled at a district who are administered an assessment instrument in paper format for any single administration under this provision may not exceed three percent of the number of students enrolled in the district. On receipt of more requests for administration of an assessment instrument than the maximum number permitted, the district shall accept the requests in the order received until the maximum number is reached.

This limitation does not apply to a student whose ARD committee determines that the administration of an assessment instrument in paper format is a necessary modification for the student.

*Education Code 39.02342*

**Notice to Parents  
and Students**

A superintendent shall be responsible for the following in order to provide timely and full notification of graduation requirements:

1. Notifying each student and his or her parent or guardian in writing no later than the beginning of the student's seventh-grade year of the testing requirements for graduation;
2. Notifying each student in grades 7-12 new to the district and his or her parent or guardian in writing of the testing requirements for graduation; and
3. Notifying each student who shall take the tests required for graduation and his or her parent or guardian, as well as out-of-school individuals, of the dates, times, and locations of testing.

*19 TAC 101.3012*

**Testing in  
Grades 3-8**

Except as provided below, all students, other than students who are assessed under Education Code 39.023(b) (alternative assessment instrument) or 39.023(l) (emergent bilingual students) or exempted under Education Code 39.027, shall be assessed in:

1. Mathematics, annually in grades 3-8;
2. Reading, annually in grades 3-8;
3. Social studies in grade 8;
4. Science in grades 5 and 8; and
5. Any other subject and grade required by federal law.

*Education Code 39.023(a)*

**Exception**

For purposes of federal accountability, a student shall not be administered a grade-level assessment if the student:

1. Is enrolled in a course or subject intended for students above the student's enrolled grade level and will be administered a grade-level assessment instrument developed under the list above that aligns with the curriculum for that course or subject within the same content area; or
2. Is enrolled in a course for high school credit in a subject intended for students above the student's enrolled grade level and will be administered an EOC assessment instrument that

aligns with the curriculum for that course or subject within the same content area.

For purposes of federal accountability, a grade 3-8 student who is accelerated in mathematics, reading/language arts, or science and on schedule to complete the high school end-of-course assessments in that same content area prior to high school shall be assessed at least once in high school with the ACT or the SAT.

A student is only eligible to take an assessment instrument intended for use above the student's enrolled grade if the student is on schedule to complete instruction in the entire curriculum for that subject during the semester the assessment is administered.

A student in grade 5 or 8 described above may not be denied promotion on the basis of failure to perform satisfactorily on an assessment instrument not required to be administered to the student.

*Education Code 28.0211(o)-(p), 39.023(a-2); 19 TAC 101.3011(a)(1)-(4)*

Kindergarten  
Assessment

An assessment instrument under Education Code 39.023 may not be administered to a kindergarten student except for the purpose of determining whether the student is entitled to the benefit of the Foundation School Program [see FD]. *Education Code 39.023(a-16)*

Prekindergarten  
Assessment

Performance on an assessment instrument administered to students in prekindergarten may not be considered for any purpose related to Education Code Chapters 39 and 39A. *Education Code 39.0237*

Accommodations

Testing accommodations are permitted for any student unless they would make a particular test invalid. Decisions regarding testing accommodations shall take into consideration the needs of the student and the accommodations the student routinely receives in classroom instruction. Permissible testing accommodations shall be described in the appropriate test administration materials.

The committee established by a board to determine the placement of students with dyslexia or related disorders shall determine whether any allowable modification is necessary in administering an assessment to such a student.

A student's ARD committee shall determine the allowable accommodations and shall document them in the student's individualized education program (IEP). [See Special Education, above]

*19 TAC 101.3013; Education Code 39.023(a)-(c), (n); 34 C.F.R. 300.320(a)(6)*

**End-of-Course  
Assessments**

Beginning with students first enrolled in grade 9 in the 2011-12 school year, a student enrolled in a course for which an EOC assessment exists as required by Education 39.023(c) shall take the appropriate assessment. *19 TAC 101.3021(a)*

TEA shall adopt EOC assessment instruments for secondary-level courses in Algebra I, biology, English I, English II, and United States history. The Algebra I EOC assessment instrument must be administered with the aid of technology but may include one or more parts that prohibit the use of technology. The English I and English II EOC assessment instruments must each assess essential knowledge and skills in both reading and writing and must provide a single score. A district shall comply with SBOE rules regarding administration of the assessment instruments listed in this provision.

If a student is in a special education program, the student's ARD committee shall determine whether any allowable modification is necessary in administering to the student an assessment instrument required under this provision.

*Education Code 39.023(c)*

Students Enrolled  
Below High School  
Level

Beginning in the 2011-12 school year, a student in grade 8 or lower who takes a high school course for credit is required to take the applicable EOC assessment. The EOC assessment result shall be applied toward the student's assessment graduation requirements, as specified in 19 Administrative Code 101.3022. *19 TAC 101.3021(d)*

Assessment  
Requirements for  
Graduation

A student must meet satisfactory performance on an EOC assessment listed in Education Code 39.023(c) in order to be eligible to receive a Texas diploma, except as described below at Exceptions, Credits Earned Prior to Enrollment, Individual Graduation Committee, and Special Education.

The standard in place when a student first takes an EOC assessment is the standard that will be maintained throughout the student's school career.

*Exceptions*

English I or  
English II

A student who was administered separate reading and writing EOC assessments under Education Code 39.023(c), for the English I or English II course has met that course's assessment graduation requirement if the student has:

1. Achieved satisfactory performance on either the reading or writing EOC assessment for that course;
2. Met at least the minimum score on the other EOC assessment for that course; and

- Achieved an overall scale score of 3750 or greater when the scale scores for reading and writing are combined for that course.

Exceptions related to English I also apply to emergent bilingual students who meet the criteria in 19 Administrative Code 101.1007. [See EKBA]

*19 TAC 101.3022(a)-(c)*

Credits Earned  
Prior to  
Enrollment

If a student earned high school credit for a course with an EOC assessment prior to enrollment in a Texas public school district and the credit has been accepted by a Texas public school district, or a student completed a course for Texas high school credit in a course with an EOC assessment prior to the 2011-12 spring administration, the student is not required to take the corresponding EOC assessment. *19 TAC 101.3021(e)*

Substitute  
Assessments

The commissioner adopts certain assessments as substitute assessments that a student may use in place of a corresponding EOC assessment to meet the student's assessment graduation requirements. A satisfactory score on an approved assessment may be used in place of only one specific EOC assessment, except as provided by 19 Administrative Code 101.4002(d)(1) (student who qualifies for use of the Texas Success Initiative (TSI) as a substitute assessment and is enrolled in certain college preparatory courses).

A student at any grade level is eligible to use a substitute assessment as provided in the commissioner's chart at 19 Administrative Code 101.4002(b) if the student:

- Was administered an approved substitute assessment for an equivalent course in which the student was enrolled;
- Received a satisfactory score on the substitute assessment as determined by the commissioner and provided in the chart at 19 Administrative Code 101.4002(b); and
- Using a Texas Success Initiative Assessment (TSIA) or a Texas Success Initiative Assessment, Version 2.0 (TSIA2) also meets the additional criteria of 19 Administrative Code 101.4002(d).

*TSI Additional  
Criteria*

A student must meet the criteria established in 19 Administrative Code 101.4002(d) in order to qualify to use TSIA or TSIA2 as a substitute assessment.

Accountability  
Testing

A student electing to substitute an assessment for graduation purposes must still take the corresponding EOC assessment required

under Education Code 39.023(c) at least once for accountability purposes. If a student sits for an EOC assessment, a district may not void or invalidate the test in lieu of a substitute assessment.

A student who fails to perform satisfactorily on a PSAT, PLAN, or Aspire test (or any versions of these tests) as indicated in the chart in 19 Administrative Code 101.4003(b) must take the appropriate EOC assessment required under Education Code 39.023(c). However, a student who does not receive a passing score on the EOC assessment and retakes a PSAT, PLAN, or Aspire test (or any versions of these tests) is eligible to meet the requirements specified in 19 Administrative Code 101.4002(c).

*19 TAC 101.4002*

*Verification of  
Results*

An eligible student is responsible for providing a district an official copy of the student's scores from the substitute assessment.

Upon receipt of official results of an approved substitute assessment, a district must:

1. Verify the student's score on the substitute assessment; and
2. Determine whether the student met the performance standard required to qualify for a public high school diploma in Texas as established by the commissioner.

*19 TAC 101.4005*

Satisfactory  
Performance

A student is required to achieve a scale score that indicates satisfactory performance, as determined by the commissioner on each EOC assessment instrument administered to the student. *Education Code 39.025(a)*

Individual  
Graduation  
Committee

A student in grade 11 or 12 who has failed to comply with the EOC assessment instrument performance requirements under Education Code 39.025 for not more than two courses may qualify to graduate on the basis of a review by an individual graduation committee (IGC). [See EIF] *Education Code 28.0258, 39.025(a-5)*

A student may not graduate under an IGC if the student did not take each required EOC assessment or an approved substitute assessment for each course in which the student was enrolled in a Texas public school for which there is an EOC assessment. A district shall determine whether the student took each required EOC assessment or an approved substitute assessment. For purposes of this provision only, a student who does not make an attempt to take all required EOC assessments may not qualify to graduate by means of an individual graduation committee.

Notwithstanding any action taken by a student's individual graduation committee, a district must provide a student an opportunity to retake an EOC assessment under Education Code 39.023(c) if the student has not previously achieved satisfactory performance on an assessment for that course. A student is not required to retake a course in order to be administered a retest of an EOC assessment.

*19 TAC 101.3022(e)(1), (3)*

For provisions related to an IGC and emergent bilingual students, see EKBA.

Special Education

A student receiving special education services is not subject to the IGC requirements in Education Code 28.0258. As provided in 19 Administrative Code 89.1070 (Graduation Requirements) and 19 Administrative Code 101.3023 (Participation and Graduation Assessment Requirements for Students Receiving Special Education Services), a student's ARD committee determines whether a student is required to achieve satisfactory performance on an EOC assessment to graduate. [See EIF]

A student dismissed from a special education program who achieved satisfactory performance on an alternate EOC assessment while enrolled in a special education program is not required to take and achieve satisfactory performance on the general EOC assessment to graduate. A student who took an EOC assessment while enrolled in a special education program is not required to retake and achieve satisfactory performance on the EOC assessment if the student's ARD committee determined that the student was not required to achieve satisfactory performance on the EOC assessment to graduate. A student dismissed from a special education program must achieve satisfactory performance on any remaining EOC assessments that the student is required to take. If the student fails to achieve satisfactory performance on no more than two of the remaining EOC assessments, the student is eligible for IGC review under Education Code 28.0258 and is subject to the IGC provisions above. [See Individual Graduation Committee, above]

*19 TAC 101.3022(f)*

For more information on graduation requirements for special education students, see EIF.

Credit by  
Examination

An EOC assessment administered under Education Code 39.023(c) cannot be used for purposes of credit by examination under 19 Administrative Code 74.24. [See EHDB, EHDC] *19 TAC 101.3021(c)*

Additional State Assessments	TEA may adopt EOC assessment instruments for courses not listed in statute, as described above. A student's performance on these EOC assessment instruments is not subject to the performance requirements established for the statutory assessments. <i>Education Code 39.023(c-2)</i>
Retakes	Each time an EOC assessment instrument is administered, a student who failed to achieve a score requirement may retake the assessment instrument. [See Satisfactory Performance, above]  A student is not required to retake a course as a condition of retaking an EOC assessment instrument.  If a student failed a course but achieved satisfactory performance on the applicable EOC assessment, that student is not required to retake the assessment if the student is required to retake the course.  <i>Education Code 39.025(b); 19 TAC 101.3021(f), .3022(d)</i>
<b>Reporting Results</b>	Overall student performance data, aggregated by ethnicity, sex, grade level, subject area, campus, and district, shall be made available to the public, with appropriate interpretations, at regularly scheduled meetings of a board, after receipt from TEA. The information shall not contain the names of individual students or teachers. <i>Education Code 39.030(b)</i>
To the Public	
To the Board	A superintendent shall accurately report all test results with appropriate interpretations to a board according to the schedule in the applicable test administration materials.
To Parents, Students, and Teachers	A district shall notify each of its students, his or her parent or guardian, and his or her teacher for that subject of test results, observing confidentiality requirements stated at Confidentiality of Results, below. All test results shall be included in each student's academic achievement record and shall be furnished for each student transferring to another district or charter school or private school. The scoring contractor will provide districts with the results of the machine-scorable assessments within a 21-day period following the close of the testing window. Upon receipt of the assessment results from the test contractor, a district shall disclose a student's assessment results to a student's teacher in the same subject area as the assessment for that school year. [See BQ series, FD, and FL]  <i>19 TAC 101.3014(a)-(d)</i>
	TEA shall adopt a series of questions to be included in an EOC assessment instrument administered under Education Code 39.023(c) to be used for purposes of identifying students who are

likely to succeed in an advanced high school course. A district shall notify a student who performs at a high level on the questions and the student's parent or guardian of the student's performance and potential to succeed in an advanced high school course. A district may not require a student to perform at a particular level on the questions to be eligible to enroll in an advanced high school course. *Education Code 39.0233(b)*

Parents Right-to-Know Under ESEA

As a condition of receiving assistance under Title I, Part A of the Elementary and Secondary Education Act (ESEA) (20 U.S.C. 6301 et seq.), a district shall provide to each individual parent of a child who is a student in such school, with respect to such student information on the level of achievement and academic growth of the student, if applicable and available, on each of the state academic assessments required under Part A. *20 U.S.C. 6312(e)(1)(B)(i)*

Parental Access

A parent is entitled to access to a copy of each state assessment instrument administered to the parent's child. This right of access does not apply, however, to those instruments or particular questions that are being field-tested by TEA. *Education Code 26.005, .006(a)(2), 39.023(e)*

---

**Note:** For information on instructional requirements for students who fail to perform satisfactorily on a state assessment instrument, see EHBC and EHBCA.

---

**Out-of-State Transfers**

A district shall accurately report to TEA whether that student transferred into the district from out of state during the current school year.

Procedures for the reporting of out-of-state-transfer students to TEA shall be established in the applicable test administration materials. A district shall follow procedures specified in those test administration materials.

The assessment results of the out-of-state transfer students shall be reported separately to districts from the results of the district's other students in addition to the current reporting of assessment results for all students and other student subsets.

*19 TAC 101.3014(e)*

**Security and Confidentiality**

All assessment instruments included in the student assessment program are considered secure, and the contents of these tests, including student information used or obtained in their administration, are confidential.

Districts and campuses and the superintendent and campus principals in each district and campus shall:

1. Implement and ensure compliance with state test administration procedures and training activities;
2. Notify TEA as soon as the district becomes aware of any alleged or suspected violation of the security or confidential integrity of a test [see Violations, below];
3. Report all confirmed testing violations to TEA within 10 working days of the district becoming aware of the violation in accordance with the reporting process stipulated in the test administration materials;
4. Ensure that the only individuals with access to secure test materials are district employees who have:
  - a. Met the requirements to participate in the student assessment program;
  - b. Received training in test security and test administration procedures; and
  - c. Signed an oath affirming they understand their obligation to maintain and preserve the security and confidentiality of all state assessments and student information, acknowledge their responsibility to report any suspected testing violation, and are aware of the range of penalties that may result from a violation of test security and confidentiality or a departure from test administration procedures; and
5. Ensure the security of the test materials as required by 19 Administrative Code 101.3031(a)(2)(E).

*19 TAC 101.3031(a)(1)-(2)*

Violations

Violations of the security and confidential integrity of a test include:

1. Directly or indirectly assisting students with responses to test questions;
2. Tampering with student responses;
3. Falsifying holistic ratings or student responses;
4. Viewing secure test content before, during, or after an administration unless specifically authorized by TEA or by the procedures outlined in the test administration materials;
5. Discussing or disclosing secure test content or student responses;
6. Scoring students' tests, either formally or informally;

7. Duplicating, recording, or electronically capturing confidential test content unless specifically authorized by TEA or by the procedures outlined in the test administration materials;
8. Responding to secure test questions;
9. Fraudulently exempting or preventing a student from participating in the administration of a required state assessment;
10. Receiving or providing unallowable assistance during calibration activities (e.g., taking notes, providing answer sheets, or sharing answers);
11. Encouraging or assisting an individual to engage in the conduct described above or in any other serious violation of security and confidentiality;
12. Failing to report to an appropriate authority that an individual has engaged or is suspected of engaging in the above conduct or in any other serious violation of security and confidentiality under this provision;
13. Failing to implement sufficient procedures to prevent student cheating; and
14. Failing to implement sufficient procedures to prevent alteration of test documents by anyone other than the student.

Consequences

If a district determines that a student has cheated or attempted to cheat on a state assessment either by providing or receiving direct assistance, the district shall invalidate the student's test results.

Any violation of test security or confidential integrity may result in TEA:

1. Invalidating student test results;
2. Referring certified educators to the State Board for Educator Certification (SBEC) for sanctions in accordance with 19 Administrative Code Chapter 247 (Educators' Code of Ethics) and Chapter 249 (Disciplinary Proceedings, Sanctions, and Contested Cases); and
3. Lowering the district's accreditation status or a district's or campus's accountability rating in accordance with Education Code 39.003(d), or appointment of a monitor, conservator, or management team to the district in accordance with Education Code Chapter 39A.

Test Administration  
Procedures

Test administration procedures shall be delineated in the test administration materials provided to districts annually. Districts must

comply with all of the applicable requirements specified in the test administration materials.

Districts shall ensure that test coordinators and administrators receive training to ensure that testing personnel have the necessary skills and knowledge required to administer assessment instruments in a valid, standardized, and secure manner.

**Records Retention**

As part of test administration procedures, the commissioner shall require districts to maintain records related to the security of assessment instruments for five years.

*19 TAC 101.3031(a)(3)-(d)*

**Disciplinary Action and Penalties**

SBEC may take disciplinary action against a person who has violated the security or integrity of any assessment required by Education Code Chapter 39, Subchapter B or has committed an act that is a departure from the test administration procedures established by the commissioner under 19 Administrative Code Chapter 101.

The superintendent and campus principal must develop procedures to ensure the security and confidentiality of the tests and will be responsible for notifying TEA in writing of conduct that violates the security or confidentiality of a test. Failure to report can subject the person responsible to the applicable penalties.

*19 TAC 249.15(a)-(b), (g)(8)*

**Minimize Disruptions**

In implementing the commissioner's procedures for the administration of assessment instruments adopted or developed under Education Code 39.023, including procedures designed to ensure the security of the assessment, a district shall minimize disruptions to school operations and the classroom environment. *Education Code 39.0301(a-1)*

**Confidentiality of Results**

Individual student performance results are confidential and may be released only in accordance with the Family Educational Rights and Privacy Act of 1974. *Education Code 39.030(b)* [See FL and GBA]

Except as provided by 20 U.S.C. 1232h(a) or (b) [see U.S. ED Funded Surveys, above], as a condition of receiving funds for a program funded in whole or in part by the U.S. ED, a district shall develop and adopt policies, in consultation with parents, pursuant to 20 U.S.C. 1232h(c)(1), regarding the following:

1. A board is not required to admit such person, however, if the person has:

1. Engaged in conduct that resulted in removal to a disciplinary alternative education program or expulsion within the preceding year;
2. Engaged in delinquent conduct or "conduct in need of supervision" and is on probation or other conditional release for that conduct; or
3. Been convicted of a criminal offense and is on probation or other conditional release.

Foreign Exchange  
Students

The person is a foreign exchange student placed with a host family that resides in the district by a nationally recognized foreign exchange program, unless the district has applied for and been granted a waiver by the commissioner of education because:

1. This requirement would impose a financial or staffing hardship on the district;
2. The admission would diminish the district's ability to provide high-quality education services for the district's domestic students; or
3. The admission would require domestic students to compete with foreign exchange students for educational resources.

**Authorization  
Agreement**

"Adult caregiver" means an adult person whom a parent has authorized to provide temporary care for a child under Family Code Chapter 34. *Family Code 34.0015(1)*

A parent, as defined in Family Code 101.024, or both parents of a child may enter into an authorization agreement with an adult caregiver to authorize the adult caregiver to perform acts described in Family Code 34.002 in regard to the child, such as:

1. Authorizing medical, dental, psychological, or surgical treatment and immunization of the child, including executing any consents or authorizations for the release of information as required by law relating to the treatment or immunization;
2. Enrolling the child in the district; and
3. Authorizing the child to participate in age-appropriate extracurricular, civic, social, or recreational activities, including athletic activities.

*Family Code 34.002*

A parent may enter into an authorization agreement with an adult caregiver with whom a child is placed under a parental child safety placement agreement approved by the Department of Family and Protective Services (DFPS) to allow the person to perform the acts described above with regard to the child during an investigation of

abuse or neglect or while the department is providing services to the parent. *Family Code 34.0021*

The authorization agreement must conform to the requirements of Family Code Chapter 34.

A child who is the subject of an authorization agreement is not considered to be placed in foster care and the parties to the agreement are not subject to any law or rule governing foster care providers. *Family Code 34.0022(b)*

An authorization agreement does not affect the rights of the child's parent or legal guardian regarding the care, custody, and control of the child, and does not mean that the adult caregiver has legal custody of the child. *Family Code 34.007(b)*

Only one authorization agreement may be in effect for a child at any time. Execution of a subsequent authorization agreement does not by itself supersede, invalidate, or terminate a prior authorization agreement. An authorization agreement is void if it is executed while a prior authorization agreement remains in effect. *Family Code 34.002(d), .008(f)*

An authorization agreement is for a term of six months and renews automatically for six-month terms unless an earlier expiration date is stated in the agreement, the agreement is terminated under Family Code 34.008, or a court authorizes continuation. *Family Code 34.0075*

Immunity

A person who is not a party to the authorization agreement who relies in good faith on the authorization agreement, without actual knowledge that the authorization agreement is void, revoked, or invalid, is not subject to civil or criminal liability to any person, and is not subject to professional disciplinary action, for that reliance if the agreement is completed as required by Family Code Chapter 34. *Family Code 34.007(a)*

---

**Temporary  
Authorization for  
Care**

A person eligible to consent to treatment of a child under Family Code 32.001 or a person eligible to enter an authorization agreement [see Authorization Agreement, above] may seek a court order for temporary authorization for care of a child by filing a petition in the district court in the county in which the person resides if:

1. The child has resided with the person for at least the 30 days preceding the date the petition was filed; and

2. The person does not have an authorization agreement or other signed, written documentation from a parent, conservator, or guardian that enables the person to provide necessary care for the child.

*Family Code 35.001-.002*

The order may authorize the petitioner to, among other things:

1. Consent to medical, dental, psychological, and surgical treatment and immunization of the child;
2. Enroll the child in the district; and
3. Authorize the child to participate in age-appropriate extracurricular, civic, social, or recreational activities, including athletic activities.

A temporary authorization order does not affect the rights of the child's parent, conservator, or guardian regarding the care, custody, and control of the child, and does not establish legal custody of the child. *Family Code 35.007(b)*

Immunity

A person who relies in good faith on a temporary authorization order is not subject to civil or criminal liability to any person, or to professional disciplinary action. *Family Code 35.007(a)*

**Students in Foster Care**

A child placed in foster care by an agency of the state or a political subdivision shall be permitted to attend schools in the district in which the foster parents reside free of any charge to the foster parents or to the agency. A student who was enrolled in a primary or secondary public school before the student entered the conservatorship of DFPS and who is placed at a residence outside the attendance area for a school or outside a district is entitled to continue to attend the school in which the student was enrolled immediately before entering conservatorship until the student successfully completes the highest grade level offered by the school at the time of placement without payment of tuition. The student is entitled to continue to attend the school regardless of whether the student remains in the conservatorship of DFPS for the duration of the student's enrollment in the school. *Education Code 25.001(g)*

If a student who is in the conservatorship of DFPS is enrolled in a primary or secondary public school, other than the school in which the student was enrolled at the time the student was placed in the conservatorship of DFPS, the student is entitled to continue to at-

tend that school without payment of tuition until the student successfully completes the highest grade level offered by the school at the time of enrollment in the school, even if the child's placement is changed to a residence outside the attendance area for that school or outside the district. The student is entitled to continue to attend the school regardless of whether the student remains in the conservatorship of DFPS for the duration of the student's enrollment in the school. *Education Code 25.001(g-1)*

A written case plan for any child in foster care under the responsibility of the state must include a plan for ensuring the educational stability of the child while in foster care, including:

1. Assurances that each placement of the child in foster care takes into account the appropriateness of the current educational setting and the proximity to the school in which the child is enrolled at the time of placement; and
2. An assurance that the appropriate state agency has coordinated with a district to ensure that the child remains in the school in which the child is enrolled at the time of each placement; or if remaining in that school is not in the best interests of the child, assurances by the state agency and the district to provide immediate and appropriate enrollment in a new school, with all of the educational records of the child provided to the school.

Any such tuition charge must be submitted to the commissioner for approval. The attendance of students admitted under this provision shall not be counted for purposes of allocating state funds to a district. *Education Code 25.003*

**Students Holding F-1 Student Visas**

If a student is required, as a condition of obtaining or holding the appropriate U.S. student visa, to pay tuition to the district that the student attends to cover the cost of the student's education provided by the district, the district shall accept tuition for the student in an amount equal to the full unsubsidized per capita cost of providing the student's education for the period of the student's attendance at school in the district.

The commissioner shall develop guidelines for determining the amount of the full unsubsidized per capita cost of providing a stu-

dent's education. A district may not accept tuition in an amount greater than the amount computed under the commissioner's guidelines unless the commissioner approves a greater amount as a more accurate reflection of the cost of education to be provided by the district.

The attendance of a student for whom a district accepts tuition is not counted for purposes of allocating state funds to the district.

*Education Code 25.0031*

**Transfer by Peace  
Officer Request**

On request of a peace officer who is a parent of or person standing in parental relation to a student, the board or the board's designee shall transfer the student to another district campus or to another district under an agreement under Education Code 25.035.

"Peace officer" has the meaning assigned by Occupations Code 1701.001.

A transfer under this provision must be to the campus or school district, as applicable, selected by the peace officer making the request.

A district is not required to provide transportation to a student who transfers to another campus or district under this provision.

*Education Code 25.0344*

**Transfers to  
Adjoining States**

---

**Note:** The following provision applies to a district located on the border of an adjoining state.

---

Any student who would be entitled to attend the public school of any district situated on the border of Louisiana, Arkansas, Oklahoma, or New Mexico and who may find it more convenient to attend the public school in a district in one of those contiguous states, may have the state and county per capita apportionment of the available school funds paid to the school district of the contiguous state and may have additional tuition, if necessary, paid by the district of residence on such terms as may be agreed upon by the trustees of the receiving district and the trustees of the residence district. *Education Code 25.040*

---

**Contracts for  
Education Outside  
Districts**

**Note:** The following section applies only to districts that do not offer all grades, kindergarten-grade 12.

---

A district that does not offer each grade, kindergarten-grade 12, may provide by contract for students residing in the district who are at grade levels not offered by the district to be educated at those grade levels in one or more other districts. In each contract, the districts also shall agree to the transfer of school funds or other payments proportionate to the transfer of attendance.

Tuition

The district in which the students reside shall pay tuition to any district with which it has a contract under this section for each of its

students attending school in that district at a grade level for which the district has contracted. The amount of the tuition paid may not exceed the greater of the amount provided for by Education Code 25.038 [see above], or an amount specified by commissioner rule [see below].

A district is not required to pay tuition to any district with which it has not contracted for the attendance by any of its students at a grade level for which it has contracted under this provision with another district.

A contract under this provision may not be for a period exceeding five years.

*Education Code 25.039*

*Definitions*

“Home district” means a district of residence of a transferring student.

“Receiving district” means a district to which a student is transferring for the purpose of obtaining an education.

“Tuition” means an amount charged to the home district by the receiving district to educate the transfer student.

*Tuition Allotment  
of the Home  
District*

For the purposes of calculating the tuition allotment of the home district as authorized by Education Code 48.154, the amount of tuition that may be attributed to a home district for a transfer student in payment for that student’s education may not exceed an amount per enrollee calculated for each receiving district. The calculated limit applies only to tuition paid to a receiving district for the education of a student at a grade level not offered in the home district. Tuition may be set at a rate higher than the calculated limit if both districts enter a written agreement, but the calculated tuition limit will be used in the calculation of the tuition allotment for the home district. The calculation will use the most currently available data in an ongoing school year to determine the limit that applies to the subsequent school year. For purposes of this provision, the number of students enrolled in a district will be appropriately adjusted to account for students ineligible for the Foundation School Program funding and those eligible for half-day attendance.

*Calculated  
Tuition Limit*

The calculated tuition limit is the sum of the excess maintenance and operations (M&O) revenue per enrollee and the excess debt revenue per enrollee, as calculated in 19 Administrative Code 61.1012(b)(2)-(3).

*Notification and  
Appeal Process*

In the spring of each school year, the commissioner will provide each district with its calculated tuition limit and a worksheet with a description of the derivation process. A district may appeal to the

commissioner if it can provide evidence that the use of projected student counts from the LPE in making the calculation is so inaccurate as to result in an inappropriately low authorized tuition charge and undue financial hardship. A district that used significant nontax sources to make any of its debt service payments during the base year for the computation may appeal to the commissioner to use projections of its tax collections for the year for which the tuition limit will apply. The commissioner's decision regarding an appeal is final.

*19 TAC 61.1012*

**Assignments**

A board or its designee may assign and transfer any student from one school facility or classroom to another facility or classroom within its jurisdiction. *Education Code 25.031*

A board or its designee must make the decision concerning the assignment or transfer of a student on an individual basis and may not consider as a factor in its decision any matter relating to the national origin of the student or the student's ancestral language. *Education Code 25.032*

**Multiple Birth Siblings**

"Multiple birth sibling" means a twin, triplet, quadruplet, or other sibling resulting from a multiple birth.

"Parent" includes a person standing in parental relation.

**Placement**

The parent of multiple birth siblings who are assigned to the same grade level and school may request in writing, not later than the 14th day after the first day of enrollment, that the school place the siblings in the same classroom or in separate classrooms.

A school shall provide the placement requested, except that a district is not required to place multiple birth siblings in separate classrooms if the request would require the district to add an additional class to the grade level of the siblings.

The school may recommend to a parent the appropriate classroom placement and may provide professional educational advice to assist the parent with the decision.

These provisions do not affect:

1. A right or obligation regarding the individual placement decisions of the admission, review, and dismissal (ARD) committee with respect to students receiving special education services [see EHBAB]; or
2. The right of a district or teacher to remove a student from a classroom under Chapter 37 [see FOA].

**Reassignment by Principal**

At the end of the first grading period following the multiple birth siblings' enrollment in the school, if the principal of the school, in consultation with the teacher of each classroom in which the siblings are placed, determines that the requested classroom placement is disruptive to the school, the principal may determine the appropriate classroom placement for the siblings.

**Appeal**

A parent may appeal the principal's classroom placement in the manner provided by district policy. During an appeal, the siblings shall remain in the classroom chosen by the parent. [See FNG]

*Education Code 25.043*

**Placement of Older Students**

A person who is 21 years of age or older who is admitted by a district to complete the requirements for a high school diploma and who has not attended school in the three preceding school years may not be placed with a student who is 18 years of age or younger in a classroom setting, a cafeteria, or another district-sanctioned school activity. This restriction does not prevent the student from attending a school-sponsored event that is open to the public as a member of the public. *Education Code 25.001(b-2)*

**Petitions and Objections**

The parent or person standing in parental relation to any student may by written petition either:

1. Request the assignment or transfer of the student to a designated school or to a school to be designated by the board; or
2. File objections to the assignment of the student to the school to which the student has been assigned.

*Education Code 25.033, 26.003(a)(1)*

**Procedure**

Upon receiving a written petition, a board shall proceed as follows:

1. If no hearing is requested, act on the petition not later than the 30th day after the petition is submitted and notify the petitioner of its conclusion; or
2. If a hearing is requested, designate a time and place for holding a hearing not later than the 30th day after the petition is submitted.

If a hearing is requested, it shall be conducted by a board in compliance with the following:

1. The petitioner may present evidence relevant to the student.
2. The board may conduct investigations as to the objection or request, examine any student involved, and employ agents, professional or otherwise, for the purpose of examinations and investigations.

**Board's Decision**

The board must grant the request made in the petition unless the board determines that there is a reasonable basis for denying the request. The decision of a board, with or without a hearing, is final, unless the student, or the parent, guardian, or custodian of the student as next friend, files an exception to the decision as constituting a denial of any right of the student guaranteed under the U.S. Constitution.

If such an exception is filed, a board may reconsider its decision. If a board has not ruled on the exception before the 16th day after the date of the filing, the objection is considered overruled. If the

exception is overruled, an appeal of a board's decision may be filed in the district court of the county in which the board is located.

*Education Code 25.034*

**Students With a Peace Officer or Servicemember Parent**

For information regarding intradistrict transfers upon request of a parent or person standing in parental relation who is a peace officer or servicemember, see FDA.

**Students Who Are Victims of Bullying**

On the request of a parent or other person with authority to act on behalf of a student who is a victim of bullying, a board or its designee shall transfer the victim to:

1. Another classroom at the campus to which the victim was assigned at the time the bullying occurred; or
2. A campus in the district other than the campus to which the victim was assigned at the time the bullying occurred.

**Students Who Engage in Bullying**

The board may transfer the student who engaged in bullying to:

1. Another classroom at the campus to which the victim was assigned at the time the bullying occurred; or
2. A campus in the district other than the campus to which the victim was assigned at the time the bullying occurred, in consultation with a parent or other person with authority to act on behalf of the student who engaged in bullying.

Education Code 37.004 (Placement of Students with Disabilities) applies to a transfer under this provision of a student with a disability who receives special education services.

Definition

"Bullying" has the meaning assigned by Education Code 37.0832. [See FFI]

Verification

A board or designee shall verify that a student has been a victim of bullying before transferring the student. A board may consider past student behavior when identifying a bully.

The determination by a board or designee is final and may not be appealed. The procedures set forth at Education Code 25.034 [see Petitions and Objections—Procedure, above] do not apply to a transfer under this provision.

A district is not required to provide transportation to a student who transfers to another campus under this provision.

*Education Code 25.0342*

---

**Note:** For bullying rising to the level of prohibited harassment, see FFH. For all other bullying, see FFI. For transfers related to sexual assault or school safety, see FDE.

---

**Others in Special Education Student's Household**

If a district assigns a student to a district campus other than the campus the student would attend based on the student's residence, for purposes of receiving special education services, the district shall permit the student's parent, guardian, or other person standing in parental relation to the student to obtain a transfer to the assigned campus for any other student residing in the household of the student receiving special education services, provided that:

1. The other student is entitled to attend school in the district [see FD]; and
2. The appropriate grade level for the other student is offered at the campus.

This provision does not apply if the student receiving special education services resides in a residential facility.

Education Code 25.034 [see Petitions and Objections—Procedure, above] does not apply to a transfer under this provision.

Transportation

A district is not required to provide transportation to a student who transfers to another campus under this provision. This provision does not affect any transportation services provided by a district in accordance with other law for the student receiving special education services.

*Education Code 25.0343*

**Students in Unacceptable Schools**

A student is eligible to attend another public school in the district in which the student resides if the student is assigned to attend a public school campus assigned an unacceptable rating that is made publicly available under Education Code 39.054. *Education Code 29.202(a)* [See FDAA]

**Students in Schools Identified for Support and Improvement**

A district may provide all students enrolled in a school identified by the Texas Education Agency (TEA) for comprehensive support and improvement under 20 U.S.C. 6311(c)(4)(D)(i) with the option to transfer to another public school served by the district, unless such an option is prohibited by state law.

A district shall give priority to the lowest achieving children from low-income families. A student who uses the option to transfer shall be enrolled in classes and other activities in the public school

to which the student transfers in the same manner as all other students at the public school.

A district shall permit a student who transfers to another school to remain in that school until the child has completed the highest grade in that school. A district may spend an amount equal to not more than five percent of its allocation under 20 U.S.C. Chapter 70, Part A, Subpart 2 (Title I basic program allocations) to pay for the provision of transportation for students who transfer under these provisions to the schools to which they transfer.

*20 U.S.C. 6311(d)(1)(D)*

---

**Note:** See FDE for the school safety transfer option in Title I programs.

---

### **Class Changes**

A parent or person standing in parental relation is entitled to reasonable access to the school principal, or to a designated administrator with authority to reassign a student, to request a change in the class or teacher to which the parent's child has been assigned, if the reassignment or change would not affect the assignment or reassignment of another student. The decision of a board regarding such a request is final and may not be appealed. *Education Code 26.002, .003(a)(2), (b)* [See FNG]

**Compulsory  
Attendance**

Students who are at least six years of age, or who have been previously enrolled in first grade, and who have not yet reached their 19th birthday shall attend school for the entire period the program is offered, unless exempted as indicated below. On enrollment in prekindergarten or kindergarten, a student shall attend school. *Education Code 25.085(a)-(c)*

**Voluntary Enrollment  
of Students 19 and  
Over**

A person who voluntarily enrolls in school or voluntarily attends school after the person's 19th birthday shall attend school each school day for the entire period the program of instruction is offered. A board may adopt a policy requiring the student who is under 21 years of age to attend school until the end of the school year.

After the third unexcused absence of a person who voluntarily enrolls, a district shall issue a warning letter to the person that states the person's enrollment may be revoked for the remainder of the school year if the person has more than five unexcused absences in a semester.

A district may revoke for the remainder of the school year the enrollment of a person who has more than five unexcused absences in a semester, except a school district may not revoke the enrollment of a person under this provision on a day on which the person is physically present at school.

A person whose enrollment is revoked for exceeding this limit may be considered an unauthorized person on school grounds for the purposes of Education Code 37.107 regarding trespassing.

As an alternative to revoking a person's enrollment, a school district may impose a behavior improvement plan described by Education Code 25.0915(a-1)(1).

*Education Code 25.085(e)-(h)*

**Accelerated /  
Compensatory  
Programs**

Unless specifically exempted, a student must also attend:

1. An extended-year program for which the student is eligible that is provided by a district for students identified as likely not to be promoted to the next grade level or tutorial classes required by the district under Education Code 29.084 [see EHBC];
2. An accelerated reading instruction program to which the student has been assigned under Education Code 28.006(g) [see EKC];
3. An accelerated instruction program to which the student is assigned under Education Code 28.0211 [see EIE];

4. A basic skills program to which the student is assigned under Education Code 29.086 [see EHBC]; or
5. A summer program provided:
  - a. To a student placed in in-school suspension or other alternative setting, other than a disciplinary alternative education program (DAEP), who has been offered the opportunity to complete before the beginning of the next school year each course in which the student was enrolled at the time of removal. *Education Code 37.021* [See FO]
  - b. To a student removed to a DAEP who has been offered an opportunity to complete coursework before the beginning of the next school year. *Education Code 37.008(l)* [See FOCA]

*Education Code 25.085(d)*

**Additional  
Instructional Days**

Notwithstanding any other provision in Education Code 25.085, a student enrolled in a district is not required to attend school for any additional instructional days described by Education Code 48.0051 [See Incentive for Additional Instructional Days at FEB(LEGAL)].  
*Education Code 25.085(i)*

**Exemptions**

Higher Education

1. The district may not excuse for this purpose more than two days during the student's junior year and two days during the student's senior year; and
2. The district adopts:
  - a. A policy to determine when an absence will be excused for this purpose; and

**Other Excused Absences**

A person required to attend school may be excused for temporary absence resulting from any cause acceptable to the teacher, principal, or superintendent of the school in which the person is enrolled.  
*Education Code 25.087(a)*

**Notices to Parents**  
Warning Notice

A district shall notify a student's parent in writing at the beginning of the school year that, if the student is absent from school on 10 or more days or parts of days within a six-month period in the same school year, the student's parent is subject to prosecution under Education Code 25.093, and the student is subject to referral to a truancy court for truant conduct under Family Code 65.003(a).

Notice of Absences

A district shall notify a student's parent if the student has been absent from school, without excuse under Education Code 25.087, on three days or parts of days within a four-week period. The notice must:

1. Inform the parent that:
  - a. It is the parent's duty to monitor the student's school attendance and require the student to attend school;
  - b. The student is subject to truancy prevention measures under Education Code 25.0915; and
2. Request a conference between school officials and the parent to discuss the absences.

The fact that a parent did not receive the notices described above is not a defense for the parent's failure to require a child to attend school nor for the student's failure to attend school.

*Education Code 25.095*

**Non-Attendance**  
Parent Liability

A parent or person standing in parental relation commits an offense if:

1. A warning notice is issued;
2. The parent with criminal negligence fails to require the child to attend school as required by law; and
3. The child has absences for the amount of time specified under Family Code 65.003(a).

The attendance officer [see FED] or other appropriate school official shall file a complaint against the parent in an appropriate court, as permitted under Education Code 25.093.

*Affirmative  
Defense —  
Parent*

It is an affirmative defense to prosecution that one or more of the absences required to be proven was excused by a school official or should be excused by the court. A decision by the court to excuse an absence for this purpose does not affect the ability of a district to determine whether to excuse the absence for another purpose.

*Education Code 25.093*

Student Liability

A child engages in truant conduct if the child is required to attend school under the compulsory attendance laws, and fails to attend school on 10 or more days or parts of days within a six-month period in the same school year. Truant conduct may be prosecuted only as a civil case in a truancy court. *Family Code 65.003(a)-(b)*

“Child” means a person who is 12 years of age or older and younger than 19 years of age. *Family Code 65.002(1)*

*Truancy Courts*

The following are designated as truancy courts:

1. The constitutional county court in a county with a population of 2.1 million or more;
2. Justice courts; and
3. Municipal courts.

A truancy court has exclusive original jurisdiction over cases involving allegations of truant conduct.

*Family Code 65.004(a)-(b)*

*Affirmative  
Defense —  
Student*

It is an affirmative defense to an allegation of truant conduct that one or more of the absences required to be proven:

1. Have been excused by a school official or by the court;
2. Were involuntary; or
3. Were due to the child's voluntary absence from the child's home because of abuse, as defined by Family Code 261.001.

The affirmative defense is not available if, after deducting the absences described above, there remains a sufficient number of absences to constitute truant conduct.

In asserting an affirmative defense, the burden is on the child to show by a preponderance of the evidence that the absence has been or should be excused, was involuntary, or was due to the

child's voluntary absence from the child's home because of abuse, as defined by Family Code 261.001.

A decision by the court to excuse an absence does not affect the ability of the district to determine whether to excuse the absence for another purpose.

*Family Code 65.003(c)-(f)*

**Truancy Prevention Measures**

If a student fails to attend school without excuse on three or more days or parts of days within a four-week period but does not fail to attend school for the time described below, the district shall initiate truancy prevention measures on the student. [See FED] *Education Code 25.0915(a-4)*

**District Complaint or Referral**

If a student fails to attend school without excuse on 10 or more days or parts of days within a six-month period in the same school year, a district shall within 10 school days of the student's 10th absence refer the student to a truancy court for truant conduct under Family Code 65.003(a). Students in violation of the compulsory attendance law shall be reported to the District attendance officer, who may institute court action as provided by law.

**Excused Absences**

In addition to excused absences required by law, the District shall excuse absences for the following purposes. A student shall be required to submit verification of these absences in accordance with administrative regulations.

Higher Education Visits

The District shall excuse a student for up to two days during the student's junior year and up to two days during the student's senior year to visit an accredited institution of higher education.

Career Investigation

The District shall excuse a student for up to two days during the student's junior year and up to two days during the student's senior year to visit a professional's workplace for purposes of exploring the student's interest in pursuing a career in that professional's field.

Armed Services Enlistment

The District shall excuse a student 17 years of age or older for up to four days during his or her enrollment in high school for activities related to pursuing enlistment in a branch of the U.S. Armed Services or Texas National Guard.

Early Voting or Election Clerk

The District shall excuse a student for up to two days per school year to serve as an early voting or election clerk.

Learner or Driver's License

The District shall excuse a student 15 years of age or older for one day during his or her enrollment in high school for each of the following:

- Visiting a driver's license office to obtain a learner license; or
- Visiting a driver's license office to obtain a driver's license.

[For extracurricular activity absences, see FM.]

**Withdrawal for Nonattendance**

The District may initiate withdrawal of a student under the age of 19 for nonattendance under the following conditions:

1. The student has been absent 10 consecutive school days; and
2. Repeated efforts by the attendance officer and/or principal to locate the student have been unsuccessful.

[For District-initiated withdrawal of students 19 or older, see FEA(LEGAL).]

**Students Attending Homeschools**

Students who are homeschooled are exempt from the compulsory attendance law to the same extent as students enrolled in other private schools.

Adequate documentation of homeschooling for withdrawal shall consist of either a statement of withdrawal in accordance with FD(LOCAL) indicating the date homeschooling began, or a signed and dated letter from a parent or guardian indicating that his or her child is being homeschooled and the date the homeschooling began.

The District may request from a parent or guardian a letter of assurance that a child is being educated using a curriculum designed to meet basic education goals of reading, spelling, grammar, mathematics, and a study of good citizenship.

Enforcing  
Compulsory  
Attendance

If a parent or guardian refuses to submit a requested statement or letter, or if the District has evidence that a school-aged child is not being homeschooled within legal requirements, the District may investigate further and, if warranted, shall pursue legal action to enforce the compulsory attendance law.

**Uniform Accounting System**

Each district shall use a uniform accounting system adopted by the commissioner for the data required to be reported for the Public Education Information Management System. *Education Code 48.008(b)*

**Student Attendance Accounting Handbook**

The commissioner will annually establish student attendance accounting guidelines and procedures to be used by a district to maintain records and make reports on student attendance and student participation in special programs.

The standard procedures that a district must use to maintain records and make reports on student attendance and student participation in special programs are described in the official TEA publication *Student Attendance Accounting Handbook*. A copy of the *Student Attendance Accounting Handbook* is available on the TEA website with information related to financial compliance.

Data from previous school years will continue to be subject to the student attendance accounting handbook as the handbook existed in those years.

**Incentive for Additional Instructional Days**

The commissioner shall adjust the average daily attendance of a district under Education Code 48.005 in the manner provided by Education Code 48.0051(b) if the district:

1. Provides the minimum number of minutes of operational and instructional time required under Education Code 25.081 and commissioner rules adopted under that section over at least 180 days of instruction; and
2. Offers an additional 30 days of half-day instruction for students enrolled in prekindergarten through fifth grade.

*Education Code 48.0051(a)*

**Funding for Off-Campus Programs**

Funding eligibility for a student participating in an off-campus program will include time instructed in the off-campus program. A campus may choose an alternate attendance-taking time for a group of students that is scheduled to be off-campus during the regular attendance-taking time. The alternate attendance-taking time will be in effect for the period of days or weeks for which the group is scheduled to be off-campus during the regular attendance-taking time (for example, for the semester or for the duration

of employment). This alternate attendance-taking time may not be changed once it is selected for a particular group of students. If attendance is taken at an off-campus location, the district must ensure that attendance is taken in accordance with the *Student Attendance Accounting Handbook*.

For a district to receive FSP funding for a student participating in an off-campus program, the district must have documentation of an agreement between the district and the college.

*19 TAC 129.1031(c)-(d)* [See EHDD]

[For information regarding funding for courses taken with the Texas Virtual School Network, see EHDE.]

### **Disasters**

The commissioner may adjust the average daily attendance of a district all or part of which is located in an area declared a disaster area by the governor under Government Code Chapter 418 if the district experiences a decline in average daily attendance that is reasonably attributable to the impact of the disaster.

The commissioner may make the adjustment under this section for the two-year period following the date of the governor's initial proclamation or executive order declaring the state of disaster.

**Absences  
Considered**

In order to receive credit or a final grade for a class, a student is required to attend class 90 percent of the days class is offered regardless of whether the student's absences are excused [see FEA] or unexcused. *Atty. Gen. Op. JC-0398 (2001)*

**90 Percent Rule**

Except as provided below, a student in any grade level from kindergarten through grade 12 shall not be given credit or a final grade for a class unless the student is in attendance 90 percent of the days the class is offered. This restriction does not affect a student's right to excused absences to observe religious holy days [see FEA] and does not apply to a student who receives credit by examination for a class as provided by Education Code 28.023. [See EHDC]

Serious or Life-  
Threatening Illness  
Exception

A student's excused absence resulting from a serious or life-threatening illness or related treatment [see FEA] may not be considered in determining whether the student has satisfied the attendance requirement under the 90 percent rule.

Principal's Plan

A student who is in attendance for at least 75 percent but less than 90 percent of the days a class is offered may be given credit or a final grade if the student completes a plan approved by the school's principal that provides for the student to meet the instructional requirements of the class. However, a student under the jurisdiction of a court in a criminal or juvenile justice proceeding may not receive credit or a final grade without the consent of the judge presiding over the student's case.

**Extenuating  
Circumstances**

An attendance committee may give class credit or a final grade to a student because of extenuating circumstances. A board shall establish guidelines for determining what constitutes extenuating circumstances.

A board shall adopt policies that establish alternative ways for students to make up work or regain credit or a final grade lost because of absences. The alternative ways must include at least one option that does not require a student to pay a fee. The availability of such option must be substantially the same as the availability of the educational program for which a district may charge a fee. [See FP]

**Attendance  
Committee**

A board shall appoint one or more attendance committees to hear petitions for class credit or a final grade by students who have not met the 90 percent rule and have not earned class credit or a final grade by completing a principal's plan. Classroom teachers shall comprise a majority of the attendance committee.

Appeal

If the committee denies a student credit or a final grade, the student may appeal the decision to the board. A board's decision may

be appealed to the district court of the county in which the district's central administrative office is located.

**Additional Duties**

A certified employee may not be assigned additional instructional duties as a result of the above provision outside of the regular workday unless the employee is compensated for the duties at a reasonable rate of pay.

*Education Code 25.092*

**District Complaint or Referral**

Against Student

If a student fails to attend school without excuse on 10 or more days or parts of days within a six-month period in the same school year, a district shall within 10 school days of the student's 10th absence refer the student to a truancy court for truant conduct under Family Code 65.003(a). [See FEA]

Against Parent

The district may file a complaint against the student's parent in a county, justice, or municipal court for an offense of parent contributing to nonattendance under Education Code 25.093 if the district provides evidence of the parent's criminal negligence.

A court shall dismiss a complaint made by a district against a parent that does not comply with Education Code 25.0951; does not allege the elements required for the offense; is not timely filed, unless the district delayed the referral as provided below; or is otherwise substantively defective.

Delaying a Referral

A district may delay a referral of a student for truant conduct, or may choose to not refer a student for truant conduct, if the district:

1. Is applying truancy prevention measures to the student under Education Code 25.0915; and
2. Determines that the truancy prevention measures are succeeding and it is in the best interest of the student that a referral be delayed or not be made.

*Education Code 25.0951*

Referral Prohibited

A district may not refer a student to truancy court if the school determines that the student's truancy is the result of pregnancy, being in the state foster program, homelessness, severe or life-threatening illness or related treatment, or being the principal income earner for the student's family. [See Truancy Prevention Measures, below] *Education Code 25.0915(a-3)*

Filing Requirements

Each referral to truancy court for conduct described by Family Code 65.003(a) must:

1. Be accompanied by a statement from the student's school certifying that the school applied the truancy prevention measures to the student, and the measures failed to meaningfully address the student's school attendance; and
2. Specify whether the student is eligible for or receives special education services under Education Code Chapter 29, Subchapter A.

A truancy court shall dismiss a petition filed by a truant conduct prosecutor under Family Code 65.054, if the court determines that the district's referral:

1. Does not comply with the requirement above;
2. Does not satisfy the elements required for truant conduct;
3. Is not timely filed, unless the school district delayed the referral as provided above [see *Delaying a Referral*, above]; or
4. Is otherwise substantively defective.

*Education Code 25.0915(b), (c)*

**Expunction of  
Records**

An individual who was convicted of a truancy offense under former Education Code 25.094 or has had a complaint for a truancy offense dismissed is entitled to have the conviction or complaint and records relating to the conviction or complaint expunged.

Regardless of whether the individual has filed a petition for expunction, the court in which the individual was convicted or a complaint for a truancy offense was filed shall order the conviction, complaints, verdicts, sentences, and other documents relating to the offense, including any documents in the possession of a district or law enforcement agency, to be expunged from the individual's record. After entry of the order, the individual is released from all disabilities resulting from the conviction or complaint, and the conviction or complaint may not be shown or made known for any purpose.

*Code of Crim. Proc. 45.0541*

**Attendance Officer**

A board may select a school attendance officer. A school attendance officer also may be selected by two or more boards to serve their districts jointly. *Education Code 25.088*

In districts where no attendance officer has been selected, the superintendent and the peace officers in a district shall perform the duties of attendance officer, but no additional compensation shall be paid for the services. *Education Code 25.090* [See Peace Officers, below]

**Powers and Duties**

An attendance officer employed by a district who is not commissioned as a peace officer has the following powers and duties with respect to enforcement of compulsory school attendance requirements:

1. To investigate each case of a violation of the compulsory school attendance requirements referred to the attendance officer;
2. To enforce compulsory school attendance requirements by applying truancy prevention measures adopted under Educa-

tion Code 25.0915 to the student and if the measures fail to meaningfully address the student's conduct:

- a. Referring the student to a truancy court if the student has unexcused absences for the amount of time specified under Family Code 65.003(a); and
  - b. Filing a complaint in a county, justice, or municipal court against a parent who violates Education Code 25.093;
3. To monitor school attendance compliance by each student investigated by the officer;
  4. To maintain an investigative record on each compulsory school attendance requirement violation and related court action and, at the request of a court, the board, or the commissioner, to provide a record to the individual or entity requesting the record;
  5. To make a home visit or otherwise contact the parent of a student who is in violation of compulsory school attendance requirements, except that the attendance officer may not enter a residence without permission of the parent or of the owner or tenant of the residence; and
  6. At the request of a parent, to escort a student from any location to a school campus to ensure the student's compliance with compulsory school attendance requirements.

*Education Code 25.091(b)*

**Peace Officers**

A peace officer serving as an attendance officer has the following powers and duties concerning enforcement of compulsory school attendance requirements:

1. To investigate each case of a violation of compulsory school attendance requirements referred to the peace officer;
2. To enforce compulsory school attendance requirements by applying truancy prevention measures adopted under Education Code 25.0915 to the student and if the measures fail to meaningfully address the student's conduct:
  - a. Referring the student to a truancy court if the student has unexcused absences for the amount of time specified under Family Code 65.003(a); or
  - b. Filing a complaint in a county, justice, or municipal court against a parent who violates Education Code 25.093;
3. To serve court-ordered legal process;

4. To review school attendance records for compliance by each student investigated by the officer;
5. To maintain an investigative record on each compulsory school attendance requirement violation and related court action and, at the request of a court, the board, or the Commissioner, to provide a record to the individual or entity requesting the record; and
6. To make a home visit or otherwise contact the parent of a student who is in violation of compulsory school attendance requirements, except that a peace officer may not enter a residence without the permission of the parent of a student required to attend school or of the tenant or owner of the residence except to lawfully serve court-ordered legal process on the parent.

A peace officer who has probable cause to believe that a child is in violation of the compulsory attendance law may take the child into custody for the purpose of returning the child to the school campus of the child to ensure the child's compliance with compulsory attendance requirements.

*Education Code 25.091(a), (b-1)*

**Truancy Prevention  
Measures**

A district shall adopt truancy prevention measures designed to address student conduct related to truancy in the school setting before the student engages in conduct described by Family Code 65.003 and minimize the need for referrals to truancy court for conduct described by Family Code 65.003(a). *Education Code 25.0915(a)*

A district shall take one or more of the following actions as a truancy prevention measure:

1. Impose:
  - a. A behavior improvement plan on the student that must be signed by an employee of the school, that the district has made a good faith effort to have signed by the student and the student's parent or guardian, and that includes:
    - (1) A specific description of the behavior that is required or prohibited for the student;
    - (2) The period for which the plan will be effective, not to exceed 45 school days after the date the contract becomes effective; or

- (3) The penalties for additional absences, including additional disciplinary action or the referral of the student to a truancy court; or
  - b. School-based community service; or
2. Refer the student to counseling, mediation, mentoring, a teen court program, community-based services, or other in-school or out-of-school services aimed at addressing the student's truancy. A referral may include participation by the child's parent or guardian if necessary.

A school district shall offer additional counseling to a student and may not refer the student to truancy court if the school determines that the student's truancy is the result of:

1. Pregnancy;
2. Being in the state foster program;
3. Homelessness;
4. Severe or life-threatening illness or related treatment; or
5. Being the principal income earner for the student's family.

If a student fails to attend school without excuse on three or more days or parts of days within a four-week period but does not fail to attend school for the time described by Education Code 25.0951(a), the district shall initiate truancy prevention measures on the student.

*Education Code 25.0915*

Minimum Standards

The minimum standards for the truancy prevention measures implemented by a district under Education Code 25.0915 include:

1. Identifying the root cause of the student's unexcused absences and actions to address each cause;
2. Maintaining ongoing communication with students and parents on the actions to be taken to improve attendance;
3. Establishing reasonable timelines for completion of the truancy prevention measure; and
4. Establishing procedures to notify the admission, review, and dismissal committee or the Section 504 committee of attendance issues relating to a student with a disability and ensure that the committee considers whether the student's attendance issues warrant an evaluation, a reevaluation, and/or

modifications to the student's individualized education program or Section 504 plan, as appropriate.

*19 TAC 129.1043*

Best Practices

A district shall consider the following best practices for truancy prevention measures:

1. Develop an attendance policy that clearly outlines requirements related to truancy in accordance with Education Code, Chapter 25, Subchapter C, and communicate this information to parents at the beginning of the year.
2. Create a culture of attendance that includes training staff to talk with students and parents about the attendance policy and the root causes of unexcused absences.
3. Create incentives for perfect attendance and improved attendance.
4. Educate students and their families on the positive impact of school attendance on performance.
5. Provide opportunities for students and parents to address causes of absence and/or truancy with district staff and link families to relevant community programs and support.
6. Develop collaborative partnerships, including planning, referral, and cross-training opportunities, between appropriate school staff, attendance officers, program-related liaisons, and external partners, such as court representatives, community and faith-based organizations, state or locally funded community programs for truancy intervention or prevention, and law enforcement to assist students.
7. Determine root causes of unexcused absences and review campus- and district-level data on unexcused absences to identify systemic issues that affect attendance.
8. Use existing school programs such as Communities in Schools, 21st Century Community Learning Centers, restorative discipline, and positive behavior interventions and supports (PBIS) to provide students and their parents with services.
9. At the beginning of each school year, conduct a needs assessment and identify and list, or map, services and programs available within the district and the community that a school, a student, or a student's parent or guardian may access to address the student's barriers to attendance and make the infor-

mation available to staff, students, and parents. The information must include, but is not limited to:

- a. Services for pregnant and parenting students;
  - b. Services for students experiencing homelessness;
  - c. Services for students in foster care;
  - d. Federal programs including, but not limited to, Title 1, Part A, of the Elementary and Secondary Education Act;
  - e. State programs including, but not limited to, state compensatory education programs;
  - f. Dropout prevention programs and programs for “at risk” youth;
  - g. Programs that occur outside of school time;
  - h. Counseling services;
  - i. Tutoring programs and services available at no or low cost;
  - j. Mental health services;
  - k. Alcohol and substance abuse prevention and treatment programs;
  - l. Mentoring programs and services;
  - m. Juvenile justice services and programs;
  - n. Child welfare services and programs;
  - o. Other state or locally funded programs for truancy prevention and intervention; and
  - p. Other supportive services that are locally available for students and families through faith-based organizations, local governments, and community-based organizations.
10. After identifying and listing, or mapping, services available in the district and community, school districts should target any new resources, programs, or services to gaps in services identified during the needs assessment.
  11. School districts should ensure that personnel, including truancy prevention facilitators or juvenile case managers, attendance officers, McKinney-Vento (homeless) liaisons, foster care liaisons, Title IX coordinators, 504 coordinators, pregnancy and parenting coordinators, dropout prevention coordinators, special education staff, and other appropriate student

services personnel, meet to contribute to the needs assessment, discuss opportunities to work together, and identify strategies to coordinate both internally and externally to address students' attendance barriers.

In determining services offered to students identified in Education Code 25.091(a-3), a district shall consider:

1. Offering an optional flexible school day program and evening and online alternatives;
2. Working with businesses that employ students to help students coordinate job and school responsibilities; and
3. Offering before school, after school, and/or Saturday prevention or intervention programs or services that implement best and promising practices.

*19 TAC 129.1045*

Sanctions

An aggrieved party may file a written complaint with the Texas Education Agency (TEA) regarding an allegation that a district has failed to comply with Education Code 25.0915 or 19 Administrative Code Chapter 129, Subchapter BB related to truancy prevention measures. TEA may request that a district provide documentation regarding its compliance in response to a complaint. If, after a review of this documentation or a district's failure to provide this documentation, TEA determines that the district is not in compliance with required truancy prevention measure provisions, TEA may issue a preliminary report of its findings to the district in accordance with 19 Administrative Code 157.1122 (Notice). A district may request in writing an informal review of TEA's preliminary report in accordance with 19 Administrative Code 157.1123 (Informal Review). Following the informal review, or if no informal review is requested by the deadline, a final report will be issued. The commissioner of education may implement any sanction listed in Education Code 39.102(a) against a district found to be out of compliance with Education Code 25.0915 or 19 Administrative Code Chapter 129, Subchapter BB. *19 TAC 129.1047*

**Truancy Prevention  
Facilitator or  
Juvenile Case  
Manager**

At least annually, the truancy prevention facilitator shall meet to discuss effective truancy prevention measures with a case manager or other individual designated by a truancy court to provide services to students of the district in truancy cases.

Instead of employing a truancy prevention facilitator, a school district may designate an existing district employee or juvenile case manager to implement the truancy prevention measures and any other effective truancy prevention measures as determined by the district or campus.

*Education Code 25.0915(d), (e)*

On approval of the board, a district may employ or agree in accordance with Government Code Chapter 791, with any appropriate governmental entity to jointly employ or to jointly contribute to the costs of another entity employing:

This section does not waive any liability or immunity of the district or its officers or employees or create any liability for or a cause of action against the district or its officers or employees.

Notwithstanding any other law, these provisions do not create a civil, criminal, or administrative cause of action or liability or create a standard of care, obligation, or duty that provides the basis for a cause of action.

**Threat Assessment**

Definitions

“Harmful, threatening, or violent behavior” includes behaviors, such as verbal threats, threats of self harm, bullying, cyberbullying, fighting, the use or possession of a weapon, sexual assault, sexual harassment, dating violence, stalking, or assault, by a student that could result in:

1. Specific interventions, including mental health or behavioral supports;
2. In-school suspension;
3. Out-of-school suspension; or
4. The student’s expulsion or removal to a disciplinary alternative education program (DAEP) or a juvenile justice alternative education program (JJAEP).

“Team” means a threat assessment and safe and supportive school team established by the board under Education Code 37.115.

*Education Code 37.115(a)*

Threat Assessment  
Team

The board shall establish a threat assessment and safe and supportive school team to serve at each campus of the district and shall adopt policies and procedures for the teams.

The team is responsible for developing and implementing the safe and supportive school program in compliance with Texas Education Agency (TEA) rules at the district campus served by the team.

The policies and procedures adopted under Education Code 37.115 must:

1. Be consistent with the model policies and procedures developed by the Texas School Safety Center (TxSSC) [see Education Code 37.220];
2. Require each team to complete training provided by the TxSSC or a regional education service center (ESC) regarding evidence-based threat assessment programs;
3. Require each team established under this section to report the required information regarding the team’s activities to TEA [see Reporting to TEA, below];
4. Require each district campus to establish a clear procedure for a student to report concerning behavior exhibited by another student for assessment by the team or other appropriate school employee; and

5. Provide for:
  - a. A district employee who reports a potential threat to a team to elect for the employee's identity to be confidential and not subject to disclosure Government Code Chapter 552 (Public Information Act), except as necessary for the team, the district, or law enforcement to investigate the potential threat; and
  - b. The district to maintain a record of the identity of a district employee who elects for the employee's identity to be confidential.

Membership                      The superintendent shall ensure, to the greatest extent practicable, that the members appointed to each team have expertise in counseling, behavior management, mental health and substance use, classroom instruction, special education, school administration, school safety and security, emergency management, and law enforcement. A team may serve more than one campus of a district, provided that each district campus is assigned a team.

Oversight  
Committee                      The superintendent may establish a committee, or assign to an existing committee established by the district, the duty to oversee the operations of teams established for the district. A committee with oversight responsibility must include members with expertise in human resources, education, special education, counseling, behavior management, school administration, mental health and substance use, school safety and security, emergency management, and law enforcement.

Team Duties                      Each team shall:

1. Conduct a threat assessment that includes assessing and reporting individuals who make threats of violence or exhibit harmful, threatening, or violent behavior in accordance with district policies and procedures; and gathering and analyzing data to determine the level of risk and appropriate intervention, including:
  - a. Referring a student for mental health assessment; and
  - b. Implementing an escalation procedure, if appropriate, based on the team's assessment, in accordance with district policy;
2. Provide guidance to students and school employees on recognizing harmful, threatening, or violent behavior that may pose a threat to the community, school, or individual; and

3. Support the district in implementing the district's multihazard emergency operations plan [see CKC].

Parental  
Participation

Before a team may conduct a threat assessment of a student, the team must notify the parent of or person standing in parental relation to the student regarding the assessment. In conducting the assessment, the team shall provide an opportunity for the parent or person to participate in the assessment, either in person or remotely, and to submit to the team information regarding the student.

After completing a threat assessment of a student, the team shall provide to the parent of or person standing in parental relation to the student the team's findings and conclusions regarding the student.

*Consent for  
Mental Health-  
Care Service*

A team may not provide a mental health-care service to a student who is under 18 years of age unless the team obtains written consent from the parent of or the person standing in parental relation to the student before providing the mental health-care service. The consent must be submitted on a form developed by the district that complies with all applicable state and federal law. The student's parent or person standing in parental relation to the student may give consent for a student to receive ongoing services or may limit consent to one or more services provided on a single occasion.

*Education Code 37.115(c)-(g)*

Determination of  
Risk

On determination that a student or other individual poses a serious risk of violence to self or others, a team shall immediately report the team's determination to the superintendent. If the individual is a student, the superintendent shall immediately attempt to inform the parent or person standing in parental relation to the student. These requirements do not prevent an employee of the school from acting immediately to prevent an imminent threat or respond to an emergency.

A team identifying a student at risk of suicide shall act in accordance with the district's suicide prevention program. If the student at risk of suicide also makes a threat of violence to others, the team shall conduct a threat assessment in addition to actions taken in accordance with the district's suicide prevention program.

A team identifying a student using or possessing tobacco, drugs, or alcohol shall act in accordance with district policies and procedures related to substance use prevention and intervention.

*Education Code 37.115(h)-(j)*

3. Records maintained by a law enforcement unit of a district that were created by that law enforcement unit for the purpose of law enforcement.
4. Records on a student who is 18 years of age or older, or who is attending an institution of postsecondary education, that are:

Transfer Not  
Permitted

Personal information from student education records shall be transferred to a third party only on the condition that such party will not permit any other party to have access to such information without the written consent of the student's parent. If a third party permits access to information in violation of this policy or fails to destroy the information as required by 20 U.S.C. 1232g(b)(1)(F), a district shall not permit access to information from education records to that third party for a period of not less than five years. *20 U.S.C. 1232g(b)(4)(B); 34 C.F.R. 99.33(a)(1)*

A district shall inform a party to whom a disclosure is made of the requirements of 34 C.F.R. 99.33, unless the disclosure is made pursuant to a court order, lawfully issued subpoena, or litigation; the disclosed information is directory information; the disclosure concerns sex offenders; or the disclosure is made to a parent of a student who is not an eligible student or to a student. *34 C.F.R. 99.33(c)-(d)*

A district may disclose personally identifiable information with the understanding that the party receiving the information may make further disclosures of the information on behalf of the district if:

1. The disclosures meet the requirements of 34 C.F.R. 99.31; and
2. The district has complied with the requirements of 34 C.F.R. 99.32(b) regarding the record of disclosure; or a state or local educational authority or federal official or agency listed re-

*34 C.F.R. 99.33(b)*

Record of Access to Student Records

Each school shall maintain a record, kept with the education record of each student that indicates all individuals, agencies, or organizations that have requested or obtained access to a student's education records, as well as the names of state and local educational authorities and federal officials and agencies listed in 34 C.F.R. 99.31(a)(3) that may make further disclosures of personally identifiable information from the student's education records without consent. A district must obtain a copy of the record of further disclosures maintained by the named authorities, officials, and agencies under 34 C.F.R. 99.32(b)(2) and make it available in response to a parent's request to review the record.

A district must record the following information when it discloses personally identifiable information from education records under the health or safety emergency exception [see Health or Safety Emergency, above]:

1. The articulable and significant threat to the health or safety of a student or other individuals that formed the basis for the disclosure; and
2. The parties to whom the district disclosed the information.

*34 C.F.R. 99.32*

The records shall include at least the name of the person or agency that made the request and the legitimate interest the person or agency had in the information. The record will be maintained as long as the district maintains the student's education record. The record of access shall be available only to parents, school officials responsible for custody of the records, and those state, local, and federal officials authorized to audit the operation of the system. *20 U.S.C. 1232g(b)(4)(A); 34 C.F.R. 99.33(a)(2)*

Right to Amend

The parent of a student whose records are covered by this policy may ask a district to amend the student's record if the parent believes it contains information that is inaccurate, misleading, or in violation of the student's right of privacy or other rights. If a district decides not to amend the education records requested, it shall in-

form the parent of its decision and his or her right to a hearing to challenge the content of the student's education records. *34 C.F.R. 99.20*

If a district decides to amend the records as a result of the hearing, it shall inform the parent in writing. If, as a result of the hearing, the district decides not to amend the records, it shall inform the parent of the right to place a statement in the records commenting on the contested information and/or stating why the parent disagrees with the decision of the district. Fees for Copies

No fee shall be charged to search for or to retrieve the education records of a student. **Directory  
Information**

“Directory  
Information”  
Defined

“Directory information” means information contained in an education record of a student that would not generally be considered harmful or an invasion of privacy if disclosed. Directory information includes the student’s name, address, telephone listing, electronic mail address, photograph, date and place of birth, dates of attendance, grade level, enrollment status, participation in officially recognized activities and sports, weight and height of members of athletic teams, honors and awards received, and the most recent educational agency or institution attended. “Directory information” does not include a student’s:

1. Social security number; or
2. Student identification (ID) number, unless:
  - a. The student ID number, user ID number, or other unique personal identifier used by a student for purposes of accessing or communicating in electronic systems cannot be used to gain access to education records except when used in conjunction with one or more factors that authenticate the user’s identity, such as a personal identification number (PIN), password, or other factor known or possessed only by the authorized user; or

- b. The student ID number or other unique personal identifier that is displayed on a student ID badge cannot be used to gain access to education records except when used in conjunction with one or more factors that authenticate the user's identity, such as a PIN, password, or other factor known or possessed only by the authorized user.

*34 C.F.R. 99.3*

*Disclosure of  
Directory  
Information*

A district may release directory information if it has given public notice to parents of students in attendance and eligible students in attendance at the district of:

2. A parent's or eligible student's right to refuse to let the district designate any or all of those types of information about the student as directory information.
3. The period of time within which the parent has to notify the district in writing that he or she does not want any or all of those types of information about the student designated as directory information.

*Restrictions on  
the Right of  
Refusal*

A parent or eligible student may not use the right of refusal to opt out of directory information disclosures to prevent a district from disclosing or requiring a student to disclose the student's name, identifier, or institutional email address in a class in which the student is enrolled or to prevent a district from requiring a student to wear, to display publicly, or to disclose a student ID card or badge that exhibits information that may be designated as directory information and that has been properly designated by the district as directory information in the public notice provided under this section.

*Former Students*

A district may disclose directory information about former students without satisfying the public notice conditions above. However, the district must continue to honor any valid request to opt out of the disclosure of directory information made while a student was in attendance unless the student rescinds the opt-out request.

*Confirmation of  
Identity or  
Records*

A district may not disclose or confirm directory information without meeting the written consent requirements in 34 C.F.R. 99.30 if a student's social security number or other non-directory information is used alone or combined with other data elements to identify or help identify the student or the student's records.

*Education Code 33.206*

Unsafe Practices

A coach, trainer, or sponsor for an extracurricular athletic activity may not encourage or permit a student participant to engage in any unreasonably dangerous athletic technique that unnecessarily endangers the health of a student, including using a helmet or any other sports equipment as a weapon. *Education Code 33.204*

- Safety Precautions A coach, trainer, or sponsor for an extracurricular athletic activity shall at each athletic practice or competition ensure that:

*Education Code 38.154*

*Training Requirements*

Each member of the concussion oversight team must have had training in the evaluation, treatment, and oversight of concussions at the time of appointment or approval as a member of the team. *Required Annual Form*

A student may not participate in an interscholastic athletic activity for a school year until both the student and the student's parent or guardian or another person with legal authority to make medical decisions for the student have signed a form for that school year that acknowledges receiving and reading written information that explains concussion prevention, symptoms, treatment, and oversight and that includes guidelines for safely resuming participation in an athletic activity following a concussion. The form must be approved by the UIL. *Education Code 38.155*

*Removal from Play*

A student shall be removed from an interscholastic athletics practice or competition immediately if one of the following persons believes the student might have sustained a concussion during the practice or competition: a coach; a physician; a licensed health-care professional, as defined by Education Code 38.151(5); a licensed chiropractor or physical therapist; a school nurse; or the student's parent or guardian or another person with legal authority to make medical decisions for the student. *Education Code 38.156*

*Return to Play*

A student removed from an interscholastic athletics practice or competition under Education Code 38.156 may not be permitted to

practice or compete again following the force or impact believed to have caused the concussion until:

  - d. Understands the immunity provisions under Education Code 38.159.

A coach of an interscholastic athletics team may not authorize a student's return to play.

Steroid Testing

The UIL shall adopt rules for the annual administration of a steroid testing program under which high school students participating in an athletic competition sponsored or sanctioned by the league are tested at multiple times throughout the year for the presence of steroids [see FNF].

Results of such steroid tests are confidential and, unless required by court order, may be disclosed only to the student and the student's parent and the activity directors, principal, and assistant principals of the school attended by the student.

Cardiac  
Assessment

A district must provide a district student who is required under UIL rule or policy to receive a physical examination before being allowed to participate in an athletic activity sponsored or sanctioned

by the UIL, information about sudden cardiac arrest and electrocardiogram testing and notification of the option of the student to request the administration of an electrocardiogram, in addition to the physical examination.

A student may request an electrocardiogram from any health-care professional, including a health-care professional provided through a district program, provided that the health-care professional is appropriately licensed in Texas and authorized to administer and interpret electrocardiograms under the health-care professional's scope of practice, as established by the health-care professional's Texas licensing act.

*Immunity*

These provisions do not create a cause of action or liability or a standard of care, obligation, or duty that provides a basis for a cause of action or liability against a health-care professional described in the provision, the UIL, a district, or a district officer or employee for:

The organization shall provide to each child who is unable to swim or is at risk of injury or death when swimming or otherwise entering a body of water a properly fitted and fastened Type I, II, or III United States Coast Guard approved personal flotation device or a device the executive commissioner of Texas Health and Human Services determines is equivalent. The organization shall ensure

the child is wearing the personal flotation device and the device is properly fitted and fastened for the child.

The educational program may consist of an instructional video, subject to the Department of State Health Services approval.

the child is wearing a protective vest and bull riding helmet in accordance with 25 Administrative Code 104.3.

**Eligibility**

A student otherwise eligible to participate in an extracurricular activity or a UIL competition is not ineligible because the student is enrolled in a course offered for joint high school and college credit, or in a course offered under a concurrent enrollment program, regardless of the location at which the course is provided. *Education Code 33.087*

**Military Dependents**

The district shall facilitate the opportunity for transitioning military children's inclusion in extracurricular activities, regardless of application deadlines, to the extent they are otherwise qualified. *Education Code 162.002 art. VI, § B* [See FDD]

**Attendance and Participation**

The State Board of Education (SBOE) by rule shall limit participation in and practice for extracurricular activities during the school day and the school week.

The board of a district may adopt a policy establishing the number of times a student who is otherwise eligible to participate in an extracurricular activity may be absent from class to participate in an extracurricular activity sponsored or sanctioned by the district, UIL, or an organization sanctioned by board resolution. The policy must permit a student to be absent from class at least 10 times during the school year, and the policy prevails over any conflicting policy adopted by the SBOE.

*Education Code 33.081(a), .0811*

SBOE Rules

The following provisions apply to any UIL activity.

Other organizations requiring student participation that causes a student to miss a class may request sanction from a board. If sanctioned by resolution of the board, student participation in the organization's activities shall be subject to all provisions of statute and to 19 Administration Code 76.1001. If a board does not grant sanction, any absences incurred by a student while participating with that organization's activities shall be subject to the attendance provisions of the Education Code. *19 TAC 76.1001(f)* [See FEB]

Extracurricular Activities

An extracurricular activity is an activity sponsored by the UIL, a board, or an organization sanctioned by board resolution. The activity is not necessarily directly related to instruction of the essential knowledge and skills but may have an indirect relation to some areas of the curriculum.

Extracurricular activities include, but are not limited to, public performances, contests, demonstrations, displays, and club activities. In addition, an activity is subject to this policy if any one of the following criteria applies:

1. The activity is competitive;
2. The activity is held in conjunction with another activity that is considered extracurricular;
3. The activity is held off-campus, except in a case in which adequate facilities do not exist on campus;
4. The general public is invited; or
5. An admission is charged.

Exceptions

*Public Performances*

A student ineligible to participate in an extracurricular activity, but who is enrolled in a state-approved course that requires demonstration of the mastery of the essential knowledge and skills in a public performance, may participate in the performance if:

1. The general public is invited; and
2. The requirement for student participation in public is stated in the essential knowledge and skills of the course.

*State-Approved Music Courses*

A student ineligible to participate in an extracurricular activity, but who is enrolled in a state-approved music course that participates in UIL Concert and Sight-Reading Evaluation, may perform with the ensemble during the UIL evaluation performance.

*19 TAC 76.1001(a)*

Limits on Participation and Practice

*During the School Week*

Limitations on practice, rehearsal, and student participation during the school week shall be as follows:

1. For any given extracurricular activity, a student may not participate in more than one activity per school week, excluding holidays, except as provided in item 2, below.
2. A student may also participate in a tournament or post-district contest, as well as a contest postponed by weather or public disaster that may determine advancement to a post-district level of competition.
3. For each extracurricular activity, a district must limit students to a maximum of eight hours of practice and rehearsal outside the school day per school week.
4. The commissioner recommends that districts avoid scheduling extracurricular activities or public performances on the day

or evening immediately preceding the day on which the statewide student assessment program is scheduled for grades 3-11.

*19 TAC 76.1001(d); Education Code 33.081(a)*

*During the  
School Day*

Limitations on practice and rehearsal during the school day shall be as follows:

1. A district must limit a student to one period of practice during the regularly scheduled school day for practice of extracurricular activities, such as athletics, drill team, or cheerleading.
2. The limit in item 1 does not prohibit a student from enrolling in any state-approved class. A student who is enrolled in a state-approved class that includes essential knowledge and skills that relate to the preparation for an extracurricular activity may practice that extracurricular activity for no more than one period during the school day.
3. A student may not be permitted to miss a scheduled academic class to practice for an unrelated extracurricular activity.
4. A district must limit extracurricular practice during the school day to ensure that class periods for extracurricular practice do not exceed the time allotted for other class periods.
5. Regardless of the schedule type in place (traditional or non-traditional), a school may elect to practice extracurricular activities daily, provided the total minutes allowed for the extracurricular practice is not greater than 300 minutes during the school week.

*19 TAC 76.1001(e); Education Code 33.081(a)*

Record of Absences

A district shall maintain an accurate record of extracurricular absences for each student in the district each school year. *19 TAC 76.1001(c)*

Students Receiving  
Outpatient Mental  
Health Services

A district may not adopt or enforce policies that restrict participation in UIL activities by a student who receives outpatient mental health services from a mental health facility and is enrolled in the district or otherwise receives public education services from a district based solely on the student's receipt of outpatient mental health services from a mental health facility or the student's absence during instructional time while receiving outpatient mental health services from a mental health facility.

This provision does not exempt a student to whom this section applies from any eligibility requirement for participation in UIL activi-

ties other than an eligibility requirement based solely on the criteria of receipt of outpatient mental health services from a mental health facility.

*Education Code 33.0833(c)-(d)*

Participation by  
Homeschooled  
Students

A public school that participates in an activity sponsored by UIL may provide a non-enrolled student, who otherwise meets UIL eligibility standards to represent that school in a UIL activity, with the opportunity to participate in the activity on behalf of the school in the same manner that the school provides the opportunity to participate to students enrolled in the school.

"Non-enrolled student" means a student who receives instruction as a homeschooled student as described by Education Code 29.916(a)(1) from a nonpublic school [see EK].

*Relevant Policies*

A non-enrolled student who seeks to participate or participates in a UIL activity on behalf of a school is subject to the following relevant policies that apply to students enrolled in the school:

1. Registration for UIL activities;
2. Age eligibility;
3. Fees;
4. Insurance;
5. Transportation;
6. Physical condition;
7. Qualifications;
8. Responsibilities;
9. Event schedules;
10. Standards of behavior; and
11. Performance.

*Residency  
Requirements*

A non-enrolled student may only participate in a UIL activity for the school in the district that the student would be eligible to attend based on the student's residential address. A non-enrolled student who seeks to participate in a UIL activity on behalf of a school shall be required to establish minimum proof of residency acceptable to the district in the same manner as an applicant to attend a school in the district under Education Code 25.001 [see FD].

*Academic  
Requirements*

The parent or person standing in parental relation to a non-enrolled student is responsible for oversight of academic standards relating

to the student's participation in a UIL activity. As a condition of eligibility to participate in a UIL activity during the first six weeks of a school year, a non-enrolled student must demonstrate grade-level academic proficiency on any nationally recognized, norm-referenced assessment instrument, such as the Iowa Test of Basic Skills, Stanford Achievement Test, California Achievement Test, or Comprehensive Test of Basic Skills. A non-enrolled student demonstrates the required academic proficiency by achieving a composite, core, or survey score that is within the average or higher than average range of scores, as established by the applicable testing service. A district shall accept assessment results administered or reported by a third party.

A non-enrolled student's demonstration of academic proficiency is sufficient for the school year in which the student achieves the required score and the subsequent school year.

After the first six weeks of a school year, the parent or person standing in parental relation to a non-enrolled student participating in a UIL activity on behalf of a public school must periodically, in accordance with the school's grading calendar, provide written verification to the school indicating that the student is receiving a passing grade in each course or subject being taught.

*Previous Enrollment in Public School*

A non-enrolled student is not authorized by this section to participate in a UIL activity during the remainder of any school year during which the student was previously enrolled in a public school.

*Prohibitions*

With respect to a non-enrolled student's education program, nothing in these provisions shall be construed to permit an agency of this state, a public school district, or any other governmental body to exercise control, regulatory authority, or supervision over a non-enrolled student or a parent or person standing in parental relation to a non-enrolled student beyond the control, regulatory authority, or supervision required to participate in a UIL activity.

Subject only to eligibility requirements, the curriculum or assessment requirements, performance standards, practices, or creed of the education program provided to a non-enrolled student may not be required to be changed in order for the non-enrolled student to participate in a UIL activity. Subject only to eligibility requirements, for a non-enrolled student participating in an education program on January 1, 2021, the education program provided to that student may not be required to comply with any state law or agency rule relating to that education program unless the law or rule was in effect on January 1, 2021.

*UIL Classification*

When assigning league classification to a public school based on student enrollment, the UIL must use the same student enrollment

calculation formula for a school that allows a non-enrolled student to participate in a league activity as the formula used to determine the student enrollment of a school that does not allow a non-enrolled student to participate in the league activity.

*Education Code 33.0833*

*Allotments*

For each nonenrolled student who participates in a UIL activity for a school in a district that allows participation of nonenrolled students, the district is entitled to an annual allotment of \$1,500 per league activity in which the nonenrolled student participates. *Education Code 48.305*

**Suspension from Extracurricular Activities**

A student shall be suspended from participation in any extracurricular activity sponsored or sanctioned by a district or the UIL after a grade evaluation period in which the student received a grade lower than the equivalent of 70 on a scale of 100 in any academic class other than a course described below at Exempt Courses.

Length of Suspension

A suspension continues for at least three school weeks and is not removed during the school year until the conditions of Reinstatement, described below, are met. A suspension shall not last beyond the end of a school year.

Grade Evaluation Period

“Grade evaluation period” means:

1. The six-week grade reporting period; or
2. The first six weeks of a semester and each grade reporting period thereafter, in the case of a district with a grade reporting period longer than six weeks.

*Education Code 33.081(c)*

School Week

The school week is defined as beginning at 12:01 a.m. on the first instructional day of the calendar week and ending at the close of instruction on the last instructional day of the calendar week, excluding holidays. *19 TAC 76.1001(b)*

Exempt Courses

The suspension and reinstatement provisions of Education Code 33.081(c) and (d) do not apply to an advanced placement or international baccalaureate course, or to an honors or dual credit course in the subject areas of English language arts, mathematics, science, social studies, economics, or a language other than English. *Education Code 33.081(d-1)*

Honors classes for purposes of eligibility to participate in extracurricular activities are listed at 19 Administrative Code 74.30(a).

Districts may identify additional honors courses in the subject areas of English language arts, mathematics, science, social studies,

or a language other than English for the purposes of extracurricular eligibility but must identify such courses before the semester in which any exemptions related to extracurricular activities occur.

Districts are neither required to nor restricted from considering courses as honors for the purpose of grade point average calculation.

*19 TAC 74.30*

Students with  
Disabilities

In the case of a student with a disability that significantly interferes with the student's ability to meet regular academic standards, suspension must be based on the student's failure to meet the requirements of the student's individualized education program (IEP). The determination of whether the disability substantially interferes with the student's ability to meet the requirements of the student's IEP must be made by the admission, review, and dismissal (ARD) committee.

For the purposes of this provision, "student with a disability" means a student who is eligible for a district's special education program under Education Code 29.003(b).

*Education Code 33.081(e)*

Practice or  
Rehearsal

A student suspended under Education Code 33.081 may practice or rehearse with other students for an extracurricular activity but may not participate in a competition or other public performance. This provision does not apply to a student prohibited from participation for certain conduct involving extracurricular officials [see below]. *Education Code 33.081(f)*

Reinstatement

Until the suspension is removed or the school year ends, a district shall review the grades of a student at the end of each three-week period following the date on which the suspension began. At the time of a review, the suspension is removed if the student's grade in each class, other than a course described above at Exempt Courses, is equal to or greater than the equivalent of 70 on a scale of 100. The principal and each of the student's teachers shall make the determination concerning the student's grades. *Education Code 33.081(d)*

Suspension for  
Certain Conduct  
Involving  
Extracurricular  
Officials

A student who is enrolled in a district in Texas or who participates in a UIL competition shall be prohibited from participation in any future extracurricular activity sponsored or sanctioned by the district or the UIL if the state executive committee of the league determines that the student intentionally, knowingly, or recklessly causes bodily injury to a person serving as referee, judge, or other official of an extracurricular activity in retaliation for or as a result of

the person's actions taken in performing the duties of a referee, judge, or other official of the extracurricular activity.

*Reinstatement  
After Conduct*

A student prohibited from participation may submit to the UIL a request that the student be permitted to participate in future extracurricular activities sponsored or sanctioned by the UIL. The request must be submitted at least one year after the date the student engaged in the conduct that resulted in the prohibition if the student was enrolled in eighth grade or below at the time of the conduct or two years after the date the student engaged in the conduct that resulted in the prohibition if the student was enrolled in ninth grade or above at the time of the conduct.

*Education Code 33.081(e-1)-(e-2)*

**Spectator  
Suspension**

A district shall prohibit a spectator of an extracurricular athletic activity or competition, including a parent or guardian of a student participant, from attending any future extracurricular athletic activity or competition sponsored or sanctioned by the district or the UIL if the spectator engages in conduct that intentionally, knowingly, or recklessly causes bodily injury to a person serving as referee, judge, or other official of an extracurricular athletic activity or competition in retaliation for or as a result of the person's actions taken in performing the duties of a referee, judge, or other official of the extracurricular athletic activity or competition.

A district may establish an appeals process by which a person may appeal the prohibition to the district and the district may determine the facts associated with the conduct for which the district imposed the prohibition.

A prohibition imposed under this provision must be for not less than one year after the date on which the prohibition is imposed but may not exceed five years from the date on which the prohibition is imposed.

*Education Code 33.081(f-1)-(f-3)*

**Parental Notice and  
Consent**

A parent is entitled to full information regarding the school activities of a parent's child except as provided by Education Code 38.004 (child abuse investigations). *Education Code 26.008(a)*

**Anonymous  
Evaluations**

Anonymous evaluations of a student that determine whether the student may participate in a school-related program do not provide full information about the student's school activities. A district may by policy establish the parameters for parental contact with evaluating teachers, taking into account the type of evaluation, the information elicited in the evaluation, and scheduling and workload requirements of the teachers. *Byard v. Following the request for proposals procurement process, the district may enter into a contract with a child-care facility or implement a before-school or after-school program operated by the district. If the district enters into a contract

with a child-care facility, the contract must comply with the requirements of Education Code 44.031 and may not exceed a term of three years.

Funding

The rules adopted by the board must designate a source of funding to be used to provide uniforms for educationally disadvantaged students.

Exemptions

A parent or guardian of a student assigned to a school where uniforms are required may choose for the student to be exempted from the uniform requirement or for the student to be transferred to a school where uniforms are not required and at which space is available. In order to exercise one of these options, the parent or guardian must provide a written statement that states a religious or philosophical objection to the uniform requirement that the board determines is bona fide.

At the conference, the student is entitled to written or oral notice of the reasons for the removal, an explanation of the basis for the removal, and an opportunity to respond to the reasons for the removal. The student may not be returned to the regular class pending the conference.
Mitigating Factors	Before ordering removal, the CBC must consider whether the student acted in self-defense, the intent or lack of intent at the time the student engaged in the conduct, the student's disciplinary history, and whether the student has a disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct, regardless of whether the decision of the behavior coordinator concerns a mandatory or discretionary action.
Order	Following the conference, and whether or not each requested person is in attendance after valid attempts to require the person's attendance, the CBC, after considering any mitigating factors under Education Code 37.001(a)(4) [see FO], shall order the placement of the student for a period consistent with the Student Code of Conduct.
Appeal	If district policy allows a student to appeal to the board or the board's designee a decision of the CBC or other appropriate administrator, the decision of the board or the board's designee is final and may not be appealed.  <i>Education Code 37.009(a)</i> [See Student Code of Conduct]

**Completion of  
Proceedings Upon  
Withdrawal**

If a student withdraws from a district before an order for placement in a DAEP is entered, the principal or board, as appropriate, may complete the proceedings and enter an order. If the student re-enrolls in the district the same or subsequent school year, the district may enforce the order at that time except for any period of the placement that has been served by the student in another district that honored the order. If the principal or board fails to enter an order after the student withdraws, the next district in which the student enrolls may complete the proceedings and enter an order. *Education Code 37.009(i)*

**Enrollment in  
Another District**

If a student placed in a DAEP enrolls in another district before the expiration of the placement, a board shall provide to the district in which the student enrolls a copy of the placement order at the same time it provides other records. The district in which the student enrolls shall inform each educator who will have responsibility for, or will be under the direction and supervision of an educator who will have responsibility for, the instruction of the student of the contents of the placement order. Each educator shall keep the information confidential from any person not entitled to the information, except that the educator may share the information with the student's parent or guardian as provided by state or federal law.

The district in which the student enrolls may continue the placement or allow the student to attend regular classes without completing the period of placement. [See FO] The district in which the student enrolls may take any of these actions if:

1. The student was placed in a DAEP by an open-enrollment charter school and the charter school provides the district a copy of the placement order; or
2. The student was placed in a DAEP by a district in another state and:
  - a. The out-of-state district provides a copy of the placement order; and
  - b. The grounds for placement are the same as grounds for placement in the enrolling district.

*Education Code 37.008(j)*

**Out-of-State  
Placement**

If a student was placed in a DAEP in another state for more than one year and the enrolling district continues the placement under Education Code 37.008(j), the enrolling district shall reduce the period of placement so that the aggregate period does not exceed one year unless the enrolling district determines that:

Unless a board and the juvenile board for the county in which a district's central administrative office is located have entered into a memorandum of understanding concerning the juvenile probation department's role in supervising and providing other support services for students in DAEP programs:

1. A court may not order a student expelled under Section 37.007 to attend a school district DAEP as a condition of probation;
2. A court may not order a student to attend a DAEP without a district's consent, until the student has successfully completed any sentencing requirements, if the court has ordered the student to attend a DAEP as a condition of probation once during a school year and the student is referred to juvenile court again during that school year.

*Education Code 37.010(c)-(d)*

School Activities

Any court placement in a DAEP must prohibit the student from attending or participating in school-sponsored or school-related activities. *Education Code 37.010(e)*

Placement After Court Disposition

After the student has successfully completed any court disposition requirements, including conditions of deferred prosecution or conditions required by the prosecutor or probation department, a district may not refuse to admit the student if the student meets the requirements for admission into the public schools. A district may place the student in the DAEP.

Notwithstanding Education Code 37.002(d) [see FOA], the student may not be returned to the classroom of the teacher under whose supervision the offense occurred without that teacher's consent. The teacher may not be coerced to consent.

On receipt of the notice, the superintendent or designee shall review the student's placement in the DAEP. The student may not be returned to the regular classroom pending the review. The superintendent or designee shall schedule a review of the student's placement with the student's parent or guardian not later than the third class day after the superintendent or designee receives notice from the office or official designated by the court.

After reviewing the notice and receiving information from the student's parent or guardian, the superintendent or designee may continue the student's placement in the DAEP if there is reason to believe that the presence of the student in the regular classroom threatens the safety of other students or teachers.

*Education Code 37.006(h); Code of Criminal Procedure 15.27(g)*

Appeal After

A disciplinary alternative education program (DAEP) is an educational and self-discipline alternative instruction program, adopted by local policy, for students in elementary through high school grades who are removed from their regular classes for mandatory or discretionary disciplinary reasons and placed in a DAEP. *19 TAC 103.1201(a)*

[See board-adopted Student Code of Conduct for information regarding DAEP.]

**Joint/Contracted  
DAEP**

A district may provide a DAEP jointly with one or more other districts or may contract with third parties for DAEP services. The district must require and ensure compliance with district responsibilities that are transferred to the third-party provider. *Education Code 37.008(d); 19 TAC 103.1201(d)*

A DAEP may provide for a student's transfer to a different campus, a school-community guidance center, or a community-based alternative school. *Education Code 37.008(b)*

Community  
Organizations

Shared Service  
Arrangements

A district that participates in a shared service arrangement for DAEP services shall ensure that the district improvement plan and each campus-level plan include the performance of the DAEP student group for the district in accordance with 19 Administrative Code 103.1201(b) [see BQ]. *19 TAC 103.1201(b)*

**Funding**

A student removed to a DAEP is counted in computing a district's average daily attendance for the student's time in actual attendance in the program. *Education Code 37.008(f)*

A district shall allocate to a DAEP the same expenditure per student attending the DAEP that would be allocated to the student's school if the student were attending the student's regularly assigned education program, including a special education program. *Education Code 37.008(g)* [See also EHBC(LEGAL), Limit on DAEP Expenditures]

**Location**

A DAEP shall be provided in a setting other than the student's regular classroom. *Education Code 37.008(a)(1)*

A DAEP may be located on-campus or off-campus in adherence with requirements of the *Student Attendance Accounting Handbook*. For reporting purposes, the DAEP shall use the county-district-campus number of the student's locally assigned campus (the campus the student would be attending if the student was not at-

tending the DAEP). *19 TAC 103.1201(c); Education Code 37.008(a)(2)*

An off-campus DAEP is not subject to a requirement imposed by the Education Code, other than a limitation on liability, a reporting requirement, or a requirement imposed by Education Code Chapter 37 or Chapter 39 or 39A. *Education Code 37.008(c)*

An elementary school student may not be placed in a DAEP with a student who is not an elementary school student. The designation of elementary and secondary is determined by adopted local policy. *Education Code 37.006(f); 19 TAC 103.1201(h)(1)*

Students who are assigned to the DAEP shall be separated from students who are not assigned to the program. Notwithstanding this requirement, summer programs provided by the district may serve students assigned to a DAEP in conjunction with other students, as determined by local policy.

## **Safety**

A district is responsible for the safety and supervision of the students assigned to the DAEP; however, the immunity from the liability established in Education Code 22.0511 [see DG], shall not be impacted. The DAEP staff shall be prepared and trained to respond to health issues and emergencies.

Each district shall establish a board-approved policy for discipline and intervention measures to prevent and intervene against unsafe behavior and include disciplinary actions that do not jeopardize students' physical health and safety, harm emotional well-being, or discourage physical activity.

*19 TAC 103.1201(h)*

## **Staffing**

A DAEP shall employ only teachers who meet certification requirements under Education Code Chapter 21, Subchapter B. The certified teacher-to-student ratio in a DAEP shall be one teacher for each 15 students in elementary through high school grades. *Education Code 37.008(a)(7); 19 TAC 103.1201(h)(1)*

*19 TAC 103.1201(i)*

**Entrance Procedures**

Procedures for each DAEP shall be developed and implemented for newly entering students and their parents or guardians on the expectations of the DAEP. These procedures shall include written contracts between students, parents or guardians, and the DAEP that formalize expectations and establish the students' individual plans for success. *19 TAC 103.1201(j)*

**Academics**

A district shall provide an academic and self-discipline program that leads to graduation and includes instruction in each student's currently enrolled foundation curriculum necessary to meet the student's individual graduation plan, including special education services. A student's required high school personal graduation plan [see EIF] may not be altered when the student is assigned to a DAEP.

Opportunity to  
Complete Course

A district shall offer a student removed to a DAEP an opportunity to complete a foundation curriculum course in which the student was enrolled at the time of removal, before the beginning of the next school year, through any method available, including a correspondence course, distance learning, or summer school. A student may be expelled if the student engages in conduct against another student that contains the elements of the offenses of aggravated assault, sexual assault, aggravated sexual assault, arson, murder, capital murder, criminal attempt to commit capital murder, or aggravated robbery, without regard to whether the conduct occurs on or off of school property or while attending a school-sponsored or school-related activity on or off of school property. *Education Code 37.007(b)(4)*

Bullying

A student may be removed from class and expelled if the student:

1. Engages in bullying that encourages a student to commit or attempt to commit suicide;
2. Incites violence against a student through group bullying; or
3. Releases or threatens to release intimate visual material of a minor or student who is 18 years of age or older without the student's consent.

Property or  
Activities of Another  
District

A district may expel a student who attends school in the district if:

1. The student engages in conduct for which expulsion would have been mandatory if the conduct had occurred on district property or while attending a district-sponsored or district-related activity; and
2. The student engages in that conduct on the property of another district or while attending a school-sponsored or school-related activity of another district in this state.

*Education Code 37.007(i)*

**Pre-placement  
Proceedings**

Conference

Not later than the third class day after a student is removed by a teacher or by the school principal or other appropriate administrator, the campus behavior coordinator (CBC) or other appropriate administrator shall schedule a conference among the CBC or other appropriate administrator, the student's parent or guardian, the teacher removing the student from class, if any, and the student. At the conference, the student is entitled to written or oral notice of the reasons for the removal, an explanation of the basis for the removal, and an opportunity to respond to the reasons for the removal. The student may not be returned to the regular class pending the conference.

Mitigating Factors  
Before Ordering  
Removal

Before ordering removal, the CBC must consider whether the student acted in self-defense, the intent or lack of intent at the time the student engaged in the conduct, the student's disciplinary history, and whether the student has a disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct, regardless of whether the decision of the behavior coordinator concerns a mandatory or discretionary action.

Order the  
Placement

Following the conference, and whether or not each requested person is in attendance after valid attempts to require the person's attendance, the CBC, after considering any mitigating factors under Education Code 37.001(a)(4) [see FO], shall order the placement of the student for a period consistent with the Student Code of Conduct.

*Education Code 37.009(a)* [See Student Code of Conduct]

**Expulsion  
Proceedings**

Due Process

Before a student may be expelled, a board or its designee shall provide the student a hearing at which the student is afforded appropriate due process as required by the federal constitution and which the student's parent or guardian is invited, in writing, to attend. *Education Code 37.009(f)*

The minimum procedural requirements necessary to satisfy due process depend upon the circumstances and the interests of the parties involved. Federal due process requires notice and some opportunity for hearing.

*Notice*

The notice should contain a statement of the specific charges and grounds that, if proven, would justify expulsion. In some cases, the student should be given the names of the witnesses against him or her and an oral or written report on the facts to which each witness testifies.

*Hearing*

The rights of the student may properly be determined upon the hearsay evidence of school administrators who investigate disciplinary infractions.

Representative

At the hearing, the student is entitled to be represented by the student's parent, guardian, or another adult who can provide guidance to the student and who is not an employee of the district. If a district makes a good-faith effort to inform the student and the student's parent or guardian of the time and place of the hearing, the district may hold the hearing regardless of whether the student, the student's parent or guardian, or another adult representing the student attends.

Mitigating Factors  
Before Ordering  
Expulsion

Before ordering the expulsion of a student, the board or the board's designee must consider whether the student acted in self-defense, the intent or lack of intent at the time the student engaged in the conduct, the student's disciplinary history, and whether the student has a disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct, regardless of whether the decision of the board concerns a mandatory or discretionary action. [See Student Code of Conduct, item 4, at FO(LEGAL) for additional mitigating factors.]

**Appeal** If the decision to expel a student is made by the board's designee, the decision may be appealed to the board. The decision of the board may be appealed by trial de novo to a district court of the county in which the district's central administrative office is located.

*Education Code 37.009(f)*

**Term of Expulsion** If the period of expulsion is inconsistent with the guidelines on length of expulsion in the Student Code of Conduct, the order must give notice of the inconsistency.

**Beyond One Year** The period of expulsion may not exceed one year unless a district determines that:

1. The student is a threat to the safety of other students or to district employees; or
2. Extended placement is in the best interest of the student.

*Education Code 37.009(h)*

**Notice of Expulsion Order** A board or its designee shall deliver a copy of the order expelling the student to the student and the student's parent or guardian. After such notification, the parent or guardian shall provide adequate supervision for the student during the period of expulsion. *Education Code 37.009(g)-(h)*

**To Court** Not later than the second business day after the date an expulsion hearing is held, a board or its designee shall deliver a copy of the expulsion order and any information required under Family Code 52.04 to the authorized officer of the juvenile court in the county in which the student resides.

Family Code 52.04 requires the following information from a referring entity that is not a law enforcement agency or has not taken the child into custody:

1. All information in a district's possession pertaining to the identity of the child and the child's address; the name and address of the child's parent, guardian, or custodian; the names and addresses of any witnesses; and the child's present whereabouts; and
2. A complete statement of the circumstances of the alleged delinquent conduct or conduct indicating a need for supervision.

*Education Code 37.010(a); Family Code 52.04(a), .041(a)-(b)*

**To Juvenile Board** In a county that operates a JJAEP [see FODA], no student shall be expelled without written notification by a board or its designee to the juvenile board's designated representative. The notification

shall be made not later than two business days following a board's determination that the student is to be expelled. Failure to timely notify the designated representative shall result in the child's duty to continue attending a district's educational program, which shall be provided to that child until such time as the notification to the designated representative is properly made. *Family Code 52.041*

To Staff

In addition to providing any notice required under Code of Criminal Procedure 15.27 [see GRA], a district shall inform each educator who has responsibility for, or is under the direction and supervision of an educator who has responsibility for, the instruction of a student who has engaged in expellable conduct.

Each educator shall keep the information confidential from any person not entitled to the information, except that the educator may share the information with the student's parent or guardian as provided by state or federal law. An educator's certificate may be suspended or revoked for intentional failure to keep such information confidential.

*Education Code 37.007(g)*

**Completion of  
Proceeding Upon  
Withdrawal**

If a student withdraws from a district before an order for expulsion is entered, the principal or board, as appropriate, may complete the proceedings and enter an order. If the student subsequently enrolls in the district during the same or subsequent school year, the district may enforce the order at that time except for any period of the expulsion that has been served by the student in another district that honored the order. If the principal or board fails to enter an order after the student withdraws, the next district in which the student enrolls may complete the proceedings and enter an order. *Education Code 37.009(i)*

**Additional  
Proceedings**

If, during the term of expulsion, a student engages in additional conduct for which placement in a DAEP or expulsion is required or permitted, additional proceedings may be conducted and the principal or board, as appropriate, may enter an additional order. *Education Code 37.009(j)*

**Appeals**

A decision by a board's designee to expel a student may be appealed to the board. If the hearing is not before the board directly, the results and findings of the hearing should be presented in a report open to the student's inspection. *Education Code 37.009(f); Dixon v. Alabama State Bd. of Educ., 294 F.2d 150 (5th Cir. 1961), cert. denied, 368 U.S. 930 (1961)*

**Restrictions on  
Court Orders**

A court may not order an expelled student to attend a regular classroom, a regular campus, or a district DAEP as a condition of probation.

Exception

A court may order a student to attend a regular classroom, a regular campus, or a district DAEP if the district has entered into a memorandum of understanding (MOU) with the juvenile board for the county in which the district's central administrative office is located, concerning the juvenile probation department's role in supervising and providing other support services for students in DAEPs.

*Education Code 37.010(c)*

**District  
Responsibility for  
Expelled Student**

Students Not  
Eligible for Existing  
JJAEP

In a county that operates a JJAEP, a district is responsible for providing an immediate educational program to a student who engages in behavior for which expulsion is permitted but not required under Education Code 37.007, but who is not eligible for admission into the JJAEP in accordance with an MOU. [See FODA]

*Contracting for  
Services*

A district may provide the program, or the district may contract with a county juvenile board, a private provider, or one or more other school districts to provide the program.

*Education Code 37.011(l)*

Certain Districts

This provision applies to a district located in a county considered to be a county with a population of 125,000 or less because it has a population of more than 200,000 and less than 233,500; has five or more school districts located wholly within the county's boundaries; and has located in the county a JJAEP that, on May 1, 2011, served fewer than 15 students. A qualifying district shall provide educational services to a student who is expelled from school. The district is entitled to count the student in the district's average daily attendance for purposes of receipt of state funds under the Foundation School Program. An educational placement under this section may include:

1. The district's DAEP.
2. A contracted placement with another school district, an open-enrollment charter school, an institution of higher education, an adult literacy council, or a community organization that can provide an educational program that allows the student to complete the credits required for high school graduation.

An educational placement other than a district's DAEP is subject to the educational and certification requirements applicable to an open-enrollment charter school under Education Code Chapter 12, Subchapter D.

**Return to Class**

Early / Permissive

On the recommendation of the placement review committee, or on its own initiative, a district may readmit an expelled student while the student is completing any court disposition requirements.

Required

After an expelled student has successfully completed any court disposition requirements, including conditions of a deferred prosecution, or conditions required by the prosecutor or probation department, a district may not refuse to admit the student if the student meets the requirements for admission. [See FD] A district may place the student in a DAEP.

The student may not be returned to the classroom of the teacher under whose supervision the offense occurred without that teacher's consent. The teacher may not be coerced to consent.

*Education Code 37.010(f)*

**Expelled from  
Another District**

If a student has been expelled from another school district, the expelling district shall provide to a district in which the student enrolls a copy of the expulsion order and the referral to the authorized officer of the juvenile court. A district in which the student enrolls may continue the expulsion under the terms of the order, may place the student in a DAEP for the period specified by the expulsion order, or may allow the student to attend regular classes without completing the period of expulsion.

Out-of-State  
Expulsion

A district may take any of the above actions if the student was expelled by a district in another state if:

1. The out-of-state district provides a copy of the expulsion order; and
2. The grounds for the expulsion are also grounds for expulsion in the district in which the student is enrolling.

*Education Code 37.010(g)*

If the student was expelled for more than one year and the enrolling district continues the expulsion or places the student in a DAEP, the aggregate period of expulsion or placement may not exceed one year unless the district determines that:

1. The student is a threat to the safety of other students or to district employees; or
2. Extended placement is in the best interest of the student.

*Education Code 37.010(g-1)*

**Note:** See FOF for provisions concerning expulsion of students with disabilities.

**Meetings with  
Juvenile Board**

A board or designee shall regularly meet with either:

1. The juvenile board for the county in which a district's central administrative office is located; or
2. The juvenile board's designee.

The meeting shall be called by the board president and shall address supervision and rehabilitative services appropriate for expelled students and students assigned to disciplinary alternative education programs (DAEPs).

Matters for discussion shall include:

1. Service by probation officers at the DAEP site;
2. Recruitment of volunteers to serve as mentors and provide tutoring services; and
3. Coordination with other social service agencies.

*Education Code 37.013*

**Juvenile Justice  
Alternative  
Education Program**

For the purposes of the following provisions, only a DAEP operated under the authority of a juvenile board of a county is considered a juvenile justice alternative education program (JJAEP).

**Mandatory JJAEP**

The juvenile board of a county with a population greater than 125,000 shall develop a JJAEP, subject to the approval of the Texas Juvenile Justice Department (TJJD).

**Voluntary JJAEP**

The juvenile board of a county with a population of 125,000 or less may develop a JJAEP. Such a JJAEP is not required to be approved by the TJJD. Further, it is not subject to Education Code 37.011(c), (d), (f), (g), (k) or (m).

*Education Code 37.011(a), (k), (m)*

**County Population**

A county with a population greater than 125,000 is considered to be a county with a population of 125,000 or less if:

1. The county had a population of 125,000 or less according to the 2000 federal census and the juvenile board of the county enters into, with the approval of the TJJD, a memorandum of understanding (MOU) with each school district within the county that:
  - a. Outlines the responsibilities of the board and school districts in minimizing the number of students expelled without receiving alternative educational services; and
  - b. Includes the coordination procedures required by Education Code 37.013, above.

2. Has a population of 195,000 or less; is adjacent to two counties, each of which has a population of more than 1.7 million; and has seven or more school districts located wholly within the county's boundaries.
3. Has a population of more than 200,000 and less than 233,500; has five or more school districts located wholly within the county's boundaries; and has located in the county a JJAEP that, on May 1, 2011, served fewer than 15 students.

*Education Code 37.011(a-1)-(a-3)*

---

**Note:** The following provisions apply to all districts that operate JJAEPs, whether voluntary or mandatory.

---

**Placement of  
Students in JJAEP —  
Expelled Students**

Court-Ordered  
Placement

An expelled student shall, to the extent provided by law or by the MOU, immediately attend the educational program from the date of expulsion. *Education Code 37.010(a)* [See FOD]

If a student admitted under Education Code 25.001(b) is expelled for conduct for which expulsion is required under Education Code 37.007(a), (d), or (e) or for conduct that contains the elements of the offense of terroristic threat as described by Penal Code 22.07(c-1), (d), or (e), the juvenile court, juvenile board, or juvenile board's designee, as appropriate, shall:

1. If the student is placed on probation under Family Code 54.04, order the student to attend the JJAEP in the county in which the student resides from the date of disposition as a condition of probation, unless the child is placed in a post-adjudication treatment facility;
2. If the student is placed on deferred prosecution under Family Code 53.03 by the court, prosecutor, or probation department, require the student to immediately attend the JJAEP in the county in which the student resides for a period not to exceed six months as a condition of the deferred prosecution;
3. In determining the condition of the deferred prosecution or court-ordered probation, consider the length of a district's expulsion order for the student; and
4. Provide timely educational services to the student in the JJAEP in the county in which the student resides, regardless of the student's age or whether the juvenile court has jurisdiction over the student. This provision does not require that ed-

educational services be provided to a student who is not entitled to admission under Education Code 25.001(b).

*Education Code 37.011(b)-(b-1)*

A student transferred to a JJAEP must participate in the program for the full period ordered by the juvenile court, unless a district agrees to accept the student before the date ordered by the juvenile court. *Education Code 37.011(i)*

*Students Who Move*

If a student who is ordered to attend a JJAEP moves from one county to another, the juvenile court may request the JJAEP in the county to which the student moves to provide educational services to the student in accordance with the local MOU between the district and the juvenile board in the receiving county. *Education Code 37.011(n)*

Entry and Exit  
Transition Plans

For each student, the JJAEP must coordinate with the sending school district to develop a written transition plan for entrance into the JJAEP. For each student, the JJAEP must develop a written exit transition plan, provide the plan to the receiving school district, and maintain written verification that the plan was sent. The exit transition plan must include all information regarding courses in progress or completed, current grades for courses in progress, and the number of attendance days and absent days. *37 TAC 348.212(b)*

[See FOCA for requirements regarding transition to the regular classroom.]

**Funding for JJAEPs**

Mandatory  
Expulsions

Except as determined by the commissioner of education, a student served by a JJAEP on the basis of conduct for which expulsion is required under Education Code 37.007 is not eligible for Foundation School Program funding if the JJAEP receives funding from the TJJD. *Education Code 37.011(h)*

Court-Assigned  
Students

A district is not required to provide funding to a juvenile board for a student who is assigned by a court to a JJAEP but who has not been expelled. *Education Code 37.012*

Title 5 Felony  
Placements

A district shall reimburse a JJAEP in which a student is placed under Education Code 37.0081 [see FOE] for the actual cost incurred each day the student is enrolled in the program. For purposes of this subsection:

1. The actual cost incurred each day for the student is determined by the juvenile board of the county operating the program; and

2. The juvenile board shall determine the actual cost each day of the program based on the board's annual audit.

*Education Code 37.0081(g)*

Funding for  
Discretionary  
Expulsions

Subject to Education Code 37.011(n) [see Students Who Move, above], the district in which a student is enrolled on the date the student is expelled for conduct for which expulsion is permitted but not required under Education Code 37.007 shall, if the student is served by the JJAEP, provide funding to the juvenile board in an amount determined by the MOU under Education Code 37.011(k).

The amount of the funds transferred is determined by the portion of the school year for which the JJAEP provides educational services to a district.

*Education Code 37.012(a)*

Arbitration of  
Disputes

If a district elects to contract with the juvenile board for the placement of students who are expelled for conduct for which expulsion is permitted but not required under Education Code 37.007, and the juvenile board and the district are unable to reach an agreement in the MOU, either party may request that the issues of dispute be referred to a binding arbitration process that uses a qualified alternative dispute resolution arbitrator.

Each party shall pay its pro rata share of the arbitration costs and shall submit its final proposal to the arbitrator. If the parties cannot agree on an arbitrator, the juvenile board shall select an arbitrator, the district shall select an arbitrator, and those two arbitrators shall select an arbitrator who shall decide the issues in dispute.

*Decision of  
Arbitrator*

The arbitration decision is enforceable in a court in the county in which the JJAEP is located. Any decision by an arbitrator concerning the amount of the funding for a student who is expelled and attending a JJAEP must provide an amount sufficient based on operation of the JJAEP. In determining the amount to be paid by a district for an expelled student enrolled in a JJAEP, the arbitrator shall consider the relevant factors, including evidence of:

1. The actual average total per student expenditure in the district's DAEP;
2. The expected per student cost in the JJAEP as described and agreed on in the MOU and in compliance with Education Code Chapter 37; and
3. The costs necessary to achieve the accountability goals under Education Code Chapter 37.

**Public Information**

See GB(LEGAL) for the definition of public information.

**Availability of Public Information**

Public information is available to the public at a minimum during the normal business hours of a district. Government Code Chapter 552 (Public Information Act [PIA]) does not authorize the withholding of public information or limit the availability of public information to the public, except as expressly provided by the PIA. *Gov't Code 552.006, .021*

Special Rights of Access

*Person Whose Information the District Holds*

A person or a person's authorized representative has a special right of access, beyond the right of the general public, to information held by the district that relates to the person and that is protected from public disclosure by laws intended to protect that person's privacy interests. A district may not deny this access on the grounds that the information is considered confidential by privacy principles under the Public Information Act but may assert as grounds for denial other provisions of the PIA or other law not intended to protect the person's privacy interests. Access to information under this provision shall be provided in the manner prescribed by Government Code 552.229 (consent to release) and 552.307 (timely release), below. *Gov't Code 552.023(a), (b), (e)*

*Board Members*

For information on board members' special access rights to district information, see BBE.

*Parents*

A district that receives a request from a parent for public information relating to the parent's child shall comply with the Public Information Act. *Education Code 26.0085(e)*

For information on parents' special access rights to their child's education records, see FL.

**Information That Must Be Disclosed**

The following categories of information are public information and not excepted from required disclosure unless made confidential under the Public Information Act or other law:

1. A completed report, audit, evaluation, or investigation made of, for, or by a board or district, except as provided in Government Code 552.108.
2. The name, sex, ethnicity, salary, title, and dates of employment of each employee and officer of a district.
3. Information in an account, voucher, or contract relating to the receipt or expenditure of public or other funds by a board.

4. The name of each official and the final record of voting on all proceedings of a board.
5. All working papers, research material, and information used to estimate the need or expenditure of public funds or taxes by a board, on completion of the estimate.
6. A description of a district's central and campus organization, including where, from whom, and how the public may obtain information, submit information or requests, and obtain decisions.
7. A statement of the general course and method by which a district's functions are channeled and determined, including the nature and requirements of all formal and informal policies and procedures.
8. A rule of procedure, a description of forms available or the places at which forms may be obtained, and instructions relating to the scope and content of all papers, reports, or examinations.
9. A substantive rule of general applicability adopted or issued by a board as authorized by law, and a statement of general policy or interpretation of general applicability formulated and adopted by the board.
10. Each amendment, revision, or repeal of the information described in items 6-9.
11. Final opinions and orders issued in the adjudication of cases.
12. A policy statement or interpretation adopted or issued by a board.
13. Administrative manuals and instructions to staff that affect a member of the public.
14. Information regarded as open to the public under a district's policies.
15. Information that is in a bill for attorney's fees and that is not privileged under the attorney-client privilege.
16. Information that is also contained in a public court record.
17. A settlement agreement to which a board is a party.

*Gov't Code 552.022*

Contracting  
Information

Contracting information, as that term is defined in Government Code 552.003(1-a) [see GBAA], is public and must be released unless excepted from disclosure under the Public Information Act.

	<p>The exceptions to disclosure provided by Government Code 552.110 (trade secrets) and 552.1101 (proprietary information) do not apply to the types of contracting information listed at Government Code 552.0222(b). <i>Gov't Code 552.0222(a), (b)</i> [See GBAA for additional procedures related to contracting information.]</p>
Investment Information	<p>Certain categories of information held by a district relating to its investments, as specified by Government Code 552.0225(b), are public information and not excepted from disclosure under the Public Information Act. <i>Gov't Code 552.0225</i></p>
<b>Confidential Information That Must Not Be Disclosed</b>	<p>A person commits an offense if the person distributes information considered confidential under the terms of the Public Information Act. A violation under this provision also constitutes official misconduct. <i>Gov't Code 552.352</i></p>
Confidential by Law	<p>Information is excepted from public disclosure if it is information considered to be confidential by law, either constitutional, statutory, or by judicial decision. <i>Gov't Code 552.101</i></p>
	<hr/> <p><b>Note:</b> For confidentiality and access provisions addressed by specific statutes other than Government Code Chapter 552 (Public Information Act), see the applicable policy code.</p> <hr/>
Privileged Attorney-Client Information	<p>The Texas Rules of Civil Procedure and the Texas Rule of Evidence are "other law" within the meaning of Government Code 552.022 (allowing "other law" to make information confidential from required disclosure). A district does not forfeit the attorney-client privilege by failing to timely request an attorney general's decision, and the privilege is sufficiently compelling to rebut the presumption of public disclosure after an untimely request. <i>In re City of Georgetown, 53 S.W.3d 328, 336 (Tex. 2001); Paxton v. City of Dallas, 509 S.W.3d 247 (Tex. 2017)</i></p> <p>The attorney-client privilege does not apply if the attorney or attorney's representative acts in a capacity other than that of providing or facilitating professional legal services to the client. <i>Harlandale Indep. Sch. Dist. V. Cornyn, 25 S.W.3d 328 (Tex. App.—Austin 2000, pet. Denied)</i></p>
Closed Meeting Records	<p>The certified agenda or tape recording of a closed meeting is available for public inspection only under a court order issued in litigation in a district court involving an alleged violation of the Open Meetings Act. <i>Gov't Code 551.104(c); Atty. Gen. ORD 684 (2009)</i></p> <p>[For information regarding minutes or recording of an open meeting, see BE.]</p>

In this provision, "student record" means information that constitutes education records as that term is defined by FERPA or information in a record of an applicant for admission to an educational institution, including a transfer applicant.

Information is confidential and excepted from required disclosure if it is information in a student record at a district.

The district is not prohibited from disclosing or providing information included in an education record if the disclosure or provision is authorized by FERPA or other federal law. In addition, a student record shall be made available on the request of district personnel, the student, the student's parents, legal guardian, or spouse, or a person conducting a child abuse investigation required by Family Code Chapter 261, Subchapter D.

Except as provided by Government Code 552.114(e) (information in enrollment or transfer records, below), a district may redact information in a student record from information required to be disclosed under the Public Information Act without requesting a decision from the attorney general.

**Note:** For previous determinations by the attorney general allowing governmental bodies to withhold specific categories of information in personnel records, including direct deposit forms; employment forms I-9, W-2, W-4; and fingerprints, without the necessity of requesting an attorney general decision, see Attorney General Open Records Decision (ORD) 684 (2009).

The social security number of an employee of a district in the custody of the district is confidential. *Gov't Code 552.147(a-1)*

*Invasion of  
Privacy*

Information is excepted from public disclosure if it is information in a personnel file, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy, except that all information in the personnel file of a district employee is to be made available to that employee or the employee's designated representative as public information is made available under the Public Information Act. The exception to public disclosure created by this provision is in addition to any exception created by Government Code 552.024. Public access to personnel information covered by Government Code 552.024 is denied to the extent provided by that provision. *Gov't Code 552.102(a)*

<i>Employee Birth Dates</i>	Disclosure of employee birth dates would constitute a clearly unwarranted invasion of personal privacy, and thus such dates are excepted from disclosure under Government Code 552.102(a). <u><i>Texas Comptroller of Public Accts. v. <i>Employee Accused of Improper Relationship with Student</i>	<p>A primary or secondary school may not release externally to the general public the name of an employee who is accused of committing an offense under Penal Code 21.12 (improper relationship between educator and student) until the employee is indicted for the offense. The school may release the name of the accused employee regardless of whether the employee has been indicted for the offense as necessary for the school to:</p> <ol style="list-style-type: none"><li>1. Report the accusation:<ol style="list-style-type: none"><li>a. To TEA, another state agency, or local law enforcement or as otherwise required by law; or</li><li>b. 3. The informer planned, initiated, or participated in the possible violation.

**Officer for Public Information and Required Sign**

Officer and Agents

The superintendent of a district is the officer for public information. Each department head is an agent of the officer for public information for purposes of complying with Government Code Chapter 552 (Public Information Act [PIA]).

*Duties*

The officer is responsible for the release of public information as required by the Public Information Act. Subject to penalties provided by the Public Information Act, the officer for public information shall:

1. Make public information available for public inspection and copying;
2. Carefully protect public information from deterioration, alteration, mutilation, loss, or unlawful removal;
3. Repair, renovate, or rebind public information when necessary to maintain it properly; and
4. Make reasonable efforts to obtain public information from a temporary custodian if:
  - a. The information has been requested from the district;
  - b. The officer is aware of facts sufficient to warrant a reasonable belief that the temporary custodian has possession, custody, or control of the information;
  - c. The officer is unable to comply with the duties imposed by the Public Information Act without obtaining the information from the temporary custodian; and
  - d. The temporary custodian has not provided the information to the officer or the officer's agent.

The officer is not responsible for the use made of the information by the requestor or the release of the information after it is removed from a record as a result of an update, correction, or change of status of the person to whom the information pertains.

*Gov't Code 552.201(a)-.204; Keever v. Finlan, 988 S.W.2d 300 (Tex. App.—Dallas 1999, pet. dismiss'd) (a district's chief administrative officer is the superintendent)*

*Training*

This provision applies to an elected or appointed board member and the officer for public information.

Each person shall complete a course of training of not less than one and not more than two hours regarding the responsibilities of the district and its board members and employees under the Public Information Act not later than the 90th day after the date:

1. The board member takes the oath of office; or
2. The officer for public information assumes duties as officer for public information.

A public information coordinator who is primarily responsible for administering the responsibilities of the board under the Public Information Act and designated for board members to satisfy the training requirement of this provision shall complete the training course regarding the responsibilities of the board and district employees under the PIA not later than the 90th day after the date the coordinator assumes the person's duties as coordinator. [See BBD, CPC(LOCAL)]

Designation of a public information coordinator does not relieve a board member from the duty to comply with any other requirement of the Public Information Act that applies to the board member.

A district shall maintain and make available for public inspection the record of its board members' or, if applicable, the public information coordinator's completion of the training.

*Gov't Code 552.012(a)-(c), (e)*

Training After  
Failure to Comply

The attorney general may require each elected or appointed board member and the officer for public information of a district to complete the course of training if the attorney general determines that the district has failed to comply with a requirement of the Public Information Act. The attorney general must notify each person in writing of the attorney general's determination and the requirement to complete the training. A person who receives notice from the attorney general under this provision must complete the training not later than the 60th day after the date the person receives the notice. *Gov't Code 552.012(a),(b-1)*

PIA Sign

The officer for public information shall prominently display a sign (PIA sign) in the form prescribed by the attorney general that contains basic information about the rights of a requestor, the responsibilities of a district, and the procedures for inspecting or obtaining a copy of public information under the Public Information Act. The officer shall display the sign at one or more places in the district's administrative offices where it is plainly visible to:

1. Members of the public who request public information in person; and

2. Employees of the district whose duties include receiving or responding to public information requests.

*Gov't Code 552.205(a)*

**Requests for Public Information**

Method of  
Requesting Public  
Information

A person may make a written request for public information only by delivering the request by one of the following methods to the officer for public information or a person designated by that officer:

1. United States mail;
2. Electronic mail;
3. Hand delivery; or
4. Any other appropriate method approved by the district, including facsimile transmission and electronic submission through the district's website.

A district is considered to have approved another method only if the district includes a statement on the PIA sign or the district's website that states a request for public information may be made by that method.

*Designated  
Addresses to  
Receive  
Requests*

A district may designate one mailing address and one electronic mail address for receiving written requests for public information and shall provide the designated mailing address and electronic mailing address to any person on request.

A district that posts a designated mailing address or electronic mail address on the district's website or that prints those addresses on the PIA sign is not required to respond to a written request for public information unless the request is received:

1. At one of those addresses;
2. By hand delivery; or
3. By a method described above that has been approved by the district.

*Gov't Code 552.234(c), (d)*

*Optional Request  
Form*

The attorney general shall create a public information request form that provides a requestor the option of excluding from a request information that the district determines is:

1. Confidential; or
2. Subject to an exception to disclosure that the district would assert if the information were subject to the request.

A district that allows requestors to use the attorney general's form and maintains a website shall post the form on its website.

*Gov't Code 552.235*

**District Response to Requests**

Uniform Treatment

The officer for public information or the officer's agent shall treat all requests for information uniformly without regard to the position or occupation of the requestor, the person on whose behalf the request is made, or the status of the individual as a member of the media. *Gov't Code 552.223*

Inquiries by District

The officer for public information and the officer's agent may not make an inquiry of a requestor except to establish proper identification or except as provided below.

*Requests to Clarify or Narrow*

If what information is requested is unclear to the district, the district may ask the requestor to clarify the request. If a large amount of information has been requested, the district may discuss with the requestor how the scope of the request might be narrowed, but the district may not inquire into the purpose for which the information will be used.

*Additional Information for Vehicle Records*

If the information requested relates to a motor vehicle record, the officer for public information or agent may require the requestor to provide additional identifying information sufficient for the officer or agent to determine whether the requestor is eligible to receive the information under Transportation Code Chapter 730. In this provision, "motor vehicle record" has the meaning assigned that term by Transportation Code 730.003.

*Gov't Code 552.222(a)-(c)*

Statement of Consequences

A written request for clarification or discussion or for additional information, as described above, must include a statement as to the consequences of the failure by the requestor to timely respond to the request for clarification, discussion, or additional information. *Gov't Code 552.222(e)*

*Requestor's Failure to Respond*

If by the 61st day after the date the district sends a written request for clarification or discussion or for additional information, as described above, the district, officer for public information, or agent does not receive a written response from the requestor, the underlying request for public information is considered to have been withdrawn by the requestor.

Exception to Automatic Withdrawal

Except when the requestor's information request was sent by electronic mail, described below, if the requestor's information request included the requestor's physical or mailing address, the request may not be considered to have been withdrawn unless the district or officer for public information or agent sends the request for clari-

fication or discussion or for additional information, as described above, to that address by certified mail.

If the requestor's information request was sent by electronic mail, the request may be considered to have been withdrawn if:

1. The district, officer for public information, or agent sends the request for clarification or discussion or the written request for additional information by electronic mail to the same electronic mail address from which the original request was sent or to another electronic mail address provided by the requestor; and
2. The district, officer for public information, or agent does not receive from the requestor a written response or response by electronic mail within the period described by Government Code 552.222(d).

*Gov't Code 552.222(d), (f)-(g)*

Time for Production  
*Promptly*

An officer for public information shall promptly produce public information for inspection, duplication, or both, on application by any person to the officer. "Promptly" means as soon as possible under the circumstances, that is, within a reasonable time, without delay. A district may not automatically withhold for 10 business days public information not excepted from disclosure. *Gov't Code 552.221(a); Atty. Gen. ORD 664 (2000)*

*Business Day*

In the Public Information Act, "business day" means a day other than a Saturday or Sunday, a national holiday, or a state holiday [see below].

Rosh Hashanah, Yom Kippur, or Good Friday are not business days of a district if the officer for public information of the district observes the optional holidays.

The Friday before or Monday after a national or state holiday is not a business day of a district if the holiday occurs on a Saturday or Sunday and the district observes the holiday on that Friday or Monday.

The fact that an employee works from an alternative work site does not affect whether a day is considered a business day.

Locally  
Designated  
Nonbusiness  
Days

A district may designate a day on which the district's administrative offices are closed or operating with minimum staffing as a nonbusiness day. The designation of a nonbusiness day for a district must be made by the board. A district may designate not more than 10 nonbusiness days under this subsection each calendar year.

*Gov't Code 552.0031(a)-(c), (e)-(f), 662.003(c)*

*Gov't Code 662.003(a)-(b)*

*Certifications of  
Availability*

If an officer for public information cannot produce the public information for inspection or duplication within 10 business days after the date the information is requested, the officer shall certify that fact in writing to the requestor and set a date and hour within a reasonable time when the information will be available for inspection or duplication.

If the requested information is unavailable at the time of the request to examine because it is in storage or active use, an officer for public information shall certify this fact in writing to the requestor and set a date and hour within a reasonable time when the information will be available for inspection or duplication.

*Gov't Code 552.221(c), (d)*

*Administrative  
Offices Closed*

Unless the district has initiated a temporary suspension of the Public Information Act during a catastrophe [see below], if a district closes its physical offices, but requires staff to work, including remotely, then the district shall make a good faith effort to continue responding to applications for public information, to the extent staff have access to public information responsive to an application while its administrative offices are closed.

Failure to respond to requests may constitute a refusal to request an attorney general's decision or a refusal to supply public information or information that the attorney general has determined is public information that is not excepted from disclosure.

*Gov't Code 552.2211*

Methods of  
Production

An officer for public information complies with the requirement to promptly produce public information by:

1. Providing the information for inspection or duplication in the offices of a district. The Public Information Act does not authorize a requestor to remove an original copy of a public record from the office of a district;
2. Sending copies of the information by first class United States mail, if the requestor requests that copies be provided and pays the postage and any other applicable charges that the requestor has accrued under Government Code Chapter 552, Subchapter F [see Authorized Costs and Charges, below]; or
3. Referring a requestor to an exact internet location or uniform resource locator (URL) address on a website maintained by the district and accessible to the public if the requested information is identifiable and readily available on that website. If the person requesting the information prefers a manner other than access through the URL, the district must supply the information in the manner described above at items 1 and 2.

If the officer for public information provides by email an internet location or URL address as permitted by item 3, above, the email must contain a statement in a conspicuous font clearly indicating that the requestor may nonetheless access the requested information by inspection or duplication or by

receipt through United States mail, as described above at items 1 and 2.

*Gov't Code 552.221(b)-(b-2), .226*

Inspection and  
Duplication  
Procedures

A district may promulgate reasonable rules of procedure under which public information may be inspected and copied efficiently, safely, and without delay. These rules may not be inconsistent with any provision of the Public Information Act. *Gov't Code 552.230*

The officer for public information or agent shall give the requestor all reasonable comfort and facility for the full exercise of the right granted by the Public Information Act. *Gov't Code 552.224*

*Time For District  
to Provide Copies*

It shall be a policy of a district to provide a suitable copy of public information within a reasonable time after the date on which the copy is requested. *Gov't Code 552.228(a)*

*Time for  
Requestor to  
Appear and  
Complete  
Inspection*

A request is considered to have been withdrawn if the requestor fails to inspect or duplicate the public information in district offices on or before the 60th day after the date the information is made available or fails to pay the postage and any other applicable charges accrued under Government Code Chapter 552, Subchapter F on or before the 60th day after the date the requestor is informed of the charges.

A requestor must complete the examination of the information not later than the 10th business day after the date the custodian of the information makes it available. If the requestor does not complete the examination within 10 business days and does not file a request for additional time under Government Code 552.225(b) (described below), the requestor is considered to have withdrawn the request.

The officer for public information shall extend the initial examination period by an additional 10 business days if, within the initial period, the requestor files with the officer a written request for additional time. The officer shall extend an additional examination period by another 10 business days if, within the first additional period, the requestor files with the officer a written request for more additional time.

The time during which a person may examine information may be interrupted by the officer if the information is needed for use by the district. The period of interruption is not considered to be a part of the time during which the person may examine the information.

*Gov't Code 552.221(e), .225*

*Electronic Data*

If public information exists in an electronic or magnetic medium, the requestor may request a copy in an electronic medium, such as on diskette or on magnetic tape. A district shall provide a copy in the requested medium if:

1. The district has the technological ability to produce a copy of the information in the requested medium;
2. The district is not required to purchase any software or hardware to accommodate the request; and
3. Provision of a copy of the information in the requested medium will not violate the terms of any copyright agreement between the district and a third party.

If a district is unable to comply with a request to produce a copy of information in a requested medium for any of these reasons, the district shall provide a copy in another medium that is acceptable to the requestor. A district is not required to copy information onto a diskette or other material provided by the requestor but may use district supplies.

*Gov't Code 552.228(b), (c)*

Requests Requiring  
Programming or  
Data Manipulation

*Written  
Statement  
Required*

A district shall provide to a requestor a written statement, described below, if the district determines:

1. That responding to a request for information will require programming or manipulation of data; and
2. That:
  - a. Compliance with the request is not feasible or will result in substantial interference with operations; or
  - b. The information could be made available in the requested form only at a cost that covers the programming and manipulation of data.

The written statement shall include:

1. A statement that the information is not available in the requested form;
2. A description of the form in which the information is available;
3. A description of any contract or services that would be required to provide the information in the requested form;
4. A statement of the estimated cost of providing the information in the requested form, as determined in accordance with the

rules established by the attorney general under Government Code 552.262; and

5. A statement of the anticipated time required to provide the information in the requested form.

*Time For  
Programming or  
Manipulation  
Statement*

A district shall provide the written statement to the requestor within 20 days after the date the district receives the request. The district has an additional 10 days to provide the statement if the district gives written notice to the requestor, within 20 days after receiving the request, that additional time is needed.

*Requestor Reply  
Required*

On providing the written statement described above, the district does not have any further obligation to provide the information in the requested form or in the form in which it is available, unless within 30 days the requestor states in writing that the requestor:

1. Wants the district to provide the information in the requested form according to the cost and time parameters set out in the written statement or according to other terms to which the requestor and the district agree; or
2. Wants the information in the form in which it is available.

If a requestor does not make a timely written statement to the district, the requestor is considered to have withdrawn the request for information.

*Processing  
Procedures and  
Recordkeeping*

The officer for public information shall establish policies that assure the expeditious and accurate processing of requests for information that require programming or manipulation of data. A district shall maintain a file containing all written statements issued concerning responding to requests for information that require programming or manipulation of data in a readily accessible location.

*Gov't Code 552.231*

*Repetitious or  
Redundant  
Requests*

A district that determines a requestor has made a request for information for which the district has previously furnished or made copies available to the requestor on payment of applicable charges must respond to the request, in relation to the information for which copies have already been furnished or made available, except that:

1. The district is not prohibited from furnishing the information or making the information available to the requestor again in accordance with the request; and
2. The district is not required to comply with these provisions in relation to information that the district simply furnishes or makes available to the requestor again in accordance with the request.

*Gov't Code 552.232(a)*

These provisions do not apply to information not previously furnished to a requestor or made copies available to the requestor on payment of applicable charges.

A request by the requestor for information for which copies have not previously been furnished or made available to the requestor, including information for which copies were not furnished or made available because the information was redacted from other information that was furnished or made available or because the information did not exist at the time of an earlier request shall be treated in the same manner as any other request for public information under the Public Information Act.

*Gov't Code 552.232(d)*

*Certification of  
Previous  
Production*

A district shall certify to the requestor that copies of all or part of the requested information were previously furnished or made available to the requestor. The certification must include:

1. A description of the information for which copies have been previously furnished or made available to the requestor;
2. The date the district received the requestor's original request for that information;
3. The date the district previously furnished copies or made available copies of the information to the requestor;
4. A certification that no subsequent additions, deletions, or corrections have been made to that information; and
5. The name, title, and signature of the officer for public information or agent making the certification.

A charge may not be imposed for making and finishing this certification.

*Gov't Code 552.232(b), (c)*

**Withholding  
Excepted  
Information**

Request for  
Attorney General  
Decision Required

A district that receives a written request for information that it wishes to withhold from public disclosure and that it considers to be within one of the exceptions to required disclosure under Government Code Chapter 552, Subchapter C [see GBA] must ask for a decision from the attorney general about whether the information is within that exception if there has not been a previous determination about whether the information falls within one of the exceptions [see Request for Attorney General Decision Not Required, below]. *Gov't Code 552.301(a)*

*Consequences of  
Missed Deadlines*

If a district does not request an attorney general decision and provides the requestor with the information required by Government Code 552.301(d) and (e-1) [see Information to Requestor, below], the information requested in writing is presumed to be subject to public disclosure and must be released unless there is a compelling reason to withhold it. *Gov't Code 552.302*

*Electronic  
Submission*

A district that requests an attorney general decision must submit the request through the attorney general's designated electronic filing system. This requirement does not apply if:

1. The district has fewer than 16 full-time employees;
2. The district is located in a county with a population of less than 150,000;
3. The amount or format of responsive information at issue in a particular request makes use of the attorney general's electronic filing system impractical or impossible; or
4. The request is hand delivered to the office of the attorney general.

*Gov't Code 552.3031(a)-(b)*

*Request and  
Submissions to  
Attorney General*

The district must ask for the attorney general's decision and state the exceptions that apply within a reasonable time but not later than the 10th business day after the date of receiving the written request.

When a district requests an attorney general decision, it shall, within a reasonable time but not later than the 15th business day after receiving the request for information, submit to the attorney general all of the following:

1. Written comments stating the reasons why the stated exceptions apply that would allow the information to be withheld;
2. A copy of the written request for information;
3. A signed statement as to the date on which the written request for information was received by the district or evidence sufficient to establish that date; and
4. A copy of the specific information requested, or representative samples of the information if a voluminous amount of information was requested. The district shall label the copies or representative samples to indicate which exceptions apply to which parts of the copy.

*Gov't Code 552.301(b), (e)*

*Information to  
Requestor*

A district that requests an attorney general decision shall provide to the requestor within a reasonable time but not later than the 10th business day after the date of receiving the requestor's written request:

1. A written statement that the district wishes to withhold the requested information and has asked for a decision from the attorney general about whether the information is within an exception to public disclosure; and
2. A copy of the district's written communication to the attorney general asking for the decision. If a district's written communication to the attorney general discloses the requested information, the district shall provide a redacted copy of that written communication.

The district shall send a copy of the comments to the requestor not later than the 15th business day after the district receives the written request. If the written comments disclose or contain the substance of the information requested, the copy of the comments provided to the requestor shall be redacted.

*Gov't Code 552.301(d), (e-1)*

*Calculating  
Timeliness*

For the purposes of Government Code Chapter 552, Subchapter G (Attorney General Decisions), if a district receives a written request by United States mail and cannot adequately establish the actual date of receipt, the request is considered to have been received by the district on the third business day after the date of the postmark on a properly addressed request. *Gov't Code 552.301(a-1)*

When Government Code Chapter 552, Subchapter G requires a request, notice, or other document to be submitted or otherwise given to the attorney general within a specified period, the requirement is met in a timely fashion if the district submits the document through the attorney general's designated electronic filing system within that period. This provision does not affect the right of a district to submit information to the attorney general by specified methods of mail under Government Code 552.308.

When the attorney general is required to deliver a notice, decision, or other document within a specified period, the requirement is met in a timely fashion if the attorney general electronically transmits the document within that period.

For information surrendered or returned to a district by a temporary custodian, the district is considered to receive the request for that

information on the date the information is surrendered or returned to the district. [See GB]

*Gov't Code 552.233(d), .309*

Except as required by Government Code 552.031 (electronic submission [see above]), when the attorney general decision process requires a request, notice, or other document to be submitted or otherwise given to a person within a specified period, the requirement is met in a timely fashion if the document is sent to the person by first class United States mail or common or contract carrier properly addressed with postage or handling charges prepaid and:

1. It bears a post office cancellation mark or a receipt mark of a common or contract carrier indicating a time within that period; or
2. The person required to submit or otherwise give the document furnishes satisfactory proof that it was deposited in the mail or with a common or contract carrier within that period.

*Gov't Code 552.308*

*Third Party  
Privacy or  
Property Interests*

In a case in which information is requested under the Public Information Act and a person's privacy or property interests may be involved, including a case under Government Code 552.101 (information confidential by law), 552.110 (trade secrets), 552.1101 (proprietary information), 552.114 (student records), 552.131 (economic development information), or 552.143 (investment information), a district may decline to release the information for the purpose of requesting a decision from the attorney general.

*Third Party  
Submissions*

A person whose interests may be involved as described above, or any other person, may submit in writing to the attorney general the person's reasons why the information should be withheld or released. A district may, but is not required to, submit its reasons why the information should be withheld or released. The proprietary information exception to disclosure provided by Government Code 552.1101(a) may be asserted only by a vendor, contractor, potential vendor, or potential contractor in the manner described by Government Code 552.305(b) for the purpose of protecting the interests of the vendor, contractor, potential vendor, or potential contractor.

*Gov't Code 552.305(a)-(c), .1101(c)*

*Notice to Third  
Party*

If release of a person's proprietary information may be subject to exception under Government Code 552.101 (information confidential by law), 552.110 (trade secrets), 552.1101 (proprietary information), 552.113 (geological or geophysical information), 552.131

(economic development information), or 552.143 (investment information), a district that requests an attorney general decision shall make a good faith attempt to notify that person of its request. The notice must:

1. Be in writing and sent within a reasonable time not later than the 10th business day after the district receives the request for information; and
2. Include:
  - a. A copy of the written request for information, if any, received by the district; and
  - b. A statement, in the form prescribed by the attorney general, that the person is entitled to submit to the attorney general, not later than the 10th business day after the person receives the notice:
    - (1) Each reason the person has as to why the information should be withheld; and
    - (2) A letter, memorandum, or brief in support of that reason.

A person who submits a letter, memorandum, or brief to the attorney general under this provision shall send a copy of that letter, memorandum, or brief to the person who requested the information from the district. If the letter, memorandum, or brief submitted to the attorney general contains the substance of the information requested, the copy of the letter, memorandum, or brief may be a redacted copy.

*Gov't Code 552.305(d), (e)*

*Requests for Contracting Information Not Maintained by the District*

“Contracting information” means the following information maintained by a district or sent between a district and a vendor, contractor, potential vendor, or potential contractor:

1. Information in a voucher or contract relating to the receipt or expenditure of public funds by a district;
2. Solicitation or bid documents relating to a contract with a district;
3. Communications sent between a district and a vendor, contractor, potential vendor, or potential contractor during the solicitation, evaluation, or negotiation of a contract;
4. Documents, including bid tabulations, showing the criteria by which a district evaluates each vendor, contractor, potential vendor, or potential contractor responding to a solicitation

and, if applicable, an explanation of why the vendor or contractor was selected; and

5. Communications and other information sent between a district and a vendor or contractor related to the performance of a final contract with the district or work performed on behalf of the district.

*Gov't Code 552.003(1-a)*

Government Code 552.371 applies to an entity that is not a governmental body that executes a contract with a district that:

1. Has a stated expenditure of at least \$1 million in public funds for the purchase of goods or services by the district; or
2. Results in the expenditure of at least \$1 million in public funds for the purchase of goods or services by the district in a fiscal year of the district.

Government Code 552.371 applies to a written request for public information received by a district that is party to a contract described above for contracting information related to the contract that is in the custody or possession of the entity and not maintained by the district.

*Gov't Code 552.371(a), (b)*

District Request  
to Contracting  
Entity

A district that receives a written request for contracting information shall request that the entity provide the information to the district. The district must send the request in writing to the party not later than the third business day after the date the district receives the written request. *Gov't Code 552.371(c)*

Requesting  
Decision About  
Contracting  
Information

A district's request for an attorney general's decision to determine whether contracting information not maintained by the district falls within an exception to disclosure under the Public Information Act is considered timely if made not later than the 13th business day after the date the district receives the written request described above. *Gov't Code 552.371(d)(1)*

The statement and copy described above [see Information to Requestor] is considered timely if provided to the requestor not later than the 13th business day after the date the district receives the written request. *Gov't Code 552.371(d)(2)*

A submission and copy described above [see Request and Submissions to Attorney General] is considered timely if sent not later than the 18th business day after the date the district receives the written request. *Gov't Code 552.371(d)(3), (4)*

The presumption that information is subject to disclosure for failing to comply with Government Code 552.301 [see Request and Submissions to Attorney General, above] does not apply if a district:

1. Complies with the requirements of Government Code 552.371(c) in a good faith effort to obtain contracting information not maintained by the district;
2. Is unable to meet a deadline because the contracting entity failed to provide the information to the district not later than the 13th business day after the date the district received the written request for the information; and
3. Complies with all notice requirements not later than the eighth business day after the date the district receives the information from the contracting entity.

*Gov't Code 552.371(e)*

Nothing in Government Code 552.371 affects the deadlines or duties of a district related to requesting an attorney general opinion regarding contracting information the district maintains. *Gov't Code 552.371(f)*

Same  
Information

Categories of  
Previously  
Determined  
Information

A district must release the requested information and is prohibited from asking for a decision from the attorney general about whether information requested under this chapter is within an exception under Government Code Chapter 552, Subchapter C if the district has previously requested and received a determination from the attorney general concerning the precise information at issue in a pending request and the attorney general or a court determined that the information is public information that is not excepted by Subchapter C. *Gov't Code 552.301(f)*

A district may rely on a previous determination by the attorney general regarding a specific, clearly delineated category of information if:

1. The previous decision is applicable to a school district;
2. The previous decision concludes that the category of information is or is not excepted from public disclosure;
3. The elements of law, fact, and circumstances are met to support the previous decision's conclusion that the requested records and information at issue are or are not excepted from public disclosure; and
4. The previous decision explicitly provides that the governmental body or bodies, such as the district, to which the decision

applies may withhold the information without the necessity of seeking a decision from the attorney general.

*Atty. Gen. ORD 673 (2001)*

A district that relies on a previous determination to withhold information from disclosure should notify the requestor in writing of the decision or ruling upon which it is relying. *Atty. Gen. ORD 684 (2009)*

When Request  
Is Allowed for  
Previous  
Determination

A district may ask for another decision from the attorney general concerning the precise information that was at issue in a prior decision made by the attorney general if:

1. A suit challenging the prior decision was timely filed against the attorney general in accordance with the Public Information Act concerning the precise information at issue;
2. The attorney general determines that the requestor has voluntarily withdrawn the request for the information in writing or has abandoned the request; and
3. The parties agree to dismiss the lawsuit.

*Gov't Code 552.301(g)*

**Response After  
Attorney General  
Decision**

A district shall as soon as practicable but within a reasonable period of time after the date the attorney general issues an opinion regarding information requested under the Public Information Act:

1. Provide the requestor of the information an itemized estimate of charges for production of the information if the estimate is required by Government Code 552.2615;
2. If the requested information is voluminous:
  - a. Take the following actions if the district determines that it is able to disclose the information in a single batch:
    - (1) Provide a written certified notice to the requestor and the attorney general that it is impractical or impossible for the district to produce the information within a reasonable period of time;
    - (2) Include in the notice the date and hour that the district will disclose the information to the requestor, which may not be later than the 15th business day after the date the district provides the notice; and
    - (3) Produce the information at the date and time included in the notice; or

- b. Take the following actions if the district determines that it is unable to disclose the information in a single batch:
  - (1) Provide a written certified notice to the requestor and the attorney general that it is impractical or impossible for the district to produce the information within a reasonable period of time and in a single batch;
  - (2) Include in the notice the date and hour that the district will disclose the first batch of information to the requestor, which may not be later than the 15th business day after the date the district provides the notice;
  - (3) Provide a written certified notice to the requestor and the attorney general when each subsequent batch of information is disclosed to the requestor of the date and hour that the district will disclose the next batch of information to the requestor, which may not be later than the 15th business day after the date the district provides the notice; and
  - (4) Produce the requested information at each date and time included in a notice;
3. Produce the information if it is required to be produced;
4. Notify the requestor in writing that the district is withholding the information as authorized by the opinion; or
5. Notify the requestor in writing that the district has filed suit against the attorney general under Government Code 552.324 [see Filing Suit to Challenge Attorney General's Decision, below] regarding the information.

A district is presumed to have complied with the above requirements if the district takes an action regarding information that is the subject of an opinion issued by the attorney general not later than the 30th day after the date the attorney general issues the opinion.

**Authorized Costs  
and Charges**

Attorney General's  
Cost Rules

A district shall use the attorney general's rules to determine the charges for providing copies of public information and to determine the charge, deposit, or bond required for making public information that exists in a paper record available for inspection, except to the extent that other law provides for charges for specific kinds of public information. The charges for providing copies of public information may not be excessive and may not exceed the actual cost of producing the information or for making public information that exists in a paper record available for inspection.

A district may determine its own charges for providing copies of public information and its own charge, deposit, or bond for making public information that exists in a paper record available for inspection. However, a district may not charge an amount that is greater than 25 percent more than the amount established by the attorney general, unless the district requests an exemption.

*Gov't Code 552.262(a); 1 TAC 70.1(b), .3, .10.*

*Exemption*

A district may request that it be exempt from part or all of the rules adopted by the attorney general for determining charges. The request must be made in writing to the attorney general and must state the reason for the exemption. If a district receives notice from the attorney general that an exemption has been granted, the district may amend its charges according to the attorney general's determination. *Gov't Code 552.262(c)*

Multiple Requests

All requests received in one calendar day from an individual may be treated as a single request for purposes of calculating costs. A district may not combine multiple requests from separate individuals who submit requests on behalf of an organization. *Gov't Code 552.261(e)*

Charges for  
Producing Copies

The charge for providing a copy of public information shall be an amount that reasonably includes all costs related to reproducing the information, including costs of materials, labor, and overhead.

*50 Pages or Less*

If a request is for 50 or fewer pages of paper records, the charge for providing the copy of the information may not include costs of materials, labor, or overhead, but shall be limited to the charge for each page of the paper record that is photocopied, unless the pages to be photocopied are located in two or more separate buildings that are not physically connected with each other or a remote storage facility. A connection of two buildings by a covered or open sidewalk, an elevated or underground passageway, or a similar facility is insufficient to cause the buildings to be considered separate buildings.

*Statement of  
Labor Costs*

If the charge for providing a copy of public information includes costs of labor, the requestor may require the officer for public information or agent to provide the requestor with a written statement as to the amount of time that was required to produce and provide the copy. The statement must be signed by the officer or agent, and the officer or agent's name must be typed or legibly printed below the signature. A charge may not be imposed for providing the written statement to the requestor.

*Accrual of  
Charges*

Charges for providing a copy of public information are considered to accrue at the time the district advises the requestor that the copy is available on payment of the applicable charges.

*Gov't Code 552.261(a)-(d)*

*Deposit or Bond  
for Copies*

The officer for public information or agent may require a deposit or bond for payment of anticipated costs for the preparation of a copy of public information if:

1. The officer or agent has provided the requestor with the written itemized statement required by Government Code 552.2615 (itemized estimate of charges, below); and
2. The charge for providing the copy is estimated by the district to exceed \$100, if the district has more than 15 full-time employees, or \$50, if the district has fewer than 16 full-time employees.

The officer or agent may not require a deposit or bond as a down payment for copies of public information that the requestor may request in the future.

*Gov't Code 552.263(a), (b)*

*Effect on  
Timelines*

For purposes of Government Code Chapter 552, Subchapters F (Charges for Providing Copies of Public Information) and G (Attorney General Decisions), a request for a copy of public information is considered to have been received by the district on the date the district receives the deposit or bond for payment of anticipated costs or unpaid amounts if the officer for public information or agent requires a deposit or bond.

A requestor who fails to make such a deposit or post such a bond for payment of anticipated costs for the preparation of copies before the 10th business day after the date the deposit or bond is required is considered to have withdrawn the request for the copy of public information that precipitated the requirement of the deposit or bond.

Modified Request	If a requestor modifies a request in response to the requirement of a deposit or bond, the modified request is considered a separate request and is considered received on the date the district receives the written modified request. <i>Gov't Code 552.263(e-1)</i>
<i>Unpaid Amounts</i>	The officer for public information or agent may require a deposit or bond for payment of unpaid amounts the requestor owes a district in relation to previous public information requests before preparing a copy of public information in response to a new request, if those unpaid amounts exceed \$100. The officer for public information or agent may not seek payment of those unpaid amounts through any other means.
<i>Documentation of Unpaid Amounts</i>	A district must fully document the existence and amount of those unpaid amounts or the amount of any anticipated costs before requiring a deposit or bond. The documentation is subject to required public disclosure.  <i>Gov't Code 552.263(c), (d)</i>
<i>Pre-Payments</i>	A district that receives a request from a requestor to produce public information for inspection or publication or to produce copies of public information in response to a requestor who, within the preceding 180 days, has accepted but failed to pay written itemized statements of estimated charges from the district as provided under Government Code 552.261(b) (statement of labor costs, above) may require the requestor to pay the estimated charges for the request before the request is fulfilled. <i>Gov't Code 552.2661</i>
<i>Waivers</i>	A district shall provide a copy of public information without charge or at a reduced charge if the district determines that waiver or reduction of the charge is in the public interest because providing the information primarily benefits the general public.  If the cost to a district of processing the collection of a charge for providing a copy of public information will exceed the amount of the charge, the district may waive the charge.  <i>Gov't Code 552.267</i>
<i>District Publications</i>	Government Code Chapter 552, Subchapter F (charges for providing copies of public information) does not apply to a publication that is compiled and printed by or for a district for public dissemination. If the cost of the publication is not determined by state law, a district may determine the charge for providing the publication. This provision does not prohibit the district from providing the publication free of charge if state law does not require that a certain charge be made. <i>Gov't Code 552.270</i>

*Copies for  
Parents*

A district may charge a reasonable fee in accordance with the above requirements for copies of materials provided to parents pursuant to Education Code Chapter 26. *Education Code 26.012*

Charges for  
Inspection Without  
Copies

If the requestor does not request a copy of public information, a district may not impose a charge for making available for inspection any public information that exists in a paper record, except as set forth below.

*Copy of Edited  
Page*

If a page contains confidential information that must be edited from the record before the information can be made available for inspection, the district may charge for the cost of making a photocopy of the page from which the confidential information must be edited. No charge other than the cost of the photocopy may be imposed.

*Payment,  
Deposit, or Bond  
for Inspections*

The officer for public information or agent may require a requestor to pay, or to make a deposit or post a bond for the payment of, anticipated personnel costs for making available for inspection public information that exists in paper records if:

1. The information specifically requested by the requestor is older than five years or completely fills, or when assembled will completely fill, six or more archival boxes; and
2. The officer for public information or agent estimates that more than five hours will be required to make the information available for inspection.

*Gov't Code 552.271(a)-(c)*

Exception for  
Certain Small  
Districts

If a district has fewer than 16 full-time employees, the payment, deposit, or bond may be required only if:

1. The information specifically requested by the requestor is older than three years or completely fills, or when assembled will completely fill, three or more archival boxes; and
2. The officer for public information or agent estimates that more than two hours will be required to make the information available for inspection.

*Gov't Code 552.271(d)*

*Inspection of  
Electronic  
Records*

In response to a request to inspect information that exists in an electronic medium and that is not available directly online to the requestor, a charge may not be imposed for access to the information unless complying with the request will require programming or manipulation of data. If programming or manipulation of data is required, a district shall notify the requestor before assembling the information and provide the requestor with an estimate of charges

that will be imposed to make the information available [see also Requests Requiring Programming or Data Manipulation, above].

If public information exists in an electronic form on a computer owned or leased by a district and if the public has direct access to that computer through a computer network or other means, the electronic form of the information may be electronically copied from that computer without charge if accessing the information does not require processing, programming, or manipulation on the district-owned or district-leased computer before the information is copied. If such information also requires processing, programming, or manipulation before it can be electronically copied, a district may impose charges.

If information is created or kept in an electronic form, a district is encouraged to explore options to separate confidential information from public information and make the public information available to the public through electronic access through a computer network or by other means.

*Gov't Code 552.272*

Itemized Estimate  
of Charges

If a request for a copy of public information will result in the imposition of a charge that exceeds \$40, or a request to inspect a paper record without requesting copies will result in the imposition of a charge that exceeds \$40, a district shall provide the requestor with a written itemized statement that details all estimated charges that will be imposed, including any allowable charges for labor or personnel costs. If an alternative less costly method of viewing the records is available, the statement must include a notice that the requestor may contact the district regarding the alternative method. A district must inform the requestor of the responsibilities imposed on the requestor by Government Code 552.2615 and the rights granted by that section and give the requestor the information needed to respond as detailed in Government Code 552.2615(a).

If, after a district provides the requestor the itemized statement but before it makes the copy or the paper record available, the district determines that the estimated charges will exceed the charges detailed in the original itemized statement by 20 percent or more, the district shall send to the requestor an updated written itemized statement that details all estimated charges that will be imposed, including any allowable charges for labor or personnel costs.

*Requestor's  
Response*

A request for which a district is required to produce an (original or updated) itemized statement of estimated charges is considered to have been withdrawn if the requestor does not respond in writing to the itemized statement by informing the district within 10 business days after the date the statement is sent to the requestor that:

1. The requestor will accept the estimated charges;
2. The requestor is modifying the request in response to the itemized statement; or
3. The requestor has sent to the attorney general a complaint alleging that the requestor has been overcharged for being provided with a copy of the public information.

*Actual Charges*

If the actual charges exceed \$40, the charges may not exceed:

1. The amount estimated in the updated itemized statement; or
2. If an updated itemized statement is not sent to the requestor, an amount that exceeds by 20 percent or more the amount estimated in the original itemized statement.

*No Effect on  
Deadlines To  
Request Attorney  
General Decision*

An original or updated itemized statement is considered to have been sent by a district, and a requestor is considered to have responded to the statement, on the date that the statement or response is:

1. Delivered in person;
2. Deposited, properly addressed, in the United States mail; or
3. Transmitted by electronic mail or facsimile, provided the requestor agrees to receive the statement by those means.

The time deadlines for providing or responding to the required statement of estimated charges do not affect the application of a time deadline imposed on a district for requesting a decision by the attorney general under Government Code Chapter 552, Subchapter G.

*Gov't Code 552.2615*

**Temporary  
Suspension of  
Requirements for  
Districts Impacted by  
Catastrophe**

The requirements of the Public Information Act do not apply to a district that is currently significantly impacted by a catastrophe such that the catastrophe directly causes the inability of the district to comply with the requirements of the PIA and the district complies with requirements below to elect a suspension period.

“Catastrophe” means a condition or occurrence that directly interferes with the ability of a district to comply with the requirements of the PIA, including:

1. Fire, flood, earthquake, hurricane, tornado, or wind, rain, or snow storm;
2. Power failure, transportation failure, or interruption of communication facilities;

ACCESS TO PUBLIC INFORMATION  
REQUESTS FOR INFORMATION

GBAA  
(LEGAL)

3. Epidemic; or
4. Riot, civil disturbance, enemy attack, or other actual or threatened act of lawlessness or violence.

“Catastrophe” does not mean a period when staff is required to work remotely and can access information responsive to an application for information electronically, but the physical office of the governmental body is closed.

“Suspension period” means the period of time during which a district may suspend the applicability of the requirements of the Public Information Act.

Initial Suspension  
Period

A district may suspend the applicability of the Public Information Act to the district for an initial suspension period only once for each catastrophe, which may not exceed seven consecutive days and must occur during the period that:

1. Begins not earlier than the second day before the date the district submits notice to the attorney general; and
2. Ends not later than the seventh day after the date the district submits that notice.

Extension of Initial  
Suspension Period

A board may extend an initial suspension period if the board determines that the district is still impacted by the catastrophe on which the initial suspension period was based. The initial suspension period may be extended one time for not more than seven consecutive days that begin on the day following the day the initial suspension period ends.

Maximum  
Suspension Period  
Per Catastrophe

A board that initiates an initial suspension period may not initiate another suspension period related to the same catastrophe, except for a single extension period as described above.

The combined suspension period for a district filing for both an initial suspension period and a subsequent extension may not exceed a total of 14 consecutive calendar days with respect to any single catastrophe.

Upon conclusion of any suspension period the district shall immediately resume compliance with all requirements of the Public Information Act.

Notices to the  
Attorney General

A district that elects to suspend the Public Information Act must submit notice to the attorney general that the district is currently impacted by a catastrophe and has elected to suspend the applicability of the PIA during the initial suspension period.

A board that elects to extend an initial suspension period must submit notice of the extension on the form prescribed by the attorney general.

The notices on the form prescribed by the attorney general must require the district to:

1. Identify and describe the catastrophe that the district is currently impacted by;
2. State the date the initial suspension period determined by the board begins and the date that period ends;
3. If the board has determined to extend the initial suspension period:
  - a. State that the district continues to be impacted by the catastrophe; and
  - b. State the date the extension to the initial suspension period begins and the date the period ends; and
4. Provide any other information the office of the attorney general determines necessary.

Notice to the Public

A district that elects to suspend the Public Information Act must provide notice to the public of the suspension in a place readily accessible to the public and in each other location the district is required to post a notice under Government Code Chapter 551, Subchapter C (Notice of Meetings). The district must maintain the notice of the suspension during the suspension period.

Requests During  
Suspension Period

Notwithstanding another provision of the Public Information Act, a request for public information received by a district during a suspension period is considered to have been received by the district on the first business day after the date the suspension period ends.

Pending Requests  
Tolled

A request for public information received by a district before the date an initial suspension period begins are tolled until the first business day after the date the suspension period ends.

*Gov't Code 552.2325(a)-(j), (l), (m)*

**Large or Frequent  
Requests**

Annual Limits on  
Personnel Time

A district may establish reasonable monthly and yearly limits on the amount of time that district employees are required to spend producing public information for inspection or duplication by a requestor, or providing copies of public information to a requestor, without recovering its costs attributable to that personnel time. A yearly time limit may not be less than 36 hours for a requestor during the 12-month period that corresponds to a district's fiscal year.

A monthly time limit may not be less than 15 hours for a requestor for a one-month period.

*Request by Minor* In determining whether a time limit applies, any time spent complying with a request submitted in the name of a minor, as defined by Family Code 101.003(a), is to be included in the calculation of the cumulative amount of time spent complying with a request for public information by a parent, guardian, or other person who has control of the minor under a court order and with whom the minor resides, unless that parent, guardian, or other person establishes that another person submitted that request in the name of the minor.

*Gov't Code 552.275(a), (b), (c)*

*Written Statement of Cumulative Personnel Time* If a district establishes a time limit, each time the district complies with a request for public information, the district shall provide the requestor with a written statement of the amount of personnel time spent complying with that request and the cumulative amount of time spent complying with requests for public information from that requestor during the applicable monthly or yearly period. The amount of time spent preparing the written statement may not be included in the amount of time included in the statement to the requestor unless the requestor's time limit for the period has been exceeded. *Gov't Code 552.275(d)*

*Photo Identification* A district may request photo identification from a requestor for the sole purpose of establishing that the requestor has not exceeded a limit established by the district and concealed the requestor's identity.

*Statement Required* A request for photo identification must include a written estimate of charges applicable to the requestor who has exceeded a limit established by the district and a statement that describes each specific reason why the request for photo identification may apply to the requestor.

*Proof or Payment* The district shall accept as proof of a requestor's identification physical presentment of photo identification or an image of the photo identification that is transmitted electronically or through the mail. A requestor from whom a district has requested photo identification may decline to provide identification and obtain the requested information by paying the charge assessed in the written estimate.

Written Estimate of  
Charges Beyond  
Time Limit

Subject to unpaid cost estimates for large and frequent requests, as described below, if in connection with a request for public information, the cumulative amount of personnel time spent complying with requests for public information from the same requestor equals or exceeds the district-established time limit, the district shall provide the requestor with a written estimate of the total cost, including materials, personnel time, and overhead expenses, necessary to comply with the request. The written estimate must be provided to the requestor on or before the 10th day after the date on which the public information was requested. The amount of this charge relating to the cost of locating, compiling, and producing the public information shall be established by rules prescribed by the attorney general under Government Code 552.262(a) and (b).

*Additional Time*

If a district provides the requestor with written notice that additional time is required to prepare the written estimate, the district must provide the written estimate as soon as practicable, but on or before the 10th day after the date the district provided the notice that additional time was required.

*Gov't Code 552.275(e), (f)*

Unpaid Cost  
Estimate

When a request is made by a requestor who has made a previous request to the district that has not been withdrawn, for which the district has located and compiled documents in response, and for which the district has issued a written estimate of charges that remains unpaid on the date the requestor submits the new request, the district is not required to locate, compile, produce, or provide copies of documents or prepare an estimate of charges in response to a new request until the date the requestor pays each unpaid statement issued in connection with a previous request or withdraws the previous request to which the statement applies.

*Gov't Code 552.275(e-1)*

*Production Not  
Required Until  
Payment*

If a district provides a requestor with a written estimate of charges or a written statement regarding photo identification and the district's time limits regarding the requestor have been exceeded, the district is not required to produce public information for inspection or duplication or to provide copies of public information in response to the requestor's request unless on or before the 10th day after the date the district provided the written estimate, the requestor submits payment of the amount stated in the written estimate or provides identification.

If the requestor fails or refuses to provide identification or submit payment, the requestor is considered to have withdrawn the request.

*Gov't Code 552.275(g)-(h)*

*Exceptions*

The provisions above concerning requests that require large amounts of employee or personnel time do not apply if the requestor is:

1. An individual who, for a substantial portion of the individual's livelihood or for substantial financial gain, gathers, compiles, prepares, collects, photographs, records, writes, edits, reports, investigates, processes, or publishes news or information for and is seeking the information for:
  - a. Dissemination by a news medium or communication service provider (as defined by Government Code 552.275(m)), including:
    - (1) An individual who supervises or assists in gathering, preparing, and disseminating the news or information; or
    - (2) An individual who is or was a journalist, scholar, or researcher employed by an institution of higher education at the time the person made the request for information; or
  - b. Creation or maintenance of an abstract plant as described by Insurance Code 2501.004.
2. An elected official of the United States, this state, or a political subdivision of this state.
3. A representative of a publicly funded legal services organization that is exempt from federal income taxation under Internal Revenue Code 501(a), as amended, by being listed as an exempt entity under 501(c)(3) of that code.

*Gov't Code 552.275(j)-(l)*

*No Inspections  
for Others Until  
Payment*

A requestor who has exceeded a limit established by a district under Government Code 552.275 may not inspect public information on behalf of another requestor unless the requestor who exceeded the limit has paid each statement issued by the district under Government Code 552.175(e). *Gov't Code 552.271(e)*

**Filing Suit to  
Challenge Attorney  
General's Decision**

The only suit a district may file seeking to withhold information from a requestor is a suit that:

1. Is filed in a Travis County district court against the attorney general in accordance with Government Code 552.325, and
2. Seeks declaratory relief from compliance with a decision by the attorney general issued under Government Code Chapter 552, Subchapter G.

The district must bring the suit not later than the 30th calendar day after the date the district receives the attorney general's decision determining that the requested information must be disclosed to the requestor. If the district does not bring suit within that period, the district shall comply with the decision of the attorney general.

Exception for  
Affirmative  
Defenses

If the district wishes to preserve an affirmative defense for its officer for public information as provided by Government Code 552.353(b)(3), the district must file suit not later than the 10th calendar day after receipt of the attorney general's decision.

*Gov't Code 552.324, .353(b)(3)*

Suits Over Parent's  
Request

A district that seeks to withhold information from a parent who has requested public information relating to the parent's child under the Public Information Act, and that files suit as described by Government Code 552.324 to challenge a decision by the attorney general, must bring the suit not later than the 30th calendar day after the date the district receives the decision of the attorney general, unless an earlier deadline is established by the Public Information Act.

A court shall grant such a suit precedence over other pending matters to ensure prompt resolution of the subject matter of the suit. Notwithstanding any other law, a district may not appeal the decision of the court. This prohibition does not affect the right of a parent to appeal the decision. If a district does not bring suit within the period established, the district shall comply with the decision of the attorney general.

This provision does not affect the earlier deadline for purposes of Government Code 532.353(b)(3) (exception for affirmative defenses, above) for a suit brought by an officer for public information.
